NINETEEN SIXTY

Foreword

Your story is in this book. We hope that it serves a small part in helping you to recall the memories of your college days.

We have tried to capture the spirit of Wyoming—the flavor of the West, the friendliness of the people, the thrill of a football game, the hours in class, new buildings going up, union socializing—these are an integral part of what serves to make up our University.

We present the many and varied lives of the student. As the student goes from day to day, he is a scholar, a fan, a joiner, a personality, a leader, a follower. From these facets there comes the student.

If this book helps you in years to come to bridge the gap to the past, then we have fulfilled our responsibility.

For you—the student.

The Contents

PREPARE FOR COMPLETE LIVING SPENCER

Administration, buildings, faculty—these are the base for a university. Without them, there would be no university, no classes, no way of learning.

The Student learns in many ways from the university. The administration and faculty are ever attempting to guide the student to a firm dignity of knowledge and truth. The buildings are a living symbol reminding the student that there are few things more enduring than a university.

the buildings 8

the administration 12

the colleges 20

The University

Completed in the summer of 1958, the William Robertson Coe Library offers ideal facilities for study and research. The library has collections grouped in three major subject areas—the humanities, social science and education, science and technology. The book stacks in each area are open to all students and faculty.

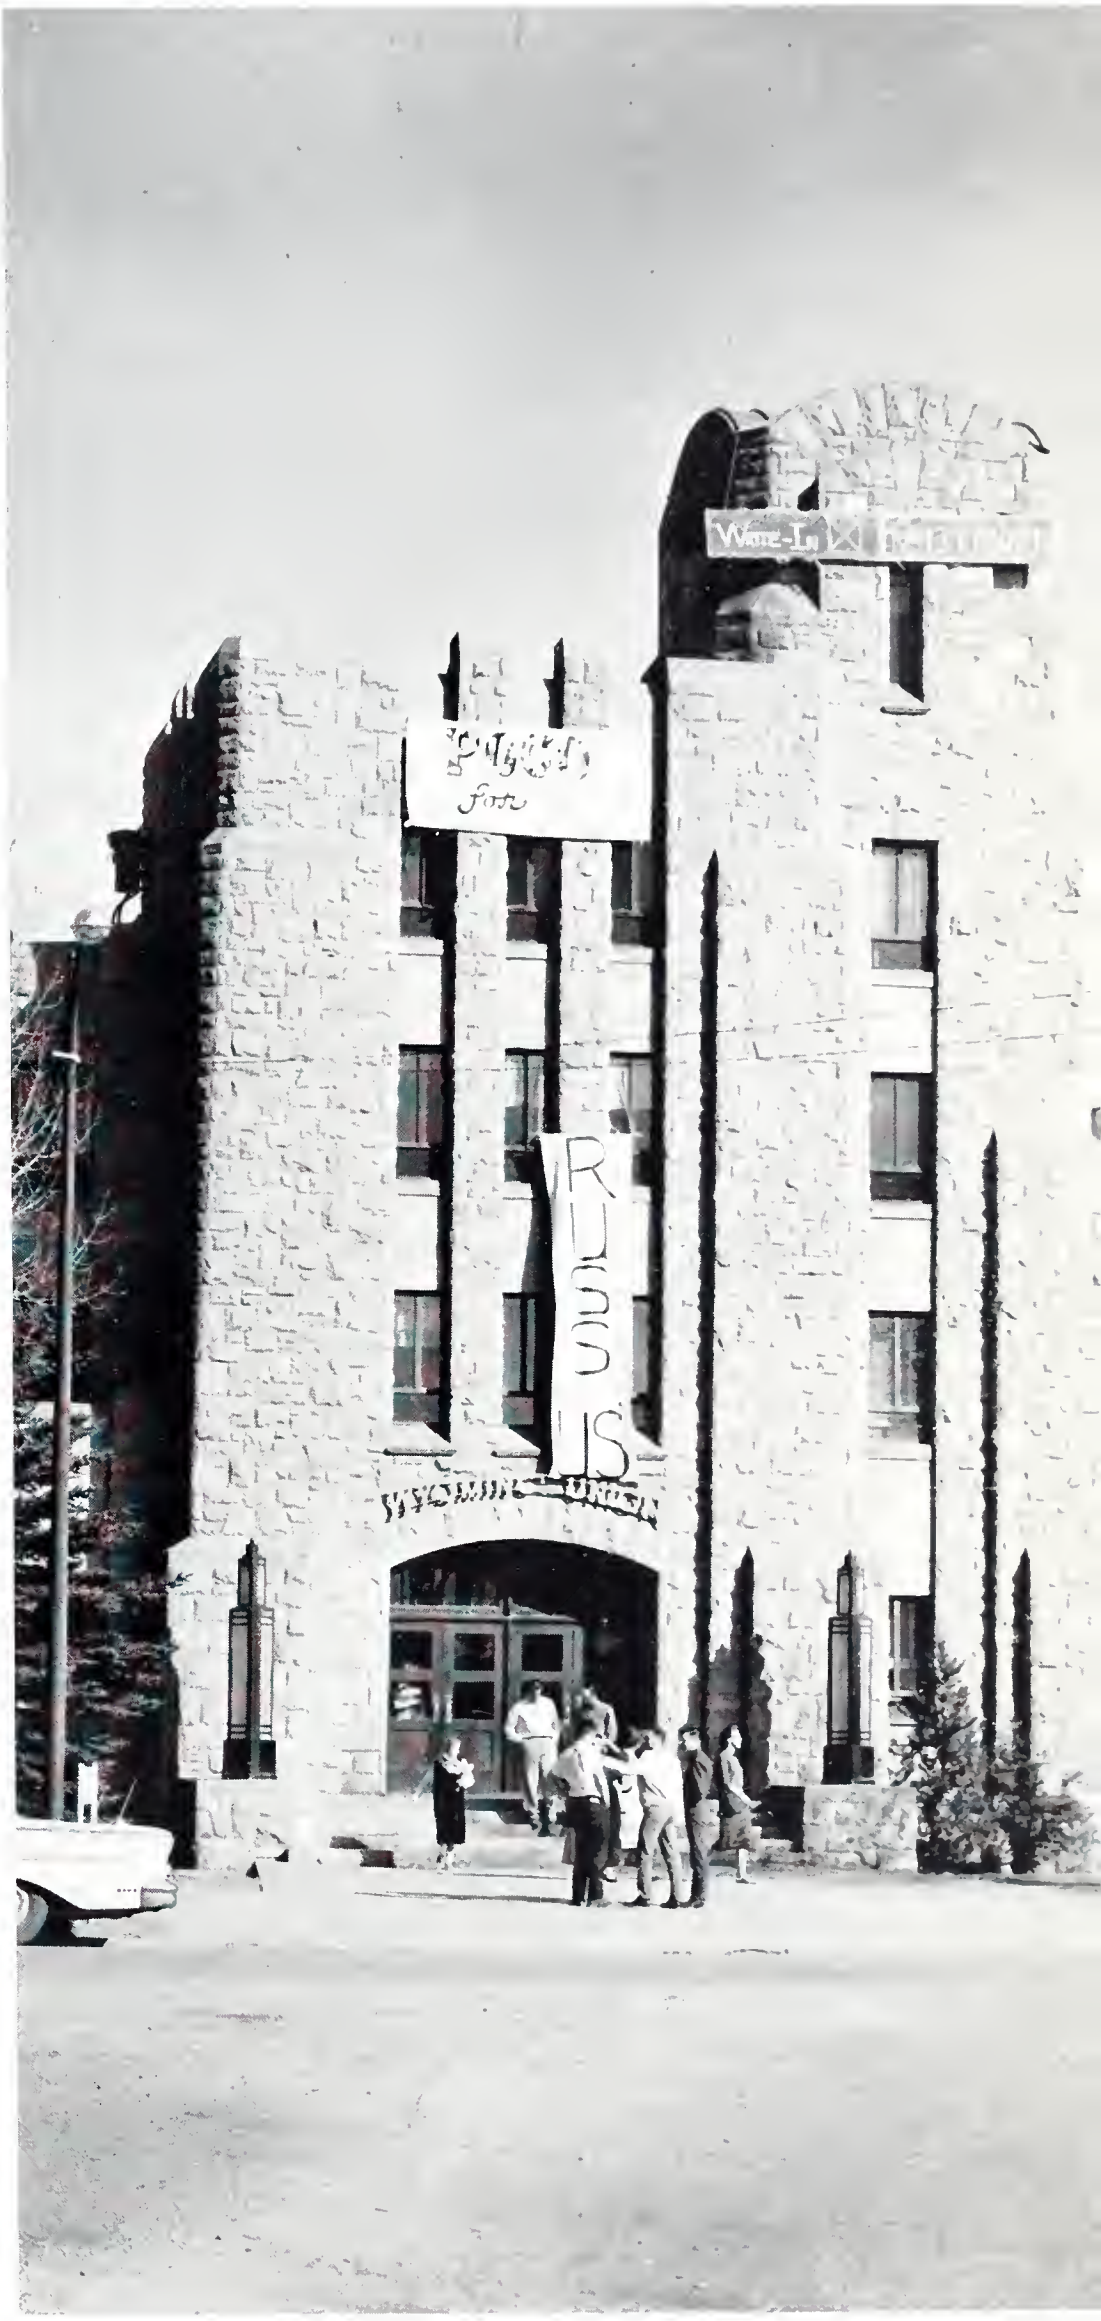
Campus Buildings

Constructed of Native Stone

The University of Wyoming campus comprises nearly 160 acres and has a commanding view of the mountains rising to approximately 12,000 feet. The carefully planned campus has lawns, grounds and gardens planted with evergreen and other trees, some over 50 years old.

The University presents a pleasing aspect with many new and modern buildings, constructed of native stone, quarried a few miles from the campus.

The area south of Old Main has been set aside as a park and is laden with memories and traditions of the University. Old Main houses the administrative offices of the University and was the first building to be completed on campus in 1887. Old Main was extensively remodeled in 1949.



Ever since the Wyoming Union opened in 1939, it has been a headquarters and meeting place of the campus.

Athletic Dormitory

The Athletic Dormitory, located between the Education Building and Wyoming Hall, was built in 1928 and is the dorm of 150 athletes on athletic scholarships here at the University of Wyoming.

Wyoming Hall

Wyoming Hall is a modern fireproof dormitory with 200 rooms housing 400 men. Opened in 1950, each room has a private lavatory, two clothes closets and complete furnishings.

Hoyt Hall, freshman women's dormitory, houses 160. Built in 1916, it bears the name of John B. Hoyt, first University president. Knight Hall was named after Emma Howell Knight, a former dean of women. The upper-class and freshman women's dormitory was first opened in 1941, with South Wing being added in 1950, making a capacity of 225.

War Memorial Stadium and Fieldhouse

The Wyoming Cowboys home football games and basketball games are played in the War Memorial Stadium, completed in September 1950, and War Memorial Fieldhouse dedicated in December 1951.

Bookstore - Arts Building

Erected in 1948, the Bookstore Arts Building contains the University Bookstore and the Art Department of the College of Arts and Sciences. It replaces the Mechanical Arts Building which was erected in 1893.

Gymnasium - Armory

Opened for use in 1925, the Gymnasium-Armory houses the half-acre gym, the Armory used by the Military departments, men and women's physical education departments, swimming pool and classrooms.

PRESIDENT HUMPHREY

George Duke Humphrey, President of the University of Wyoming, has led an active life as an educator.

President Humphrey holds four degrees: Bachelor of Arts, Blue Mountain College, Blue Mountain, Mississippi, with majors in English, education, and history; Master of Arts, University of Chicago, Educational Administration; Doctor of Philosophy, Ohio State University Land-Grant College and University Administration; Honorary LL.D., Doctor of Arts, Ohio Wesleyan University.

The President of the University of Wyoming is an ex-officio member of the Board of Trustees of the University.

Aside from his duties as President of the University, President Humphrey was the 1959 President of the Association of American Colleges and has served on the board of directors. President Humphrey was vice-president of the National Association of State Universities in 1959-1960.

A few of the fraternal organizations President Humphrey is a member of are: Mason, Knight Templar, Shriner, Rotary International, Blue Key, Omicron Delta Kappa, and Scabbard and Blade.

President Humphrey has Professional Activities

Some of President Humphery's professional activities have included, being a member of the Mississippi Education Association, National Education Association and American Association of Land-Grant Colleges and state universities.

He has served as president, 1938-40, of the Southeastern Conference for athletics; president, 1942-45, of the Southern Association of Colleges and Secondary Schools; vice-president, 1949-50 of the National Association of State Universities; vice-president, 1958, president, 1959, of the Association of American Colleges.

Some of President Humphery's non-professional activities include, Member National Panel of Arbitrators of American Arbitration Association, 1948; Member Board of Directors of Freedoms Foundation, 1949-51; State Chairman Crusade for Freedom, 1950-52; Selected Wyoming's "Man of the Year" for 1951; Chairman, Freedoms Foundation Awards Jury, 1954; National 4-H Alumni Award, 1958.

G. D. Humphery, president of the University of Wyoming, receives his L.L.D. from Ohio Wesleyan University last summer.

The University of Wyoming is fortunate to have the capable administration of President G. D. Humphery of Wyoming.

President Humphery takes a look at the display of guns at the annual Law Enforcement officers convention that takes place every summer in July. President Humphery is a speaker at the convention that attracts state law officers.

J. J. Hickey, elected Democratic governor of Wyoming, was an attorney at law in Rawlins.

Governor Appoints Board of Trustees

The University of Wyoming is a state institution by a provision of the constitution of Wyoming. It is supported by the State of Wyoming, and by the United States; and is undenominational and nonpartisan. Its government is vested in the Board of Trustees, appointed by the Governor of Wyoming with the consent of the State Senate.

The Board of Trustees consists of twelve appointed members and three ex-officio members. Governor J. J. Hickey, Velma Linford, and George Duke Humphery serve as the ex-officio members. The president of this group is Clifford P. Hansen. Tracy McCraken serves as Vice-President, J. R. Sullivan as Secretary, and John A. Reed as Treasurer.

The Board of Trustees fixes the policy of the university, approves all appointments, operates the budget and is in charge of the construction of buildings.

The duties of the Governor are numerous and varied. Six pages are used in the index of the Wyoming Statutes, 1957, under the heading, "Governor." Among these various duties, he is also a family man and a devoted father.

Alumni Association Organizes Activities

Every person who has attended the University of Wyoming for at least one semester is considered an alumnus of the institution. At present, the University has over 20,000 alumni.

The Alumni Association of the University of Wyoming consists of a board of directors with 26 members—one elected member from each county in the state, the past president, treasurer, and executive director. They hold a meeting every year at Homecoming, and other meetings are called throughout the state during the year.

The purpose of the Alumni association is to organize and reactivate alumni clubs in Wyoming and all over the United States. The alumni office keeps in touch with alums as much as possible, telling them about new developments and needs of the University.

Dick Brown serves as Director of Alumni Relations and Executive Director of the Alumni Association. He is responsible for keeping records up-to-date, keeping in touch with the alums and coordinating homecoming activities. He travels with the football team and tries to visit every city in the area at least twice a year.

June Schribe is editor of the Alumni News, the alumni publication, and is also Associate Alumni Director.

Dick Brown, Director of the Alumni Association, is personally responsible for the group's work.

Sponsorship of the Alumni Association results in large attendance at University of Wyoming functions. Alums are entertained at one of Wyoming's football games by visiting Wyoming High School bands.

Mr. Leslie Crawford is the very capable manager of the University Bookstore, which has just recently been remodeled.

Frank Kraus of the Education Department is in charge of the placement of graduates in teaching positions.

Administrative Officers Work Closely Together

The Administrative Officers of the University of Wyoming are a closely interrelated group that work together in the various departments, for the benefit of the students and the University.

The Administrative Officers range all the way from the President of the University to the Deans of the Colleges. Each department is constantly working for the betterment of the student's education.

Dr. Harold W. Benn is the Executive Assistant to the President and Director of Division of Information and Special Services. He works closely with President Humphery in coordinating the workings of the two offices.

Leslie S. Crawford is Manager of the University Bookstore. The Bookstore is an important part of the campus and Mr. Crawford sees that it functions properly.

Forest R. Hall is Director of Studies and Statistics. He determines the results of all figures and studies made by the University.

Dr. O. R. Hendrix is Director of Student Personnel and Guidance. This includes the Student Testing Service, Student Employment office, the Veterans relations office, and the Study Skills Center. It serves as a clearing house of student services and directly provides such services.

Dr. Harold W. Benn
Executive Assistant to the President.

C. B. Jensen
Building and Grounds Superintendent

Forest R. Hall

Administrators

Direct Services

In working together, the various administrative departments on campus coordinate and direct the functions and services of the University of Wyoming.

R. E. McWhinnie, University registrar, handles the direction of the huge process of registration of students each semester.

Elliot Hays, Director of Finance and Budget, handles the money workings and appropriations of the University.

Jack Harison, Director of the Wyoming Union, directs the union management and oversees the union's workings.

James Ranz, Director of the Coe Library, is in charge of the adequate facilities of the University of Wyoming campus. This service is recognized as one of the most important obligations that a university bears to its students.

James Ranz is the director of the outstanding William Robertson Coe endowment which provides Wyoming's library services.

The Campus Police attempt to solve the University's parking problem by assigning the students to specific areas.

Deans Active Helping Campus Organizations

E. Luella Galliver, dean of women, has been at the University of Wyoming since 1926. Dean Galliver enjoys working with the students and the University each year.

Deans A. L. Keeney, dean of men, and Luella Galliver, dean of women, are both active in helping various organizations at the University of Wyoming. Wyoming is fortunate to have such a dedicated man and woman in the service of the students.

As dean of women, Miss Galliver is responsible for the general welfare of all women students, including, housing, social and extra-curricular activities. The Associate Women Students, Panhellenic and other women's campus organizations work with the advice and counsel of the dean of women's office. Dean Galliver enjoys working with the University from year to year, watching the different play of personalities. Two hobbies of Dean Galliver's are housekeeping and mountain picnics.

Dean Keeney's main duties are counseling students, disciplinary matters and student housing for men as well as married students. Some committees and advisory positions held by Dean Keeney are, Chairman of the Homecoming Coordinating Committee, Faculty adviser for Omicron Delta Kappa, Adviser for the Inter-Fraternity Council. Dean Keeney is interested in all sports and has been timekeeper at the home football and basketball games ever since he has been dean of men.

A. L. Keeney, dean of men, is now in his 14th year in the service of the University of Wyoming. Dean Keeney is interested in all sports and acts as timekeeper at the home basketball and football games each year.

Faculty advisor, Warren Mack, Assistant Professor of Journalism, discusses with Donna Golden her class schedule.

William B. Owen, Professor of Zoology, doing research on the mosquito, assists one of his students.

Being a professor of Veterinary Science, James O. Tucker is involved in doing microscopic work.

Dale W. Bohmont, head of the Department of Agronomy, is busy with office work that assumes much time.

Graduate Study

Dr. Robert Bruce encourages graduates in research and writing of their theses for Master of Arts degrees.

Striving for a Master's degree, Mary Lee Herman spends many hours doing research for her thesis.

A teaching graduate grades papers late into the night.

Delores DeCastro participates in leisure activities.

The University of Wyoming offers opportunities for graduate study in the fields of Agriculture, Arts and Sciences, Commerce, Education and Engineering. Certain members of the faculty who offer work for graduate credit are organized as a graduate faculty with the Dean of the Graduate School, Robert Bruce, as the administrative officer.

To register in graduate study applicants must present their credentials to the Registrar. Admission is granted to graduates of institutions of approved standing. Students in graduate standing may elect to take any undergraduate or graduate course for which they are prepared, subject to program restrictions as outlined in the graduate study program.

Offers Advanced Program

The University of Wyoming offers programs of study and research leading to the following degrees: Master of Arts, Master of Sciences, Master of Education, Civil Engineer, Electrical Engineer, Mechanical Engineer, Doctor of Education and Doctor of Philosophy.

The Master's degree is offered in almost every department of the Colleges of Agriculture, Arts and Sciences, Commerce and Industry, Education and Engineering. For the present, a Ph.D may be earned only in Agriculture, Chemistry, Education, Geology, Zoology and Physiology.

For the master's degree, certain departments make the preparation and acceptance of a thesis mandatory, others make it optional. A Professional Diploma in Education is granted upon the completion of a program requiring one year of work beyond the master's degree.

Judy Sampson, graduate assistant, Knight Hall, performs clerical duties as an aid to Mrs. Giddy, the housemother.

The graduating class of 1959, having completed their Bachelor degrees, have become the graduate students of 1960.

The Graduate School is housed in the graduate building situated behind the Arts and Science College. Within these walls, orals are taken, theses are read, and the degree is of Master of Arts is bestowed.

The Agriculture Building is a very modern building in which a variety of activities are going on. The various activities range from the course work to research work.

Agriculture Offers Variety of Subjects

The College of Agriculture at the University of Wyoming offers instruction for students in a wide variety of subjects in agriculture and home economics. The programs provide a sound background of basic sciences and the choice of a number of fields in which to specialize. Students are trained in principles which apply throughout the world, but there is special attention given on types of agriculture in the Rocky Mountain region.

The Agriculture Building, completed in 1952, is a new building and provides modern offices, classrooms, and complete laboratory facilities. Laboratory work is stressed because of the importance of practical experience in agricultural professions. At the General Livestock, Dairy, and Agronomy farms students study crop production, livestock management, dairying, and the operation of machinery and motors. The laboratories in the new buildings include the large arena for livestock judging, abattoir and meat processing rooms, dairy products manufacturing plant, a shop for farm machinery and motors, irrigation laboratory and a wool laboratory and semi-commercial wool scouring and processing plants.

Location of the College of Agriculture on the same campus as other colleges of the University enables students to take many courses in a variety of subjects outside of agriculture. This opportunity and the association with young people in other fields, develops the student's appreciation of the cultural and spiritual values, broadening his outlook on life.

Dean Neal W. Hilston took over as head of the College of Agriculture in 1958, after serving stints as professor of animal production and director of the Agricultural Experiment station.

Experiment Station Probes Ag Phases

The Wyoming Agricultural Experiment Station conducts experiments in all phases of agriculture and home economics. It is one of the experimental stations established in each of the 48 states according to the provisions of the Hatch Act passed by Congress in 1887. The Wyoming Station is maintained by appropriations of State funds and by funds appropriated by Congress. The purpose of the Station is to discover new facts which will aid farmers, ranchmen, and homemakers.

Research is carried on in laboratories on the campus and at three experimental farms located near Laramie The six branches or substations operated in various parts of the state by the College of Agriculture are closely associated with the Experiment Station and provide additional opportunities for research. The United States Department of Agriculture maintains the Beekeeping and Insect Pathology Laboratory on the campus in cooperation with the Experiment Station, and also has specialists in other fields at the Station to cooperate in research on problems of regional importance.

Three University Agriculture students hold their show rams as the judge looks over the qualities of each.

Students learn by doing in their course in meat cutting. Fine equipment encourages good work.

The beautifully landscaped Arts and Sciences Building is the home of approximately 60 per cent of the total university enrollment, who are majoring in one of the 15 departments in this college.

Dean O. H. Rechard, College of Arts and Sciences, has been the A and S dean since 1945. Before assuming dean duties, he served as professor of mathematics at UW, beginning in 1923.

Arts and Sciences Largest College

The College of Arts and Sciences is the largest college on the University of Wyoming campus in number of students and is also the oldest college. Its importance may be seen in the fact that approximately 60 per cent of the teaching at the University is done in Arts and Sciences. The college is composed of 15 departments. From the wide range of courses and programs in Arts and Sciences, students elect to follow one of the following patterns; General Arts and Sciences Program, Special Honors Program, Pre-Professional Curriculum, Professional Curriculum, and Special Programs.

Many students come to college without having determined their major intellectual or vocational goal. The first year or two in a general arts and sciences curriculum is most valuable for orienting such students. They can explore a number of fields of learning before committing themselves to any particular one.

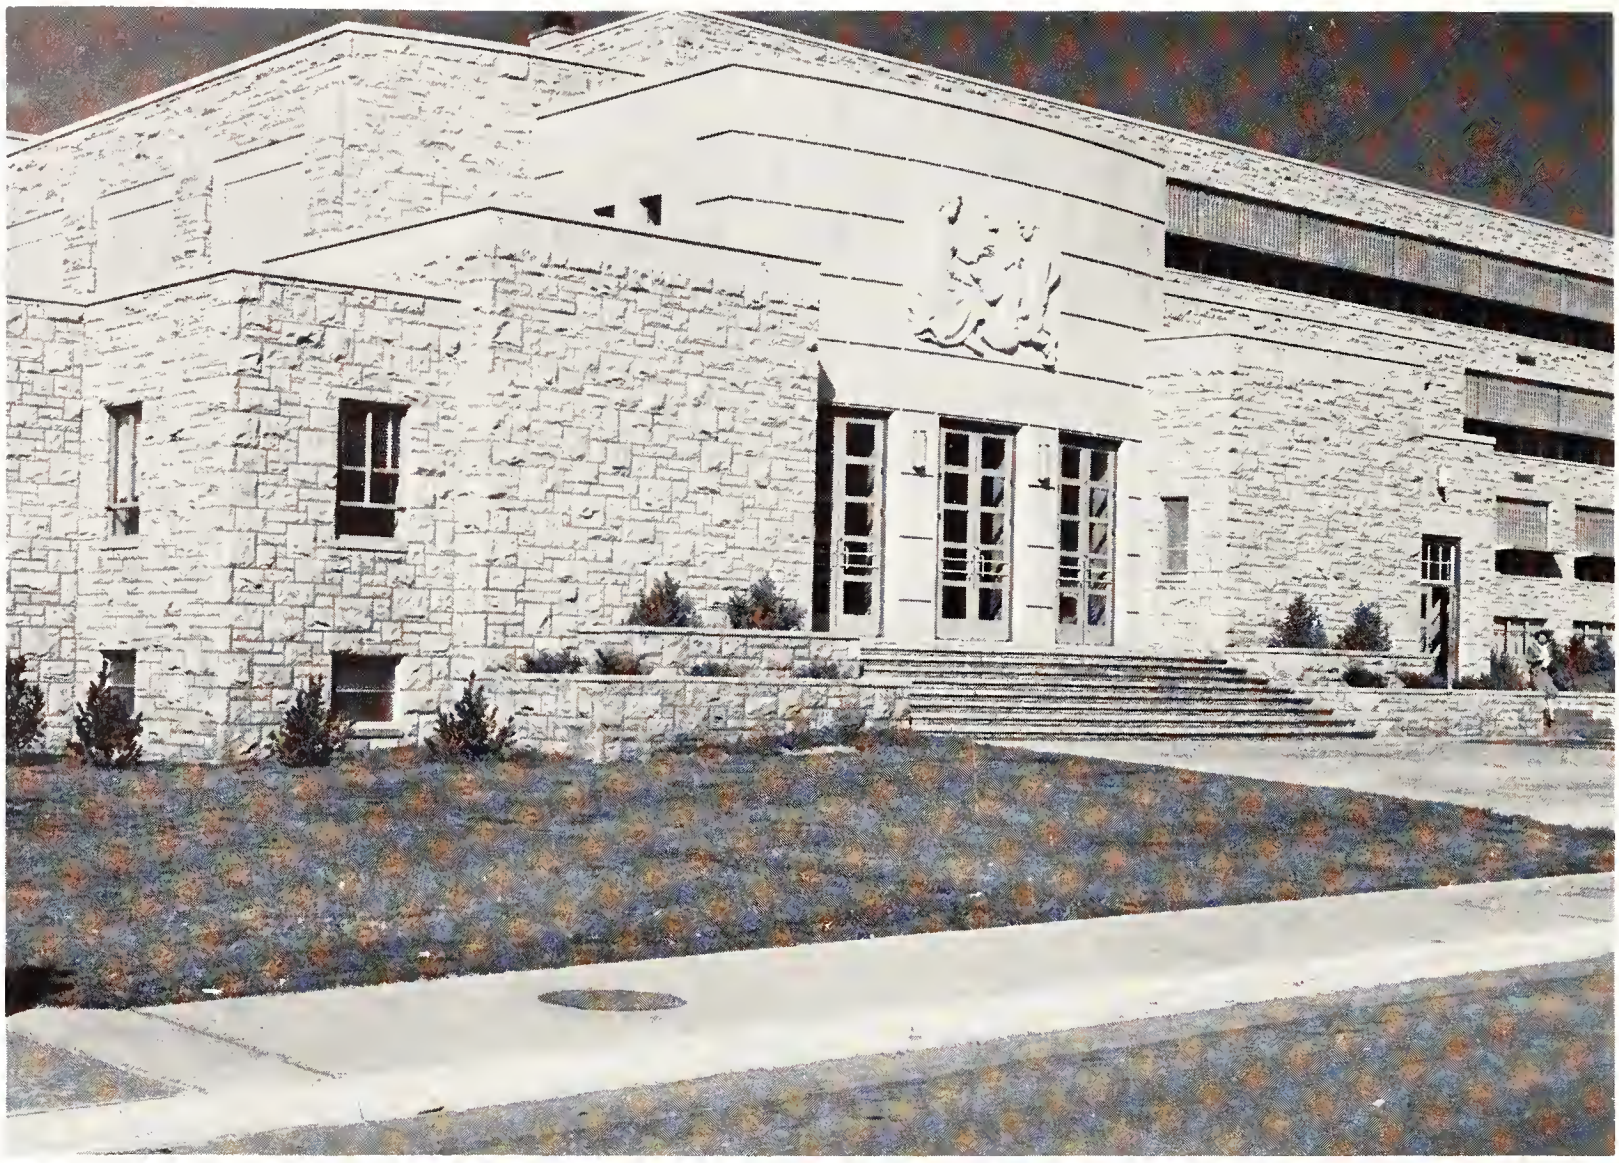
Lines form again as election time rolls around and ASUW officers are chosen by the students of the various colleges on campus.



The expansive Education building not only offers extensive course work in Education but also offers a laboratory school in which the students in the Education college practice teach.

College of Education Prepares UW Teachers

The College of Education, a profession school, has for its purposes the preparation of qualified teachers and administrators for, and provides leadership in the improvement of, the public schools of Wyoming. More specifically, its purposes are to plan, organize and conduct programs of teacher education; to furnish professional courses and laboratory experiences in education included in the curricula for students preparing to enter the teaching profession; to coordinate programs of teacher education in collaboration with the other colleges of the University; to maintain a graduate program to attract able people and prepare them for educational leadership; to conduct experimental and research studies in education; to publish information and the results of research for the improvement of Wyoming's schools; to provide consultants to the public schools; to provide instruction for in-service teacher education programs; to provide follow-up and placement of former students; and to collabo-

Dean Harlan Bryant, college of Education, received his appointment in 1954, after serving as professor of education, director of teacher education, and director of the teacher placement service.

Kindergarten children display pictures in University Prep classroom as student teacher watches from background.

Elementary education students in preparation for teaching careers share actual experiences in creative art classes.

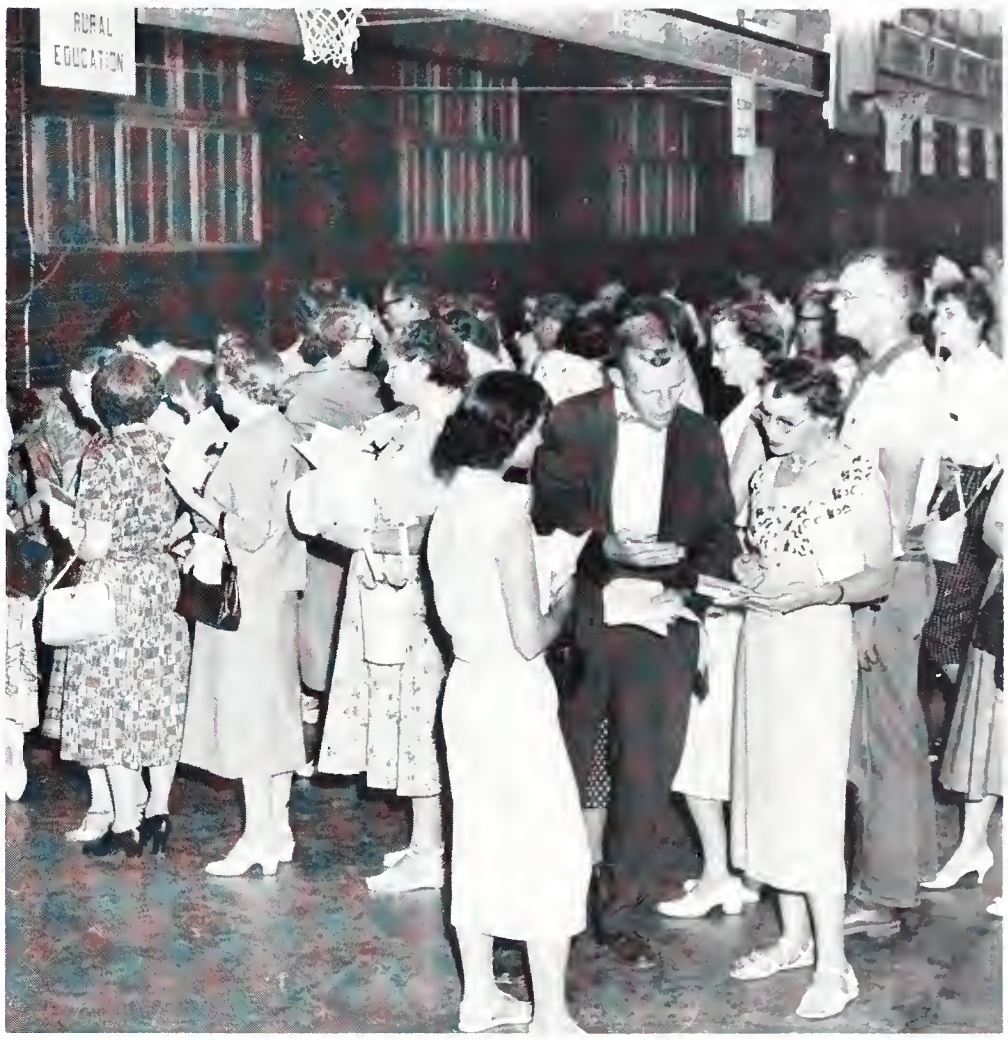
rate with educational agencies, professional groups, school personnel, and others interested in the evaluation and improvement of educational opportunities, programs and services. The college offers a two-year non-degree program in trades and industries.

The College of Education includes the Division of Undergraduate Teacher Education, the Division of Graduate Study, and the Division of Educational Services.

The Division of Undergraduate Teacher Education includes the foundation program required of all students who are candidates for undergraduate degrees in the College.

The Division of Graduate Study provides a foundation program for all graduate students majoring in the seven areas of study offered by the College of Education.

The Division of Educational Services includes recruitment, placement, follow-up, the Curriculum and Research Center, and personnel services for the extension division.



Summer lines of Wyoming teachers keep College of Education professors busy, advising them on requirements for Bachelor of Arts degrees.

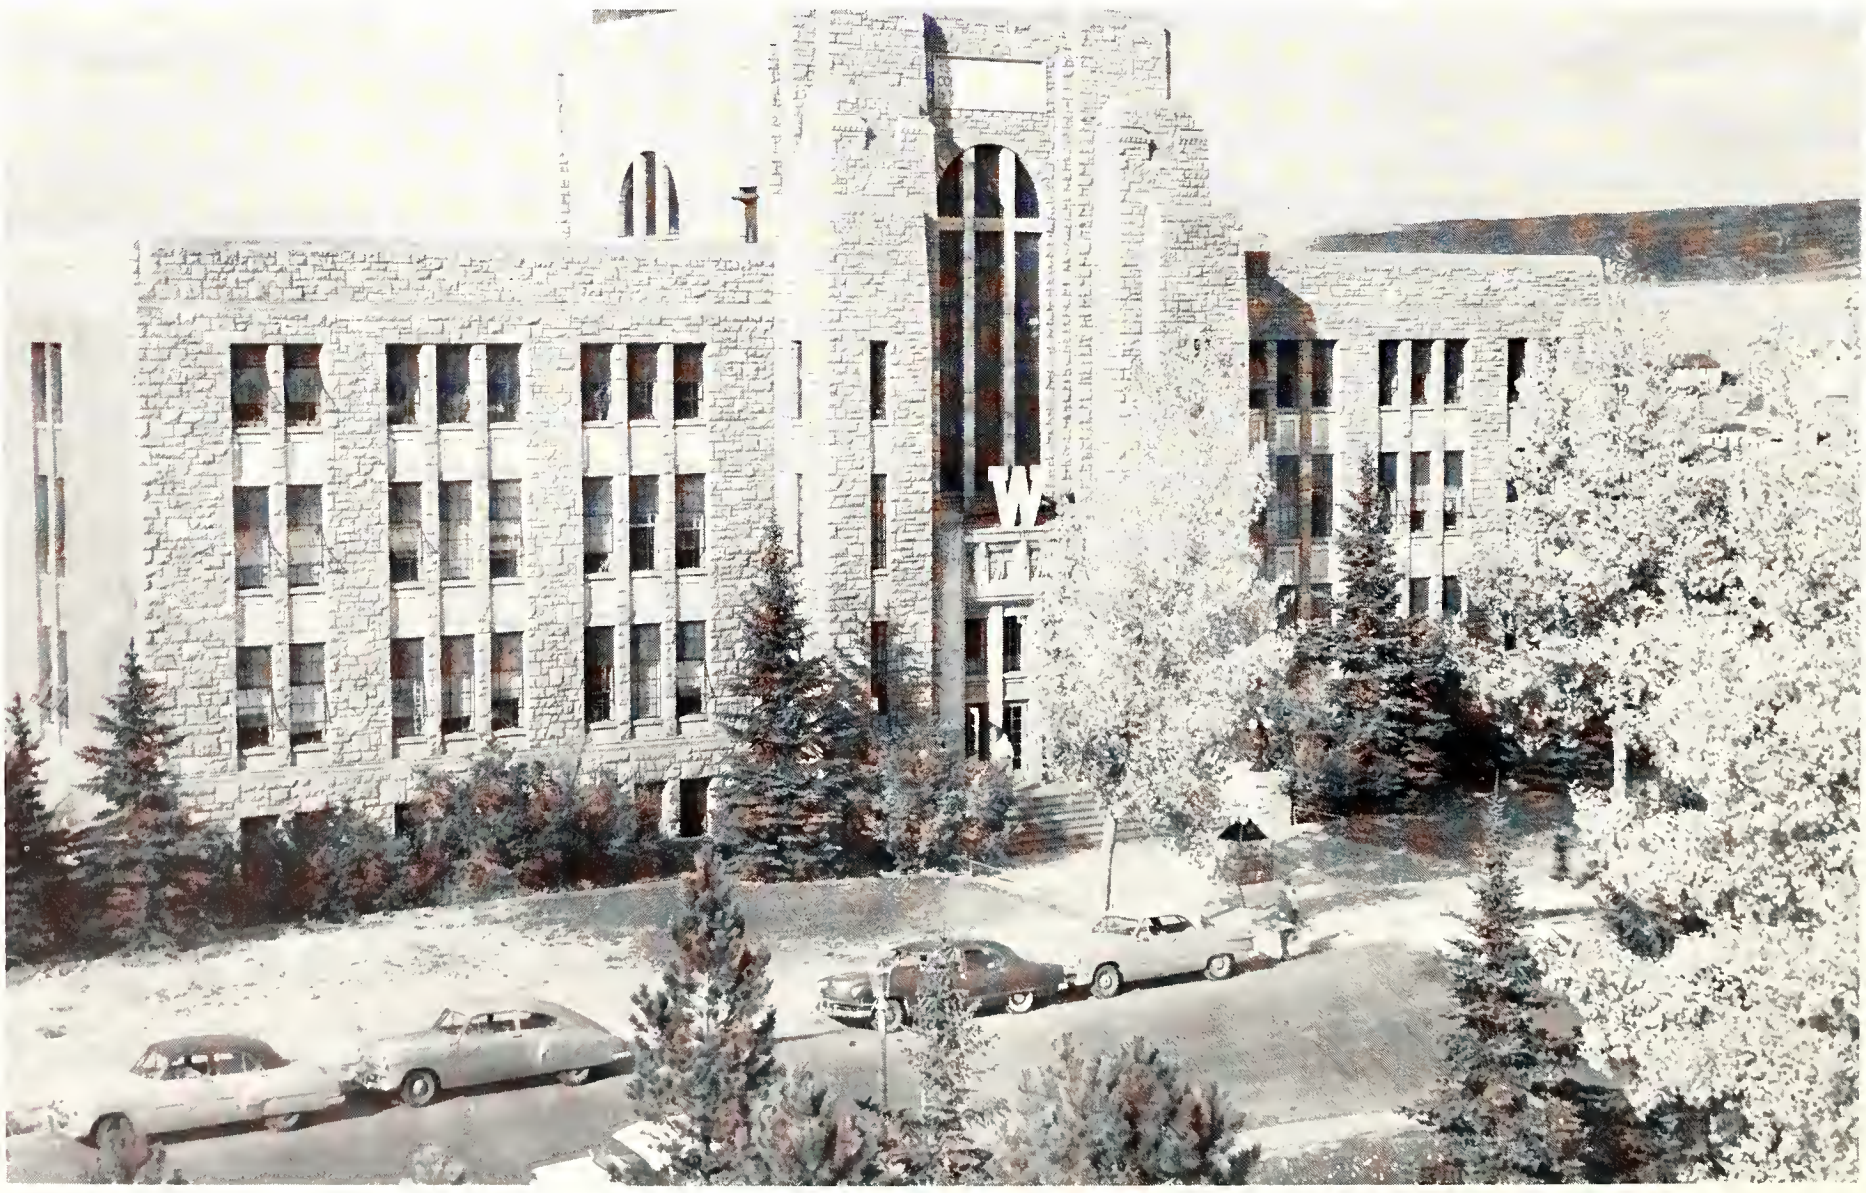
Engineering College has Four Departments

Dean H. T. Person, of the College of Engineering has held that post since 1948. Dean Person began work on the UW faculty in 1929, and in 1935 was made professor of Engineering.

The program of the Engineering College of the University of Wyoming is organized and carried on under the following four departments; Civil and Architectural Engineering, General Engineering, Electrical Engineering, and Mechanical Engineering.

In Civil and Architectural Engineering the four-year programs of study lead to a Bachelor of Science degree in Civil or Architectural Engineering. In Electrical Engineering the four-year program of study leads to a Bachelor of Science in Electrical Engineering. Opportunity is given for some specialization either in power or communications during the senior year. In Mechanical Engineering four-year programs of study are available in Mechanical and Aeronautical Engineering. The Mechanical Engineering program leads to a Bachelor of Science degree in Mechanical Engineering and the Aeronautical program leads to a Bachelor of Science degree in Mechanical-Engineering with an Aeronautical option.

The impressive structure of the Engineering Hall teaches its students a very fine principle. "Strive on—Control of Nature is won, not given." Engineering graduates will be capable of exercising this control of nature.



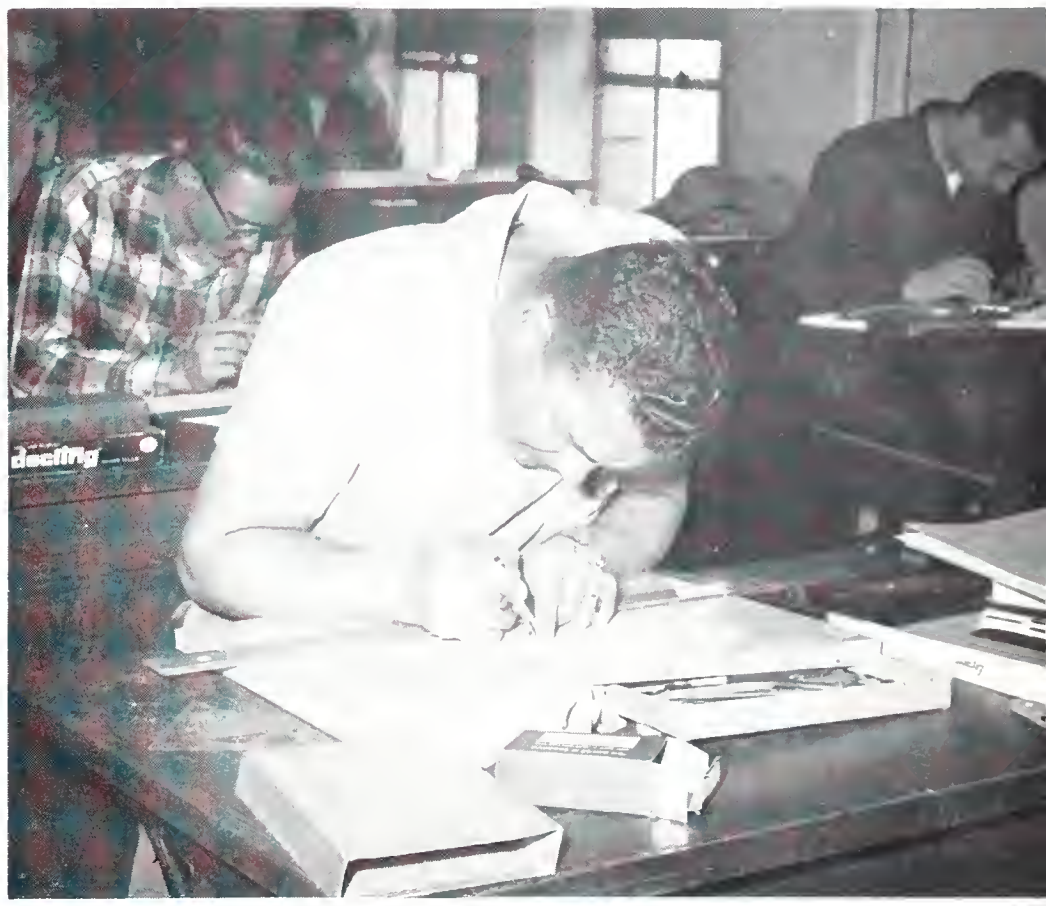
A. J. McGraw
Civil and Architectural

V. O. Long
Electrical

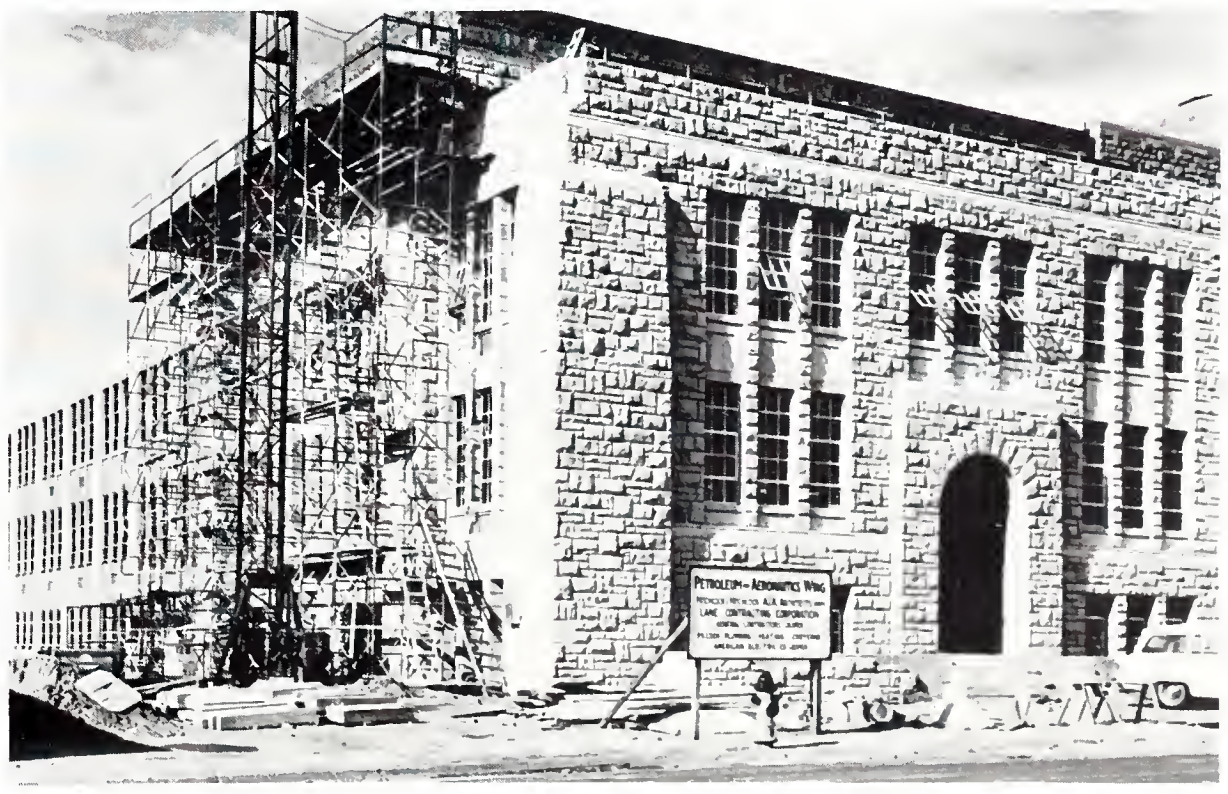
Eric Lindahl
Mechanical

In the General Engineering Department four-year programs of study are available in the following fields: Chemical Engineering, Petroleum Engineering, Agricultural Engineering, Light Building Construction and General Engineering. Also four-year programs combining engineering with commerce, law, geology and other fields of study will be worked out to fit the individual student's needs. All the four-year programs in General Engineering lead to a Bachelor of Science degree in General Engineering.

The work in all four-year curricula stresses the mastery of the subjects fundamental to all fields of engineering during the first year. The balance of the program is divided between the fundamentals and courses applying to the particular field selected. The aim is to provide the student with such a ground work that the general principles acquired may be used successfully in any one of the several general or specialized fields he may follow after graduation.



Industrious engineering students are diligently striving to complete their intricate work.



One of the biggest and most valuable of all of the new buildings is the new wing of the engineering building.

College of Commerce Business Leaders

Floyd K. Harmston, Associate Director of the Division of Business and Economic Research, chats with a Research associate, Dick Lund.

Fingers flash across the keys in the typing lab as students try to increase their speed and accuracy.

Students in this commerce class learn to use the business machines skillfully and develop commercial ability.

M. Clare Mundell, the Dean of the College of Commerce, effectively has worked for the construction of the new building.

The College of Commerce and Industry includes four academic departments — accounting, business administration, secretarial science, and statistics, as well as a division of business and economic research.

The dominant aspect of education for business is change—change in concepts and change in techniques. The aim of the college is to educate the future business leader. The approach is highly integrative and highly interdisciplinary. Courses in the college add directly to a foundation program in the College of Arts and Sciences. Specialization at the undergraduate level is kept within the general area of course concentration.

Other courses are presented to develop the capacities

and Industry of the Future

for leadership, the spirit of innovation, and a sense of responsibility within the students. Throughout, a proper balance is sought between technical training and broad cultural training.

Sometime in the near future, a new building to house the College of Commerce and Industry will be constructed on the corner of 15th and Ivinson, just east of the Law School. This modern structure of the same native stone as the rest of the buildings on campus will replace the present quarters of the college, which are located at present in the basement of the Arts and Sciences Building.

Jean Messer
Accounting

O. D. Turner
Business Administration

Edward Bryant
Statistics

The College of Commerce and Industry is soon to have a new building. It is to be constructed in Corbett's Field in the near future.

Dean R. R. Hamilton, who has ably served as Dean of the Law School, retires in July of this year after many years of service.

Law School Meets Sound Objectives

The University of Wyoming is fortunate to have an excellent law school and faculty headed by Dean R. R. Hamilton. Their new building, just recently completed, has provided law students with the finest in equipment and library facilities.

The aim of the College of Law is to provide through training that will equip the student to practice law in accordance with the highest standards of professional responsibility.

The College offers combinations of law and other courses that will meet a wide range of objectives in business or public careers.

The College recognizes its obligation to the state to train its citizens for practice and public leadership in Wyoming, but the emphasis in instruction is on the origin and growth of legal principles, the social factors that produced them, and their fitness in the light of present conditions. The case method is used for the major part of the instruction.

The College of Law has a very fine building in which to carry on its many activities. The Law students receive very fine and extensive training through many of the opportunities offered in this building.

Law College Provides Training

Amelia Leino is the head of the Nursing college. Miss Leino has been responsible for the extended nursing program.

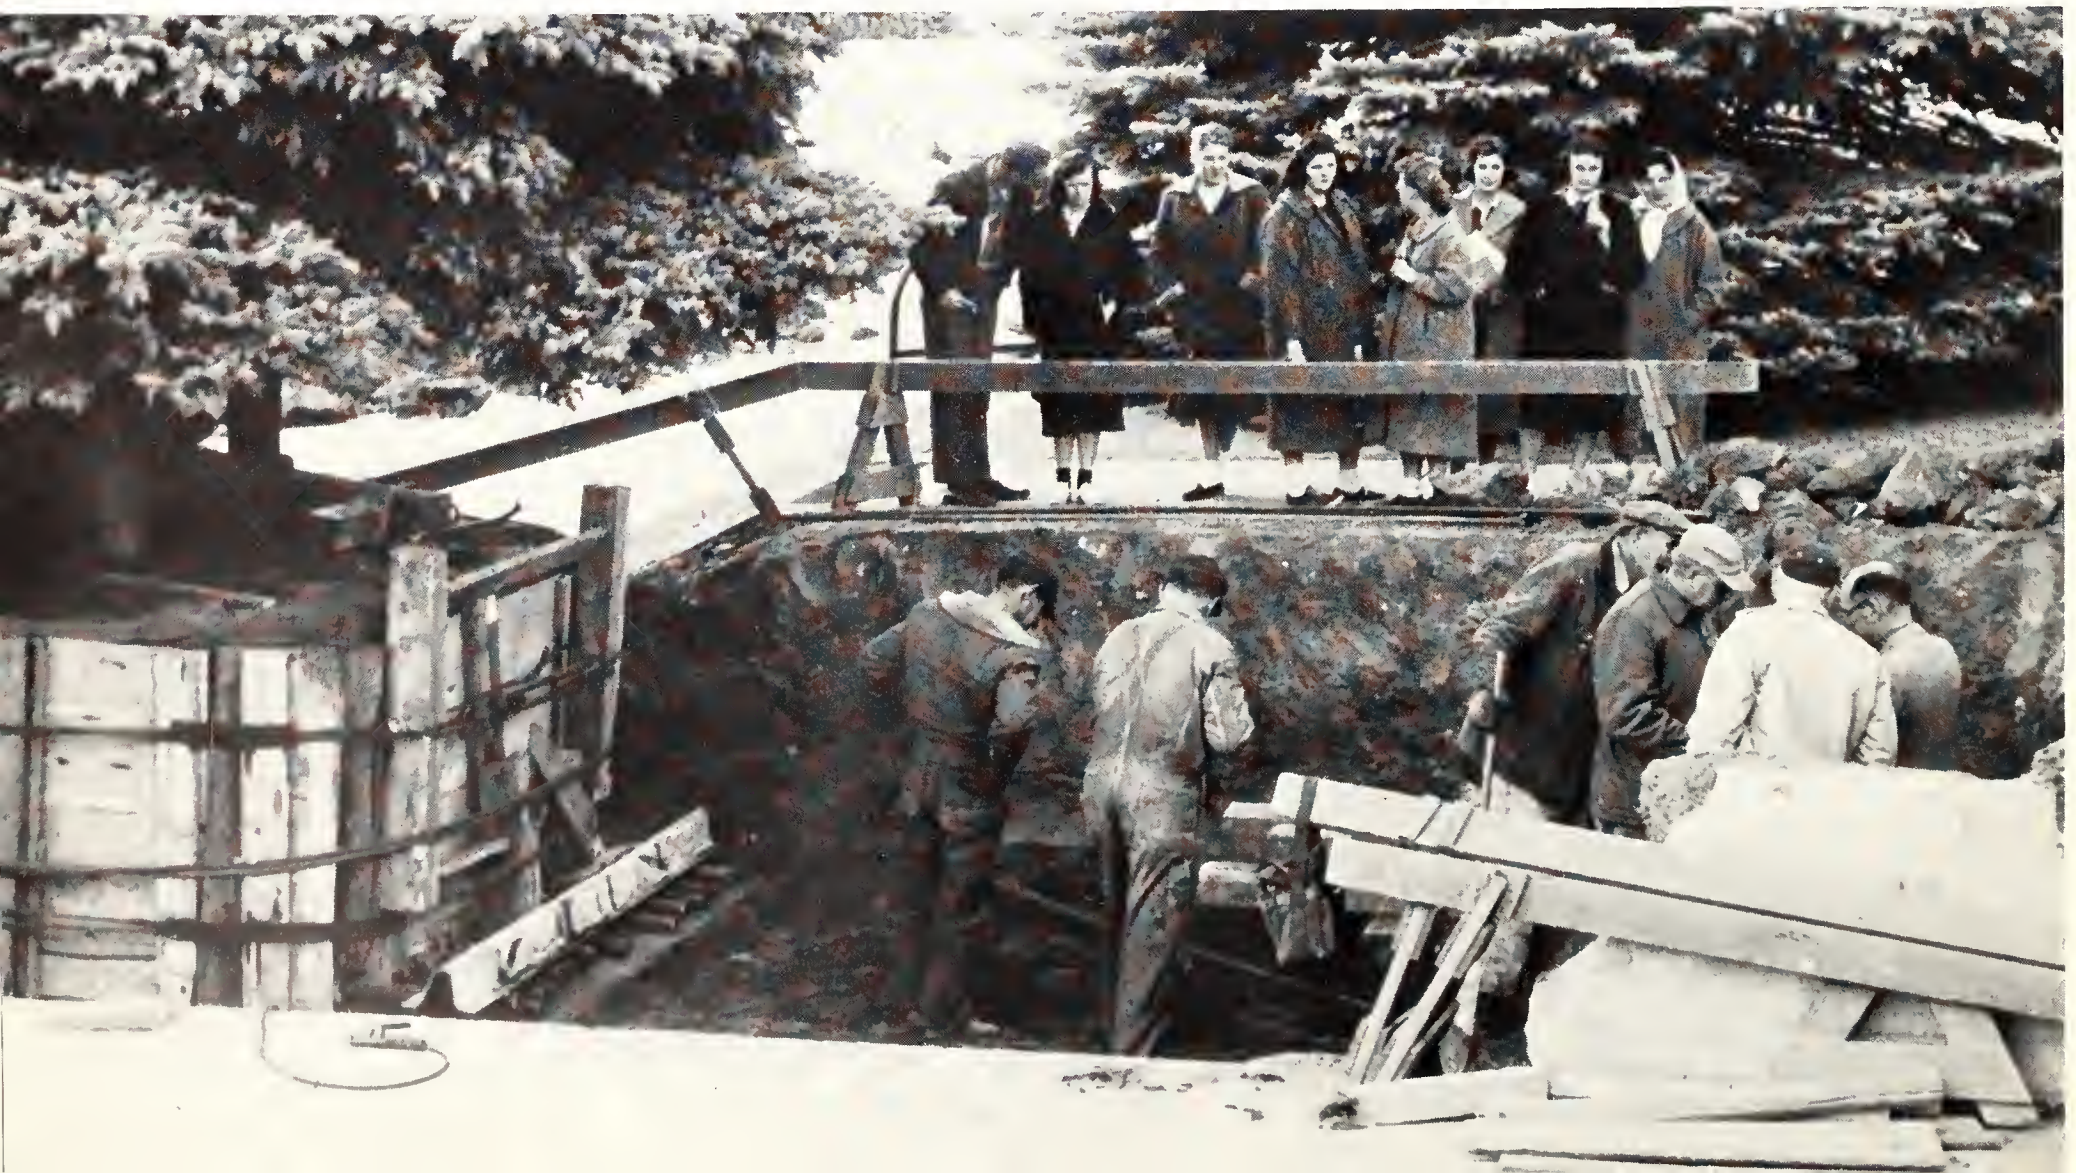
Nursing College to Have New Building

At the present time the Nursing College is located in the Graduate School building until their building, presently being constructed between Merica Hall and the new women's dormitory, is completed sometime in the future. Nursing students have long looked forward to this new building. It is another sign of the ever changing landscape for progress at the University of Wyoming.

The Nursing College at the University of Wyoming has only a pre-service professional nursing program in their educational system. The aim of the college is to provide a program which prepares graduates to practice according to the highest standards of professional nursing. The program is planned with the belief that education for nursing at the pre-service level needs to provide a balance between general and professional courses. It is designed with a philosophy which comprehends the human and social, as well as the technical elements of current life. The primary advantage of a collegiate program in nursing is both vocational and cultural.

Throughout the program emphasis is placed not only upon nursing skills and the nature and extent of knowledge, but also upon analytical and creative ability to apply principles, and upon the ends to which knowledge is used.

The new building for the College of Nursing is presently being constructed between the new women's dormitory and Merica Hall. The crew pictured below is removing one of the many trees from the building site.



Exploration of laboratory involves the nursing students.

Practice nurse takes pulse of dummy as colleagues watch.

Nursing students assemble around the table to discuss the expectations of the College of Nursing. In the background, the laboratory used in the nurses' training stands ready and waiting for the first experiences of the new students.

Nurses assist in major operations as part of their training.

Prospective nurses inspect kitchen used in dietetic instruction.

Merica Hall, where the Pharmacy Students study hard for five years, is one of the oldest buildings on campus.

The Headquarters of the Pharmacy College was originally a women's dormitory and was built next after Old Main.

The Dean of the Pharmacy College is David W. O'Day. The Dean's friendly smile and warm personality have won him many friends in his field.

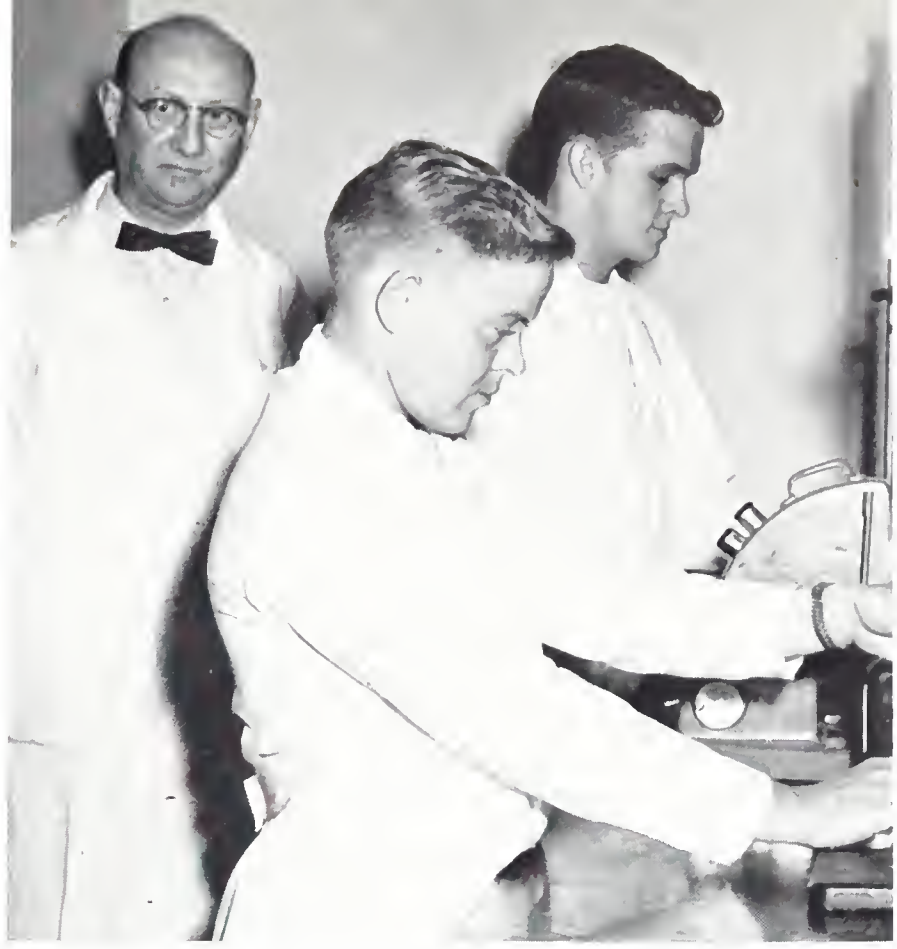
College of Pharmacy Headed by Dean O'Day

The College of Pharmacy is located in Merica Hall and is headed by Dean David W. O'Day. This college is a member of the American Association of Colleges of Pharmacy.

Since the time of its organization this Association has functioned continuously as an instrumentality for the improvement of pharmaceutical education in the United States. Each school or college of pharmacy holding membership in the Association must adhere to those education standards set up by this national group.

Pharmacy's broad scope makes it a field of great and diversified opportunities to young men and women. This fact is substantiated by a survey made of positions held by pharmacy graduates. This survey showed that men and women graduates of colleges of pharmacy are now employed in over fifty different types of positions in pharmacy and chemistry or infields closely related where a pharmaceutical education has provided an excellent backgroumd for the work being carried on.

The Dispensing Laboratory in the College of Pharmacy is an extremely important asset to the students.



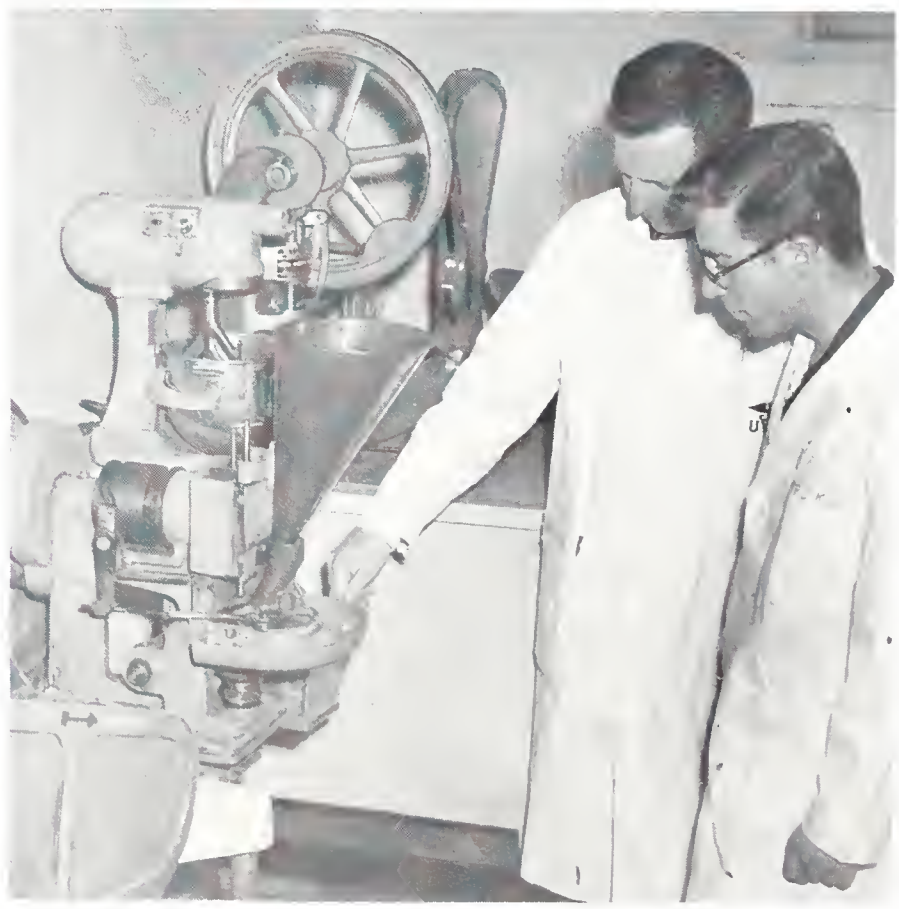
The students learn by doing in the Pharmacological Chemistry laboratory under the watchful eye of the professor.

With the discovery of a host of new miracle drugs of unusual power to cure diseases, more and more young people are needed in this important public health profession. It has not been possible for the schools and colleges of pharmacy to keep up with the demands for their graduates.

The suitability of pharmacy as a career for women is now becoming fully realized. Depending upon their special interests, graduates of colleges of pharmacy may serve in a profession which is continuously growing.

Elaborate equipment is provided in the Pharmacology laboratory to insure a well rounded curriculum.

The College of Pharmacy has extended their program to a period of five years to produce quality pharmacists.



PREPARE FOR COMPLETE LIVING
SPENCER

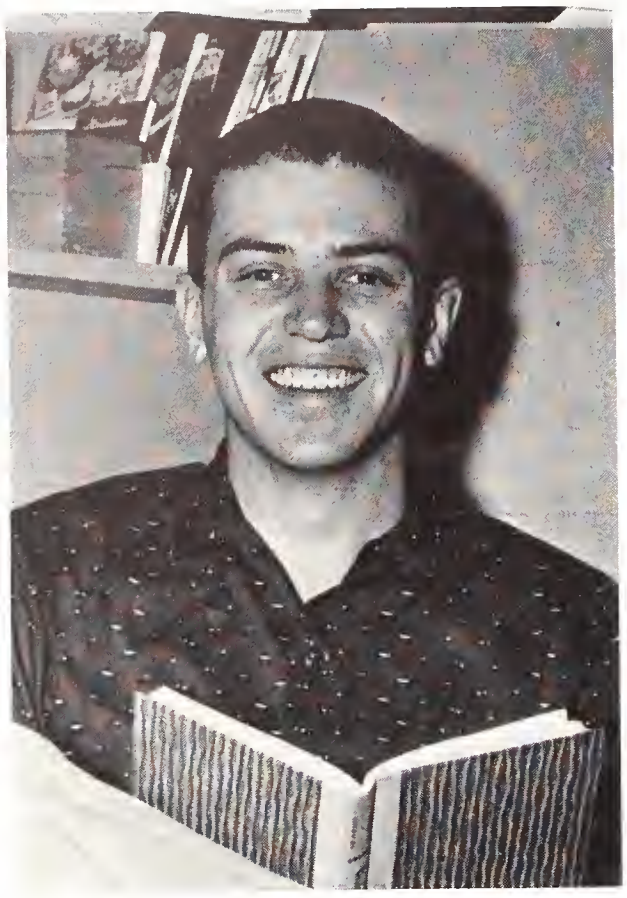
The students form the core of a university. They change the blank, bare buildings into a pulsating center of activity.

For each student, development is inevitable. Classes offer a challenge to seek and to learn. Reward comes when the student realizes the growth he has experienced and witnessed.

the personalties 40

the classes 58

The Students



BILL BECK was very active on the varsity soccer, baseball, and rifle teams, having been named for the All-Conference Baseball Team. He was a member of Scabbard and Blade and Phi Delta Theta, as well as president of Wyoming Hall.

ROBERT BALL has been one of the outstanding Commerce students, having won the W.W. Tipton Award twice. He was president of Alpha Kappa Psi and a member of Beta Gamma Sigma and the Dean's Student Council for Commerce. In addition, he has headed the Student Business Conference and been on the President's Honor Roll.

WHO'S WHO IN AMERICAN COLLEGES AND UNIVERSITIES

LEE BELDEN served as FarmHouse and Inter-Fraternity Council presidents, Phi Epsilon Phi secretary, member of Alpha Zeta and Ag Club. In his spare time he was a Student Senator and member of the Livestock Judging Team, O.D.K., and Iron Skull.

The Who's Who are chosen by the campus Who's Who Committee, consisting of the UW Senate, Deans of Men and Women, Registrar's Office, and former members of the organization who are still on campus. Twenty-four men and thirteen women were named from Wyoming to the 1959-60 edition of "Who's Who in American Colleges and Universities."

Who's Who is a national organization with its home office in Alabama. The national office sends to the Wyoming committee the number of vacancies allowed. The committee makes its nominations and sends them to the central office for approval. The central office then publishes a book consisting of all the members of Who's Who throughout the nation.

Not pictured is Aldeen Petersen Russell, outstanding independent student.

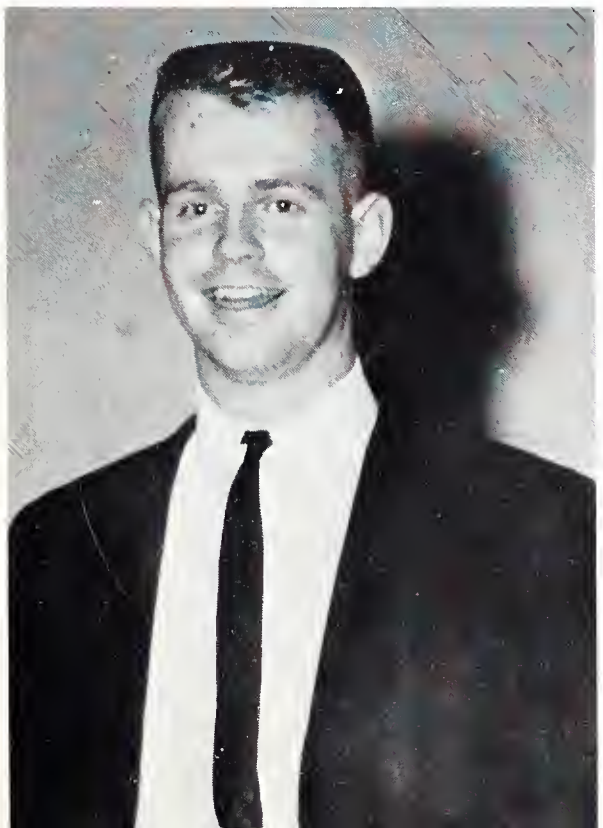
CRAIG BLACKNER kept busy as president of Theta Alpha Phi, treasurer of Arnold Air Society, and a member of Sigma Chi. His superior acting ability was viewed in ten major productions with the University Theatre, while he worked backstage in many more.

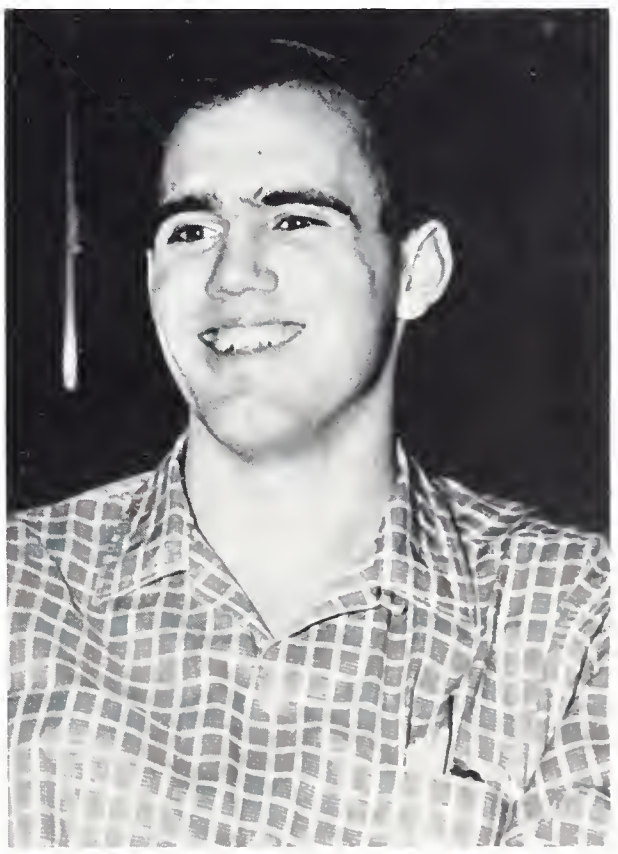
PEGGY BLACKWELL has been a busy girl since she transferred from TCU her junior year. Besides being co-social chairman for Kappa Kappa Gamma, Pi Delta Epsilon vice president, chairman of the Union Cultural Committee, and a member of Kappa Delta Pi and SNEA, she was the 1960 WYO editor. The 1959 Inkslinger's Queen, was student of the month for January, 1960, and has been a member of the Dean's honor roll.

KAY CLATTERBUCK was an outstandingly versatile junior. She served as Chi Omega pledge trainer, Spurs editor, Chimes publicity chairman, and as a member of WAA, AWS Board, and Wesley. In addition to all these, she has served as a Senator-at-Large.

RUSS DONLEY'S activities range from Sigma Nu chaplain and president of Interfraternity Chaplains' Council to Sigma Tau and the Joint Engineering Council. He was a member of the track team for three years, Student Senate two years, Phi Epsilon Phi, ODK, Wesley, and served as vice president of Iron Skull.

Returning to Who's Who for a second year, **TOM DAWSON** has served three years as a Student Senator. He has been president of Young Democrats and vice president of Sigma Chi, Phi Epsilon Phi, and IFC. In addition, he was chairman of the University Legislative Program Committee and a member of Iron Skull.





KAY DOTO was one of the outstanding students in journalism, winning such a distinction her sophomore year, along with holding the Wyoming Press Women's Scholarship. She has served as the Branding Iron society editor for two years, Pi Delta Epsilon secretary, and Kappa Delta president.

KARIN ERICKSON, president of both Panhellenic Council and Tri-Delta, was also treasurer of Iron Skull and a member of Chimes, Mortar Board, and WAA.

Being the first woman to receive the Emory S. Land Award for excellence in supporting Wyoming athletics climaxed **JANICE ELMER'S** many honors, including AWS president, A & S Senator, cheerleader, Sweater Queen Attendant, rush chairman of Kappa Delta, and membership in Spurs.

WHO'S WHO IN AMERICAN COLLEGES AND UNIVERSITIES

A two-year member of Who's Who, **SANDY FAUS** has served as editor of the Branding Iron, Spurs, and Mortar Board. Among her other activities were president of Kappa Delta, secretary of Pi Delta Epsilon, and Iron Skull, membership in Chimes, and enrollment on the President's Honor Roll.

Returning to Who's Who for her second year, **MARY LOU FOREMAN** has served as president of Pi Beta Phi, Mortar Board, and Chimes. This holder of a Coe American Studies Scholarship held membership on the Dean's Honor Roll and was also active in Iron Skull, Student Senate, and SNEA.

GARTH FOSTER spent the majority of his time being president of Phi Delta Theta and Delta Sigma Pi, and captain of the Debate Squad. In his spare time he was a member of IFC, Sigma Tau, Joint Engineering Council, American Institute of Electrical Engineers, and the Institute of Radio Engineers.

Music has greatly influenced **DICK GODFREY'S** activities, as shown by his membership in Phi Mu Alpha Sinfonia, A Cappella Choir, Madrigal Singers, and leads in the University Theatre productions of "Annie Get Your Gun" and "H.M.S. Pinafore." Dick has been on three Wyo Days tours, and has sung tenor soloist in the Oratio Chorus. As well as being a member of Arnold Air Society, he won a scholarship to Chatham College Opera Workshop in Pittsburgh, Pennsylvania.

Civic-minded **DON GLASS** is a member of the American Legion and Moose Lodge. He also participated as Phi Delta Theta vice-president, Wyo Hall president, secretary of the Homecoming Coordinating Committee, and member of ODK, American Institute of Electrical Engineers, and the Senate Legislative and Constitution Committees.

Law Senator **JOHN HANES** has been a member of Potter Law Club, IFC, and Scabbard and Blade. He served as both president and vice president of ODK, and treasurer of Phi Epsilon Phi, Iron Skull, and Sigma Nu.

Ambitious **CHARLOTTE HEARNE** completed her active college life in three years, and can count among her achievements receiving the AWS Award, secretary of both Tri-Delta and Mortar Board, and membership in W.A.A. Spurs, Panhellenic Council, and Beta Gamma Sigma.

The friendly smile of **JOHN HICKMAN** was always welcome on campus. This two-year pharmacy Senator was ASUW Calendar Editor and holder of a Lever Brothers Scholarship, besides being a member of Alpha Tau Omega and the Junior Branch of Alpha Phi Alpha.

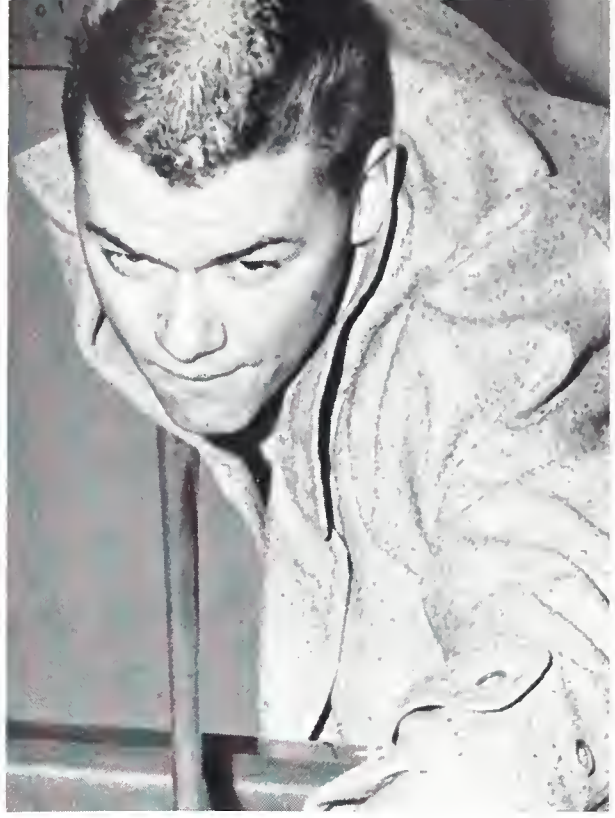
Ag Senator **COLIN KALTENBACH** was appropriately a member of FarmHouse, Alpha Zeta, Rodeo Club, Livestock Judging Teams, and Ag Club. In his spare time he was associated with Phi Epsilon Phi, Iron Skull, IFC, and ODK.

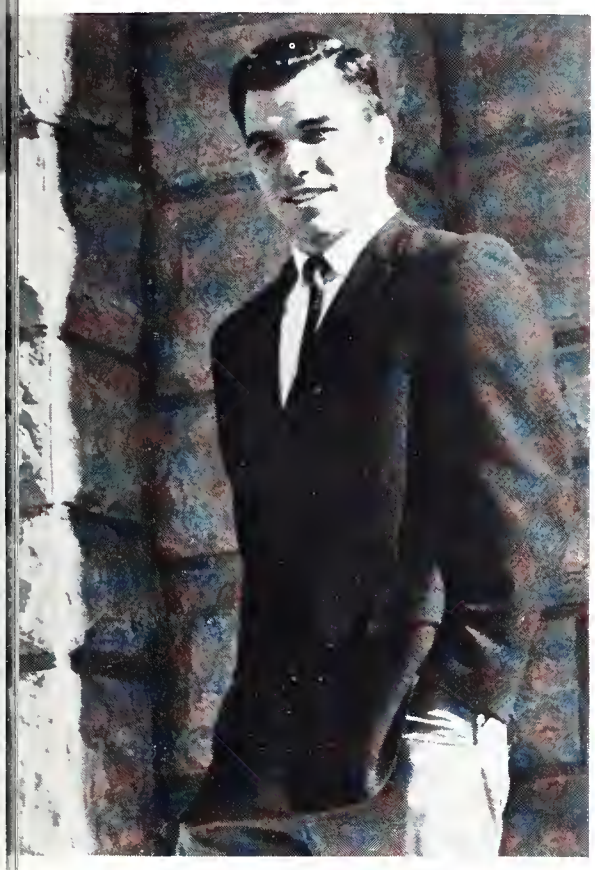
WHO'S WHO IN AMERICAN COLLEGES AND UNIVERSITIES

LEN KUCZEWSKI'S athletic activities ranged from vice president of PE Majors and Minors Club to captain of the varsity Football Team. He has earned the distinction of winning the Outstanding Player Award at the 1958 Sun Bowl Game and being on the All-Conference Team for two years. In addition to sports affiliations, he was recorder of Chi Gamma Iota, and member of Kappa Delta Pi and SNEA. Len has also taught judo to the Laramie Police, coached Pony League Baseball, and served as head coach of St. Lawrence O'Toole School.

Versatile **KAY KEPLER** participated in nearly everything on campus, and was still on the President's Honor Roll. Among the offices she has held are president of Pi Beta Phi, vice president of her sorority, Theta Alpha Phi, and Mortar Board. She has been historian of Spurs, Alpha Epsilon Delta, and Pi Phi. She was a member of the AWS Board, Chimes, Wesley, Student Senate, Phi Sigma Iota, and for her work as chairman of the Freshman Orientation Committee she became the only student chosen Student of the Month twice. For her talent shown in University Theatre productions, she won the award for Best Supporting Actress. To round off her honors, she was elected to Phi Beta Kappa and won the Elks' Most Promising Student Award and a Gridiron Banquet Award.

Two-year Who's Who member **TOM KUYPERS** divided his time among numerous activities. He served as ASUW Business Manager, Commerce Senator, and secretary-treasurer of IFC, as well as being a member of Sigma Nu, Alpha Kappa Psi, ODK, Young Republicans, and Phi Epsilon Phi. As a Distinguished Military Student, Tom was a member of Scabbard and Blade.





Varsity football player **FRAN MIKNIS** won the Gamma Sigma Epsilon Chemistry Award as a freshman, was a member of Phi Epsilon Phi as a sophomore and Iron Skull as a junior. He was also a member of both Newman Club and Phi Delta Theta.

Active junior **BARBARA O'CONNOR'S** honors ranged from vice-president of Kappa Delta to AWS and Spurs to president of Chimes. Enrolled in the Honors Program, she has been cited as a Student of the Month and spent much time as an active member of Iron Skull, Outing Club, and UCF.

Vice-president of the student body, **PATTY McDONALD** has been a recipient of both the Laramie Kiwanis and the W. W. Tipton awards as the outstanding commerce student. Her work in Spurs, Chimes, Mortar Board, and as vice-president of Iron Skull have more than established her qualifications as Student of the Month. The active vice-president of Kappa Kappa Gamma was also a member of Beta Gamma Sigma and president of Phi Gamma Nu.

Journalistic **DENNIS O'FARRELL** has served as editor of the UW Campus Datebook, Wyoming Democrat News, and the news section of the Branding Iron. As the busy president of Pi Delta Epsilon and secretary of Fourth Estate, he still found time for membership in the state Young Democrats Executive Committee, Phi Delta Theta, and Student Senate Legislative Committee. Recently he won the National Scholarship of the Overseas Press Club of New York's Student Editor's Conference.

One of the outstanding Engineering students, **JOHN ROBB** kept busy as treasurer of the Joint Engineering Council and member of American Society of Civil Engineers, Sigma Tau, and Sigma Nu fraternity.

DON SAILORS has held nearly every office of Sigma Phi Epsilon, including president. After being a member of Phi Epsilon Phi he was also in Iron Skull, ODK, American Society of Mechanical Engineers, Sigma Tau, UW Band, and secretary of Kappa Kappa Psi.

Chairman of the Wyoming Union Game and Recreation Committee helped tennis player **JOHN SHAFFER** keep busy, as did being vice president of Sigma Nu, president of Alpha Epsilon Delta, and a member of Phi Epsilon Phi, Iron Skull, and ODK.

ASUW president **PAT SMYTH** was known to everyone on campus. Being president of "W" Club, honorary captain of the All-Skyline Scholastic Team, and being named to the National Football Foundation Hall of Fame and the Skyline All-Conference Football Team have helped make him so. He won a Gridiron Banquet Award and was a member of Alpha Epsilon Delta, Iron Skull, XGI, ODK, and Newman Club.

Being president of Alpha Tau Omega and Iron Skull occupied much of **MIKE SULLIVAN'S** time, as did Student Senate, Joint Engineering Council, Inter-Fraternity Council, Omicron Delta Kappa, and secretary of Phi Epsilon Phi.

CAROLYN KELLEY SORENSEN has been secretary to the ASUW Business Manager and has served as Chimes president, Mortar Board historian, and Chimes AWS advisor to Hoyt Hall. This sociology major has been a cheerleader, AFROTC Angel, and Scholarship Chairman and Pledge Trainer of Delta Delta Delta. She was also a member of Iron Skull and secretary of the Freshman Orientation Committee.

Scabbard and Blade president **RALPH SORENSEN** was a member of Sigma Nu and the Activities and Traditions Senate Committee. While a member of Iron Skull he announced at the Homecoming Sing.

WHO'S WHO IN AMERICAN COLLEGES AND UNIVERSITIES

Joint Engineering Council President **RAY VOS** served as chairman of the Homecoming Tour and member of the Homecoming Coordinating Committee as well as Deputy Group Commander of the Drill Team and member of Arnold Air Society. A member of Tau Kappa Epsilon, Ray was active in the engineering honoraries ASME, IAS, and SAME.

JAMES WATT returned to Who's Who for being president of Iron Skull, Phi Epsilon Phi, and Omicron Delta Kappa. He was a member of Alpha Tau Omega and the Union Management Committee, as well as ASUW Business Manager.

Sanda Mayer
Alpha Chi Omega

The yearbook staff this year chose Senator and Mrs. Gale McGee (Dem., Wyo.) to select the 1960 WYO Queen. Any girl on campus who wished to enter submitted a picture of herself, which in turn was mailed to the McGees in Washington. After contemplating the smiles of more than 75 beauties, the four pictured here were designated the most striking University girls. Queen Janet and her attendants were crowned at the annual Gridiron Banquet on March 10.

Janet Hawley, a freshman majoring in elementary education, hails from Green River, Wyoming. She is a member of Pi Beta Phi and the Air Force Angels.

WYO Queen

Fran Booth
Kappa Delta

Ann Morgan
Pi Beta Phi

Katy Kugland
Pi Beta Phi

Chosen to reign over this year's Homecoming festivities was pert, vivacious Katy Kugland. From an array of nine beauties, the lovely Pi Beta Phi entry was elected by popular vote of the student body.

A junior in the college of education, Queen Katy was a member of Kappa Delta Pi, the education honorary, and Iron Skull.

A statewide tour, sponsored by the Engineering Council, revealed Queen Katy and Attendant Celeste to loyal Wyoming fans. Among the stops were the girls' home towns of Cheyenne and Riverton. Upon their return they were presented to the student body at the Homecoming Sing.

Homecoming Queen

Celeste McMillan
Kappa Delta

Sparkling Celeste McMillan was elected to assist Queen Katy during the Homecoming festivities. After an exhausting parade and game, the royalty ended their exciting week-end by dancing to Don Thorne's music at the alumni dance.

Celeste, a member of Kappa Delta sorority, transferred from Indiana and is now a junior in the college of Arts and Sciences.

Lynn Evans
Pi Beta Phi

The engineers held their annual ball in the festive month of December. Queen of the Ball Lynn Evans graced the dance with a quiet but very happy smile. Lynn, a member of Pi Beta Phi, is a senior in industrial engineering, and a member of both the Student Senate and Joint Engineering Council. Queen Lynn hails from Pine Bluffs, Wyoming.

Engineers Queen

Claudia Hamilton
Lamba Delta Sigma

Maggie Webster
Kappa Kappa Gamma

Peggy Bower
Knight Hall

Sports enthusiast Peggy Bower was selected by the student body as Queen of the Snow Carnival. Nominated by Knight Hall, Peggy was crowned at the Snow Ball and reigned over the daylong winter sports activities at Libby Creek. Peggy, a junior from Worland, is majoring in Home Economics.

Snow Queen

Nini Simon
Pi Beta Phi

Evelyn Downie
Delta Delta Delta

Shirley Thorpe
Delta Delta Delta

Elected by those attending the dance, sophomore Shirley Thorpe reigned with a charming smile. Chosen above seven other nominees, the Queen of the Phi Epsilon Phi sweater dance was a member of Corpettes, Spurs, and represented the Tri-Deltas.

Sweater Queen

Judy Gardner
Pi Beta Phi

Dixie Martin
Kappa Delta

FIRST DAY! Students assemble outside the Arts and Science building during registration week. Freshmen beanies are prominent on the campus during that first week as Freshmen arrive to encounter the rigors of registration and classes.

Students-Alumni of the Future

Every University of Wyoming student is working for the goal of Graduation. Within these pages are shown the faces of these students, the faces of future hope. Some of these students have reached their goal and are now referred to as graduates; others receive the name of undergraduates. Whatever the title, they are all studdents; living, working and playing on Wyoming's campus. They share the Union, Prexy's Pasture, the Campus Shop, the library, and the classrooms. Their common bond holds them together through Asian Flu, assemblies, winter, sports, recreation, dead week, finals and student teaching. Trudging through the dead leaves of Autumn, sloshing through the snows of Winter, or strolling across the green lawns of Spring, they go on; all with a common purpose, but the individual wishes and dreams help each to remain a separate and distinct personality within the chaos of the campus.

Someday, when looking back into the past, after they have been severed from University life, they will remember the good times, the bad times, the sorrowful times and the happy times with a bit of wistfulness. These times brought the beginning of adulthood, the appreciation of culture, the realization of education and the happiness of fun and friendship. Together, they have molded a new creation, ready to conquer the world. As time passes, new college wits and campus heroes will arise and only the memory of the years gone by will remain. Herein are captured these memories to sustain the alumni of the future.

Enthusiastic supporter of Wyoming sports, a cheerleader leads a rousing "rah, rah" for Wyo's basketball team.

Exhausted after a long, hard day of classes, a student plunges into the world of sleep to forget the cares of the day.

Many of the students have assumed the responsibilities of marriage and parenthood as well as scholarship. The residence pictured here is set in the married students' housing quarters situated East of the University campus.

Student Government Has Successful Year

The student government of the University of Wyoming was led during the 1959-60 terms by Pat Smyth, ASUW president. His salary was sixty dollars a month.

Patty McDonald served the ASUW as student body vice-president. It was her duty to preside over the student senate and to coordinate the activities of all the senate committees. Among the committees which Patty supervised were the committees in charge of recreation, traffic, elections, and Wyo Days, the annual student variety show which tours the state, performing at high schools.

Tom Kuypers served as student business manager. It was his job to control student finances, apportioning the funds to the various student enterprises, such as the *Branding Iron* and the *Wyo,* and to the student organizations.

Pat Smyth was elected to serve as ASUW student body president. He also was on the varsity football team.

Pat McDonald served the ASUW students this year as vice-president. One of her duties was to supervise the senate.

Tom Kuypers served the ASUW students as business manager. He was in charge of supervising the ASUW finances.

We are often called a "nation of joiners." This is reflected at a university where the pace for joining is solidly set. It is in this membership that students learn the idea of harmonious living — where the campus is a cosmopolitan group from all over the world. Students learn the basic idea of government and working together through these campus organizations. For some groups, the student sacrifices his independence. But whatever the organization, the student holds the key to better friendship and a sense of belonging.

The Organizations

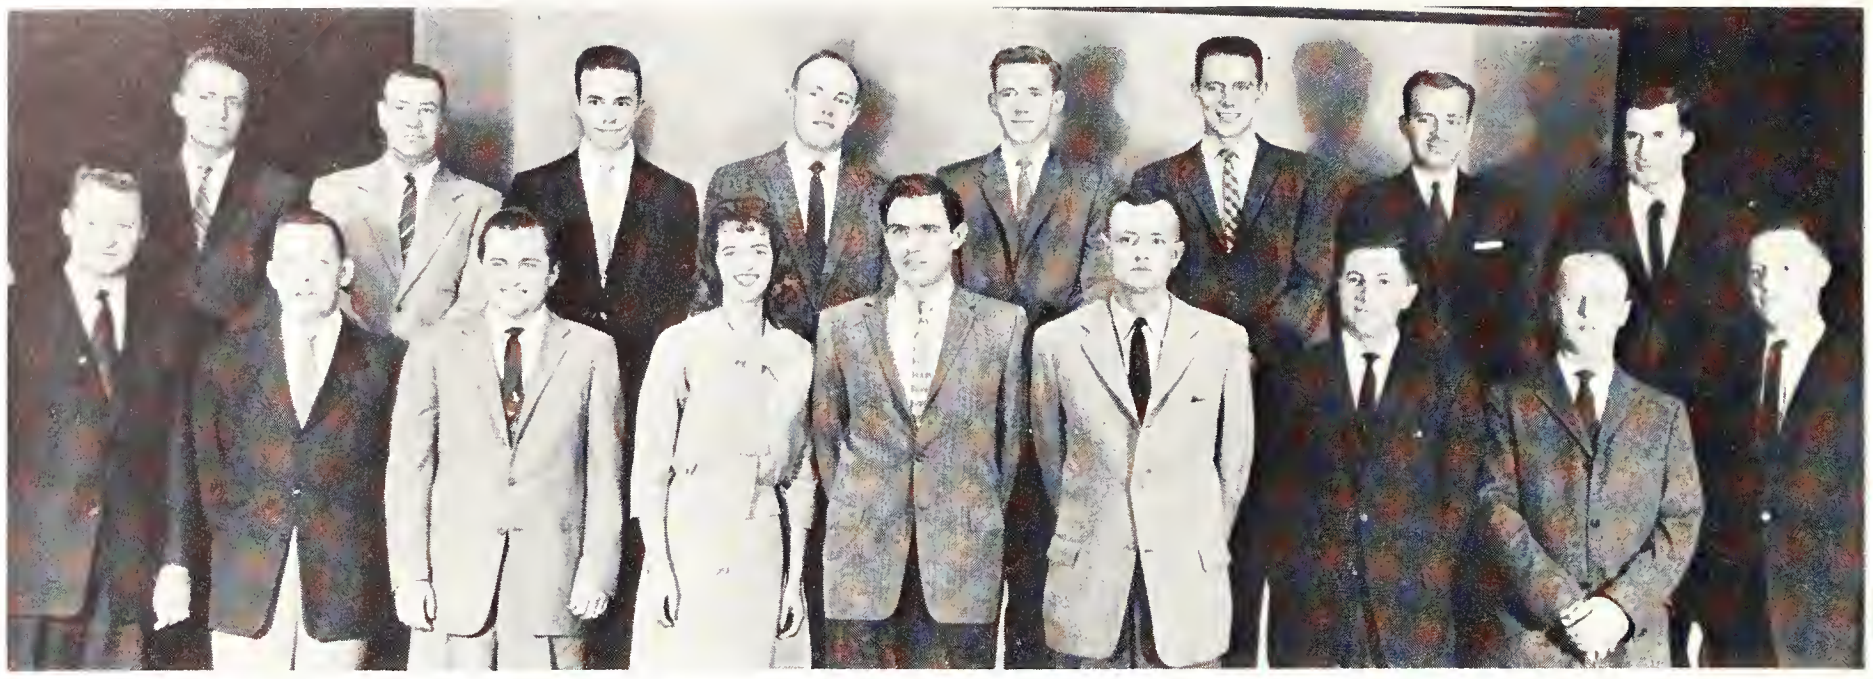
Outing Club spends hours making a block of snow into a recognizable, impressive snow sculpture for the Winter Carnival.

Lorraine Melton, Thelma Hansen, and Marion Delaurante rush to one of the many meetings that fill the student's hours.

Student's Time Well Spent in Activities

Ten Juniors beam happily after receiving their Mortar Boards. This is the highest honor a University coed can receive.

At Orientation, Freshmen become acquainted with campus organizations. At this time the organizations are explained.



First row: Marvin Lord Bishop III, Robert C. Kelly, James B. Daley, Netta Belle Girard, James T. Hays, Tom Kidd, Don White, Harold Reindal, John Stanfield.

Second row: Robert Darling, Robert M. Seipt, John G. Hanes, Richard Picket, Richard E. Day, Thomas E. Lubnaw, Floyd King, Lawrence Yonkee.

Interest Groups Provide Activities for Students

The group of organizations known as interest groups at the University of Wyoming provide the students of the University with a wide range of group activity in which to express their special interests.

These groups which include, Potter Law Club, Women's Athletic Association, Young Democrats, Young Republicans, Outing Club, Rodeo Club and many others provide a wide variety of activity for the students.

These organizations are organized to a fine point and each year hold various events, many of which have become tradition on the Wyoming campus. They provide the students with those extra-curricular activities which are such an important part of the students college life.

Potters Law Club Educates Members

The Potter Law Club of the University of Wyoming is composed of full time law students. The purpose of this organization is to further the education of its members, by the use of outside activities, and to provide social activities for the Law students.

The main project of the Potter Law Club during the year is the Wyoming Law Journal. Law students gain valuable experience from working on this project.

Officers for the Potter Law Club for the year 1959-60 included: Richard E. Day, chancellor; Floyd King, vice-chancellor; Clyde Martin, secretary-treasurer. Advisor for the law students is Dean R. R. Hamilton, Dean of the Law School.

First row: Van Clark, Jerry Yapp, Delbert Paul Jones, Amelia E. McKenzie, Fred Black, Claude Martin, James P. Castberg, Duane Bucholz. *Second row:* Fred Miller, Jim Meister, Gene Duncan, Myron Saltmarsh, Jerry Legler, Jerry Kinkade. *Third row:* Frank Andrews, Tom Tisdale, Mark Schubert, Dick Anderson, S. D. Johnson, James Watt, Franklin Smith.

Top row: Bob Likewise, Jim Ortman, Dick Paszotta, Jay Rogers, Derv Fortenberry, Don Burge. *Third row:* Jack Olson, Charles Shilling, Doug Black, Josh Chinwah, Jim Becker, Bob Velasquez, Ron Zielske. *Second row:* Charles A. Knoweton, Ken Brown, Steve Christian, Don Moewes, Gene Hanson, Ray Brush, Marc Pasquni, Jack Hahn, Glenn Troyer. *First row:* Judy Stand, Cindy Nichols, Joan Kosmiche, Louise Stnmp, Jodie Fredricks, Patricia Hanson.

Pharmacists Promote Interest in A.PH.A.

The Pharmacy Club is composed of Students enrolled and majoring in the College of Pharmacy.

The Pharmacy Club's main objective is to further the student's interest in the professional field of pharmacy and to promote interest in and strengthen the American Pharmaceutical Association (A.PH.A.)

The Pharmacy Club sponsored many guest speakers during the year, who furthered the groups interest in various fields of Pharmacy. Meetings were held Thursday evenings in the College of Pharmacy.

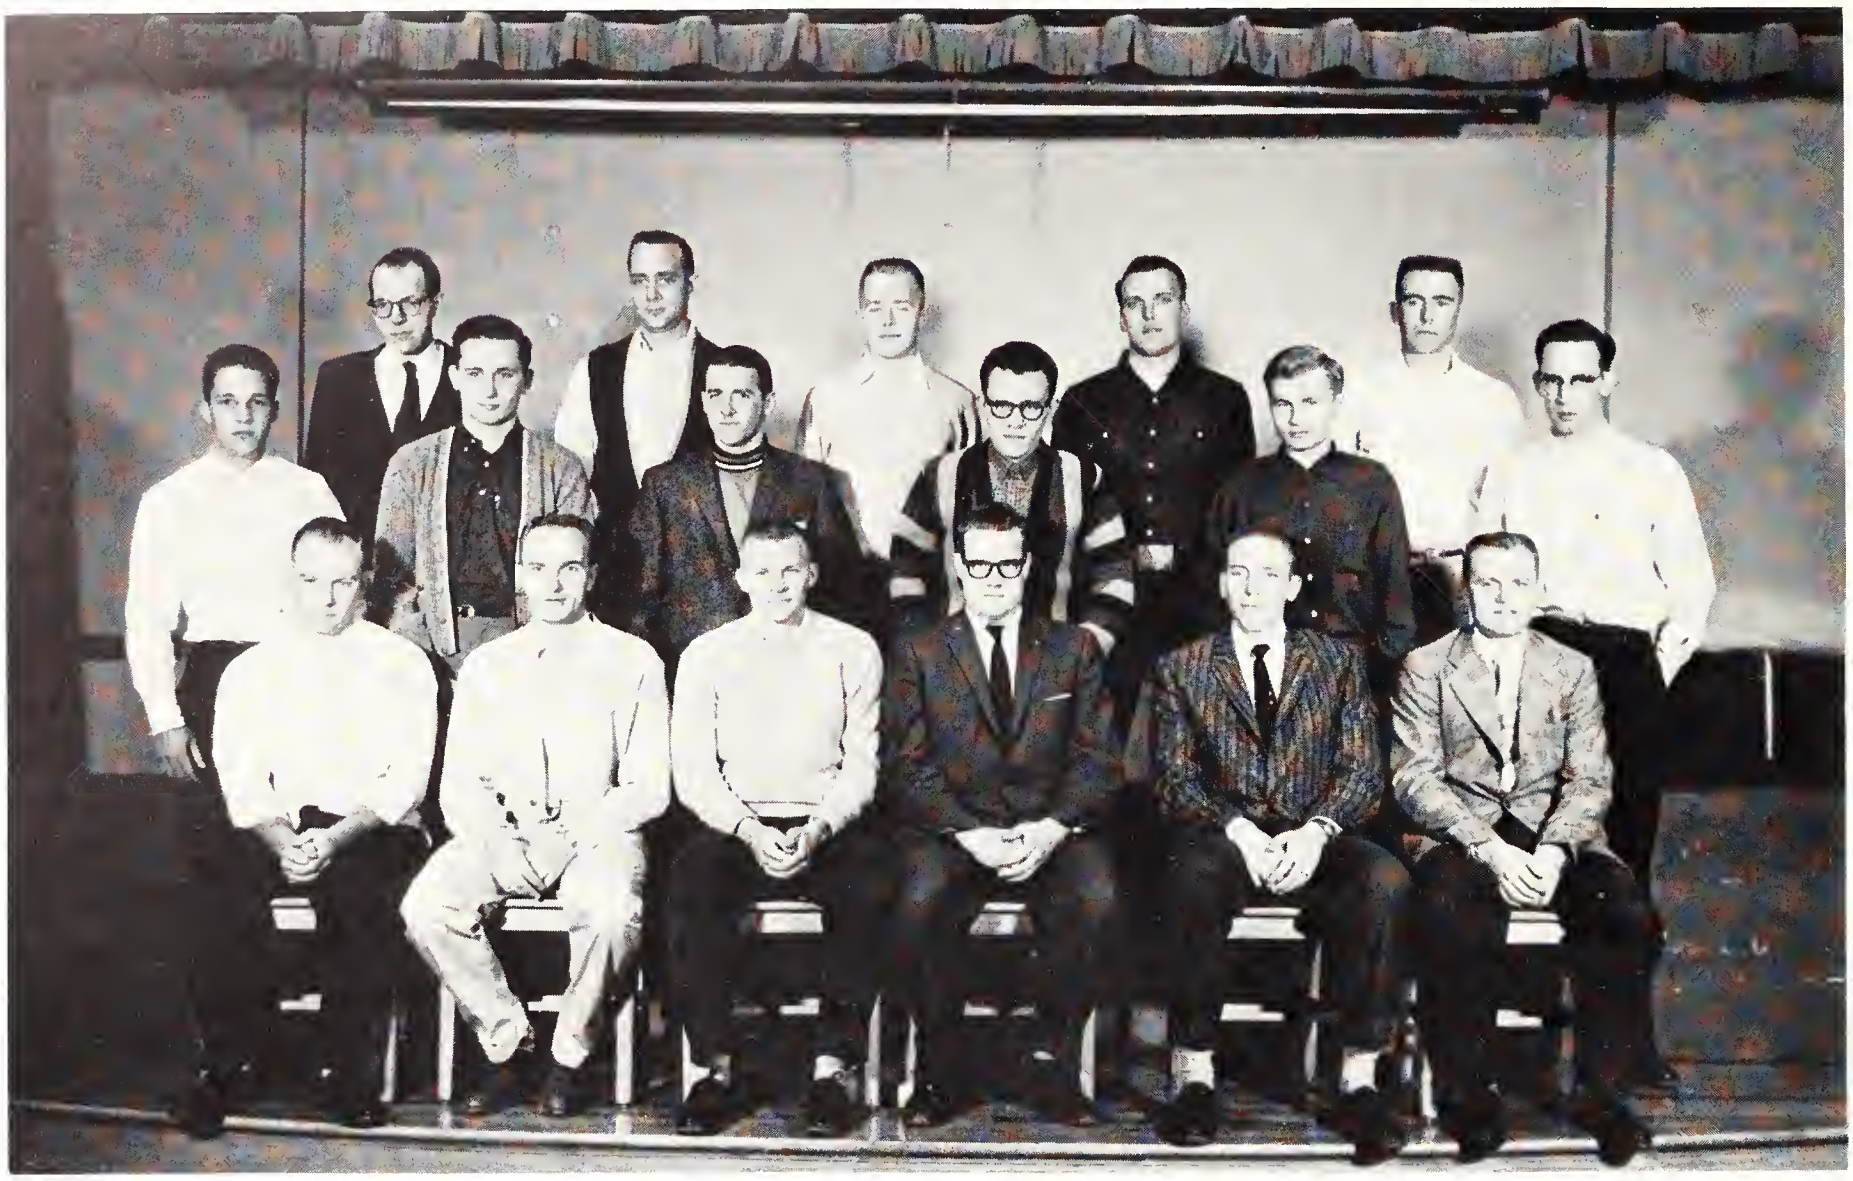
Pharmacists also made trips to visit leading Pharmaceutical houses to learn more about the distribution of drugs. Representatives from the Pharmacy Club attended the National meeting of The American Pharmaceutical Association and other Pharmacy association's and district conventions.

The annual Honor Book award for Pharmacy was given this year to Kenneth Deines.

D. W. O'Day, Dean of the College of Pharmacy, was the advisor for the group.

Officers for the year included; C. A. Knowlton, president; Ralph Richardson, vice-president; Ray Brush, secretary; Betty Armstrong, treasurer; Jody Fredricks, historian.

Top row: Melvin Sullivan, Frank Canestrini, Harlon Dunlap, Dox Carr, William Rizzi. *Third row:* Carla Klofkorn, James Foy, Garold Jensen, Chris Laya, Karl Greth, Goodman Everett, Sally Vandenburg, Wilburn Heflin. *Second row:* Betty Armstrong, Mary Lou Jenson, Gorden Holladay, Don Maxey, Richard Chappell, Suzanna Sipos, Mary Talovich, Myrtis Huff, Kathy Bales, Cherrie Aimonetto. *First row:* L. J. Anderson, W. E. Johnson, David O'Day, J. N. Bone, R. J. Kahl, W. D. Hardigan.



Top row: Phillip Jenny, Bob Wallin, Jim Trierweller, Calvin Knotts, Dan Moberly. *Second row:* John Cutler, Fred Krichbaum, Darryl Halling, Jim King, Don Stout, Tom Graham. *First row:* Lee Wooderson, Don Spradling, Tom Thorson, Lydon Bell, Leon Hetherington, Dan Porter.

Ceratopsians Geology Majors

The Ceratopsians Club is the organization for Geology at the University of Wyoming. Membership is composed of those students majoring in Geology who have enough credit hours to be a sophomore.

The Ceratopsians objective is to acquaint its members with the aspects of a career in Geology and its related fields. The group also strives to know more about the field of Geology itself and to keep informed on all the latest information.

Activities of the Ceratopsians during the year include picnics in the spring and fall, and their annual field trip to some area of geological interest.

Officers for the year 1959-60 included Tom Thorson, president; Leon Hetherington, vice-president; and Don Spradling, secretary.

Advisor for the group was Dr. Blackstone of the Geology department.

The Ceroptosians, Geology club, take one of their many field trips into the neighboring areas.

Home Economics: Top row: Sandra McDonald, Nancy Miller, Barbara Braes, Leota Billings, Fritzy Marburger, Bette Darlington, Pauline Sanford, Joyce Arthur. *Fourth row:* Judy Johnson, Theresa Mortenson, Alice Longfellow, Darlene Lemaster, Luella Thayer, Carolyn Gilmer, Vicki Powers. *Third row:* Kathleen Newell, Joye Twitchell, Lola Horton, Mary Fujikawa, Sylvia Millsap, Pauline Arnold, Yasuko Tobe, Judith Anderson. *Second row:* Carolyn Babcock, Jane Lewis, Margaret Lynn, Peggy Bower, Dorothy Percival, Mary Kohrs, Imo Russell. *First row:* Joye Brown, Ada Russell, Lynn Griffin, Peggy Murphy, Mary Brockman, Shirley Nicholls, Nita Hacker, Verna Hitchcock, Karen Cox.

Home Economic Club

The Home Economics Club is open for membership to all home economics majors and minors at the University of Wyoming. The purposes of this organization are to promote professional attitudes, increase knowledge in different fields of home economics, promote wider cultural interests, and help members become active campus citizens.

The major activities of the fifty members during the year included a Christmas Bazaar, a U.N. Day tea in October, a cookie and candy sale, and a Senior Banquet in April.

Phi Upsilon Omicron

Home economics majors who are in the upper two-fifths of their class in scholarship, professional attitude, leadership, and service qualify for membership in Phi Upsilon Omicron, home economics honorary.

Members of this organization, which is the oldest honorary on the University of Wyoming campus, work to establish and strengthen bonds of friendship, promote the moral and intellectual development of its members, and advance and promote home economics. They also give an award to the freshman home economics major with the highest scholastic average.

Phi Upsilon Omicron: Jackie Penson, Peggy Murphy, Joanie Hill, Nelda Vines, Shirley Moedl, Sylvia Millsap, Suzanne Taylor.

Top row: Lucille Patrick, Judy Scott, Marlene Watchorn, Janet Lynn, Doris Washburn, Sue King, Theda Stark, Kay Testolin, Evelyn Downie. *Second row:* Barbara Alley, Sally Saturley, Pat Amburg, Karen Johnson, Gretta Grenlund, Diana Duncan, Vicki Hartman, Martha Jo Wilson, Mariam Kowlok, Joan Layman. *First row:* Jackie Igo, Dotty Olson, Polly Partee, Sharon Schaefer, Kate Gibbs, Carolyn Wright, Judy Weickum, Tonia Rulli, Claudia Hamilton, Margaret Young, Marilyn Pilch, Joyce Jackson, Karin Erickson.

W.A.A. Program is Outstanding

Whereas Wyoming's athletic program is outstanding in the Rocky Mountain area, the girls are not to be slighted. The W.A.A., the Women's Athletic Association, attempts to follow the high ideals of the men's program of building better bodies, good sportsmanship, and a keen sense of competitiveness.

W.A.A. is composed of University women who are interested in extra-curricular sports. To qualify they must participate in the sports activities sponsored by the women's physical education department.

The ultimate purpose of W.A.A. is to promote further interest in sports among women students enrolled at the university, as well as to create a place for athletically minded University Women.

The spirit of competition runs rampant in the yearly athletic events, such as volleyball, swimming, basketball, tennis, softball, bowling, table tennis, and skiing.

Winners of the preceding events are presented awards each spring. The winners are determined by a point

Members of the Women's Athletic Association participate in the annual swimming meet held April 11th in the Half Acre pool.

Top row: Peggy Paulson, Susie Jessup, Jo Shillinglaw, Susie Hand, Kathy Kurtz, Sunny Kirkwood, Stevie Rommel, Patricia Fleming, Patsy Irvin, Cheri Frederick, Shirley Barello, Carolyn Gilmer. *Second row:* Kathyrn Jones, Ruth Grell, Julie Reid, Kay Reber, Jo Ann Anson, Jody Fredicks, Jackie Laomis, Pauline Arnold, Sherry Kasp, Barbara Haight. *First row:* Donna Nelson, Shirley Capp, Karen Coy, Sandy McAuliffe, Jan Talbert, Les Belt, Barbara Vaudrey, Sally Harris, Iris Witt, Ellen Likins, Darla Cave.

system, and as the school year nears its end, there are invariably two or three organizations running together for the coveted awards.

Outstanding women athletes earn coveted awards on the basis of individual efforts. A W.A.A. emblem is awarded to the individual earning 350 points, 750 individual points earn a letter, and 1200 points earn a coveted W.A.A. sweater.

Officers elected for the 1950-1960 class year were Clara Sedgwick, President; Cindy Meyers, Vice-President; Connie Wright, Secretary-Treasurer; Sharon Van Court, Sports Manager; and Beverly Johnson, AWS representative. Officers are elected each spring to serve the following school year.

The sponsorship of the Women's Athletic Association is under the able sponsorship of Miss Louise E. Thouin, Assistant professor of the Women's physical education department.

Top row: Kayce Kunesh, Pat Deveraux, Mary Talovich, Kay Clatterbuck, Peggy Karstoft, Pat Mangus, Marilyn Buchles. *Second row:* Janet Curry, Sylvia Baack, Linda Briscoe, Mina Liden, Nancy Miller, Nita Bowman, Anna Jocobson, Genera Averitt, Pat Gealy, Louisa Ball, Pat McManus. *First row:* Arlene Ogasawara, Elvira Brynick, Connie Wright, Bev Johnson, Janice Thouin, Cindy Myers, Sharo Van Court, Pat Stoner, Elvera Montana.

YOUNG DEMOCRATS: *Top row:* Bill Walker, Stuart Hurdle, Mark Shubert. *Second row:* Bill Bagley, Gary Morris, George Gordon, Terry Iversen, Dennis O'-Farrell, Richard Vanderberg, Fred Zuercher. *First row:* Dennis Utter, Mary Phyl Bever, Eddy O'Farrell, Tom Dawson.

Politics Active in Young Dems and GOP

So the tradition of sports among the young women of America and the University still exists, condoning the philosophy of: "Healthy Mind, Healthy Body." This philosophy has been tendered to this generation from the time men became civilized, through the body building philosophies of the Greeks.and early Romans to the Olympics of today, where women's athletic events stand toe to toe with the highly competitive international sports.

There are two political party interest groups represented on the University of Wyoming Campus. These are the Young Democrats and Young Republicans. Qualification for membership in either group is the same: just be interested.

The objectives of each organization are the same; That is to promote education of students about the political party and to create further interest.

The Young Democrats publish the Wyoming Democrat which is a party newspaper containing Democratic party happenings around the state of Wyoming. The group also sponsors workshops and raises money.

Officers for the year of Young Democrats included: Tom Dawson, president; Eddie O'Farrell, secretary. Caroll Hurd, assistant professor of political science was group advisor for the year.

The Young Republicans publish the Campus Republican which is a party newspaper containing news of the Republican party. The Republicans also sponsor a dinner during the year and help campaign for the party.

Officers for the year included: John Ackerman, chairman; Karen Kahleen, chairwoman; Jim Mackler, vice-chairman; Ann Hurtt, secretary; and Jody Templeton, treasurer.

YOUNG REPUBLICANS. *Top row:* Charles Kaltenbach, Stan Cooper, Robert Ferguson, Kim Kruger, Jerry Proffit, John Gries, Dave Bonner. *Second row:* Thomas Harmon, Howard Shapiro, Kay Kepler, Jack Mueller, Patti Miller, Ray Olson, Suzanne Hanes, Fred Zuercher, Sue Daly, Rufus Hoefer. *First row:* Ann Hurtt, Karen Kahleen, John Ackerman, Jodi Templeton, Jim Mockler.

Top row: Gary Ericsson, LaVern Lofink, Bruce Portwood, Bill Phillips, Larry Van Werden, Tom Mohr, Roger Reinke, Harry Latoush, Stan Flitner. *Second row:* Sandy Brooks, Jim Schoulders, Bette Darlington, Clara Sedgwick, Ed Jessup, Judy Jeremiason, Stanley VerStraten. *First row:* Rita Middleton, Starley Dayton, Barbara Haight, Carol Lugwig, Donna Nelson, Sharon Murdock, Polly Schaffer, Bill Roberts, Carroll Schoonover, Theresa Mortenoon. *Seated:* John Buckingham, Leon Cook, Fritzy Marburger, Sally Shepperson.

Interested Students Promote Rodeo Club

Rodeo club at the University of Wyoming is made up of students who are interested in rodeo and like horses. The purpose of the organization is to promote sportsmanship in rodeo and to further interest in equestrian techniques.

The activities of the Rodeo Club are non-professional. The intercollegiate Rodeo in which anyone may participate is held in May. Competition is keen and comes from junior colleges around the state as well as nearby states. Also planned for this spring is the Equestrian Show for the first time. It is hoped that this horse show will also become an annual affair at the University of Wyoming.

At the Intercollegiate Rodeo, the Rodeo Club pre sents to the all-around cowboy a saddle award. Other prizes of gift certificates and merchandise are also presented. There is also a Rodeo Queen and attendants to add to the festivities of the week.

Officers for the Rodeo Club for the year 1959-60 included: Leon Cook, president; Pete Jones, vice-president; Fritzie Marburger, secretary; Shally Shepperson, treasurer; and Jim Moore, rodeo manager. Carroll Schoonover, assistant professor of animal production, was the group advisor.

"Ride 'em cowboy!" Rodeo Club sponsors Rodeo Week and the air is filled with all the excitement of a big time rodeo.

Top row: Gary Babel, Bill Hall, Mel Gabel, Pat Craw, Arnold Hansen, Pat Moran, Clarence Maw, Tom Bretthauer, Nini Simon, Dorothy Hanson, Herb French. *Second row:* Susan Jessup, Iris Witt, Jackie Igo, Martha Prakison, Roger Rennick, Roberta Kerr, Margaret Baillie, Sandra Goodman, Priscilla Slack, Nancy Long, Tuni Stuart, Patty Kimball, Marion Dimond, Shirley Eliopulos, Wilma Benintendi. *First row:* Gale Andrews, Sharon Waters, Jodie Templeton, Marcia Nichols, Wyoma West, Peggy Blackwell, Darlene Johnson, Kathleen Logan, Margie Greenhalg, Bill Duncan, Boyd Keenan, Kay Osborne, Syvia Blount, Helen Poledna, Ada Russell, Mary Dell Scheibel, Carol Farris, Fay Hing, Delphia Edwards.

SNEA Promotes Education Ideals

High ideals mark the philosophy and purpose of the Student National Education Association. The purpose and objective of SNEA is: "To promote an attitude of professional education and to inform the members of various facts and methods now used in the field which we think will be to their own advantage to know.

All education students are aware that the trend in education during our era, is toward a high degree of scholastic endeavor which can only be obtained through better trained, better schooled teachers of tomorrow.

The SNEA does not limit its membership to education majors. Any future teacher may participate in the organization by maintaining his annual dues.

Meeting the first Tuesday each month, the SNEA strives to keep members informed and interested in their chosen profession.

Members also aided in several education meetings during the year. They held state meetings in the spring and fall in both Laramie and Casper, where people in the profession, as well as the administrators, throughout the state were in attendance.

Under the able sponsorship of Frank Kraus, head of the teacher placement bureau in the College of Edu-

Kaky Logan, SNEA secretary, asks some questions at the club's political rally.

Education College Senate hopefuls attend the SNEA meeting in the Education Auditorium.

cation, the SNEA has grown in both membership and ideals during the past few years.

Officers for the year included: Bill Duncan, president; Marge Greenhaugh, vice-president; Kathy Logan, secretary; Boyd Kenean, treasurer; and Joyce Lockman, historian.

Membership in the Student National Education Association automatically means membership in the Wyoming Education association and the National Education Association. As members of these professional groups, students are automatically entitled to attend the professional meetings held in Wyoming and in the nation.

Through their association with other members in this organization, the SNEA membership feels that they can enter their chosen profession better equipped to handle the problems of present day teachers.

And, as the people of Wyoming as well as all of the United States are becoming more aware of the slogan "Better Schools Make Better Communities," members of SNEA will enter their chosen field knowing in their hearts that the professional standing of teachers in a community is fast becoming one of dignity and honor.

Velma Linford, State Superintendent of Public Instruction, addresses the Student National Education Association.

Devils Tower, in northern Wyoming, looks steep and rugged from the base. Outing Club members look forward to this trip.

U.W. Outing Club is Active Year Round

The Outing Club of the University of Wyoming is one of the most active organizations on the campus. Outing Club's approximately 150 members are interested in all kinds of outdoor activity. The members further and promote this interest on the University campus. Any University student can be a member of outing club by being interested and paying the membership dues.

Outing Club is active during the school year participaring and organizing many activities. Perhaps the biggest undertaking of the Outing Club during the year is the Winter Carnival in February. The carnival is a big event in the winter season and consists of sno-sculptures entered in a contest, skiing and snowshoe races at Libby Creek, a queen contest and the Sno-Ball dance. At the dance, the queen and her attendants are presented and awards given for the various contests.

Two Outing Club members rest a while before climbing on to the top. Outing Club makes many interesting trips each year.

Members of Outing Club indulge in a little horsing around before embarking on one of their many trips they take during the school year. The summit bicycle race is also sponsored by Outing Club and has a good turnout every year.

Members of an Outing Club climbing party stop to enjoy the beautiful scenery so often found on their trips.

The Outing Club also sponsors the Summit Bicycle Race in the spring of the year, and the University of Wyoming Outing Club rescue unit.

Activities of the Outing Club during the year saw this active organization take trips to the Jackson Hole Area to ski, New Mexico to climb Ship Rock, and northern Wyoming to climb Devils Tower.

"Alaskan Images" was the theme of this year's Sno-Carnival. This gigantic totem pole was sculptured by the Outing Club.

Sculpturing the huge totem pole in Prexy's pasture involved long, cold work, as this member of Outing Club can tell you.

Officers for the year 1959-60 included: Raymond Jacquot, president; Montie Swetnam, vice-president; Patty Tobias, secretary; Pat Johnson, treasurer; Charles Blackman, rock chairman; Pat Ingham, ski chairman; Mel McKnight, membership chairman. Faculty advisors for Outing Club were Hugh Hetherington, Phil Johnson and Herb Pownall.

In December the Outing Club sponsored a ski fashion show, putting forth the latest styles for ski and after ski wear. The clothes for the fashion show were donated by Laramie merchants and models were chosen from each sorority and dormitory.

High on the edge of a mountain overlooking a beautiful valley, this Outing Club member enjoys the grand view of the country.

PI DELTA EPSILON: *Top row:* Ron Lytle, Joe Tripp, David Stugart, Russ Fawcett. *Second row:* Mr. Biggs, Patsy Yeager, Kay Osborne, Sandy Faus, Mr. Mack. *Seated:* Dennis O'Farrell, Peggy Blackwell, Kay Doto.

Pi Delt, Fourth Estate Journalism Honoraries

Students interested in journalism who prove their interest and proficiency by getting an average of 2.5 or better are eligible for membership in Pi Delta Epsilon, journalism honorary. The aim of this exclusive organization is to discuss journalistic problems in an effort to help its members become more proficient.

During the year Pi Delt sponsors several activities, including a field trip to Denver to visit the newspapers there, a picnic to Red Feather Lake, and one of the outstanding events of the year, the Gridiron Banquet, to which the campus leaders are invited to participate in an hour-long discussion with President Humphrey. At the banquet, the award to the outstanding freshman member of the *Branding Iron* staff, which last year was given to Eleanore Wagner, is presented and the names of the *Wyo* Queen and her attendants are announced.

The officers of Pi Delt this year were Dennis O'Farrell, President; Peg Blackwell, Vice-President; and Kay Doto, Secretary. The advisor was W. R. Biggs, Head of the Journalism Department.

Fourth Estate is an honorary for male journalism students. Members work to foster further interest in their chosen profession, and once a month, sponsor a speaker from somewhere in the state.

President this year was Hugh Ellis. Other officers were Edwin Eaton, Vice-President and Mick Anderson, Secretary. Mr. Biggs also sponsored Fourth Estate.

FOURTH ESTATE: *Top row:* Ron Lytle, Russ Fawcet, David Stugart, Mr. Mack. *Second row:* Mr. Biggs, Dennis O'Farrell, W. S. Davis, Rufus Hoefer, Dave Bonner, Joe Tripp. *Seated:* Vern Shelton, Gene Bryan, Norm Cable, Edwin Eaton, Jerry Kitchen.

Psi Chi: Top row: Wilson J. Walthall, Jr., Larry Yother, David Taylor, Chuck Slater, Walt Leininger, Erving Severtson, Ed Chenoweth. *Second row:* Bill Moorhouse, Hugh McFadden, R. H. Bruce, Eldon Gade, Max Rardin, Frank Teeples, Kent Davis. *Third row:* Sandra Goodman, Rae Creech, Lillian G. Portenier.

Psychologists Promote Interest

Psi Chi is the Psychology Honorary at the University of Wyoming. Members are those men and women with a major or minor in Psychology. They must also have taken eight hours of Psychology and have a 2.00 grade average.

Psi Chi's purpose is to promote work and interest in the field of Psychology.

During the year, the Psi Chi Honor Book was awarded to Rae Creech and service awards were given to Bonnie Benson and Ann Ruehr.

Officers for the 1959-60 year included: Rae Creech, president; Max Rardin, vice-president; Erving Stevenson, secretary; Kent Davis, treasurer; Charles Slater, historian; Walt Leiniger, editor; Sandra Goodman, social chairman; David Taylor, publicity. Advisor for the group was Dr. Portenier, professor of Psychology.

Nursing Group Furthers Professional Organization

Nursing students at the University of Wyoming are eligible for membership in Nu Upsilon Omega. The purpose of the organization is to further the professional organization, ANA.

To raise money, the members of Nu Upsilon Omega sell candy, at Christmas and sweatshirts with their organization emblem. In March, members attend a convention of the Wyoming Association for Students of Nursing, in Sheridan. State officers on campus are Mary Gould, state treasurer, and Donna Edmiston, state secretary.

President was Lila Williams; Jean Stenvick, vice-president; Sally Wendt, treasurer; Rina Grasso, secretary. Advisor was Charlotte Coe, nursing instructor.

Nu Upsilon Omega: Top row: Molly Sampson, Ruth Vaicuilenar, Mary Gould, Marcia Bradley, Twila Larson, Nancy Quereau, Connie Nater, Elva Schneider, Julia Jane Martin, Teddy Ronish. *Third row:* Mary Byland, Susan Knouse, JoAnne Hughes, Maxine Dillinger, Janet Curry, Sandy Sawyer, Rhonda Freeburg, Donna Edmiston, Deanna Korfanta, Sonja Borger, Marily Pilch, Phillis Walton, Beverly McCleaves. *Second row:* Lea Beth Whaley, Betsy Ridgway, Claudia Hamilton, Fran Booth, Babs Bidstrup, Marilyn McPhee, Linda Powell, Louise Ball, Pat Taylor, Cecilia Reilly, Kay Kraus, Becky Wade, Sue Elliott. *First row:* Rino Grasso, Sally Wendt, Jean Stebvick, Lela Williams.

Top row: Howard Eikenberry, Earl Boardman, Gary Darnall. *Second row:* Tom Wasden, Wayne Asay, John Campbell, Tom Davidson, Jim Facinelli. *Front row:* Ted Butler, Tom Fabricius, Dong Deveraux, Jack Ruch.

Alpha Tau Alpha Promotes Education

Alpha Tau Alpha is composed of male students training to teach vocational agriculture. Membership is composed of sophomores, juniors and seniors of a high scholastic standing.

Alpha Tau Alpha's purpose is to help train teachers of agriculture and provide an organization where many problems of this field can be discussed among the members.

During the year Alpha Tau Alpha assisted in Future Farmers of America's state judging contest held in September. They held a banquet in November and sent two members to the National Alpha Tau Alpha conclave in Kansas City, Missouri, in October.

The outstanding member award was received by Mel Lacy for the year 1958-1959.

Officers for the year included: Dwane Miller, president; Wayne Asay, vice-president; Tom Fabricius, secretary; Don Glidden, treasurer; Tom Davidson, sentinel; Doug Deveraux, reporter.

Advisors for the group included Jack Ruch, head of the vocational agriculture teacher training program in the education department; Ted Butler, head of the farm mechanics of the college of education; Dan Hutto, head of the poultry department division of animal science in the College of Agriculture.

Members of Alpha Tau Alpha, Vocational Agriculture honorary, their students, and sponsors, inspect some of the grazing and farming land in the Laramie area.

Top row: Charles A. Knowlton, Jim Stenger, Donald Maxey, Jim Parr, Jay Rogers, Bob Gish, Jack R. Hahn, James H. Shawver, James F. Foy.

First row: Sig Jansen, Dr. Jack Bone, Dean David W. O'Day, Dr. Raymond Kahl, LeRay J. Anderson, W. D. Hardigan, William E. Johnson.

Pharmacy Honorary is Phi Delta Chi

The men in the College of Pharmacy who have an average of 2.75, or better, are eligible for membership in Phi Delta Chi, pharmacy honorary.

Members of this pharmacy honorary are pledged to further pharmacy as a profession and to advance interest in pharmacy.

The future pharmacists of Phi Delta Chi sponsor a banquet once a year for members, and a Phi Delta Chi dance. For extraordinary service, an award is presented annually to the member who has done the most for Phi Delta Chi during the year.

The president of Phi Delta Chi this year was Sig Jensen. The other officers were vice-president, Bob Gish; Jack Hahn, secretary; treasurer, Jim Shawver.

Honored future pharmacists listen to a chemical analysis of the new drugs by the representative of the world known E. Lilly Drug Co.

Top row: Betsy Blair, Jack Barratt, John Warden, Rod Whitlock, Dolores DeCastro, Charles Parker, Faculty Advisor, Judy Ryun.

First row: Tom Atkinson, Rosemary Barlow, Craig Blackner, Kay Kepler, Tom Wasden.

Theta Alpha Phi Promotes Drama

Theta Alpha Phi is the drama honorary at the University of Wyoming.

Membership is open to anyone who has played two major roles, four minor roles, or a combination of the two, and who has done a required amount of backstage work in the University Theater productions.

The purpose of Theta Alpha Phi, as a drama honorary, is to promote an active interest in the theater arts and to support the University Theater productions, put on by the drama department of the University.

Theta Alpha Phi meets on the first and third Sundays of each month. The advisor for the group is Charles M. Parker, associate professor in the speech department.

The annual Theta Alpha Phi banquet is held each year in the first part of May. At this banquet all theater awards for the year are announced. These awards are: best actor and actress, best supporting actor and actress, most promising freshman actor and actress, and student patron of the University Theater.

Awards presented in the spring of 1959 included: best actor, Art Brauss for his performance as Shylock in "Merchant of Venice;" best actress, Ruth Holloway for her role of Anne in "The Diary of Anne Frank;" best supporting actor, Craig Blackner for his performance as Peter in "Diary of Anne Frank;" best supporting actress, Kay Kepler for her role as Rosemary in "Picnic." Receiving awards as the most promising freshman actor and actress were Judy Ryun and Gary Bacon. The student patron for the year was Sigma Chi fraternity.

Officers for Theta Alpha Phi for the 1950-1960 year included: Craig Blackner, President; Kay Kapler, Vice-President, Rosemary Barlow, Secretary; Tom Wasden, Treasurer; Tom Atkinson, Historian.

Betsy Blair seems to ask "Whats the point?" while Kay Kepler and Dave Ferguson enjoy the fun.

Top row: John Lancaster, Earl Boardman, John T. Wasserburger, Tom Shaffer, Wayne Asay, Tom Fabricius, Bob Sedlacek. *Third row:* Mohammed Anwar, Pat Wendt. *Second row:* Larry Parker, Don Fronk, Jim Facinelli, Jim Rumney, Lee Belden, Jerry Winn, Gary Darnall. *First row:* Bill Roberts, Mel Lemon, Nelson Jones, Stan Salsbury, Russ Fawcett, Jim Coones.

Alpha Zeta Studies Technical Agriculture

Alpha Zeta is an honorary fraternity for students studying technical agriculture. In order to become a member of this outstanding honorary, a student must be at least a second semester sophomore, and in the upper two-fifths of his class. Members are also selected on the basis of scholarship, leadership and character.

The purposes of the fraternity are to foster high standards of scholarship, character, leadership and fellowship among all its members, as well as promote the profession of agriculture.

During the annual banquet held in late March, awards are presented to the outstanding instructor and outstanding senior.

During the school year, Alpha Zeta sponsored entertainment for the Future Farmers of America, as well as promoting a student faculty forum and being active in Farm Bureau Recruitment.

Officers are Nelson Jones, Chancellor; Stan Salesbury, Censor; Jim Coones, Scribe; Mel Lemon, Treasurer; Russ Fawcett, Chronicler.

Bill Roberts of the Agriculture Economics Department was senior advisor for the group.

Meetings were held the third Thursday of each month in the Agriculture College where the activities, ideas and ideals of the organization were discussed, and plans for the promotional activities were outlined.

As Agriculture is one of Wyoming's most important assets, so should the state University foster and promote the various and sundry activities in this field. Alpha Zeta not only promotes agricultural activities at the University, but aids allied groups and organizations in their own endeavors.

Top row: Laness Northurp, Nels Smith, Howard Eikenberry, Web Jones. *Second row:* Ian Lumsden, Dietrich Kroger, Alvin Kilmer, Angus McCall, Stan Christensen, Bill Gross. *First row:* Don Erickson, Dennis Utter, Marion Stanley, Colin Kaltenbach, Gerald Costel, Darrell Walker.

Top row: Gail Jones, Sanda Mayer, Gail Asiala, Margaret Zell, Mary Osbourn, Darlene Johnson. *Second row:* Jackie McKinney, Sue Bigler, Ruthanne Warfield, Pat McDonald, Ann Morgon, Nita Bowman, Jackie Loomis, Joan Banks. *Third row:* Katherine Chionis, Mary Smith, Jane Metzler, Kay Jensen, Carol Schwabrow, Charlotte Hearne, Joan Norton.

Commerce Honorary Promotes Leadership

In order to promote leadership in the field of commerce, Phi Gamma Nu has been established on the campus of the University of Wyoming as an honorary for women in commerce who meet the high standards of the organization—a 2.5 average and outstanding leadership qualities.

This year's Theta chapter was proud to have won the Scholarship Cup for having the highest over-all chapter average in the sorority. Each year Phi Gamma Nu also presents the Scholarship Key to the outstanding senior woman in commerce.

A major program each year is the Student Business Conference which it co-sponsors with Alpha Kappa Psi, the men's honorary. This year, for all coeds, Phi Gamma Nu sponsored a workshop on Grooming and Personality Development.

Phi Gamma Nu was led this year by Kay Ann Jensen, president. The other officers were: Joan Norton, vice president; Mary Smith, secretary; and Carol Schwabrow, treasurer. The advisor was Frances Hyde, Associate Professor of Secretarial Science.

University of Wyoming's chapter of Phi Gamma Nu received the organization's national scholarship cup at a Founders' Day banquet February 18. Left to right are officers and co-sponsors Frances Hyde, Carol Schwabrow, and Elna Dahlquist presenting the national trophy to Kay Jensen. Next are Joan Norton, Mary Smith and Laura Summers.

Chi Gamma Iota Recognize High Veteran Scholarship

Men and women who are veterans of the armed forces and meet the qualifications of high scholarship are eligible for membership in Chi Gamma Iota, veterans' honorary.

It is the purpose of Chi Gamma Iota recognize and promote the veterans on campus. Annually the members make a special award to an outstanding member. In 1959, the honor book was awarded to Jay R. Rogers, a junior in pharmacy.

Chi Gamma Iota initiates are *Front:* Haul, Sullivan, Merrifield, and Snyder. *Back:* Kanlian, Bollick, O'Dell, Shelton, and Eastman.

Each year, Chi Gamma Iota attempts to carry on one worthy project. In 1959, they placed a plaque in the union to recognize winners of the honor book. During the year, the activities of Chi Gamma Iota are a Christmas dinner, a picnic in May, and a picnic in July.

The advisor for Chi Gamma Iota is Dr. C. H. Thompson, Head of the Testing Service. President was Duane C. Bucholz; vice president was Dale Fullerton; Louis F. Wolff was secretary; Robert Sackett was treasurer; and Fred Clodios was reporter.

Top row: Lorea Good, Bill Angle, Donald Glass, Gerald Daniels. *Third row:* Donald G. Roberts, Bob Martin, Laness Northrup, Dewey Henderson, Fred Coldius, James Landeen, Art Nyquist. *Second row:* Gene K. Christensen, Tom Shaffer, Frand Teepler, Mike McNamee, Mel Lacy, Walter Patch. *First row:* Bob Burgess, Don Porter, Douglas Sotham, Louis Wolff, Richard N. Walters, Duane Buchholz, Dale Fullerton, Myron Saltmarch.

Top row: Morgan Hicks, Tom Kautz, Rubin Neu. *Fourth row:* James Shepherd, Truman Thompson, Ron Howe, Stanley Bercich, Tom Kuypers, Albert Hayes. *Third Row:* John Galeotos, Bill Bassett. *Second row:* Duane Smith, Ron Peterson, Bill Bagley, Karl Lessey, Ken Joslyn, John Jenny, Dean Beyer, Tom Powers. *First row:* Rich Hannum, Don Madrid, Robert Ball, Bill Dale.

Commerce Honorary Fosters Research

Alpha Kappa Psi is a commerce honorary composed of men students, enrolled in commerce studying accounting, finance, economics, management, marketing, statistics, or business administration.

To become a member of Alpha Kappa Psi, men commerce students must be a candidate for a degree and have a grade point average of 3.00.

The objects of Alpha Kappa Psi are to further the individual welfare of its members and to foster scientific research in the fields of commerce, accounts, and finance. Alpha Kappa Psi also wants to educate the

Top row: Lloyd Patterson, Royce Nolan, John Peterson, Bob Grieve, George McTevaine, Brad Laughlin, Jay Barrus, Walter Hill, Bob Albers, Jerry Johnson. *Third row:* John Muller, John Cochran, Carl Beisner, James Orr, Robert Ems. *Second row:* Charles Lawson, Robert Wilcoxon, William Bolick, Bob Wampler, Alfred Goetz, Joseph Kudar, Darryl Lowell, Don Freer, Louis Wolff, George Garcia. *First row:* Angelo Georgios, L. W. McDaniel, F. Walther, Gary Toftely, Douglas Sothan.

Alpha Kappa Psi, commerce honorary, is composed of men students enrolled in commerce. Here the honorary is shown at one of their bimonthly meetings.

public to appreciate and demand higher ideals therein, and to promote and advance in institutions of college rank, courses leading to degrees in business administration.

Each year Alpha Kappa Psi awards the Alpha Kappa Psi Medallion to the outstanding senior man in commerce.

During the year, Alpha Kappa Psi took field trips to Denver and the surrounding area in November and May. They also sponsored the Student Business Conference.

Alpha Kappa Psi held their meetings the second and fourth Thursday of each month, in the education hall lounge.

Officers for Alpha Kappa Psi for the 1959-60 year included: Robert J. Ball, president; J. Donald Madrid, vice-president; William G. Dale, Jr., secretary; Richard L. Hannum, treasurer; and John Jenny, master of rituals.

Advisors for Alpha Kappa Psi this year were Lloyd W. McDaniel, deputy councilor, department of accounting; and Timon A. Walther, Faculty advisor, department of statistics.

One of the aims of Alpha Kappa Psi is to foster interest in the field of commerce. Here a beginning typing class struggles to learn the rudiments before advancing to the more difficult and interesting courses.

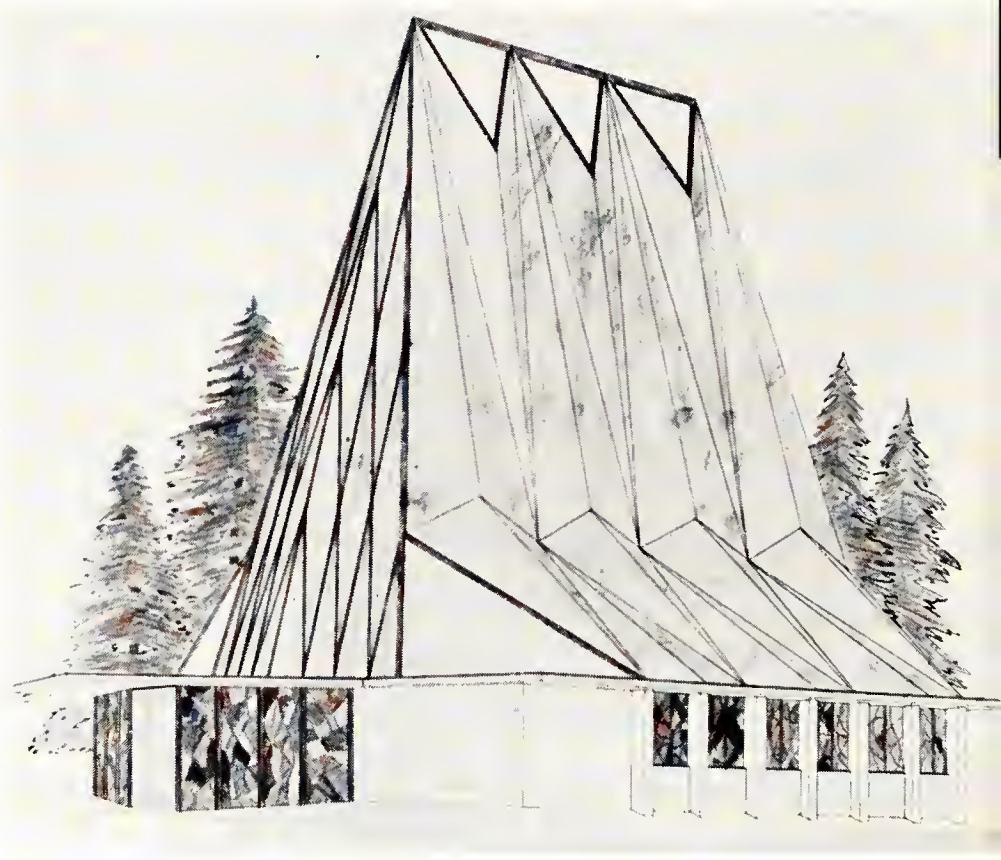
Religion in Life
Purpose of Council

With the high purpose of putting religion into regular life, the Religion in Life Week Council is active during the year, trying to make the campus conscious of its goals.

Its members are representatives of the various religious organizations centered on the campus, elected by their several groups because they are known to be sincere and willing to work to achieve their aims.

The major activity of the Religion in Life Week Council is the promotion of Religious Emphasis Week, held this year from February 14, to February 18. The theme of the week's talks and seminars was "I Doubt It." The activities began with an all-school excused assembly the morning of February 15, at which the main speaker was the Reverend Charles Boddie. Throughout the rest of the week, there were special seminars held, during which the leaders who had been invited to the campus for the week lead discussion with students on such topics as the Judaic faith, the Catholic mass, the Book of Mormon, the authority of the Bible, the need for Christian living in everyday life, the nature of true religion, and the need for a Campus Chapel. These same speakers were also invited into various classes and to fraternity and sorority houses and dormitories where they spoke and answered questions.

In honor of Religious Emphasis Week, a special art exhibit was displayed in the library, featuring works of special religious significance, including a Star of David, a crucifix, a mosaic, and a larger-than-life size head of Christ, all by students and faculty of the University of Wyoming art department.



The proposed chapel, a much talked about project, was one of the subjects discussed at Religion Week.

On Tuesday, February 16, the Wesley Foundation Players, in keeping with the atmosphere of the week, presented an expressionistic reading, *Cry, the Beloved Country*, by Alan Paton, directed by David Ferguson and John Wasden of the drama department.

Chairman of the Religion in Life Week Committee this year was Robert S. Fisk. The other officers were vice chairman, Dale Good; secretary, Roberta Kerr; and treasurer, Ken Joslyn.

Top row: Jay Warden, Orval Harrison, K. Louis, Solheim, Harry Moore, Roger Butcher. *Second row:* Linda Scholz, Teddy Ronish, Linda Bowman, Richard Liebseck, Donna Evans. *Third row:* Dale Good, Roberta Kerr, Bob Fisk, Mary Jones, Ken Joslyn.

Top row: Carole Osgard, Virginia Johnson, George Fowler, Allan McConnell, Dick Liebsack, Cleo Choate, Stan Cooper. *Third row:* Molly Sampson, Diane Payne, Judy Henley, Lynn Griffin, Sandra Goodman, Susie Hand, Ada Russell, Dick Winger, Paul Brockman, Larry Johnson. *Second row:* Hugh R. Harcourt, Judy Anderson, Janet Curry, Donna Davis, Marian Hamburg, Maxine Dillinger, Connie Nator, Ken Joslyn, Lance Barker, Clyde Wilson, Gorden Dudley, Robert White. *First row:* Kate Gibbs, Kayce Kunesh, Elizabeth Watt, Louise McKnight, Linda Powell, Patty Harford.

U.C.F. Furthers Religious Growth

The United Christian Fellowship (U.C.F.) is a religious organization composed of disciples, Presbyterian, Evangelical and Reform, and Congregational Church students. The organization is co-educational.

The purpose of the United Christian Fellowship is to further the growth and understanding of the christian faith and the mission of the church today in our University community.

Hugh R. Harcourt is the U.C.F. campus Pastor and is affiliated with the Disciples of Christ, United Church of Christ and Presbyterian.

Meetings were held every Sunday night at the U.C.F. center and projects included study groups, spring and fall retreats, and service projects.

The U.C.F. also held Christmas wreath sales and a Christmas caroling party. For three years the United Christian Fellowship has acted as a political group for the National UCCF merger of Student Christian organizations.

The project that the U.C.F. sponsors during the year is the Annual Work Camp at the Denver Christian center.

Officers for the 1959-60 school year included; Louise McKnight, president; Lance Barker, vice-president; Judy Smith, secretary; Judy Anderson, treasurer.

The United Christian Fellowship provides an excellent outlet for the Presbyterian's students spiritual needs.

The U.C.F. fulfills its purpose well of furthering the growth and understanding of the Christian faith.

United Christian Fellowship listens to guest at weekly meeting.

Members of Wesley Foundation meet each Sunday night at the Wesley Student Center. Here they have fellowship as well as having fun. Wesley's pride and joy is their bus which they run each Sunday morning and night to take students to Church.

Wesley Provides Religious Growth

The Wesley Foundation is a Methodist Preference group of University Students. Even though Wesley is affiliated with the First Methodist Church, membership is open to students of all faiths.

The Wesley Foundation meets Sundays in the Wesley Building and provides University students with fellowship and religious growth.

During the year Wesley sponsored clothing drives and a car wash as well as having the Regional Retreat at the first of the year and the Tri State Retreat in October. Wesley sponsored an all school play in February and was also active in intramural sports.

The 1958-59 outstanding Wesley Girl was Peggy Baillie and Herb French received this award for the most outstanding boy. Norm French was the outstanding Freshman for the year.

Officers for Wesley included: Herb French, president; Glen Shelton, vice-president, Helen Willis, secretary; Randy Schenk, treasurer.

Advisor for the group is the Reverend R. J. Wilson who is pastor of the First Methodist Church in Laramie.

Top row: Joyce Bateman, Diana Duncan, Connie Kalber, Ed Cole, Dale Good, Randall Schenk, Eldon McWilliams, Margaret Baillie. *Third row:* Ramona Hunt, Mary Fugikawa, Diane Markley, Sue Bardo, Roberta Kerr, Shirley Capp, Barbara Duncan, Carolyn Gilmer, Judy Daves, Norm French. *Second row:* Jeannene Love, Carolyn Babcock, Karen Lang, Pat Deveraux, Donna Fogelsonger, Helen Willis, Lora Brookbank, Bonnie McPhee, Shirley Huffman, Jean Wood, Rozella Brown, Carol Perkins. *First row:* Shirley Thorpe, Martha Stout, Glen Shelton, R. Jay Wilson, Mrs. R. Jay Wilson, Herb French, Jeanette Pech, Rick Pech.

Members of Gamma Delta, which is affiliated with the Zion Lutheran Church, listen to a speaker at one of their topic discussion sessions. Meetings were held Sunday at the Lutheran Student Center.

Gamma Delta Provides Students Spiritual Needs

Gamma Delta of the University Lutheran Assembly is affiliated with the Zion Lutheran Church, Missouri Synod. This is a religious, co-educational organization composed of University students who are members of the Lutheran Church.

Gamma Delta provides for the spiritual and social needs of Lutheran Students on the University of Wyoming campus.

During the year Gamma Delta held a hayride in October, a Christmas Party, a scavenger hunt in November, a tobogganing party in January and a suppressed desire party. They also held topic discussions at their meetings Sunday at the Lutheran Student Center.

Manager of the organization is Henry Mayland. Hugh Brockman was president for the year with vice-president, Luch Holgerson. Secretary was Mary Lou Brockman and treasurer was Pauline Arnold.

The Reverend Edward A. Schmide was pastor and T. Walther, B. Wheasler and C. Kercher acted as advisors for the group for the year 1959-60.

Top row: Paul Mayland, Dayton Daberkow, Howard Stenstourd, Jim McCormick, Bill Sedlacek, Hubert Brockman. *Second row:* Ron Zielske, Nancy Belus, Donna Preis, Diana Rosburg, Mary Lou Ballard, Henry Mayland. *First row:* Pauline Arnold, Mary Lou Brockman, Patra Preis, Veronica Peeks, Lucille Holerson, Joyce Jackson, Mrs. Henry Mayland.

ALPHA CHAPTER: *Top row:* S. Darwin Johnson, Terry Robinson, Melvin Smith, Chuck Scholes, Carl Jones. *Fourth row:* Dick Jones, Lael Hoopes. *Third row:* Orval Harrison, Richard Roberts, Kenneth Hladek, Don Despain. *Second row:* Karl Lessey, Floyd Young, Charles Eads, Allen Turner, Frank Black, Don Sherman. *First row:* Vance Briggs, Don Proffit, Bob Wilkes, Norman Freeman, Bob Moncur, Jim Johnson, Tom Wasden, Gaylen Hoopes.

Lambda Delta Sigma is Social Organization with Religious Ideals

Lambda Delta Sigma, a social organization on the University of Wyoming campus, is shown at one of its weekly Sunday night dinner-meetings.

Lambda Delta Sigma is the social organization on the University of Wyoming campus connected with the Church of Jesus Christ of Latter Day Saints.

The students interested in Lambda Delta Sigma must have the willingness to live up to the standards of the church and have a 3.00 grade average in college work.

The purpose of Lambda Delta Sigma is as a social organization to promote the ideals of leadership, culture, intellectuality, and fellowship.

Alpha is the men's chapter and Omega is the women's chapter. The ideals of Lambda Delta Sigma and of the Church of Jesus Christ of Latter Day Saints bind the group closely together for their common benefit.

During the year, Lambda Delta Sigma participates in Homecoming, entering a float in the parade and entering the Homecoming Sing. They also participate in the Winter Carnival held in February, entering the snow sculpture contest, snow queen contest, and events at Libby Creek.

OMEGA CHAPTER: *Top row:* Ethel Stevens, Marian Esterholt, Geraldyne Burleigh, Kay Jensen, Lola Proffit, Wilma Sessions, Dorothy Sanders, Claudia Hamilton. *Third row:* Margaret Pace, Judy Hyde, Marie Triplett, Shirley Nelson, Myrna Kunz, Pat Mangus. *Second row:* Leota Billings, DeAnn Papworth, Suzanne Porter, Sherry Goddard, Shirley Moedl, Karen Maxfield, Laurel Brasher, Mary Jones, Joye Twitchell, Karen Kockerhans, Pat Gibbs, Jennifer Hacker. *First row:* Jenera Averett, Loretta Copyak, Joan Norton, Mary Smith, Laura Henderson, Sue Bigler.

Lambda Delta Sigma holds a fall formal dance in November and a Sweetheart Ball in February. They hold a preference Ball in April and enter other campus activities during the year.

A scholarship award for the men and women students with the highest grade average during the year is presented by Lambda Delta Sigma.

Officers for the year of Alpha: Darwin Johnson, president; Don Profitt, vice-president; Orville Harrison, secretary; Bob Moncur, treasurer.

Officers for the year of Omega: Joan Norton, president; Laura Henderson, vice-president; Mary Smith, secretary; Sue Bigler, treasurer.

George Horton, director of the Lambda Delta Sigma Institute, was the advisor for the group.

The Alpha Chapter for the Lambda Delta Sigma social organization is shown holding one of its weekly Thursday night meetings, in which elections of officers is taking place. Darvin Johnson is shown presiding at the meeting.

Council Working for Campus Chapel

The Interfraternity Chaplains' Council is made up of the Chaplains from each fraternity and sorority on campus. There are also two representatives from Lambda Delta Sigma with one vote.

Members must be chaplains of their respective fraternity or sorority to be members.

At the present time the Interfraternity Chaplains' Council is working for a small non-denominational Chapel on campus. This Chapel is to be located between the Union building and the Half-acre gymnasium. In the summer of 1959, University students all over the state held money raising projects for the chapel, including banquets, radio and television programs and asking for contributions from alumni.

The Chapel is undoubtedly a worthwhile project to create interests among the students. The Interfraternity Chaplains Council sponsored activities all year to raise money for the chapel. The council sponsored the first all-school dance of the year and the proceeds went to WUS.

The Interfraternity Chaplains' Council presented their award for Outstanding Chaplain last year to Jane Lacy. This year they will present an award for the fraternity or sorority having the most religious improvement.

Officers for the Interfraternity Chaplains' Council for the school year of 1959-60, included: Russ Donley, president; Dal Saxon, vice-president; Karen Kocherhans, secretary; Ken Platte, treasurer; and Joe Williams, publicity chairman.

The Chapel fund drive has stimulated vigorous conversation among the various students.

Dr. Gordon Robertstad, of the Agricultural college, and Dick Brown of the University of Wyoming Alumni Office, served as advisors for the group.

Meetings of the Interfraternity Chaplains Council were held in the Student Senate room every other Thursday evening.

Top row: Gorden Robertstad, Bert Thompson, Howard Kestie, Dave Henry, Terrel Robinson, Bob Fisk, Ken Platt. *First row:* Russ Donley, Joan Banks, Sandy Johnson, Jean Taggart, Karen Kocherhans, Margaret Zell.

The Roger Williams Club, composed of the Baptist Students, is shown here busily planning another one of their many activities.

Roger Williams Club is Fun for Baptists

Most University students have become accustomed to attending church youth groups while at home, and feel the need for a similar organization at school.

The Roger Williams Club has been formed for the purpose of bringing Baptist students together for fun, fellowship, and worship.

The aims of the organization are to promote love of Christ plus high moral standards on the campus of the University of Wyoming.

During the past year, the officers for Roger Williams Club were Melvin Gable, president; Dave Hamlin, vice president; Louis Ball, secretary; and Russ Lewis, treasurer, Jay Warden was Student Director, and Mr. and Mrs. Loren Good were House Directors.

During the year, the club members supported the PSC and Religious Emphasis Week, which is held in February. During this week, outside speakers are brought onto the campus to speak in classes and conduct seminars on religious matters.

Roger Williams Club, along with almost all the other student religions organizations on campus, actively supports the Chapel Drive. This is a project to raise funds to build a non-denominational, all-student chapel to be located between the student union and the Half Acre Gymnasium. This chapel, according to present plans, will be open to accommodate prayer groups, study groups, and even small weddings.

Activities included a float for Homecoming in October, snow sculpture for the Snow Carnival in February, and for the first time this year, a living nativity scene at Christmas. This unusual Christmas project won the first prize for Christmas tableau awarded by Laramie Merchants.

Sports activities were competition in intramural basketball, volley ball, and ping pong tournaments.

Top row: Frank Emerson, Dick Sullivan, Roger Butcher, Larry Armstrong, Melvin Gabel, Loren Good, Dave Hamlin. *Second row:* Jay Warden, Louise Ball, Rhonda Freeburg, Teddy Ronish, Ken Platt, Pat Gealy, Nita Bowman, Marilyn Buckles. *First row:* Grace Turner, Mina Liden, Nancy Miller, Gwen Davis, Anna Jacobson, Carol Nelson, Bonnie Armstrong, Marjorie Good.

Service and Governing

MORTAR BOARD

To a few senior women, outstanding in the fields of service, scholarship, and leadership on the University of Wyoming campus, goes the honor of being members of Mortar Board. These women are chosen by members of the preceding year's Mortar Board on the basis of their contributions to the good of the school in the past year's. They are told of their selection as Torchlight Laurels and in a solemn ceremony receive mortar boards, which they wear to classes the next day. From that day forward, the women who wear the black jumpers with the gold mortar board emblem and the gold blouses are known across the campus as the leaders in service, scholarship, and leadership.

In March, the Mortar Board members hold a Recognition Tea for outstanding women students. In May they hold a Senior Women's breakfast, and with the members of the sophomore and junior women's honoraries, Torchlight Laurels. Torchlight Laurels is the traditional ceremony held in the spring to honor the women students who have made outstanding achievements during the year in scholarship, leadership and service. Here, the freshmen girls are tapped for Spurs, the sophomore girls are chosen for Chimes, and the junior girls, the few who are really deserving of it, are told of their selection for the ultimate honorary, Mortar Board. At Torchlight Laurels, May, 1958, the first presentation of the Nellie Tayloe Ross Award, for the outstanding senior woman was made. Last year it was received by Joan Anderson, president of the Associated Women Students and a member of Mortar Board.

Mortar Board members Sandy Faus, Nelda Vines, Karin Erickson, and Carolyn Kelly enjoy an evening chat at Dean Galliver's house.

In addition to promoting the standards which they hold so high—service, scholarship, and leadership—members of Mortar Board are interested in sponsoring sometime in the future a Leadership Through Scholarship Banquet or Workshop.

President of Mortar Board, which meets twice monthly on Thursday evening in the home of its advisor, the Dean of Women, Miss Galliver, was Mary Lou Foreman. The other officers were Kay Kepler, vice-president; Charlotte Hearne, secretary; Sandy Faus, editor; Korine Sandman, treasurer; and Carolyn Kelley Sorenson, editor.

Sandra Faus, Karin Erickson, Kay Kepler, Patty McDonald, Nelda Vines, Charotte Hearne, Mary Lou Foreman, Carolyn Sorenson.

Top row: George Hamm, Don Sailors, Donald Lamb, James Watt, Orland Ward. *First row:* John G. Hanes, E. R. Kuchel, Dean A. L. Keeney, Donald Glass, John C. Shaffer, Lee Belden.

Omicron Delta Kappa Leadership Honorary

Omicron Delta Kappa is a junior and senior men's leadership honorary

Members are chosen on the gradė points which are earned during their first two years of college work. The purpose of ODK is to establish good will on campus.

At ODK leadership camp, which is held just before the beginning of school in the fall, student and faculty leaders meet to discuss school problems and pass resolutions for the coming year.

Each year, ODK members select the outstanding instructor at the University. This year the honor was given to Mr. Mulloy of the anthropology department, who was very prominent in the recent expedition to Easter Island, which is the subject of the book, AKU AKU.

Jim Watt was the president of ODK this year. The vice-president was Jim Cole and the secretary-treasurer was Matt Carey. Advisor was Dean of Men, Mr. Keeney.

James Watt, president of Omicron Delta Kappa sits at the head of the conference table. The purpose of the leadership honorary is to promote campus leadership and discuss school problems. The group was led to a successful year.

Top row: Molly Sampson, Joye Brown, Donna Bishop, Diane Elmer, Jody Freidicks, Sue Bardo, Shirley Nicholls, Kate Gibbs, Kay Klingaman, Mary Lou Brockmann, Maren Erickson, Laura Henderson, Jeretta Flint, Penny Myers, Judy Anderson, Mary Gould, Peggy Paulson. *Second row:* Joan Layman, Ruthanne Warfield, Sue Ann Morgan, Ardis Picard, Judy Flett, Marty Henrie, Donna Fogelsonger, Nori Mees, Carol Bowman. *First row:* Kari Kay Keating, Janie Seltenrich, Karen Jackson, Kathleen Logan, Jo Ann Legoski, Mary Jones, Mary Fujikawa, Shirley Thorpe, Susan Rosene, Evelyn Downie.

Active Spurs Stress Leadership and Service

Spurs is a Sophomore Women's honorary. Freshman women are chosen at "Torchlight Laurels" in the spring for this honor.

Members are selected from freshman girls having a 2.55 grade average for the first semester. Members are selected on the basis of interest, leadership, active participation in campus activities, and good standing in these college activities.

The purpose of Spurs is to be of service to the administration, faculty, staff and organizations at the University of Wyoming. Spurs are also of service to the Community and they support all activities in which the student body participates.

This fall the Wyoming Spurs won the National award for correspondence at the regional convention. Activities for the year included helping during freshman orientation and ushering at assemblies and other campus events.

The Spurs provided an enthusiastic pep group at the football and basketball games. Their singing valentines was another project well done. This year Spurs was the organization which provided service at all time for the University and the community.

Each month Spurs choose a "Spursonality" of the month. This is a girl that has shown outstanding activity for Spurs during that month.

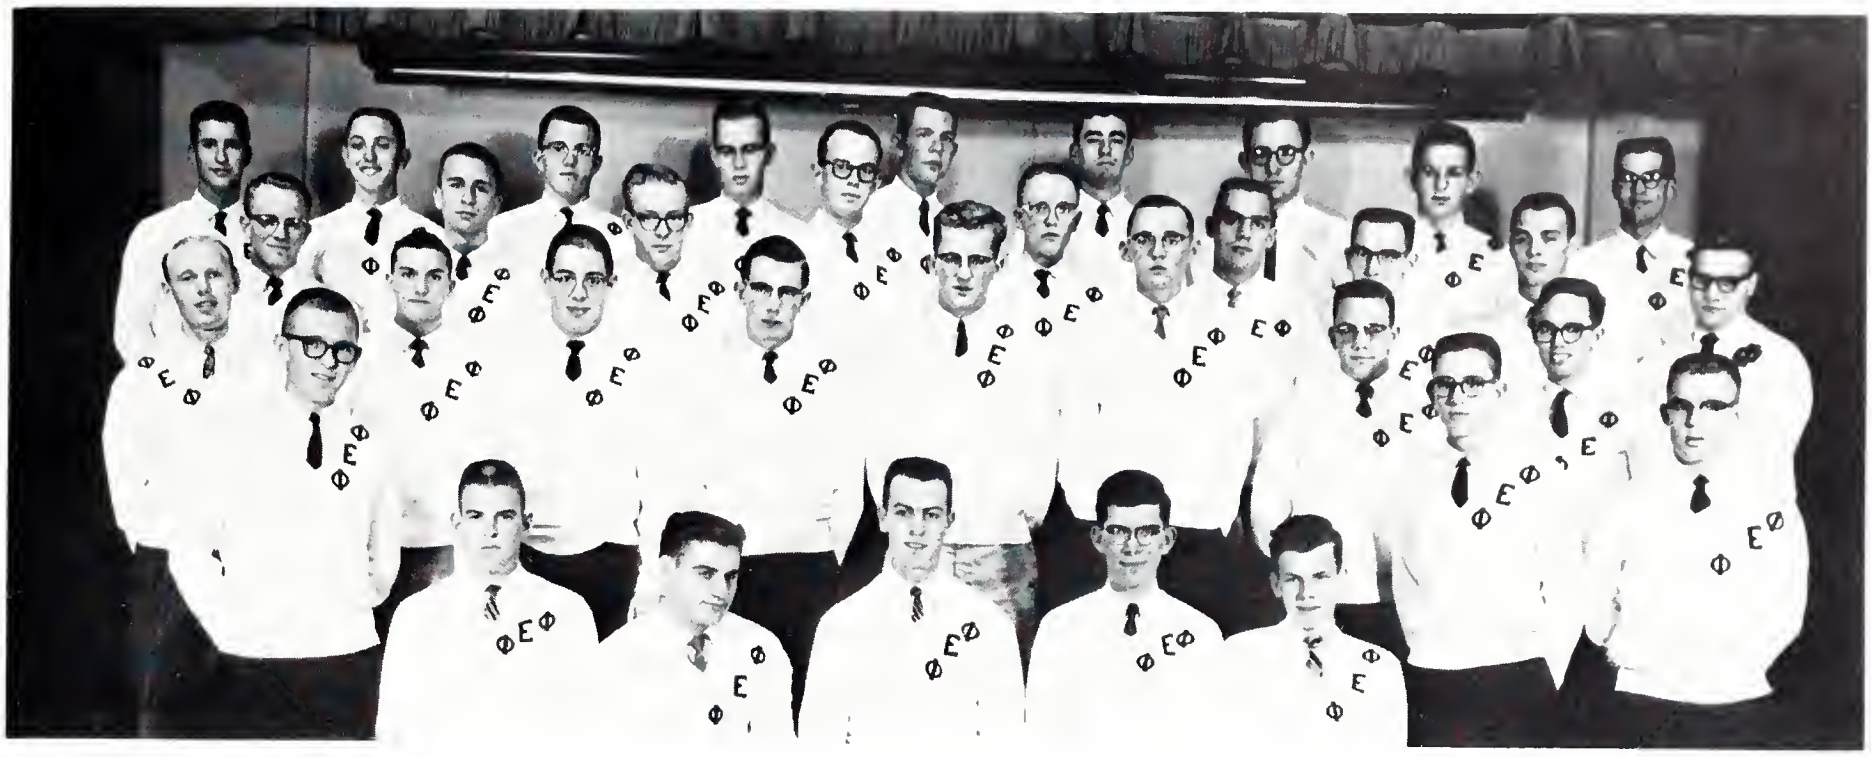
During the year the Spurs sponsored a fashion show that was well attended and received. The singing hashers was another activity.

Officers for the year included: Mary Eloise Jones, President; Mary Fujikawa, Vice-President; Kathleen Logan, Secretary; Shirley Thorpe, Treasurer; Susan Rosene, Historian; Jo Ann Legoski, Editor; Evelyn Downie, Song Leader; Karen Jackson, AWS representative, Barbara O'Connor, junior advisor.

During the year, Spurs met every Tuesday in the Union Conference room.

"S for Service, P for Pep, U for Unity, and R for Rep." This is the S purs slogan. The Spurs have served the University and community well.

The executive committee of Spurs, sophomore woman's honorary, discuss the selection of new members for the new year.



Top row: Frank Eathorne, Gary D'Spain, Allyn Wells, Mickey Trego, Ray Olson, Jack Speight, Art Greeno, Gordon Niswender, Roger Stuber. *Third row:* Richard Clark, Robert Kayser, Jim Baker, Jerry Proffit, Tom Neal, Jim Payne, Lyle Anderson, Berry Burnette, Jerry Daniels. *Second row:* Hal Krause, Tom Ogg, Gary Fechtmeyer, Jay Dee Schaefer, Mack Harding, Jay Holland, Norm French, Dick Titus. *First row:* Jerry Kitchen, George Fowler, Frank Farnham, Brent Eastman, Joe Williams, John Gries, Dave Bonner, Dave Ferren.

Phi Ep Sophomores Create School Spirit

Phi Epsilon Phi is a sophomore men's honorary. Men with a 2.5 grade average and outstanding leadership ability are chosen at the end of their freshman year for membership.

Phi Epsilon Phi's objective is to create and support school spirit.

During Freshman Orientation, Phi Epsilon Phi helped with registration, orientation assemblies and helped direct the freshmen through the many lines of registration.

The long-standing tradition of the painting of the "W" is under the direction of Phi Epsilon Phi. The painting takes place each year during registration week and is done by the new freshman students.

Phi Epsilon Phi also operates the card section at the home football games. The card section performs at the half-time and is a colorful part of a football game's ceremonies.

In the spring, Phi Epsilon Phi sponsors the sweater dance. A queen and two attendants are chosen by student body vote to reign over the dance.

Officers for the year included: Brent Eastman, president, Dave Bonner, vice-president; George Fowler, secretary; Frank Eathorne, treasurer. Meetings were held the first and third Tuesday of every month.

Brent Eastman, Phi Ep President, presides over the group in important business at one of their weekly meetings.

Phi Epsilon Phi members and SPURS work together making posters for the annual Phi Epsilon Phi Sweater Dance.

Roberta Kerr, active member, entertains three prospective members at the annual Spring Chimes' tea.

Chimes Assist Women

Chimes is a Junior women's honorary that assists in the orientation of freshman women students.

Qualifications for membership include: good scholarship, interest, leadership, active campus participation, and good standing in college activities.

Chimes live in the dormitories at the first of the school year. Their main function is to counsel women students and to be of service to the University of Wyoming. During the year Chimes hold bi-weekly programs to orient the freshmen first semester. Chimes are "big sisters" to new freshman women and write letters to them during the summer before school.

Officers for the year included: Barbara O'Connor, President; Lynn Harnsberger, Vice-President; Roberta Kerr, Secretary; Pat Viele, Treasurer; Bev Johnson, Historian; and Kay Clatterbuck, Publicity.

Top row: Judy Burgess, Pat Deveraux, Caroline Macy, Karen Lembcke, Beth Dinneen, Jean Taggart. *Second row:* Cindy Myers, Jane Metzler, Nancy Bower, Mary Talovich, Margaret Zell, Louise McKnight. *First row:* Bev Johnson, Roberta Kerr, Barb O'Connor, Kay Clatterbuck, Lynn Harnsburger, Shirley Patch.

Top row: Elwin Eastman, Brad Laughlin, Stuart Hurdle, Terry Iversen, Roberta Kerr, Randy Schenk, Chuck Clare. *Second row:* Uwe Dahl, Lynn Harnsberger, Nancy Bower, Katy Kugland, Kay Clatterbuck, Pat Deveraux, Mark Read. *First row:* Sandi Nauman, Russ Donley, Jane Metzler, Mike Sullivan, Barbara O'Conner, Judy Burgess.

Iron Skull Coed Junior Honorary

Iron Skull is a junior honorary at the University of Wyoming composed of men and women students who are above average in leadership ability, personality, and scholastic ability. To be a member of Iron Skull, a junior must also have a 2.5 grade average.

The main activity of the year for Iron Skull is to sponsor the Homecoming Sing in the fall and the Iron Skull Skid, a dance that follows the Homecoming Sing.

In the spring, Iron Skull has a banquet which initiates new members.

Officers for Iron Skull for the year 1959-60 included: Mike Sullivan, president; Russ Donley, vice-president; Jane Metzler, secretary; John Maxfield, treasurer. Advisor for the group was Nan Curtis Beck, a former Iron Skull member.

Top row: Fran Miknis, Russ Fawcett, Jerry Bush, Jack Gilbert. *Third row:* Colin Kaltenback, George Martin, Ken Hladek, Stan Christensen. *Second row:* John Wasserburger, Marty Hamilton, Don Livingston, Carole Wendt, Larry Emmons, Rex Colling. *First row:* Pat Veile, Sandy McAuliffe, Shirley Nelson, Karen Lembcke.

Top row. Karen Jackson, Lynn Harnsberger, Kay Clatterbuck, Judy Scott, Bette Darlington, Kathleen Logan. *Second row:* Kay Kepler, Nancy Lane, Bev Johnson, Nancy Bower, Dorothy Williams, Shirley Nicholls, Thersa Mortenson. *First row:* Korine Sandman, Nan Curtis, Mary Fujikawa, Janice Elmer, Diane Markley, Barb O'Connor, Bernadene Schunk, Advisor; Carolyn Wright. Absent: Judy Smith and Margaret Young.

AWS Governs Women Students

Any woman student enrolled in the University of Wyoming is automatically a member of the Associated Women students. This organization has been active since 1920, when it was known as the Women's League.

The purpose of the Associated Women Students is to assure responsibility for the conduct of the women students in their University life and to encourage development into capable and gracious young women.

The A.W.S. Board is the governing body of AWS and is composed of representatives from the various houses and dormitories, Spurs, Chimes, WAA, Mortar Board, and the PanHellenic Council. In addition to these, two freshman representatives, one from Hoyt Hall and one from Knight Hall, are elected each fall.

The Dean of Women of the University of Wyoming, Luella Galliver, serves as an ex-officio member and two faculty women members serve as advisors. They are nominated by the AWS Board and approved by the faculty each year.

The 1959-60 Associated Women Students Board officers are: Janice Elmer, President; Nan Curtis, Presidential Delegate-at-Large; Barbara O'Connor, Vice-President; Diane Markley, Secretary; and Mary Fujikawa, Treasurer.

The AWS Board and its branches in the houses and dormitories have an opportunity to regulate matters of conduct and enact necessary rules for University coeds, and participate in the government of the University.

"Outstanding Student of the Month," is chosen by the AWS Board throughout the year. This award is a recogniton of work of campus service during the previous month.

Panhellenic is Greek Organization

Greek organizations play a very important role in campus life, and the organizations themselves realize this fact. For this reason, they have organized among themselves for the purpose of coordinating their activities and serving the campus significantly.

From each sorority on campus two members are elected to serve on the Panhellenic Council. This council, which meets every Tuesday night in the conference room of the Union, is the coordinating group which works to promote good relationships between sororities. It is the Panhellenic Council which regulates social activities and rush procedures for all the sororities in an effort to establish practices fair to all concerned.

In the spring, the Panhellenic Council holds a workshop at which members of the council plan Rush Week for the following fall.

Rush Week, which is held the first week of school in September, is a result of the hard work of the council. It is the members of the council who welcome frightened freshmen to college life, explain rushing practices to the rushees, answer any questions that might be bothering the rushees about such things as sorority life or the finances of sorority living, introduce new students to campus traditions, tell the rushees things they need to know such as the names of the sororities, and guide the girls in their first visits to the houses on the row.

Cooperation between the Panhellenic Council, the local alumnae organization, and the sororities helps to make Rush Week an experience which all the rushees remember happily always as a time when they made many friends and learned about campus traditions, and often as the time when they made ties that will bind them to a sorority for life.

President of the Panhellenic Council this year was Karin Erickson, Delta Delta Delta. The others officers were Secretary, Marilyn Magee, Kappa Delta; Treasurer, Kathy Greenwald, Kappa Delta; and AWS representative, Judy Smith, Kappa Kappa Gamma. Advisor was Mrs. Don Glass.

Top row: Marilyn Magee, KD; Audrey Leichtweis, DDD; Bev Johnson, Chi O; Sanda Mayer, AXO, Ann Johnson, Pi Phi; Joanie Hill, Chi O. *First row:* Rosalie Apodaco, Pi Phi; Karin Erickson, DDD; Sharon Millward, KKG; Sandra Cone, AXO, Kathy Greenwald, KD. Judy Smith, KKG not present for picture.

Top row: Bill Thompson, Warren Pearson, Douglas Pinegar. *Third Row:* Joe Drew, Ron Gardner, Mike Sullivan, Elwin Eastman. *Second row:* Alvin Kilmer, Ron White, John Gries, Steve Hall, Calin Kaltenbach. *First row:* Lee Beldon, Cal Chastain, Bob Grieve, Ray Christensen, Garth Foster, Dave Ferren.

IFC Governs Fraternities

The Interfraternity Council is the governing body for the eleven fraternities on the University of Wyoming campus. Three men from each fraternity compose the membership of the council, including, the president, scholarship chairman, and elected representative from each fraternity.

The Interfraternity Council has a triple purpose. One purpose is to further the interest of the University and all fraternities on the campus. Another, is to foster closer cooperation and better understanding between fraternities. The third purpose of the IFC is to consider all questions of interfraternity relationship and questions of interest to the college world as they affect fraternities and their members.

The Interfraternity Council controls rush week at the first of each school year. To insure the adhering to all rushing rules, the council members attend smokers and other functions. This year there was an IFC sponsored assembly for the purpose of informing rushees about the Greek system and to answer all their questions. After a week of house visiting by the rushees, another IFC assembly concluded rush week.

Throughout the year the Interfraterity Council assists the registrar of the University of Wyoming in keeping his fraternity files up to date.

The council in recent years has taken upon itself the task of performing worth-while projects for the University and the town to promote better relations with the administration, townspeople and all the students. This has been accomplished through participation in many school activities, money drives, clean-up campaigns and all-school dances.

One of the highlights of the Interfraternity Council's successful year was the IFC dance in February. This dance is an annual affair at which time the University of Wyoming's "Ugly Man" is chosen.

The Interfraternity Council, the governing body for the eleven fraternities, on the University of Wyoming Campus, attends one of its bi-monthly meetings. The council controls rush week and sponsors the annual "Ugly Man Dance" in March.

Fraternities put up and back their own candidate and a vote is taken at the dance to see who is the ugliest of them all. In recent years the contest has turned into a beard growing contest and a real effort to see who can be the ugliest.

This year music for the dance was provided by the Music Men of Denver.

Max Rardin was master of ceremonies and announced the winners of the "Ugly Man" contest. This year's Ugly Man was Brent Foster, ATO. Runners-up were: Art Greno, SAE; Dan Blackner, SX; John Borders, Acacia; Roy DeFelici, Phi Delta Theta.

Officers for the Interfraternity Council for the year 1959-60 included: Lee Belden, president; Don Thoren, vice-president; Bob Grieves, secretary-treasurer. Dean A. L. Keeney, Dean of Men, was advisor for the group.

The interfraternity Council is shown here at one of their Tuesday night meetings. Three men from each fraternity compose the membership of the council. The council is quite active in school activities, money drives, clean-up campaigns and all-school dances.

Senate Governs Successful Year

Although beset with many problems as every student government organization faces, the 1959-60 Associated Students of the University of Wyoming governing organization was led to a successful year by student body President, Pay Smyth.

The ASUW Senate was operating under a new constitution this year. The student body voted in favor of the new constitution in November, and the new constitution was put into effect in January, 1960, after it had been approved by the Board of Trustees.

The Student Senate is the policy-making body of the students of the University of Wyoming. The Senate's direct concern is for the student body. The Senate derives its powers from its own constitution and by-laws. Duties are conferred upon the Senate by the Board of Trustees.

Composed of twenty-five senators from the various colleges of the University, the student senate mainly functions through some twenty-seven committees.

The Senate met every Wednesday night in the Senate Room of the Wyoming Union.

Election of senators is held in the spring of the year. The ASUW president serves as the executive head of the Senate while the ASUW vice-president presides over the Senate. The Senate-appointed business manager is in charge of student finances.

The Senate is composed of twenty-five students elected from the various colleges on campus to govern ASUW.

The Judicial Board of the ASUW Constitution is composed of five student judges and four faculty advisors. Judges are appointed after the new Student Body President has been elected in the spring.

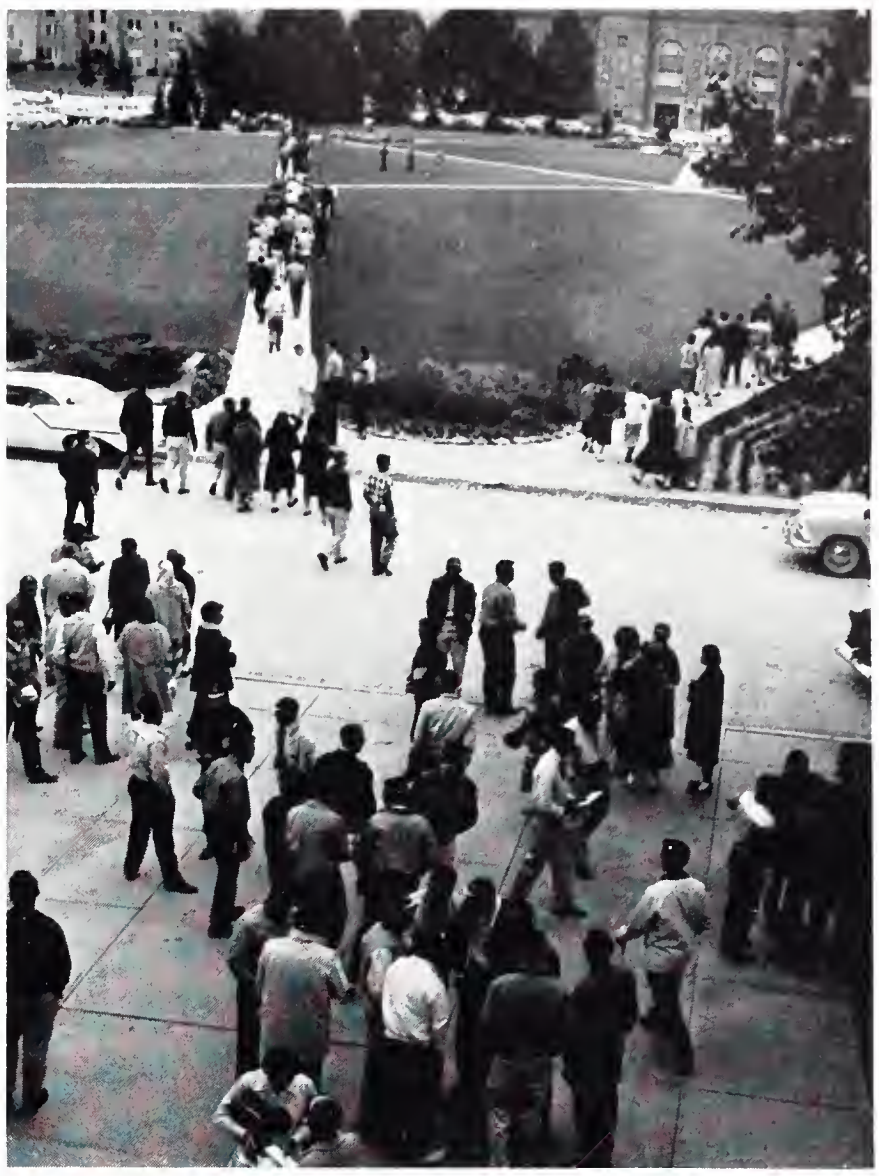
Student senators for 1959-60 were beset with many problems of student government but met each crisis well.

The Judicial Board is mainly an appellate court. Any student or any campus organization of the University of Wyoming may appeal to the Judicial Board any decision handed down by the Associated Women students, the Interfraternity Council, the Panhellenic Council, dormitory councils, the Student Senate or any other similar organization, or deans or directors of the University.

This year for the first time the Student Senate sponsored an Integrating Open House in March. High school student councils from all over the state were invited to view the workings and proceedings of the University of Wyoming Student Senate and also to look over the University.

Also for the first time this year, a Leadership Conference was held in February for all interested students. Governor Hickey was a guest speaker. An athletic panel was held at this conference, discussing scholarships and recruiting. The entire University budget was submitted.

This year's Student Senate officers included: Pat Smyth, Student Body President; and Pat McDonald, vice-president. Senators were: Agriculture — Dennis Daly, Colin Kaltenback; Arts and Sciences—Karen Kahleen, Kay Kepler, Mary Phyl Bever, Audrey Leichtweis, Max Rardin, Don Thoren; Commerce and Industry—Chuck Brown, Bill Dale, Larry Shawver; Education—Rosalie Apodaco, Christine Erickson, Jerry Lane, Jane Metzler, Judy Smith; Engineering—Gary Brown, Russ Donley, Lynn Evans, Mike Sullivan; Home Economics—Joye Brown; Nursing—Marilyn McPhee; Law—John Hanes; Pharmacy—John Hickman. Senator at large was Tom Dawson.



These are the Associated Students. These people give the Senate their power. These are the people that can take it away.

Commerce Senators Larry Shawver and Agriculture Senator Colin Kaltenbach head the Senate's election board. As Board heads, they receive the ballots on the Constitutional revision.

Top row: Ray Chadwick, K. L. Solheim, Mike Rodda, Jim Fenton, Jim Cheesebro, Chris Catsimanes, William Holiday. *Second row:* John Murphy, Garth Foster, Mark Read, Joe Thomas, John Johnson, Henry Wilson. *First row:* A. K. Beach, G. L. Neal, William Dodson, Rodney Girmus, Richard Stanfield, James Spencer, E. M. Lonsdale.

Engineering Groups National Societies

The national engineering societies represented in the College of Engineering at the University of Wyoming, are student chapters in the American Society of Civil Engineers, the American Institute of Architects, Mining, Metallurgical and Petroleum Engineers, the American Institute of Electrical Engineers, the American Society of Mechanical Engineers, Institute of Aeronautical Sciences, and the Institute of Radio Engineers.

These various bodies hold meetings at which the members are addressed by some practicing engineer, instructor, or student, on matters of particular interest to the group. The chapters also sponsor educational films.

Electrical Students Promote High Goals

At the University of Wyoming Engineering College, the American Institute of Electrical Engineers and the Institute of Radio Engineers are combined.

The membership is composed of Electrical Engineering Students enrolled in this phase of engineering. The organization's object is to promote professional goals among the students of Electrical Engineering.

Field trips are held throughout the year and the local branch paper contest is held in the spring.

Outstanding membership awards and paper contest prizes are presented in the spring to deserving members.

Officers for the year for the American Institute of Electrical engineers included: William H. Dodson, chairman; Richard F. Stanfield, vice-chairman; Rodney Grimus, treasurer; AIEE secretary, James Spencer; and Institute of Radio Engineers secretary, Gordon Neal.

The American Institute of Electrical Engineers counselor was R. K. Beach. The Institute of Radio Engineers Counselor was E. M. Lonsdale. Both of these men are professors in the Electrical Engineering department.

Top row: Gary Pierce, Robert Copyak, John Raimes, Darrel Fritts, Jim Felt, K. E. Bramall, Merlyn Pugh. *Second row:* Virgil Ellerbruch, Don Stumpf, Donald Glass, Robert Floth, David Brown, Robert Matthews, Donald Jacobs, Leslie Becker. *First row:* Larry Yonts, Glenn Walker, Nick Kalokathis, Ron Helms, Gerald Hergert, Cliff Moore, Ed Hudson, Jerry DeForest, V. O. Long.

Petroleum engineers gain new knowledge of their field as Michael Reitz presents demonstration at a regular meeting of the society.

Engineers Seek New Knowledge

The Society of Petroleum Engineers of the American Institute of Mining, Metallurgical, and Petroleum Engineers is an Engineering fraternity composed of students in Engineering or Geology.

The Petroleum Engineers seek to promote among its members a self-sought increasing knowledge in Petroleum industries and to install a professional pride in the life work they have chosen.

In November, the Petroleum Engineers took a field trip to the Ohio Research Center at Littleton, Colorado. Other trips were also taken to visit Wyoming oil fields.

Miss Lynn Evans, Engineers' Queen for 1959-60, was sponsored by the Petroleum Engineers. They have sponsored two out of the last three Engineers' queens.

Officers for the year included: Michael Reitz, president; John Stewart, vice-president; Harley McKinney, secretary; and Jim McCormick, treasurer.

R. A. Morgan, Head of the General Engineering Department, was advisor for the group.

Top row: Jerry Dixon, John Knapp, Jim McCormick, Michael Reitz, Gerald Daniels, John Stewart, Larry McDaniel. *First row:* Bill Duncan, Harley McKinney, Bob Evans, Bill Wyatt, Dean Lesh, Jack Christopher, Lynn Schmer.

Top row: Wayne Landen, Don Gray, Frank Zuech, Rudy Profaizer. *Second row:* Clarence A. Borell, Hubert Brockman, Lael Hoopes, Harry Patterson, Jerry Townsend. *First row:* Fred Cady, Bruce Dodge, Jon Van Cleave, R. L. Sutherland, Robert O'Farrell, Robert N. Ferguson, Ralph Bradford, Ralph Hicks.

ASME Improves Set Standards

The American Society of Mechanical Engineers at the University of Wyoming is composed of students enrolled in Mechanical Engineering.

The object of ASME is to improve the professional standards in the field of Mechanical Engineering and to further interest of the members.

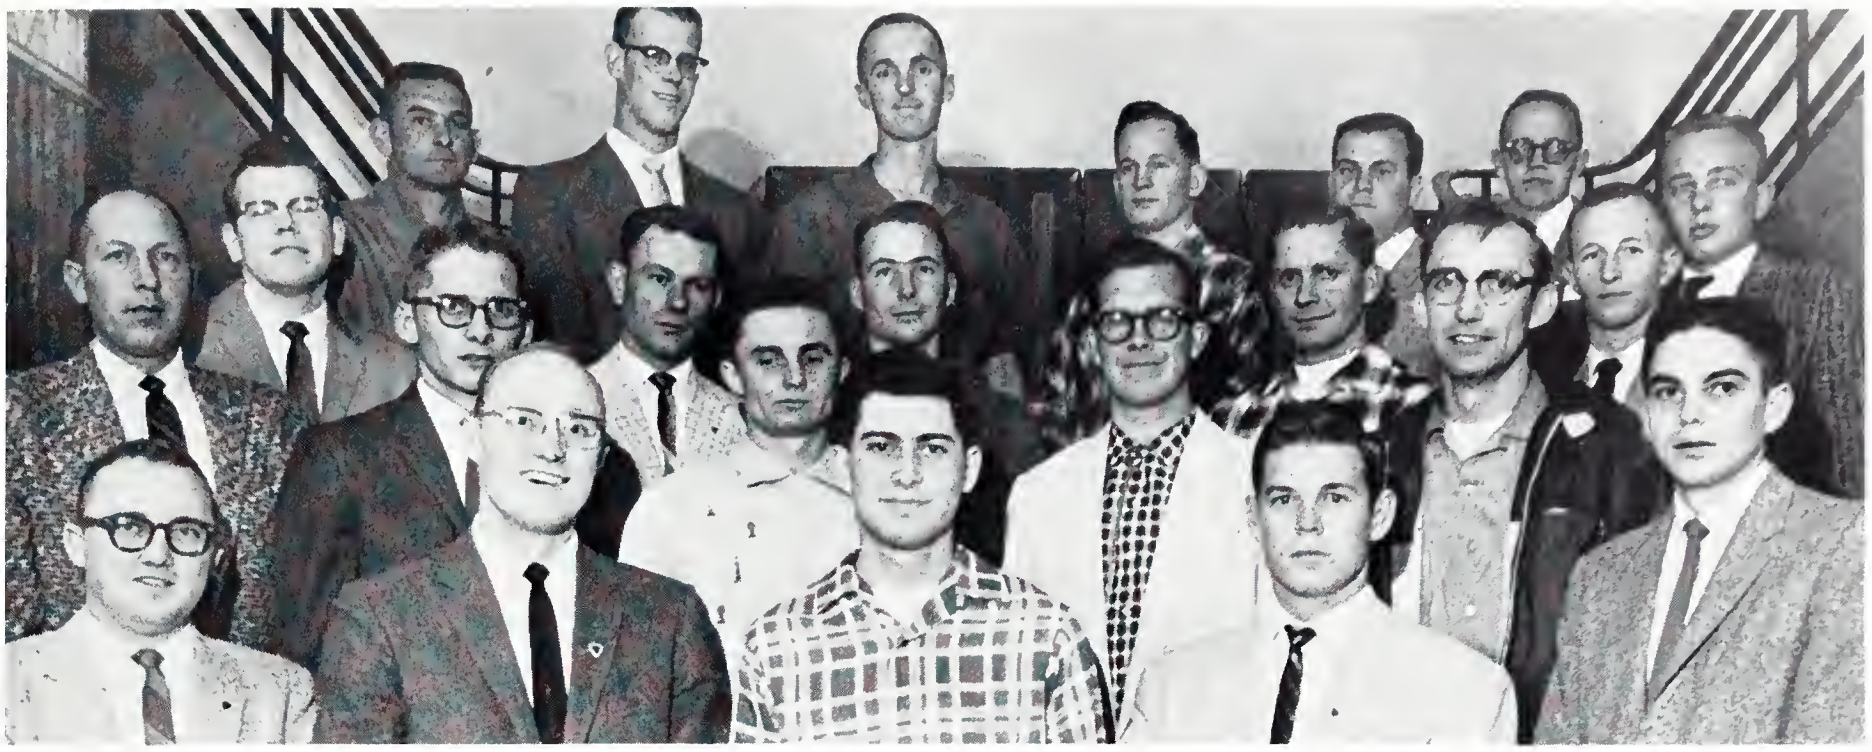
During the year, field trips to major industrial areas were taken by the mechanical engineers. Guest speakers spoke each month at meetings about Engineering and other allied fields.

An outstanding achievement of the Wyoming Mechanical Engineers is that last year they won eight awards in the Lincoln Arc Welding contest for original designs. This was in competition with all the Engineering colleges in the United States. The Wyoming chapter tied for first place with Minnesota.

Mechanical Engineering officers for the year included: Robert J. O'Farrell, chairman; Ralph Hicks, vice-chairman; Ralph Bradford, treasurer; Bob Furgeson, Secretary.

Mr. Robert Sutherland, professor in the Mechanical Engineering Department, was advisor for the year of ASME.

Top row: Donald Johnson, Darrell Offe, Ron Sandberg, Don Sailors, Robert M. Brown, Glen Shelton, Harry Porter. *Second row:* Jim Zane, Jerry Parrill, Jim Leman, Max Kershisnik, Billy Howell, Jerry Trover, Gary Siebold, Richard Walters. *First row:* Gary Myers, Bill Angle, Stuart Veitch, Ray Vos, Rod Winterbottom, Keith Campman, LaVerne Lyke, Ronald Brown.



Top row: Bob Royce, John Moore, Jacob McJunkin, Jim Danakowski, Tom Hopkins, Jim Vandel. *Third row:* Sid Dallas, Jim Strube, Jim McJunkin, Kenneth Moore. *Second row:* Don Lamb, Advisor, Bob Geitz, Ron Lynch, Chris Stites, Den Hahn. *First row:* Tom Ritzgerald, George Taylor, Fred Fedrezzi, Jay Abbott, John Robb.

Civil Engineers Work Outstanding

The American Society of Civil Engineers is made up of Civil Engineering students enrolled in civil engineering.

The purpose of this organization is to provide additional information not received in classes and to promote a professional attitude and interest in Engineering.

The paper contest in April proved to be very rewarding. In May the group went on a field trip to Denver during which many new and interesting things in the group of engineering were learned by the group. The successful year for the civil engineers was climaxed by their annual banquet in May.

Officers for the year 1959-60 included: Jay F. Abbott, president; George Taylor, vice-president; Tom Fitzgerald, treasurer; Fred Fedrizzi, secretary.

Advisor for the group was Donald R. Lamb, Assistant professor in Civil Engineering.

The profession of Civil Engineering, is the oldest of the five major branches of engineering practice. It embraces the functions of analysis, design construction of buildings, bridges, dams, transportation facilities, municipal developments and public works in general.

An annual event attended by all engineering groups is the Engineer's Smoker. Here the Engineer's Queen candidates are presented, with speeches and entertainment.

Top row: Bill Dodson, Garth Foster, John Moore, Gary Brown, Ralph Hicks. *Second row:* John Knapp, Jim Zans, Lynn Schmer, Russ Donley, Lynn Evans, Mike Sullivan, Richard Ries. *First row:* John Robb, treasurer; Ray Vos, president; Robert O'Farrel, secretary; Anton Munari, faculty advisor.

Engineering Council Governs Engineers

The Engineering Council is the governing body of all the engineering societies and engineering students on the University of Wyoming Campus. Members of the council are appointed by the different engineering societies. An engineering student is automatically a member of the council if he is elected to Student Senate.

The Engineering Council is the governing body for the Associated Engineering students and it coordinates all activities representative of the engineering students.

The Engineering Council has a very active year. In the fall at Homecoming they sponsor the Homecoming Queen and Attendants tour. This tour is the week before Homecoming. Members of the council and chaperones escort the Queen and her attendant on a tour around the state. This years tour visited such cities as Cheyenne, Casper, Powell, Cody and other major cities around the state.

The Engineers' Smoker for the Engineers' queen candidates was held in November. Entertainment was provided and each candidate was introduced.

The big event of the year of the Engineering Council was the Engineers' Ball December 5. This was one of the big dances of the year. Stan Kenton and his orchestra provided the music for over a thousand students.

Officers for the Engineering council for the year 1959-60 included: Ray Vos, president; Robert O'Farrell, secretary; John Robb, treasurer.

Mr. Anton Munari, assistant professor of civil engineering was advisor for the American Society of Civil Engineers this year.

Johnny Johnson and Keith Campman, newly elected officers of the Joint Engineering Council, conduct their first activity meeting.

Top row: Lee Larson, Glen Shelton, Don Sailors, Ralph Bradford, Nick Kalokathis, John Robb, William Dodson, Floyd Evans. *Third row:* Rod Winterbottom, Jim Leman, Lynn Schmer, Del Sessions, Garth Foster, Donald G. Roberts, Jim Miller, Harry Richardson, Glenn Walker. *Second row:* Gary Brown, Bruce Dodge, John Van Cleave, Roger Kloarich, Clarence A. Porell, Charles A. Clift, Jim Chesebro, James Spencer, R. K. Beach, Gordon Neal, K. E. Boramall. *First row:* Gerald Daniels, Robert Mathews, Rodney Grimus, Don Alexander, Richard Dumrud, V. O. Long.

Sigma Tau Advances Engineering Interest

Sigma Tau is an Engineering honorary composed of men and women engineering students. To qualify for membership in Sigma Tau, a student must be in the upper one-third of his college or in the upper one-third of the particular department in the engineering college. The student must also have principles of sociability, practicality, and scholarship.

Sigma Tau's purposes are to advance the best interest of an engineering education, and to recognize outstanding engineering students. Sigma Tau maintains a close relationship with both the engineering college and the professional field of engineering.

Sigma Tau gives a Freshman award to the outstanding scholar of the freshman class in engineering and an outstanding Engineer award to the outstanding practicing engineer of the state. These awards are given at the Sigma Tau annual banquet in May.

Sigma Tau met each month in the Engineering Building to discuss further facets of their profession and maintain a close relationship to their fellow engineers.

Officers for the year 1959-60 of Sigma Tau included: Robert C. Matthews, president; Robert Baldridge, vice-president; Richard Dumrud, secretary; George Daniels, treasurer; Don Alexander, Pyramid correspondent; and Rod Grimus, historian. Advisor for Sigma Tau was V. O. Long, head of the Department of Electrical Engineering and Robert Arnold, Assistant Professor of Civil Engineering.

Lloyd Taggart, head of Taggart Construction Company, receives the Outstanding Engineering Award from Sigma Tau prexy, R. Matthews.

Aeronautical Engineers listen to a lecture on some of the new problems confronting them in this space age of space ships and rockets. They also study the problems that face them in the field of conventional aircraft.

IAS Offers Advancement in Aeronautical Science

To any student interested in the advancement of aeronautical sciences, primarily engineers, membership in the Institute of the Aeronautical Sciences is open.

The purpose of the institute is to advance aeronautical science and to acquaint students with the latest development in the field.

Special honors are given during the year to the person who presents the best non-technical paper, which is then submitted for regional competition, and to the student in the field of aeronautics who has the highest grade average during his junior and senior years.

Activities during the year are such as the Engineers' Ball and other events.

Chairman of the institute was Leo Lyle. The vice-chairman was Robert Winchell; the secretary, Dave McPherson; treasurer, Clyde Cook. The advisor was Robert Wheasler.

Top row: Jerry Parrill, Wayne Landen, Jerry Townsend, Bob O'Farrel, Jerry Busch, Max Kershisnik, Lanny Myers. *Second row:* Don Johnson, Robert N. Ferguson, Ralph Bradford, Don Gray, Harry Porter, Frank Zuech. *First row:* Gary Myers, Bruce Dodge, Jon Van Cleave, Rod Winterbottom, La Verne Lyke, Ray Vos, Dave Watt.

AIA Creates Professional Interest

The Architectural Engineers, headed this year by Vasil Vasileff, is an organization shown here discussing matters pertaining to their profession and ideas in architecture.

The American Institute of Architects is organized to enable architectural engineers to discuss matters pertaining to their profession and new ideas in architecture. The organization has twenty-two members at present and encourages all interested engineering students to join.

This past year Vasiel Vasileff served as president. The other officers were: Bob Jelaca, vice-president; John Tanvakis, treasurer; and Dick Ries and Lyle Peters, Engineering Council Representatives. The advisor for the group was Oscar G. Woody, the architectural engineering instructor.

One of the main activities which the group sponsors is field trips. This year the Architects traveled to both Cheyenne and Denver.

Top row: Richard Ries, John Tanvakin, Jerome Berti, Paul Brockman. *First row:* Lee Larson, Vasil Vasileff, Dean Peterson, Bob Jelaca.

Hard working staff members of the yearbook were Mary Ann Haak, class editor; Sue Ann Morgan, academics editor; Gail Asiala, index editor; and Eddie O'Farrell, Assistant Editor. They not only worked; they slaved.

Yearbook Presents Different Outlook

The 1959-60 WYO Staff had an entirely different outlook on the University of Wyoming's yearbook.

Led by Editor Peggy Blackwell, this year's staff aimed the WYO for the student's use in the future as a memory book.

The problems of the small WYO Staff were many. An entirely different format, which was new to everybody, was being tried for the first time in a Wyoming yearbook.

Layouts were carefully planned and copy written to present a full picture of student life at Wyoming. Meetings were sometimes unorganized and deadlines were hard to meet but the finished product was finally attained.

Peggy Blackwell, editor-in-chief, spent the majority of the summer selecting the cover, laying out the book, and planning the WYO.

Sylvia Seltzer, WYO greek editor, and Donna Golden, copy editor, did a time consuming but rewarding job on their sections.

Russ Lewis and Ann Morgan, sports editors, gave an interesting and complete coverage of all the athletic events at the University of Wyoming.

Kay Osbourne, Wyo Business Manager, did a capable job this year by being in charge of all financial matters of the annual.

The Organizations Editors, Mary Smith and Nancy Long, did a big job in seeing that all organizations were included in the annual.

Information about every facet of the University had to be obtained for the book. Questionnaires to the different organizations were sent out and members of the staff held interviews with the faculty and other personalities.

All in all the WYO Staff has worked hard to produce a yearbook that is different and of a better quality than ever seen before on the Wyoming campus.

Staff members for the WYO Staff included: Peggy Blackwell, editor; Eddy O'Farrell, associate editor; Sylvia Seltzer, greek editor; Ann Morgan and Russ Lewis, sports editors; Mary Smith and Nancy Long, organizations editors; Judy Gardner, assistant organizations editor; Donna Evans, personalities editor; Gail Asiala, Index Editor; Donna Golden, copy editor; Pat Foster, assistant copy editor; Sue Ann Morgan, Academic editor; Mary Ann Haak, Class editor; Jo Shillinglaw and Mel Young, feature editors; Jerry Kitchen and Ed Eaton, photographers. Advisor for the WYO was Joe Milner of the Journalism Department.

Donna Evans, Wyo Personality Editor, tracked down campus wheels for the Queens and The University's Who's Who.

Melinda Young and Jo Shillinglaw, Wyo Feature Editors, spent many hours keeping track of the various activities on campus.

The Wyo Photographers, Jerry Kitchen and Ed Eaton, busily tried to get all the University organizations and activities photographed.

Sandra Faus, Branding Iron Editor for 1959-60, displayed her journalistic talent well.

Dennis O'Farrell, as News Editor of the Branding Iron, brought the campus highlights to all the University of Wyoming Student Body each and every week.

Branding Iron Active Student Publication

Each Friday morning of the school year, the students of the University of Wyoming can be seen much more engrossed in a newspaper than in their textbooks. This newspaper is the *Branding Iron,* the student publication.

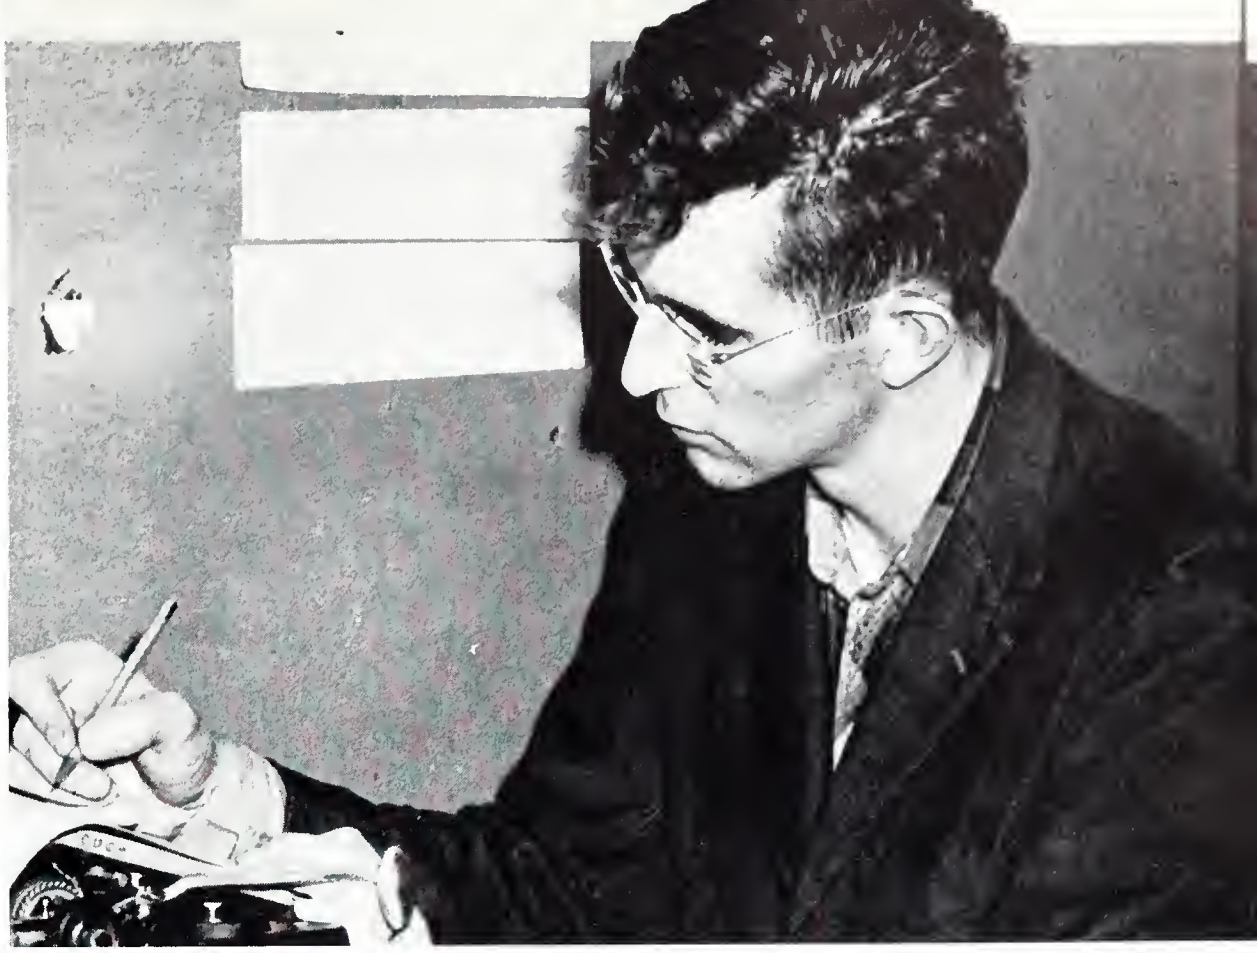
The BI is entirely the work of the journalism students —it is written by them and edited by them. There is absolutely no censorship by an advisor; final authority lies with the student editor.

The journalism students receive their assignments on Friday, with deadline on Tuesday. In the intervening period, they forage about the campus for news-worthy articles, interviewing students and faculty. Failure to carry out the assignments properly results in honorable mention on the campus joke book, commonly referred to as the "shape-up sheet." Here faults of the students are mentioned and emphasized in a most unkind, but humorous manner. Mention on the shape-up sheet usually causes a sudden change for the better in a student who might tend to be lax in doing his job.

The BI contains news items of general interest, listings of coming events; religious news; job opportunities for students; a "tete-a-tete" column which contains the

In her column, Tete-a-Tete with Kay, Kay Doto displayed well her ability in informing the UW coeds campus do's and don'ts.

JoAnn Legoski displayed well her journalistic talents in being the 1959-60 University of Wyoming Branding Iron Desk Editor.



Russ Fawcett brought the interesting sidelights of the University on the pages of the BI as Feature Editor.

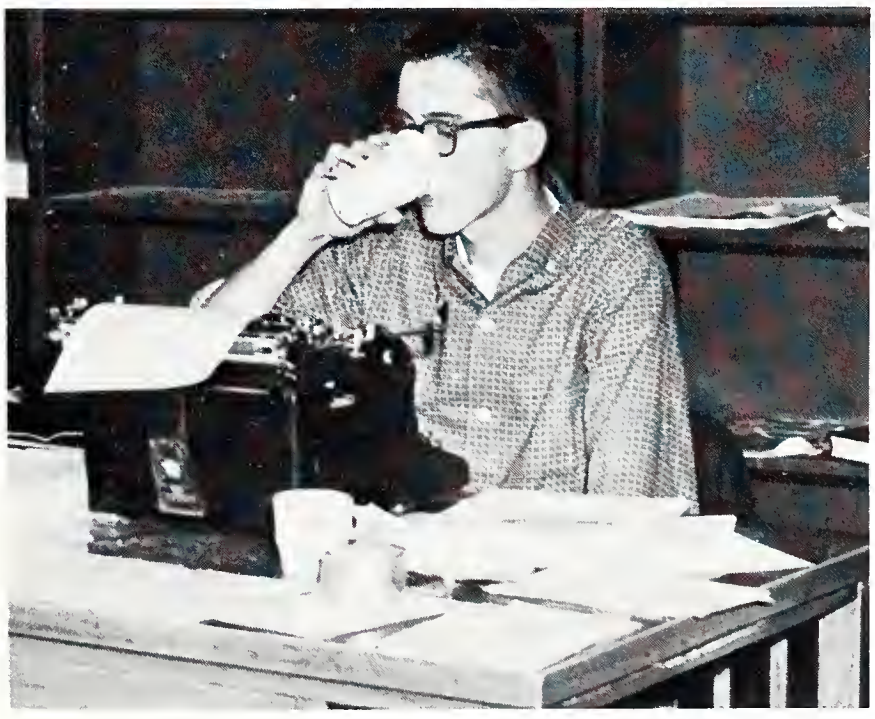
names of the students pinned, engaged, or married, plus hints about etiquette and style; sports news, photographs of recent events; and outstanding campus personalities; editorials; letters to the editor; and advertising from local merchants and national concerns.

The executives on this year's BI were Editor, Sandy Faus; Business Manager, Ron Lytle; News Editor, Dennis O'Farrell; Desk Editor, JoAnn Legoski; Sports Editor, Dave Bonner; Society Editor, Kay Doto; Feature Editor, Russ Fawcett; Photo Editor, Al Miner; and Circulation, Edwin Eaton.

Many were the problems that confronted Ron Lytle who served as Business Manager in charge of the finances for the BI.

Distributing the Branding Iron each week was the job that fell under the direction of Edwin Eaton as Circulation Manager this year.

UW sports interest to all and full coverage was given to the athletic events by Dave Bonner, Sports Editor.



Mick Anderson, editor of the Campus Directory, had a big job to do. The directory staff compiles names and numbers.

Ann Morgan, Nancy Long, and Gail Asiala gaze enthusiastically at the Wyoming calendar.

Dennis O'Farrell was editor of the Campus Datebook this year. This publication contains a calendar with campus activities.

Publications Hold Vital Information

The University of Wyoming Campus Datebook is the newest of campus publications. The Datebook takes the place of the formerly published "Dude" and "Calendar of Activities and Events."

The UW Campus Datebook was headed this year by Dennis O'Farrell. Purpose of the datebook, published in the spring and fall semesters, was to acquaint the new and old student with what's happening at Wyoming University.

A vital part of the publications programs at Wyoming is the publication of the Student Directory each year.

The Student Directory is distributed early in the Fall semester. It lists each student, his class, home, and local address and telephone number. Students purchased the Student Directory at the bookstore for fifty cents.

This year the Student Directory was under the direction of Mick Anderson and Joe Tripp.

This year the students also renewed publication of the calendar.

Wyoming Student Union Provides Many Activities

The new addition to the Wyoming Student Union this year has served the students well and provided many hours of activities. An excellent recreational and educational program was provided this year.

John Harison and his staff contributed largely to the success of the program. The snack bar and fountain room were under the direction of Gertrude Tilton. Ray Buskohl headed games and recreation and directed the activities of the bowling alley, card room, and billiard room. Maxine Adams handled clerical work as office manager. The information desk was headed by Shirley Alm.

The Union is an institution to serve the needs of the UW Student Body. The Union committee of five students, appointed in the spring, serves as the policy forming body. This year's committee consisted of Patty McDonald, Mary Phyl Beaver, Elizabeth Watt, Sharon Lynn, and Pat Smyth who served as chairman. Faculty representative was Jack Routson, and Elliot Hays was staff representative. Lawrence Meeboer represented the Board of Trustees and Matthew Carey served as ex-officio member. John Harison served in an advisory capacity.

Jim Crow served as union co-ordinator and under his direction four committees were set up. The purposes of these committees were to provide social, recreational, and cultural activities in connection with the Union, for all students who wanted to participate. Chairman of these committees: Peggy Blackwell, cultural affairs; Tom Schaffer, social; John Schaffer, games and recreation; George Moses, public relations and publicity.

A favorite pastime of the Wyoming students is sitting in the Union fountain room. Here students watch a WUTS show.

Jean Georges, Joye Brown, and Jim Crow add the final touches to the Christmas decorations in the Union.

Jeannie Burrowes entertained the Wyoming students at a WUTS program with her interpretation of modern dancing.

The Wyoming Union Committee on Cultural Affairs includes Maggie Webster, Jeannie Mercer, Tom Atkinson, Peggy Blackwell, Chairman, Mary Bess Kohrs, and Doug Benton. This committee promotes cultural events at UW.

A blues singer was part of the talent brought from Colorado State University for a WUTS program that was well received.

A typical scene in the Union fountain room finds students relaxing over a cup of coffee and discussing campus news.

The Games and Recreation Committee of the Wyoming Union program includes, Chuck Brandenburg, Doug Benton, John Shaffer, Chairman, Bill Miller, Bill Gross, and Ray Olson. All Union committees serve the UW students.

The Wyoming Union Social Committee includes John Kuypers, Pat Veile, Rod Grimus, Joye Brown, Tom Shaffer, Chairman, and Doug Benton. This committee plans all of the Union dances and social events during the year.

From time to time, special projects committees are formed to handle major events or programs not necessarily falling in the realm of any of the other committees. Plans call for the formation of these committees each spring for the next school year.

One of the most popular programs sponsored by the Union is WUTS, Wyoming Union Talent Showcase, under the supervision of the Cultural Affairs Committee. WUTS brings top campus talent to entertain the students every Friday afternoon.

The activities of the Union are not limited to this campus. In the spring UW talent visited the campus at Colorado State University at Fort Collins. In return, CSU talent entertained here at a WUTS program.

In conjunction with the English department, the Union has sponsored the "Hour with Literature" program which meets every Wednesday from 4-6 in the afternoon.

For weekend entertainment, the Union has sponsored informal dancing in the fountain room when there were no school dances. During spring semester, top movies were brought to the campus on Sunday afternoons. Other activities of interest were the bowling, billiard, and bridge tournaments. The duplicate bridge club met once a week in the card room.

As one of the programs of the Wyoming Union Talent Showcase, students from CSU came to the campus to entertain on April 1.

The Publicity and Public Relations committee includes, Marilyn MaGee, Jim Thurston, George Moses, Chairman, Laurie Lynch, Jean Georges, and Gary Toftley. This committee promotes public relations on the Wyoming campus.

Chorus Oldest Music Organization on Campus

Under the direction of George Gunn, the Oratorio Chorus from the standpoint of years, is the oldest music organization on the campus and is composed of students, faculty and townspeople. Each year this chorus presents one major choral work such as the "Creation", "The Season", "Elijah". etc.

This year's presentation pictured above was the performance of Handel's "Messiah." It was presented by the chorus of 150 voices and accompanied by the University Orchestra of 50 pieces. Advanced voice students took the role of singing all solo parts.

The University Choir is under the direction of George Gunn who is an instructor in the Music Department. Membership in the choir is open to any interested student. A wide variety and range of music is handled by this organization.

Brass Ensemble Musical Challenge

The University Brass Ensemble is made up of a group of picked players who are interested in performing music written especially for brass instruments. This music, although not so extensive or so well-known as the literature for the band and orchestra, provides a special musical challenge to the brass player and an interesting experience for the listener.

The brass ensemble has existed on this campus for a number of years. Beginning as a small and rather informal organization, it has grown both in size and in musical stature. It now performs in public concerts at least once annually on the campus, and it has made a number of off-campus appearances, including a week long concert tour in southeastern Wyoming, an appearance in Casper for the Wyoming Music Educator's Association and concerts in the Laramie Public Schools.

University Choir Open to Students

The University Choir is under the direction of George Gunn. Membership in this organization is open to all students in all colleges on the campus and the personnel is chosen by tryouts and placement auditions held at the beginning of each semester. The membership is kept at approximately 75 voices.

Besides giving home concerts, the choir occasionally goes on tour, has TV appearances and is an important part of the Commencement Exercises in June.

The Chamber Band is a small select band composed for the most part of Music and Music Education majors. The membership is limited to 43. The Chamber Band is now in its third successful year at the University of Wyoming.

The Chamber Band is under the combined direction of Charles Seltenrich and Robert Noble. It is a small select band and occasionally goes on state tour.

Patty Dunston, state majorette champion and head band twirler, gets ready for winter.

110 Piece Marching Band Presents Colorful Display

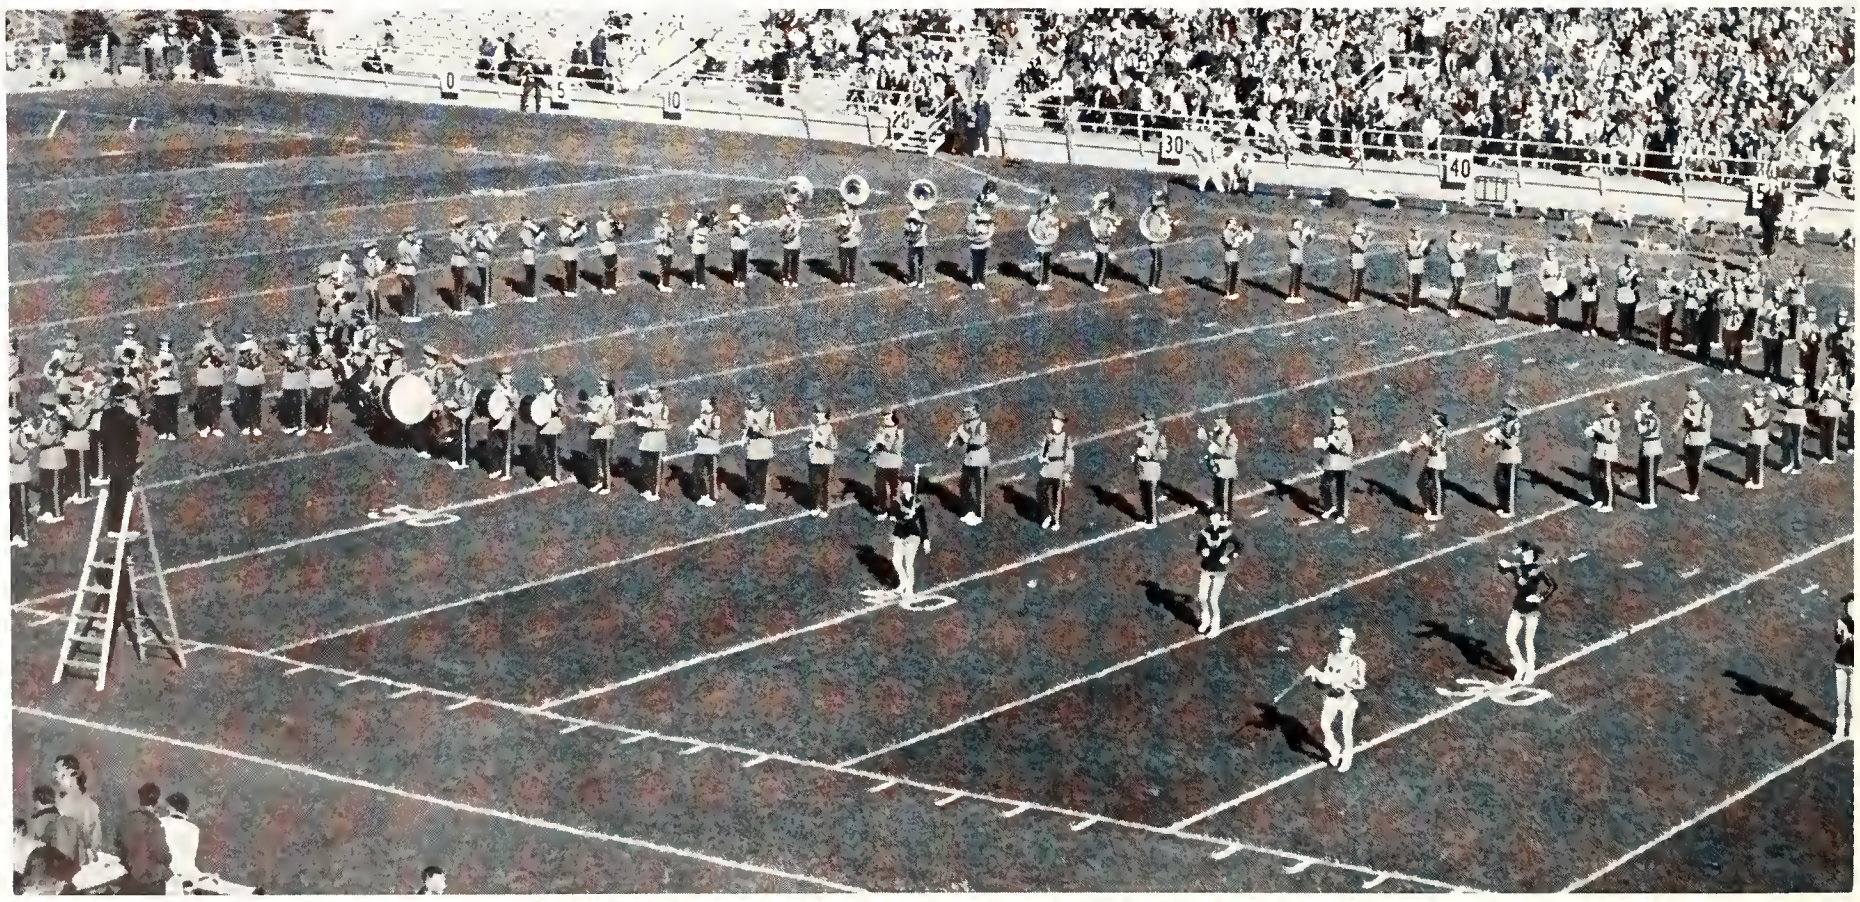
The University of Wyoming can be justly proud of the 110-piece colorful marching band, under the direction of Robert Noble and Charles Seltenrich. On the marching field under the leadership of Jerry Profit, drum-major, the band presents a colorful high stepping display at all home football games. The band also accompanies the team on at least two trips each season.

The majorette team under the leadership of Patti Dunston, adds flash and more entertainment to the organization. The majorettes travel with the band on all trips.

Membership in the band is open to any college student who is interested and who has the time available to meet the heavy rehearsal schedule necessary to maintain the band at its high level of perfection and precision.

At the Home game this year the band added to the days festivities by centering their halftime show around the theme of the 1959 Homecoming activities, "Around the World in 80 Ways." The band entered into the spirit of the theme by visiting Hawaii, China, Russia, and Holland, making a formation suitable to each country and playing "Cowboy Joe" in the style of each country.

Colorful! Spectacular! Those are the terms for the 110 piece Wyoming marching band which is under the leadership of Mr. Richard Noble and Mr. Charles Seltenrich. Here the band makes a colorful formation for Homecoming.



Ready to act like quick change artists, the University of Wyoming marching band is ready to change into their role as the symphonic band. This group is under the direction of Mr. Noble and Mr. Seltenrich.

Marching Band is also Symphonic Band

At the close of the football season the marching band moves indoors and quickly converts to a concert unit known as the Symphonic Band. This organization, under the direction of Charles Seltenrich and Robert Noble, plays for all home basketball games and presents at least two formal concerts a year. They frequently take a concert tour covering different sections of Wyoming on a rotation basis. Membership in this band is open to any college student who is able to perform standard band literature. The band performs a well-balanced standard band literature. The band performs a well-balanced repertoire of the standard classics and new literature including the music from currently popular broadway musicals.

The majorettes make a colorful addition to the marching band during football season. They perform with the band at all games and travel with them to the out-of-town football games. This year's majorettes were: Patti Dunston, Gail Asiala, Sharon Stumpff, Darlene Sandberg, Marcia Tippets and Kit Pirie.

These six coeds led the University of Wyoming's band as majorettes. Under the leadership of Head Majorette Patty Dunston, lower left, were Marcia Tippets, right, and Darlene Sandburg, Kit Pirie, Gail Asiala and Sharon Stumpf, standing behind Cowboy Joe.

Top row: Pat Wheeler, Gwen McKie, Doris Washburn, Marty Hemric. *Second row:* Lynn Harnsberger, Sandi Nauman, Sue Bardo, Martha Parkison, Donna Fogelsonger.

Tau Beta Sigma Band Honorary

Women students who are enrolled in band and are qualified musicians are eligible for membership in Tau Beta Sigma, women's band honorary. The members of this organization are pledged to work to promote the welfare of the University of Wyoming Cowboy Band and to honor outstanding women in the field of music, specifically, in the band.

During the year, the members of Tau Beta Sigma sponsor a dinner for the band, which is held after the annual trip made to Utah. Later in the year, they hold a party for the freshman women in the band.

President of Tau Beta Sigma this year was Lynn Harnsberger. Vice President was Jane Seltenrich; secretary was Martha Parkinson; and treasurer was Sandi Nauman. The advisor was Charles Seltenrich, who is Director of the Cowboy Band.

The University of Wyoming Cowboy Band was always on hand to greet theTreagleTrain from Cheyenne before each football game during the season. The Cowboy Band is always a colorful addition to any sports event on the University campus.

Men's Band Honorary is Kappa Kappa Psi

The men in the University of Wyoming Cowboy Band are eligible for membership in Kappa Kappa Psi, the men's band honorary. The aims of this organization are to promote a wholesome respect for the Cowboy Band, its activities and achievements, to honor outstanding band members and to promote the appreciation of good music.

During the year, the Cowboy Band performs at all home games and at several out-of-town games. Some of its members attend band clinics to learn how best to contribute to the improvement of the band. With the members of Phi Mu Alpha Sinfonia, members of Kappa Kappa Psi sponsor an all-school mixer in the winter. After the first home basketball game, they sponsor another all-school dance. In the spring, Kappa Kappa Psi and Tau Beta Sigma, the women's band honorary, sponsor the spring banquet and ball for band members.

The president of Kappa Kappa Phi this year was Jay Holland. The other officers were, vice-president, Art Nyquist; secretary, Marshall Watne; and treasurer, Jim McCormick. Mr. Charles P. Seltenrich, director of the Cowboy Band was the advisor for the honorary.

Charles Seltenrich makes plans for the band formations to be used in the fall. Each pattern is worked out to perfection.

Top row: Larry Pippitt, Jim McCormick, Jerry Proffit, Larry Nye. *Second row:* Vernon Tanner, Richard D. Vandenberg, Grahm Bell, Bob Kuns, Frank Zuech, Rocknee Skinner. *First row:* Charles P. Seltenrich, Marshall Watne, Art Nyquist, Jay Holland, Don Bookout, Dave Ferrin.

Music students like to entertain themselves with good music. Band members get to know each other better through working together through smaller groups.

Student Music Honorary

The professional music honorary, Phi Mu Alpha Sinfonia is composed of students interested in music who have been elected to membership. The purpose of this organization is to further interest in and gain a better understanding of music on campus. Phi Mu Alpha works with the music department in broadening the scope of music at the University of Wyoming.

In the fall the Sinfonians co-sponsored an all-school dance in conjunction with Kappa Kappa Psi. On February 28, the public was invited to its pledge recital. In order to further American composers, the Sinfonians sponsored an American concert in May.

Art Nyquist served the Sinfonians as president this year. Other officers were: Eugene Takash, vice-president; Ron Douglas, secretary; Jay Shaefer, treasurer. Edgar J. Lewis was advisor for the group.

First row: Eugene Takash, Art Nyquist, Ron Douglas, Jay Shaefer. *Second row:* Edgar Lewis, Larry Pippitts, Dick Godfrey, Larry Hoffman.

The Madrigal singers, a small group of especially talented students, present a recital of 16th and 17th Century madrigal composers. This group also presents various other vocal programs. They were directed by Ann Trierwiller.

Talented Music Groups Well-Known on Campus

The vocal ensemble, well known as the Madrigal Singers, is a small group of select students, who present varied types of local performances throughout the academic year. During this year, under the direction of Ann Trierweller, the ensemble has capably illustrated its ability to interpret not only the madrigals of the 16th and 17th centuries but also the works of contemporary composers. Even the lifting melodies of popular musical comedies. Numerous programs given by the group include a Christmas carol sing, in addition to an annual combination recital with the brass ensemble, as well as presentations of some of the outstanding larger works of well-known composers.

The orchestra draws its members from students, faculty and townspeople, and so is a community enterprise. The variety of musical instruments competently played by individuals in the Laramie Area allows the programming of almost any musical composition in the standard repertoire.

The orchestra's first concert this year was given in conjunction with the large chorus directed by George Gunn.

An all-orchestral program was held in March and a concert in May in which outstanding students presented recitals.

In recent years the orchestra has made tours through the state with the hope of encouraging talented young musicians to attend the University and actively pursue their musical careers.

Ward Fenley, music department conducted the orchestra this year.

The orchestra, under the direction and guidance of Mr. Ward Finley, is a community project. The orchestra represents the University and the community. This year the group presented their first major production with the chorus.

Lighting ..... Craig Blackner

"In those strange days, people coming from—God knows where, joined forces in that far western land, and, according to the rude custom of the camp, their very names were soon lost and unrecorded, and here they struggled, laughed, gambled, cursed, killed, loved and worked out their strange destinies in a manner incredible to us today. Of one thing only we are sure—they lived."

—*Early History of California*

In "The Girl of the Golden West", audiences were transported to the vigorous gold camps of California.

University Theatre audiences thoroughly enjoyed the fine performances of Linda Phillips as "the girl" and Dave Ferguson as the stranger who comes to the gold camp and wins "the girls" heart.

The Story

Through the magic of imagination and romance, University Theatre audiences were transported back over a hundred years to the vigorous gold camps of California, as the theatre presented David Belasco's popular melodrama, *Girl of the Golden West.*

The story is a gentle, romantic humorous one. It tells of the strange and lonely girl, who lives alone in her cabin in the mountain and runs the Polka Dot Saloon, where she acts as a little mother and school mistress to the wanderers, the fortune-hunters, and the lonely men who work the gold fields and dream of home and love. The man in the Girl's life is the sheriff, quite a villainous fellow, who has a wife in New Orleans, but wants the girl to marry him anyway. She refuses, because she has met a stranger who interests her in a most unusual way. This stranger is a gentle, cultured man named Dick Johnson, who wins the girls heart. The Girl almost loses Dick, however, because he is the notorious bandit, Ramirez. She saves his life in a card game, and with the blessings of the men in the camp, Dick and the Girl go off into a pink and promising sunrise.

The lead in this production of the University Theatre was Linda Phillips, who did a fine job.

Linda Phillips, Dave Ferguson, and Rod Whitlock play cards in a scene from "Girl of the Golden West." In this scene, the girl saves the life of the stranger in the camp.

Audiences Find Doll's House a Moving Drama

Maxine Simpers, Robert Vance
Rod Whitlock, Judy Ryun

Mary Ellen Savage, Delores DeCastro and Kay Lynn Engle did an excellent job of acting in Ibsen's moving drama.

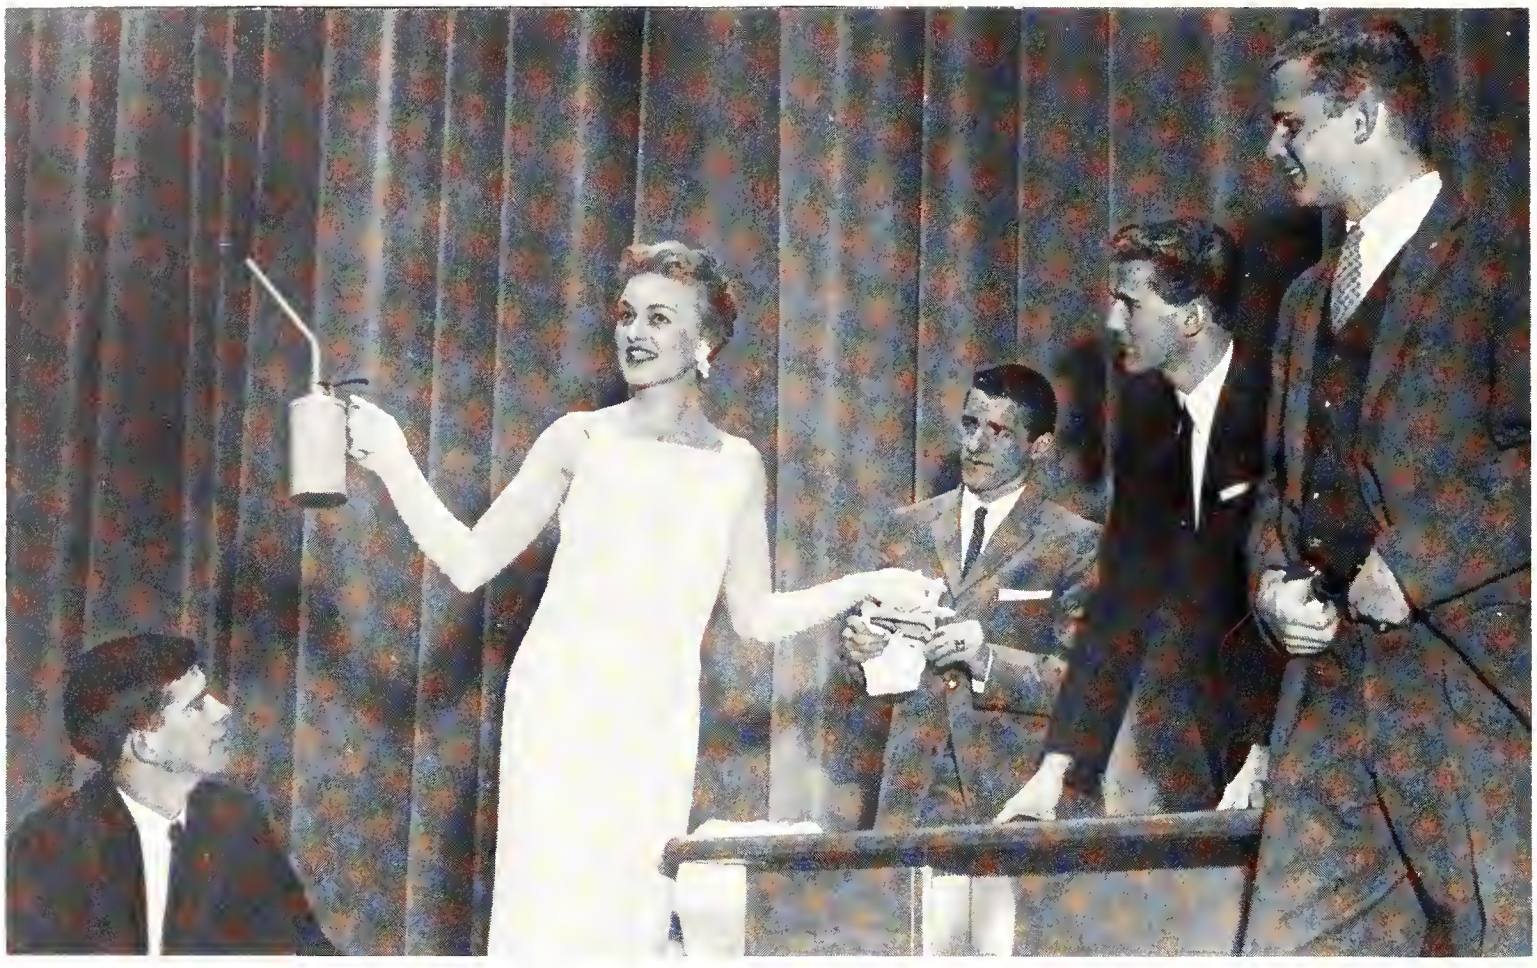
The lead characters in "A Doll's House" were Nora and Torvald Helmer, played by Mary Ellen Savage and Dave Ferguson. University of Wyoming theatre audiences thoroughly enjoyed the production of the University Theatre.

In a scene from "A Doll's House", Mary Ellen Savage as Nora, portrays emotion in front of Doctor Rank, Craig Blackner, and Torvald, Dave Ferguson. The play was presented by the University Theatre.

The curtains opened to reveal a model home of 1879, a real doll's house, with stylish furniture and sunlight streaming through the windows. With this visual aid to the imagination and with the great skill and understanding of Henrik Ibsen as a guide, the University Theatre audiences could easily accept the story of the dainty Nora, whose husband considered her a witless plaything, and who finally grew up when she realized that she was intelligent and strong.

The characters that Ibsen created in "A Doll's House" transcend 1879 or 1960 and appear as universal types of humanity. In the absolutely upright man of Torval Helmer, who can understand the complication of running a bank, but not the emotions of his wife; in the hard-working and self-sacrificing woman of Mrs. Linde; in the man who has lost so much that he will give everything to keep what is left; like Krogstad; like Dr. Rank; one can see persons who are not just characters out of an old play, but living people of any day.

"A Doll's House" was more than entertainment—it was a deep and lasting message.



Nini Simon, portraying Miss L'Arrier, demonstrates an oil can in an advertisement. "Cadillac" was about four mean corporation directors and the little stockholders.

The Solid Gold Cadillac Solid Entertainment

Cinderella on Wall Street and how she outsmarts the four ugly corporation directors is the plot of "The Solid Gold Cadillac," by Howard Teichmann and George F. Kaufman.

Cinderella is Mrs. Laura Partridge, a middle-aged former actress who owns ten shares of stock in General Products. When she begins to protest at a stockholders' meeting about the outrageous salaries of the board of directors, the four ugly corporation directors gave her a job, answering the mail of the little stockholders, to keep her quiet. Since the little stockholders never write to the company, Mrs. Partridge begins to write to them, making many friends for herself and for General Products.

Prince Charming comes into Mrs. Partridge's life as "Big Ed" McKeever, former president of the corporation, who has sold his shares to accept a job in Washington. When Mrs. Partridge finds him, he is busy answering the phone, keeping in shape, cursing the "damn Senate," and reciting "Sparticus to the Gladiators," with gestures. Together, they outwit the four ugly corporation directors, help the cause of young love, and win a sounding victory for the little stockholders.

An added touch of comedy was the television sequence, which was actually a series of movies satirizing television newscasters.

With the aid of imaginative sets and a lightness of touch on the part of director and cast, "Solid Gold Cadillac" proved solid gold comedy.

Jim Stenger, Rosemary Barlow and Eleanore Wagner, discuss some new correspondence that has arrived.

The Cast:

Narrator ..... George Spelvin
T. John Blessinton ..... Joe Williams
Alfred Metcalfe ..... Tom Atkinson
Warren Gillie ..... Mack Harding
Clifford Nell ..... Darryl Halling
Mrs. Laura Partridge ..... Rosemary Barlow
Amelia Shotgraven ..... Eleanore Wagner
Mark Jenkins ..... Jim Stenger
Miss L'Arriere ..... Anita Simon
Edward L. McKeever ..... Art McCain
Miss Logan ..... Judy Ryun

The A.P. ..... Millard Rada
The U.P. ..... Lemuel Bray
The I.N.S. ..... Dean Patterson
A little old lady ..... Beth Dinneen
The News Broadcasters
Bill Parker ..... Robert Vance
Dwight Brookfield ..... Mike Hanna
Estelle Evans ..... Barbara Fuller
The Reporters ..... Dave Ferguson
Tom Gallant
Craig Blackner

Rosemary Barlow poses for the photographers in front of the four corporation directors, during a scene from "The Solid Gold Cadillac." The play was another success for the University Theatre and well done by student actors.

Everyone loves a parade, and the Army is no exception. Pictured here is the Army ROTC band in the homecoming parade that they participate in every year. The band is always recognized and appreciated on the campus.

Army Supervises ROTC Program

The Department of the Army supervises the Department of Military Science and Tactics, which prescribes standard courses of study and provides the necessary officers and non-commissioned officers of the Army to conduct the instruction. Uniforms, arms and military equipment are provided by the Government.

The purpose of the ROTC is to produce qualified junior officers for the United States Army. The first two years of Military Science constitute the basic course. The second two years of Military Science constitute the Advanced Course. Successful completion of the four years of Military Science qualifies the student for a commission as a Second Lieutenant in the Army of the United States.

Students completing the first year of the Advanced Course whose academic grades place them in the top half of their class, who possess outstanding qualities of leadership, high moral character and definite aptitude for the military service, and who have demonstrated their leadership ability through their achievements while participating in recognized campus activities, may be designated as Distinguished Military Students while in school and upon graduation.

Corpettes, honorary sponsors of the Army ROTC, participate in various parades and functions during the school year.

Army ROTC soldiers become adept at marching through long hours of practice in class and on the field.

The Color Guard passes in review in one of the many parades held by the Army ROTC department when the weather is nice.

The Army ROTC periodically have inspections to be kept alert and learn of the Army's way of doing things.

The University of Wyoming Army ROTC Color Guard unit poses in full parade dress. This is a colorful addition.

The Army ROTC band is always found in parades and other important activities on the University of Wyoming campus. The band is a necessity to any parade and adds tradition and color. They present a fine polished performance.

As these Army ROTC flag bearers open a University football game, other members of Scabbard and Blade are ushering in the stands.

Sergeant Duncan demonstrates the art of reassembling a machine gun for Scabbard and Blade members at one of their educational meetings.

Scabbard and Blade

The cadets in Advanced ROTC who had good military bearing and a grade average of 2.75 or better were qualified to become members of Scabbard and Blade.

The aims of Scabbard and Blade are to further interest in the army, to give its members an excellent military background, and to qualify the men for a military career. Cadet Captain this year was Ralph Sorensen. Other officers were Lee Larson, First Lieutenant; Glen Shelton, Second Lieutenant; Bob Fiero, First Sergeant; and Fred DeBolt, Mess Sergeant. Major Chandler was advisor for the group.

First row: Matthews, R., Shelton, G., Sorensen, R., Chandler, Major C. F., Fiero, R., Kuypers, T. *Second row:* Debolt, H., Dereemer, J., Gilmore, M., Kalokathis, J., Fritz, R., Crittenden, J., Laird, D., Cook, C., Korhonen, J.

Top row: Nancy Israel, Judie Sinko, Janet Park, Sharon Luond, Anita Simon, Linda Larson. *Second row:* Mary Kay Cheney, Tuni Stuart, Tonia Rulli, Margaret Webster, Merriam Cooper, Dixie Martin. *First row:* Nancy Long, Shirley Thorpe, Janet Baker, Judy Martin, Myrna Tippets, Linda Phillips.

Corpettes and Scabbard and Blade have functions together during the year and entertain officers.

Corpettes Honorary Sponsored by Army

To become a member of Corpettes, the honorary sponsor group for the Army ROTC, coeds at the University of Wyoming must maintain accumulative average of 3.00, show a vital interest in Corpettes, be single, and be nominated for the honor by a specific women's organization.

The purpose of the organization is to maintain a high moral standard, to promote and support campus activities, and to create closer bonds among the girls qualified to wear the insignia of the Corps.

Among the activities of the Corpettes during the year are ushering at games and plays, drilling at games, marching in parades, and acting as hostesses at teas and luncheons. They also take part in social activities with the Scabbard and Blade.

Mary Kay Cheney was sponsor commander of the group this year. Other officers were sponsor operations officers, Sharon Lynn and Nancy Israel; sponsor personnel officer, Brenda Covell; sponsor historical officers, Nini Simon and Tuni Stuart. Major Chandler of the ROTC department was advisor. Drill instructors were Les Broumlee and Lee Brubaker.

Major General Danier, XVI Corps Commander is entertained by Corpettes and Scabbard and Blade.

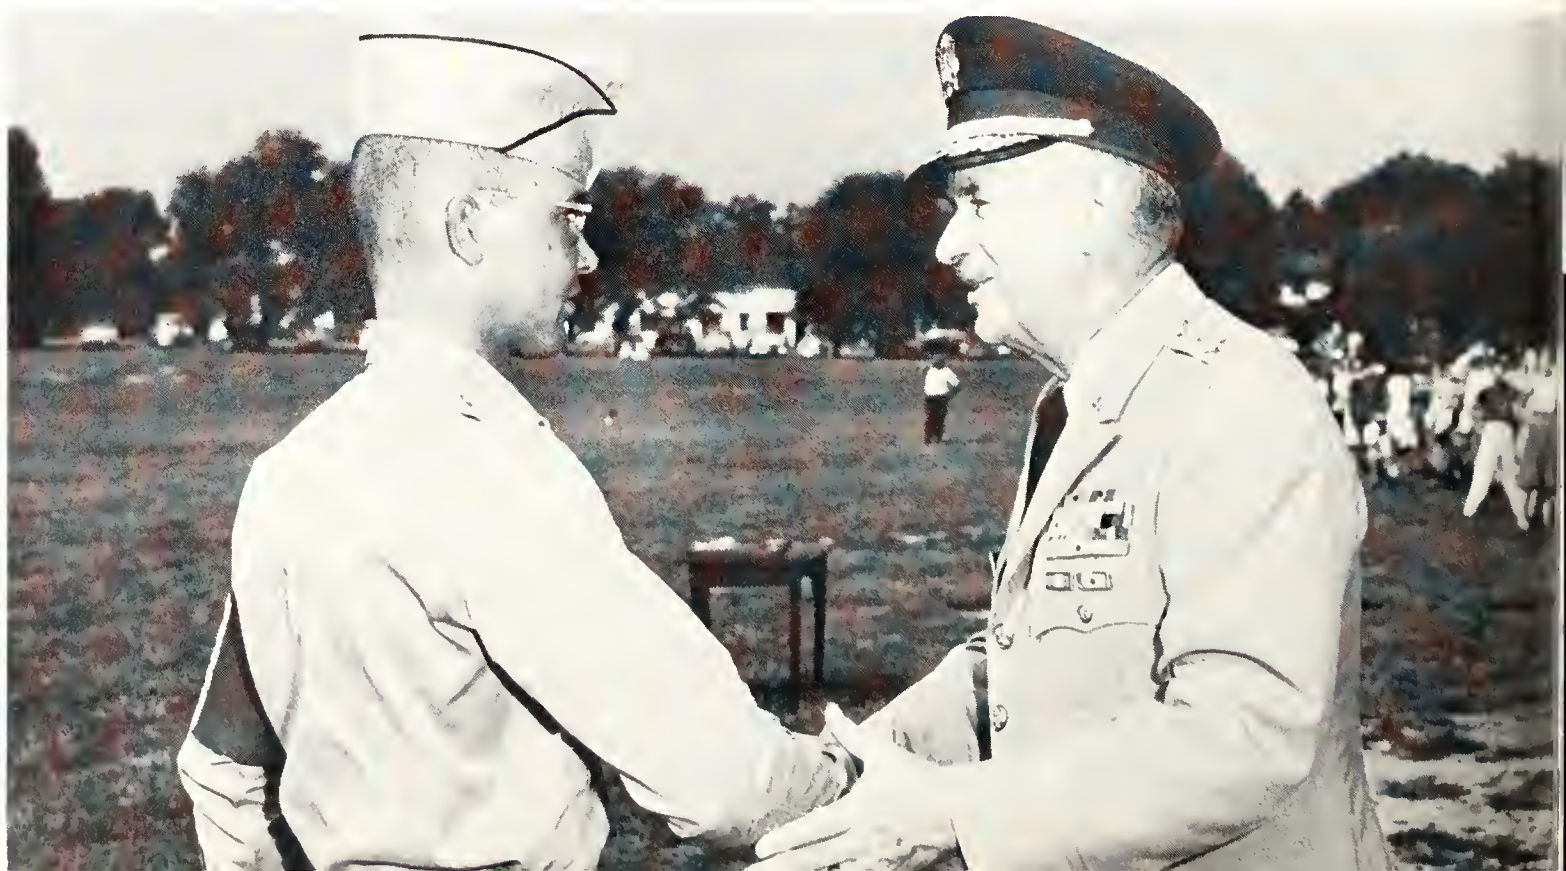
First row: Lesco, B.; Markley, D.; Hale, F.; Dilg, J. *Second row:* Beck, W.; Moore, J.; Nagel, B.; Michie, J.; Miller, S.

High Scholastic Men Members of Rifle Team

The men's rifle team at the University of Wyoming is composed of male students who are enrolled in the University with a high scholastic standing. The main object of the Rifle Team is to teach its members good sportsmanship and self control in competition with schools and competitors. The ultimate goal is to provide men with good character.

The man who has charge of the team is Colonel Robert Outsen, while Major Carl Chandler is the team's advisor; and the coach is M/Sgt. Gene Duncan.

The team fires shoulder to shoulder matches with many city, college, and military rifle teams. At the close of the season each member of the team who has fired in 96 per cent of all the varsity matches will be awarded a letter by the University. The members of the team practice a minimum of one hour a day, five days a week. All practices and home matches are held on the University's indoor rifle range. The team president is Joseph Kudar.



Major General G. E. Galloway presents a plaque to the outstanding cadet of the ROTC camp at Fort Belvoir, Va., Cadet Rod Winterbottom of Wyoming.

Pictured are some of the officers and Corpettes reviewing the corps. Inspections are held periodically and each member of the corps and his equipment must be in excellent condition.

Drum and Bugle Corps Members are Cadets

The musically inclined ROTC cadets may become members of the Drum and Bugle Corps. This organization performs at ceremonies in which the cadet corps participates. The head of the corps this year was First Lieutenant James Fritz.

The Drum and Bugle Corps led by First Lieutenant James Fritz parades on a sunny day in Corbett field.

The Drum and Bugle Corps practice long hours to gain perfection and precision for the many parades and events they participate in. They are a familiar sight on campus in the spring.

Top row: Crittenden, John H. *Fifth row:* Schnupp, William E.; Rininger, Richard L.; Hansen, Arnold L; Wongwai, George W.; Kalokathis, Nick G.; Pugh, Merlyn L.; Linch, Ronald B. *Fourth row:* Toftely, Gary D.; Harsh, Richard W.; Custer, William L.; Goetz, Alfred J.; Jenny, John; DeForest, Jerry B.; Holberg, Benjamin E.; Lutz, William H. *Third row:* Korhonen, John E.; Stanfield, Richard F.; Gilmore, Marion E.; Miller, James E.; Dercemer, Joseph C.; Dawson, Thomas H.; Laird, David G.; Dale, William G. *Second row:* Fritz, James E.; Fiero, Robert S.; Fitzgerald, Richard; Kuypers, Thomas O.; Cook, Clyde L. Jr.; DeBolt, Harold F.; Shelton, Glen A.; Matthews, Robert C.; Larsen, Lee W. *First row:* Timmermeyer, Richard P.; Sorensen, Ralph L.

Advanced ROTC For Outstanding Cadets

Two years of ROTC are a general requirement for male students attending the University of Wyoming, but after this two-year obligation has been fulfilled, participation in the ROTC program is a matter of choice and ability. Only students who have displayed outstanding leadership qualities and have above average scholastic standing are eligible for the advanced ROTC program.

Students participating in advanced ROTC are trained for reserve commissions in the Army of the United States and a few outstanding cadets are tendered commissions in the regular army upon graduation.

Each year, several awards are made by the advanced ROTC cadets to the outstanding cadets in each of the MS I, II, III, and IV classes.

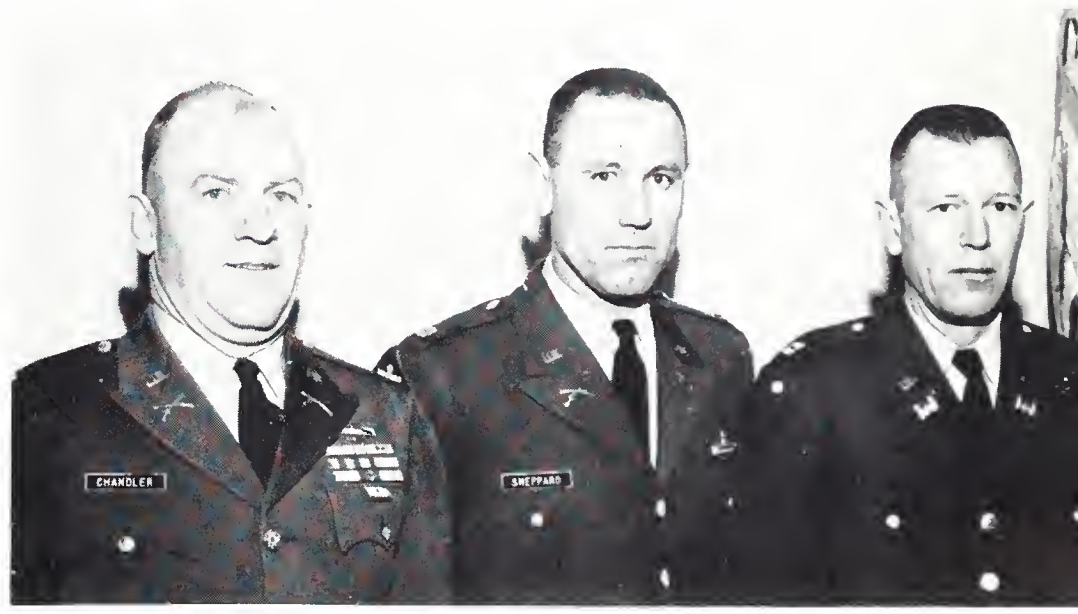
Annually, the advanced ROTC cadets help sponsor the Military Ball, which is the only formal dance held on the campus.

Brigade Commander this year was Richard Timmermeyer; Ralph Sorensen was Executive Officer. The advisor was Colonel Robert Outser, professor of army military science and tactics.

Top row: Ahern, D., Benton, D., Thoren, D., Martin, K., Dalziel, D., Gostas, T., Lynch, J., Laughlin, R. *Third row:* O'Farrell, D., Johnson, L., Sterling, D., Kudar, J., Brownlee, R., Atkinson, T., McIlvaine, G., Williams, R. *Second row:* Sue, R., Brubaker, E., Dix, H., Powers, T., Raines, J., Embree, W., France, R., Wendt, P., Spence, A. *First row:* Matthews, D., Evans, F., Brickson, L., Dahl, U., Call, D., Memmelaar, F., Pinegar, D., McKee A.

President Humphrey and Deans are guests at the Annual Army ROTC inspection.

The Annual Military Ball gives cadets the chance to show off their formal military training and technique.



Major Chandler, Major Sheppard, and Captain Reed lead the ROTC unit.

Governor Hickey, President Humphrey and General Esmay review the line of cadets on Governor's day.

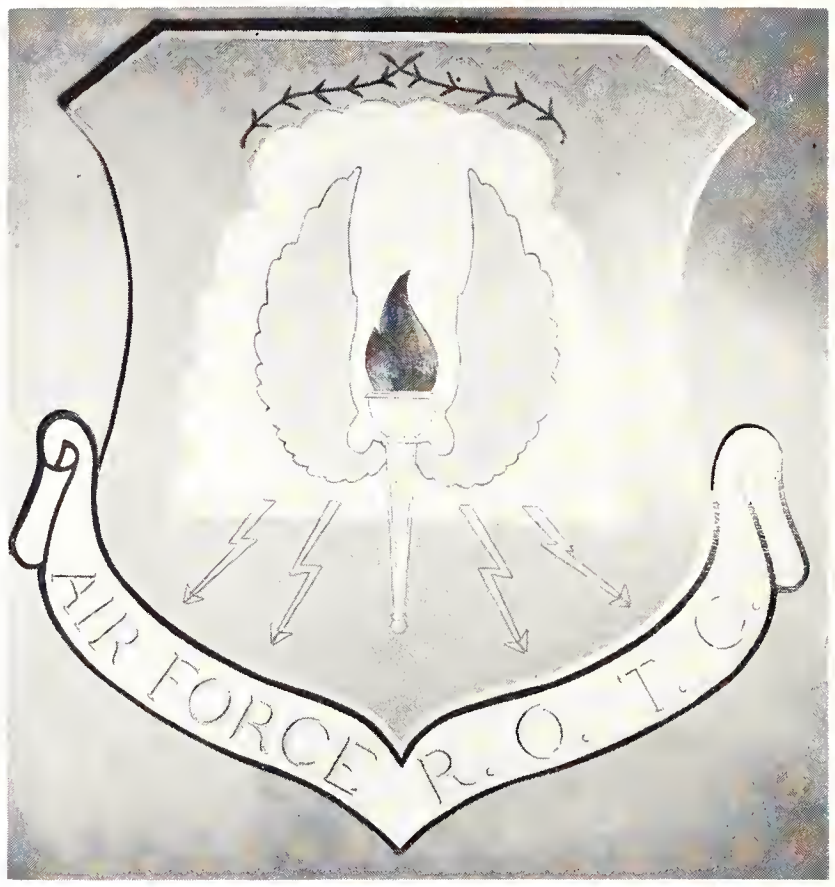
Air Force Program Offers Opportunities

The Col. James Stewart Squadron of the Air Force ROTC unit of military training at the University of Wyoming offers many opportunities to the students of advance military science. The program is supervised by the Department of the Air Force, which prescribes the standard course of study and provides the necessary officers and airmen of the Air Force to conduct the instruction. Uniforms, books, and the necessary Air Force equipment are furnished by the Government.

The purposes of the AFROTC program are: To develop in the student by precept, example, and participation the attributes of character, personality, and leadership which are essential to every officer of the Air Force. To develop in the student an interest in the Air Force and an understanding of its missions, organization, problems and techniques. To provide the student with a course of training which, with his academic curriculum, will qualify him to discharge the duties and responsibilities required of him as an officer of the Air Force. To develop in the student the desire to make a career as an officer in a component of the Air Force. To motivate the student to obtain an aeronautical rating in the Air Force upon graduation.

The Arnold Air Society is the honorary organization of the Air Force ROTC program. To be a member of this organization the student has to be a junior or senior in the advanced corp. The students are selected according to grades, leadership ability, and outstanding character.

Advisor for the group is Captain Sestak. This year the Arnold Air Society gave Captain Sestak a plaque for the outstanding service and devotion that he has given to the society during the past year. This plaque was awarded at the Arnold Air Banquet before the Military Ball.



Lt. Col. Friley presents Cadet Captain Vos the trophy for outstanding Cadet at Summer Training Unit.

L to R: Major D. M. Jones, S/Sgt. R. Gaskill, Mr. W. McLennan, M/Sgt. H. Herman, Mrs. Ursula Seibert, Captain G. Haffeman, M/Sgt D. Rosser, Captain J. Sestak, S/Sgt R. Zawacki, Lt. Col. K. O. Friley, T/Sgt. A. Van Meter.

Pictured here are the members of the Arnold Air Society at large. The AFROTC society sponsors the Angels and have social functions.

The Arnold Air Society sponsors the Angels. The two groups have varions social functions with each other during the year. In the spring both groups went to the Air Force Academy at Colorado Springs. One of the functions is called "Candlelight and Wine." This is a dinner-dance affair held in the Officer's Club at Francis E. Warren Air Force base in Cheyenne.

The main event that the Arnold Air Society sponsors during the year is the Military Ball. A queen and two attendants are chosen from the Angels. This years candidates were Mary Osbourne, Janet Hawley and Judy Gardner. Dean Bushnell and his band provided the music for the only all-school formal dance of the year.

After spring initiation was over, Arnold Air Society had 22 members. Three honorary members were selected this year on the basis of what they have done to become outstanding members of Arnold Air. These men were, Captain Haffeman, Colonel Friley and Captain Neil.

Outstanding cadets for the year were Melville Lemon and Richard Godfrey. Larry Wright was the Arnold Air member with the highest scholarship.

Officers for the year included: Melville Lemon, commander; John B. Burton, deputy commander; Donald R. Gray, adjutant recorder; Craig S. Blackner, comptroller; Richard Godfrey, Mike Rodda, chaplains; Allen D. McConnell, Lew Severson, operations officers.

New initiates were, Stanley Beckle, Calvin Chastain, Paul Judge, Fred Cady and Robert Anderson.

The Arnold Air Society officers include: Lew Severson, Craig Blackner; Melville Lemon, president; J. Barton; Captain Sestak; Ron Gardner; Richard Godfrey; and D. Gray. These are the AFROTC leaders.

Angels Selected by Arnold Air Society

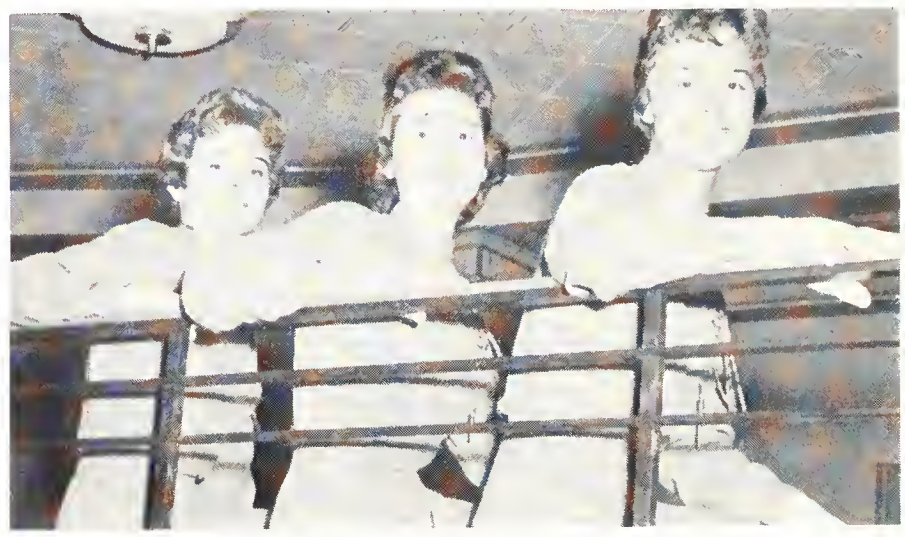
Each year, out of many applicants, a limited number of girls attending the University of Wyoming are selected by the Arnold Air Society to become members of the Angel Flight. On the basis of poise, personality, appearance, and attractiveness, which factors are decided by applications and interviews, the few girls needed to complete the flight of twenty-two Angels are chosen.

The members of the Angel Flight, which is the honorary sponsoring group of the Air Force Reserve Officers Training Corps program, act as hostesses at military functions during the year, march in military and university parades, and give exhibition drills at basketball games. They also attend Arnold Air Society initiations and participate in activities with its members. For the first time this year, the Angels sponsored a rifle team.

At the annual federal inspection of AFROTC in the spring, the Angels receive special recognition. At the same time, the new ArchAngel receives her promotion.

The ArchAngel this year was Sandy Hansen, and the secretary, the second-in-command, was Katy Kugland. Captain Gordon Haffeman, an instructor in the AFROTC department, was sponsor of the Angel Flight.

Dick Godfrey presents badge to ArchAngel, Sandra Hansen.



Candidates for the 54th Military Ball, Janet Hawley, Judy Gardner, Mary Osbourn.

Top row: Katy Kugland, Judy Gardner, Fran Booth, JoAnn Hughes, Tana Moore, Anne Keller, Ann Morgan, Janet Hawley, Liz Fox. *First row:* Cindy Meyers, Mary Osbourn, Elizabeth Watt, Georgia Doll, Judy Weickum, Marian Delaurante, Sandy Johnson, Marcia Tippets, Kay Reber, Beverly Dye, Sandra Hansen, ArchAngel seated at center.

Air Force Honor Flight under the command of Commander Cadet 1st Lt. John B. Peterson.

Honor Flight ROTC Led By Cadet

The Honor Flight of the Air Force ROTC program at the University of Wyoming is commanded by Cadet 1st Lt. John B. Peterson. This organization is composed of basic freshman and sophomore ROTC cadets. The purpose of the Honor Flight is to provide an extra-curricular activity, voluntary precision drill team to perform at various parades, such as the Armed Forces Day Parade, and other activities on the campus.

Last fall, the Honor Flight entered a Drill meet at Lowery Field in Denver and captured second place. This spring the Flight attended drill meets at Ft. Collins, April 9, and Boulder, May 12.

Choralier Flight performing.

Choralier Flight under the command of Richard Liebsack.

AFROTC Drum and Bugle Corp commanded by Cadet 1st Lt. John C. Muller.

The Flight Instruction Program is under the instruction of Captain Haffeman. Students are, Dick Godfrey, Donald Gray, Craig Blackner, Patrick Florentine, Raymond Vos, William Cook.

As part of the Flying Orientation Program here are Cadet Aspinwall, Captain McCue of the Wyoming International Guard and Cadet Dudley.

Mike Cook was the first Cadet to solo this year.

The Flying Orientation program is a very important part of any cadets training. Here two identified men, Robert Cole, and Donald Bookout.

The Air Force ROTC Rifle Team: *First row:* Master Sergeant H. G. Herman, Don Whitley, Gerald McKay, Harry Gracia, Lawrence Bennett. *Second row:* Allan McConnell, coach, Frank Stamm, Utholf, David Bement.

Alpha Chi Omega Hashers Give Saturday Night Entertainment.

"Let's hear that again," was the cry at the Alpha Chi house. The hashers were entertaining. This is an old Friday night tradition at the sorority. There were other long imbued customs. One of these is the common shaving cream fights held between the actives and the pledges. Each year the pledges try and bombard the actives with shaving cream. As one pledge said, "At least we get back at them." This year the girls of the golden and pearl Lyre are celebrating their Diamond Jubilee on the Wyoming campus. They have much to show for this. As part of their altruistic work, the Chapter held their annual talent show at the Veteran's Hospital in Cheyenne. Active in campus life, they won the grand prize in the snow sculpture contest with a snow statue of a giant polar bear. AXO Sanda Mayer was selected WYO Queen attendant. Another beauty queen was Merrilyn Farthing, who was chosen Miss Frontier of the Cheyenne Frontier Days. Other sisters were active in organizations and honoraries. President Nelda Vines was a member of Mortar Board and prexy of Phi Upsilon Omicron, Home Ec. honorary. Chimes treasurer was Pat Veile. Spurs claimed Jody Fredericks and Ardis Picard; while Iron Skull picked Sandra McAuliffe and Pat Veile. Their activities did not stop there. Sandra Mayer, Jackie Loomis, and Joan Banks were members of Phi Gamma Nu, women's commerce honorary. There were more yet. Pat Veile kept up her average to become a member of the education honorary, Kappa Delta Pi. Dorothy Olson was chosen Glamour magazine representative. She was also a member of Pi Delta Epsilon, journalism organization. Officers this year were Nelda Vines, president; Ardis Picard, vice-president; Sharon Lundy, secretary; Jackie Loomis, social chairman; Jackie Pinson, pledge trainer. This year's housemother was understanding Mrs. Bessie Eby.

Chi Omega's Win Scholarship Cup For The Second Consecutive Year

Brains, brains and more brains. The Chi O's seem to have a monopoly on brains this year. This year the women of Chi Omega captured the scholarship trophy for the second straight year. They also took the Cheyenne Panhellenic Academic award. Not being contented with these two awards these girls also had the highest percent membership in campus honoraries. Theta Alpha Phi, Dramatics honorary claims Judy Ryun. Laura Hill is a member of Sigma Pi Sigma, Physics honorary, while Kay Clatterbuck, Beverly Johnson, Karen Lembcke, and Beth Dineen are active in Chimes. Spur editor, Jo Ann Legoski is aided in this organization by sorority sisters, Kate Gibbs, Sue Bardo, Kari Kay Keating and Peggy Paulson. Mortar Board claims the participation of Korine Sandman who acts as treasurer. Besides her duties as Senator-at-Large, Kay Clatterbuck has also been chosen as a Who's Who representative. The Chi O's do not limit themselves only to honoraries. This year these women placed third in both the Homecoming Sing and the Home-coming Float contest. Journalism is represented by desk editor JoAnn Legoski. Athletically minded, two girls, Karen Johnson and Virginia Johnson were on the ski team. Associated Women Students sought the help of Beverly Johnson, WAA representative, Korine Sandman, Vice President Delegate at Large, and Kay Clatterbuck. Juniors who saw service in Iron Skull were Karen Lembcke and Kay Clatterbuck. Officers this year were treasurer, Judy Kay; rush chairman, Korine Sandman; secretary, Beth Dineen; vice president, Joan Hill; and president, Karen Lembcke.

Taking time off from her obligations as Chi Omega President, Iron Skull and Chime member, Karen Lembcke, Laramie junior, shows off the Chi O trophies and trophy case. She is holding the sorority scholarship cup.

Tri Delta's Active in Campus Life, Win Sing and Miss U. W. Contest

Miss UW, majorettes, cheerleaders, pepsters, Senators, Who's Who'ers, Wyo Days stars, Mortar Boarders, Iron Skullers, Corpettes, Angels, Spurs and Chimes. The list could go on and on for the women of Tri-Delta. These girls are active in practically every phase of Campus life. They divided their time between winning beauty contests, honoraries, politics, and organizations at large. They even had some time to study with 19 pledges making their grades. It started in the fall with Patty Mikelson selected as cheerleader and Patra Preis who was selected as Pepster. Then Marcia Tippets, Sharon Stumpf, and Kit Pirie were elected majorettes. Not stopping their mad pace, Jane Metzler and Audrey Leichtweis were elected Senators. The three D's were well represented in the beauty field. Sharon Luond won the coveted title of Miss UW. Shirley Thorpe gained the title of Sweater Queen. Evelyn Downie was an Alaskan Image attendant. Talented Sylvia Field, Patra Preis, and Anne Keller travelled with Wyo Days. Who's Who and Mortar Board claimed Karin Erickson, Charlotte Hearn and Carolyn Kelly Sorenson. Louise McKnight was president of UCF. Kappa Delta Pi members were Caroline Macy, Patty Devereaux, and Diane Markley. Besides these, there were four members in Corpettes, seven Tri Delt's in Angels, and six members in Chimes. Treasurer of Phi Gamma Nu was Carol Schwabrow. Rosemary Barlow was secretary of Theta Alpha Phi, Dramatics honorary. This is just a small sampling of the many, many active members of Delta Delta Delta.

Kappa Delta's Snowman Captures First Place in Sculpture Contest.

Two first prizes topped the list for the Kappa Delta sorority girls. Not contented with first place, sorority division, in the Snow Sculpture contest, the KD's also walked away with the first and grand prize in the Homecoming Float exhibition. Social life went at a fast pace. Numerous exchanges and dinners were held. Besides the Pledge dance these women held a Spring Formal. Picnics, open Saturday night chicken dinners, and dancing in the basement consumed a lot of the campus life of the sisters. Mom Dorf, housemother, listened to the problems and confidences of her girls and looked the other way when big water fights were in the air. Among the campus stalwarts was Janice Elmer, winner of the Admiral Land award, and Associated Women Student's president. Barbara O'Connor was AWS Vice President. Sandy 'Faus hounded her Branding Iron reporters as this year's editor. She was also a member of Mortar Board. Nori Mees acted as coordinator of the campus radio program. Tete-a-Tete carried the byline of Kay Doto, Society Editor. Cowboy Joe's pals included Pepsters Fran Booth, Sue Elliot, and Nickie Kochiras. Lana Templeton was a cheerleader. Four Kappa Delta sorority sisters were elected into Who's Who—Janice Elmer, Sandy Faus, Kay Doto, and Barbara O'Connor. Cohorts of Chimes president, Barbara O'Connor, were Judy Burgess, Harriet Taylor, Jeanne Taggart, and Shirley Patch. Darlene Sandberg was a twirler and Judy Burgess was in Iron Skull. Dixie Martin carried the banner for Corpettes while Fran Booth claimed Angels as her shield. Active Spurs were Diane Elmer, Kay Klingaman, Nori Mees, and Karen Jackson. The KD's claimed the title of Sweetheart of Sigma Chi for the second straight year when Diane Elmer was chosen. Celeste McMillan was elected Homecoming Queen attendant while Fran Booth was chosen as a WYO Queen attendant.

Education major, Darlene Johnson, combines her duties as Kappa Kappa Gamma president, Kappa Delta Pi member, and Phi Gamma Nu active.

Weekly Charm School Held by the Members of Kappa Kappa Gamma

This year the Kappa Kappa Gamma's presented a unique feature in sorority life. Once a week they held a charm school for all actives and pledges. It seems to have paid off with Miss Sheila Brennan being chosen as Best Dressed Girl on Campus for *Glamour* Magazine. Beauty was represented in the KKG house by Maggie Webster, Engineering Queen attendant and by Miss Linda Phillips, Miss Wyoming and Miss Air Force Academy. Judy Smith, chairman of Wyo Days added to her staff Jeanne Burrows, Maggie Webster, and Linda Phillips. Big Wheel on Campus was Pat McDonald, Student Body Vice President and Mortar Board member. Peggy Blackwell was WYO Editor and Chairman of the Union Cultural Committee. Kay Osborne was Business Manager for the yearbook. Representing Scholarship was Kris Erickson, AWS scholarship winner. Sandy Hansen, Archangel of Angel Flight, was aided by her sorority sisters, Marion Delaraunte, Tana Moore, and Beverly Dye. Student Senate representatives were Joye Brown, Kris Erickson and Judy Smith. The Kappas placed high in the Homecoming activities with a second in the Float contest and a second in the Sing. This year also saw the advent of their new housemother Miss Hope Brunsen. The girls held a Tea for her in the early fall. The Kappas were honored with a visit from their national field secretary. Leading the KKG's was Prexy Darlene Johnson.

Everywhere you looked there was another queen. The Pi Phi's took first or second, or sometimes first and second, in five out of the five major queen contests. Then they added three more just for good measure. Katy Kugland was elected Homecoming queen. Engineering major Lynn Evans reigned over the Engineer's Ball. Nini Simon became Snow Queen attendant while Judy Gardner was officiating as Sweater Queen attendant. Meanwhile, Senator McGee selected Janet Hawley as WYO Queen and Ann Morgan as an attendant. However, the girls of the Golden Arrow didn't stop here. They also ran away with the title of Kappa Sigma Dream Girl in the person of Judy Flett. The Sig's choose Kay Kepler to preside over their Derby Day and the Sigma Chi Baby Ball. However, the girls of Pi Beta Phi did not claim beauty as their only asset. Two Sisters made Phi Beta Kappa—Kay Kepler and Sue Wiley Gilbert. Kappa Delta Pi members are Lucille Patrick, Sandy Erickson, Katy Kugland and Ann Johnson. Sheri Hanna roared before the crowds as cheerleader. Campus politicos enlisted the aid of five Pi Beta Phi Senators—Rosalie Apodaca, Education; Karen Kahleen, Kay Kepler and Mary Phyl Bever, Arts and Sciences; and Lynn Evans, Engineering. The sisters will never forget their Spring formal of 1959 and the Monmouth Duo. Nini Simon played in the "Solid Gold Cadillac". And Karen Kahleen was Wyo Days Chairman. There was more yet. Liz Fox, Judy Gardner, Katy Kugland, Georgia Doll, Janet Hawley, and Ann Morgan were Angels. Their arch rivals, Corpettes choose Nini Simon, Nancy Long, Tuni Stewart, Judy Martin, Merriam Cooper, Judy Sinko and Ann Atkins. Wyo staffers were Donna Evans, Ann Morgan, Gail Asiala, Nancy Long and Judy Gardner. Sue Ann Morgan and Judy Flett were Spurs while Lynn Harnsburger was a member of Chimes. Who's Who and Mortar Board claimed the services of Mary Lou Foreman and Kay Kepler. Housemother again was Mrs. Neary.

Annual "Night on the Nile" Dance Given by Acacia Fraternity Men.

Cleopatra danced. Mark Anthony watched. And so did the Acacia's at the annual "Night on the Nile" Costume Dance. This dance was a combination of ancient Egypt and modern Wyoming. Costumes ranged from Pharohs in cowboy boots to flaunting Cleopatras. Other organized social events were the Fall Pledge Dance and the Spring Formal. Some of the more disorganized social life included pledge-active mud fights and water bombings. Social life was not the only concern of the brothers. This year they took third place in football, basketball and softball at the Rocky Mountain Acacia Conference. Acacia's also placed first in the grueling Winter Carnival snow shoe race. Great advances were made in scholastics as the local chapter ran away with the National fraternity's Scholarship Improvement Trophy. Activity wise the men on University Avenue took third place in the Men's Homecoming Sing. They also won honorable mention in the float contest. Student leaders included Dean Peterson, member of the Joint Engineers Council. Robert Melonuk was a member of Phi Mu Alpha, music honorary, and Symphonia. Vice-President of Phi Delta Chi was Bob Gish. Alpha Zeta agriculture honorary, claimed Bruce Soderholm. Irv Skelton was active in Alpha Kappa Psi. Charity-wise, the Acacia's gave willingly to the Heart Fund. The brothers even donated a Sunday night dinner to a couple for the Telethon. They did advise married couples, only, to accept. The donors could not vouch for all the brothers with a free girl in the house. Heading the Masonic affiliated organization this year was Irv Skelton, president. Other officers were LeRoy Skinner, vice president, Stuart Hurdle, secretary, Jack Briggs, treasurer, Lyle Peterson and Terry Iverson social chairman and rush chairman, respectively.

Pledges of Alpha Tau Omega Send Unknowing Active to California

ATO pledges had had enough. They made a decision to get back at one of the actives. Doping up one of the actives, Jerry Kitchen, they put him on a train bound west—with no money or food. However, the plan backfired. When Jerry woke up in Ogden, Utah, he wired the pledges for more money—to go to California. The brothers also had an extremely good social year. Stringing over 1000 assorted bottles from the wall, the Taus held their famed Bowery Ball. Another social event held at the house was the Sack dance. Their dates, dressed in sacks, competed for the honor of Miss Sack of 1960. Miss Gail Asiala was chosen Queen. Other events were the Annual Conclave held in Denver and the Spring Formal. ATO, highest among old line fraternities in scholarship, are consistently among the highest on the Wyoming Campus. They are the oldest fraternity here, having been established in 1913. Prominent wheels on campus are ASUW senators Jerry Lane, Mike Sullivan, Don Thoren and John Hickman. Organization presidents are James Watt, ODK, Mike Sullivan, Iron Skull, and Brent Eastman, Phi Epsilon Phi. Mike Sullivan, John Watt, and John Hickman were chosen for Who's Who. Jerry Lane, track star, is one of the top high jumpers in the nation. He has attended two national meets in the East this year. Scabbard and Blade claims the service of Marion Gilmore, Gary Toftley, and John Lynch. Jerry Kitchen is Wyo photo editor. Housemother is Mrs. V. E. Biehn .

Ag senator and Farmhouse president, Lee Belden, is also a member of the agriculture Senior Livestock Judging Team.

Twenty-Five Members of Farmhouse Fraternity Join Agriculture Club

Not satisfied with having twenty-five members in Ag Club, Farmhousers also took four of the offices. Jim Rumney was president. Other officers were: Gordon Niswender, vice president; Leroy Reardon, reporter; and Bill Mueller, treasurer. This is right in line with the objectives of the fraternity. Their purposes are to build men; establish a bond between the brothers; establish a home for worthy agricultural students away from home; and to promote the welfare of the members —social, moral and intellectual. Socially the brothers had many activities. Among their most prominent was the Western Dance. Dates and members dressed in western clothes. The house was strewn with hay and western decorations. They also held a Semi-Formal dance this spring. Activity wise the fraternity was very active. Lee Belden and Colin Kaltenbach were in Omicron Delta Kappa and were selected for Who's Who. Lee Belden was also president of the Interfraternity Council. Gordon Niswender was veep of the Junior IFC. Phi Ep's included Dick Clark, Huey Dawson, Bill Mueller and Gordon Niswender. Student Senators were Dennis Daly and Colin Kaltenbach. Jim Moore expended his energies in the direction of Rodeo Club. He acted as rodeo manager and regional director. Other members of Rodeo Club were George Hittle, O'Leary Flock, Ed Jessup, Bill Phillips, Laverne Lofink, Joe Carmin, Dale Haefele, and Max Henthorne. Dwane Miller acted as president of Alpha Tau Alpha. Other members were Earl Boardman, Dennis Daly, and Larry Vyvey. Alpha Zeta, Ag honorary, claimed Jim Facinelli, Al Kilmer, Jim Moore, Jim Rumney, John Wasserburger, Dwane Miller and Max Henthorne. The men of Farmhouse were active in several other phases of agriculture. Al Kilmer and Bruce Richardson were both members of the Wool Team. Jim Doughty was on the Dairy Team. Dwane Miller gave his time to the Agronomy Team. The fraternity brothers didn't stop there. Practically every member entered some phase of Agricultural activity. On the Senior Livestock Judging team were Lee Belden, Dennis Daly, and Al Kilmer. Jim Facinelli, John Wasserburger, Jim Rumney and Colin Kaltenbach were participants on the Junior Livestock Judging Team. The sole female around was Mrs. C. B. Jenkins, housemother.

Bring out the Jugs. Spread the sawdust on thick. It's Kappa Sig Stomp time. The Stomp, held annually, is one of the most celebrated dances on Fraternity Row. Given in the fall this dance sees the brothers and their dates cavorting merrily. This fete featured Yokum style decorations and gunny sack attire. Handing out huge stuffed rabbits, the men of the Crescent chose their Playgirl at the Playboy pledge dance. Informal social events were the "Seven-Day-A-Week" club and the "Basement". The Kappa Sig's completed another successful intra-mural year placing first in both football and swimming. Among the varsity athletes, the fraternity brothers claimed almost the entire swimming team. Eastern division swim champs included K Sig's Ed Niethold, Mick Donovan, Mike Meade, Dave Hitchens, Chuck Brandenburg, Dennis Brittain, Brent Lewis, Dick Murphy, and Captain Ralph "Flip" Darr. Other varsity athletes were Bill Lutz and Jack Herrod, baseball, Monroe Hadden, basketball, and Ted Francis, football. Delta Gamma chapter saw many of the brothers partaking in the extra-curricular life of the campus. Sigma Tau members were Don Livingston and Joe Armijo. Bob Thorne and Phil Greth were active in Phi Delta Chi. Pi Delta Epsilon and Fourth Estate claimed the services of Buck Dalley. Fred DeBolt and Dick Fitzgerald donned the khaki's for Scabbard and Blade, military honorary. The members of Iron Skull were Don Livingston and George Martin. Mrs. Hope Price officiated as housemother. Milt Coulter was vice president while James Hillberry assumed the job of treasurer. Ron Davis acted as secretary for the group. Tom Jones was president.

Third row: Dwain Sims, Bob Sims, Frank Smith, Charles Thompson, Pat Thorpe, Bob Wampler, Jim Walden, Pat Wendt. *Fourth row:* Sid White, Richard Wilson.

Phi Delta Theta's Bare Legs at Bermuda Ball

In spite of numerous threats and injunctions aimed at cramping the social year, the Phi Delta Theta's managed to transform what might have been a grinding scholastic struggle into a fun filled year. The Phis started off in the fall with their Mardis Gras. Then came the campus renowned Bermuda Ball. Here the Phis bared their legs to the public at the spring formal. The dance is noted for its bermuda pants, formal style, and its bright pastel dinner jackets. The Phi Delts have another distinction on campus. They came through with another victory in the Homecoming float contest, making it the eighth in the last ten years. Brothers on the Skyline Champ football team were George Johnstone, Fran Sakmar, Fran Miknis, and Jim Walden. Jim also played in the East-West game. He was also elected Student-of-the-Month and Wyo King. The fraternity claimed five Who's Who members this year—Garth Foster, Don Glass, Dennis O'Farrell, Bill Beck, and Fran Miknis. Other BMOC were Bob Fisk, Religion In Life Week president, and Garth Foster, Delta Sigma Rho president. Adding their names to the list were Dennis O'Farrell, Pi Delta Epsilon prexy and Branding Iron news editor, and Bob Grieve, secretary-treasurer of Interfraternity Council.

Phi Kappa Theta has 52 National Chapters in the United States

Phi Kappa Theta, youngest fraternity on campus, is rapidly increasing in size. This year the Phi Kap's have 52 chapters and five colonies throughout the United States. The fraternity is based on the teachings of the Roman Catholic Church. Its base of operations is the nearby Newman Center. This year's social life was a happy but gaudy one. The men of Phi Kappa Theta could be seen tearing around the campus in their bright yellow and red sportscar (better known as a Willys Jeep). These men were sometimes seen sneaking, rather than tearing, through fraternity park, blithely painting their initials on various sorority walks. Among their other social activities was the annual Founder's Day Banquet held April 29. This banquet is given for the graduating seniors and the alumni. They also held a Pledge formal in the fall and a yearly Spring Formal, besides numerous exchanges. Campus activities attracted Donald O'Connell and Ray Brush, Iron Skull, and Marc Pasquini and Jim Becker who were members of Phi Delta Chi, national pharmacy honorary. Bob Scott was president of the Newman Club. Outstanding alumni in Wyoming are Bishop Newell of Cheyenne and the former Mr. Joseph Sullivan of Laramie. Guiding the group this year was Donald O'Connell, president. Other officers were Jim Becker, vice president and social chairman, and Hubert Shaeffer, secretary.

Sparking the men of Sigma Alpha Epsilon to another exciting year was president, **Ben Holberg.**

Whiskered SAE'S Hold Bushman's Hop

Heralded by the coming of new stubble on the Sigma Alpha Epsilon chins, the annual spring Bushman's Hop was held. As part of the festivities the brothers tried to see who could grow the longest beard. Another famous dance held by the Men of Minerva was the Undertaker's Ball. SAE's picked up their dates in an old hearse. Coffins, caskets and black clothes are all part of the nights fun. The yearly trek to the Lakeside Country Club was made for the Founder's Day celebration. The campus activities, honoraries and honors are almost too numerous to mention. However, the Sig Alph's pinning serenades and musical prowess is unparalleled on campus. The Tramps, fraternity quartet, has made two records. In athletics the brothers are in eight intercollegiate sports—football, baseball, basketball, soccer, tennis, swimming, skiing, and track.

Sororities and Dorms Compete for Honors at Sigma Chi Derby Day

Hundreds of girls wearing the famed "Sigma Chi" on their blue-jeans were the result of the annual Sig Derby Day. One of the major events of the social year, it was eagerly anticipated by the six houses on sorority row. Competition in the kissing contests, egg throwing events and the beautiful body entries was very strong. Another highlight of this year's social events was the Sigma Chi Sweetheart Ball. The climax of the evening was the crowning of the Sweetheart of Sigma Chi, Miss Diane Elmer. In the fall, the pledges sponsored the Baby Ball. Brothers and their dates costumed themselves in diapers, short pants and other attire. In the spring the Sig's held the Jungle Jump, African costume dance. Other more informal social events were ski parties at Winter Park and mountain picnics in the spring. The Sigma Chi's were not limited to parties and dances. They were prominent in practically every phase of campus life. Among this year's significant Sigma Chi's were Tom Dawson, senator-at-large of the ASUW and president of the Young Democrats; Craig Blackner, University Theatre Star and Theta Alpha Phi prexy. Charlie Brown, ASUW senator; Max Rardin, ASUW senator and president of Psi Chi; John Maxfield, IFC president; Lee Holmes and Thomas Chivington, Varsity tennis players; Bill Nelson, Poke basketball guard; Jerry Profitt, University band, drum major; and Dave Bonner, vice president of Phi Epsilon Phi and Branding Iron Sports Editor. Mrs. Nora Willett was Sig housemother. Other officers were Tom Dawson, president; Bob Fiero, vice president; John Maxfield, secretary; Roy Cline, treasurer; Gregg Jackson, social chairman; and Kim Krueger, rush chairman for the brothers of Sigma Chi.

Sigma Nu's Win Scholastic Honor

The Sigma Nu's did it again. They won the scholarship trophy for the seventh straight semester. One of the features of their superior scholarship is the annual pledge-active grade contest. The group with the highest grades get steaks for dinner while the losers eat beans. The brothers have also won the Gallahor trophy for three consecutive years. This trophy is awarded to the Sigma Nu chapter with the highest grade point average. Putting aside the books, the Snakes had time for a hectic social year. The Chanticleer, held each spring, lasts for two straight days. They also hold a White Rose of Sigma Nu. Intramurally the brothers placed second in both football and swimming. Another first for the fraternity was the Homecoming sing. They have won it for the last three years. There are six senators in the house: Hohn Hanes, Gary Brown, Bill Dale, Russ Donley, and Tom Kuypers. The brothers are in practically every activity on campus. Snakes are in Scabbard and Blade, AED, Sigma Tau, Who's Who, Iron Skull, and Phi Epsilon Phi.

Sigma Phi Epsilon's Hold Annual Sunrise Breakfast on Sorority Row

It's 6 o'clock in the morning. All across sorority row one can hear the clanging of old tin pans and the harsh ringing of cow bells. It's the brothers of Sigma Phi Epsilon holding their annual Reville Roundup. Each year the Sig Ep's honor all the sororities by holding a breakfast in the middle of sorority row. Besides these early morning festivities, these men hold many other social events. Among the more famous are the Queen of Hearts Ball, the Winter Formal, and the Pledge dance. Spring picnics are another sport that is freely enjoyed by the SPE's. Assisting local charity drives was another main function of the fraternity. This year they collected all of the donations for the Heart Fund Telethon—staying up three straight nights to do it. The Heart Fund is a National Sigma Phi Epsilon philanthropy. It was chosen partly because of their heart shaped pins. The brothers are easily identified by their bright red vests. This is a custom that stems back to 1901. The members, whose colors are red and purple, started wearing the vests as a symbol of their fraternity. Big Men on Campus this year were Don Sailors, Who's Who and Sigma Tau, and Gus Eastman and Larry Emmons, Iron Skull. Other participants in campus activities were Jay Barrus, Alpha Kappa Psi, Commerce Men's honorary, and Jack Crittenden, Scabbard and Blade. Allyn Wells, Lyle Anderson, and Mac Harding were in Phi Epsilon Phi, while Gus Eastman was a member of Chi Gamma Iota, veteran's honorary. Ed Cole was county chairman for Interfraternity Chaplain's Council. Don Sailors was also active in Kappa Kappa Psi, men's band honorary, and Omicron Delta Kappa. He also attended the PiDE Gridiron Banquet held in March. Officers were Steve Hall, president; Ed Cole, vice president; Gus Eastman, secretary; Ron Farabee, comptroller and Allyn Wells and Lyle Anderson, historians. Housemother was Mrs. Ralph Espach.

TKE'S Largest Fraternity in Nation Take Float Homecoming Award.

"On to the Row" is the battle cry of Tau Kappa Epsilon fraternity. The Tekes, fastest growing fraternity on the campus, have high hopes of moving to Fraternity Park in the next two years. The Tekes are the largest international men's fraternity. They have over 160 chapters in the United States and Canada. Getting on the row is not the only activity of the fraternity. Social wise the TKE's hold their annual gala French Cabaret dance. This event finds the house decorated in true Left Bank Parisian manner. Tekes and their dates can be seen as apache dancers, Marie Antoinettes, and other French figures. These men take an active part in campus activities. During the past school year they have won second place in the Homecoming Float contest. They also won honorable mention in the Snow Sculpture. Grade wise Tekes were well towards the top with an overall grade point average of 2.4. However, the brothers didn't stop with scholarship and campus activities. These men also contributed their share of campus leaders. Jay Abbot was president of the American Society of Civil Engineers. Ken Platte was elected head of the Protestant Students Council and Treasurer of Interfraternity Chaplain's council. Ray Vos was president of the Joint Council of Engineers. Other campus Big Men were Mark Read and Jerry Busch, Iron Skull, and Tom Dixon, Tom Carter, and Tom Neal, Phi Epsilon Phi. Members of IFC were Cal Chastain, Tom Neal and Wilbur Heflin. Guiding chieftains of Tau Kappa Epsilon this year were Wil Heflin, president; Cal Chastain, Vice President; Duane Weber, Secretary, and Lanny Myers, Treasurer. Housemother was Mrs. Francis Howard.

President Wilbur Heflin plans for the new TKE house to be built on Fraternity Park.

Freshman
Woman's Dorm

Dorothy Williams, president of the freshman girl's dormitory, Hoyt Hall, conducts all meetings and activity programs.

Dorm housemother, Mrs. Meilor, guides her girls through all phases of life.

Hoyt Hall Bowls with Pop Bottles and Golf Balls Late at Night

What's that racket. Why it's the girls of Hoyt Hall bowling with coke bottles and golf balls. But it's midnight. Yeah, but it's traditional. In fact, it's almost as good as the traditional Thursday afternoon teas. These are two of the oldest traditions held at the Freshman girl's dorm. Hoyt Hall, exclusively for freshmen women, has another old custom. That is the word "Geronimo". The minute the word is yelled all the doors are slammed shut simultaneously. This may happen ten different times a night until points aid in stopping this custom. These women held functions with the Sigma Nu's in November and April and with the Air Force ROTC Choraliers at Christmas time. Freshmen girls, the enigma of senior women, seemed to pick up practically all the honors on Campus. Kit Pirie was selected as a majorette. Dixie Martin was an attendant to the Sweater Queen. In the Miss Wyoming contest Sharon Luond reigned as Queen while Marion Delaurante was her attendant. WYO Queen and attendant were Janet Hawley and Fran Booth. Four cheerleaders were freshmen—Lana Templeton, Claudia Hamilton, Sherie Hanna, and Patti Mikelsen. Fran Booth and Sue Elliot acted as Pepsters. Engineer attendants were Margaret Webster and Sue Elliot. Mrs. Meilor was housemother.

Janet Hawley sits in her typical freshmen's room in Hoyt Hall. Sharing the room with her are three other freshmen—Kay Testelon, Jeanne Mercer, and Sherie Hanna.

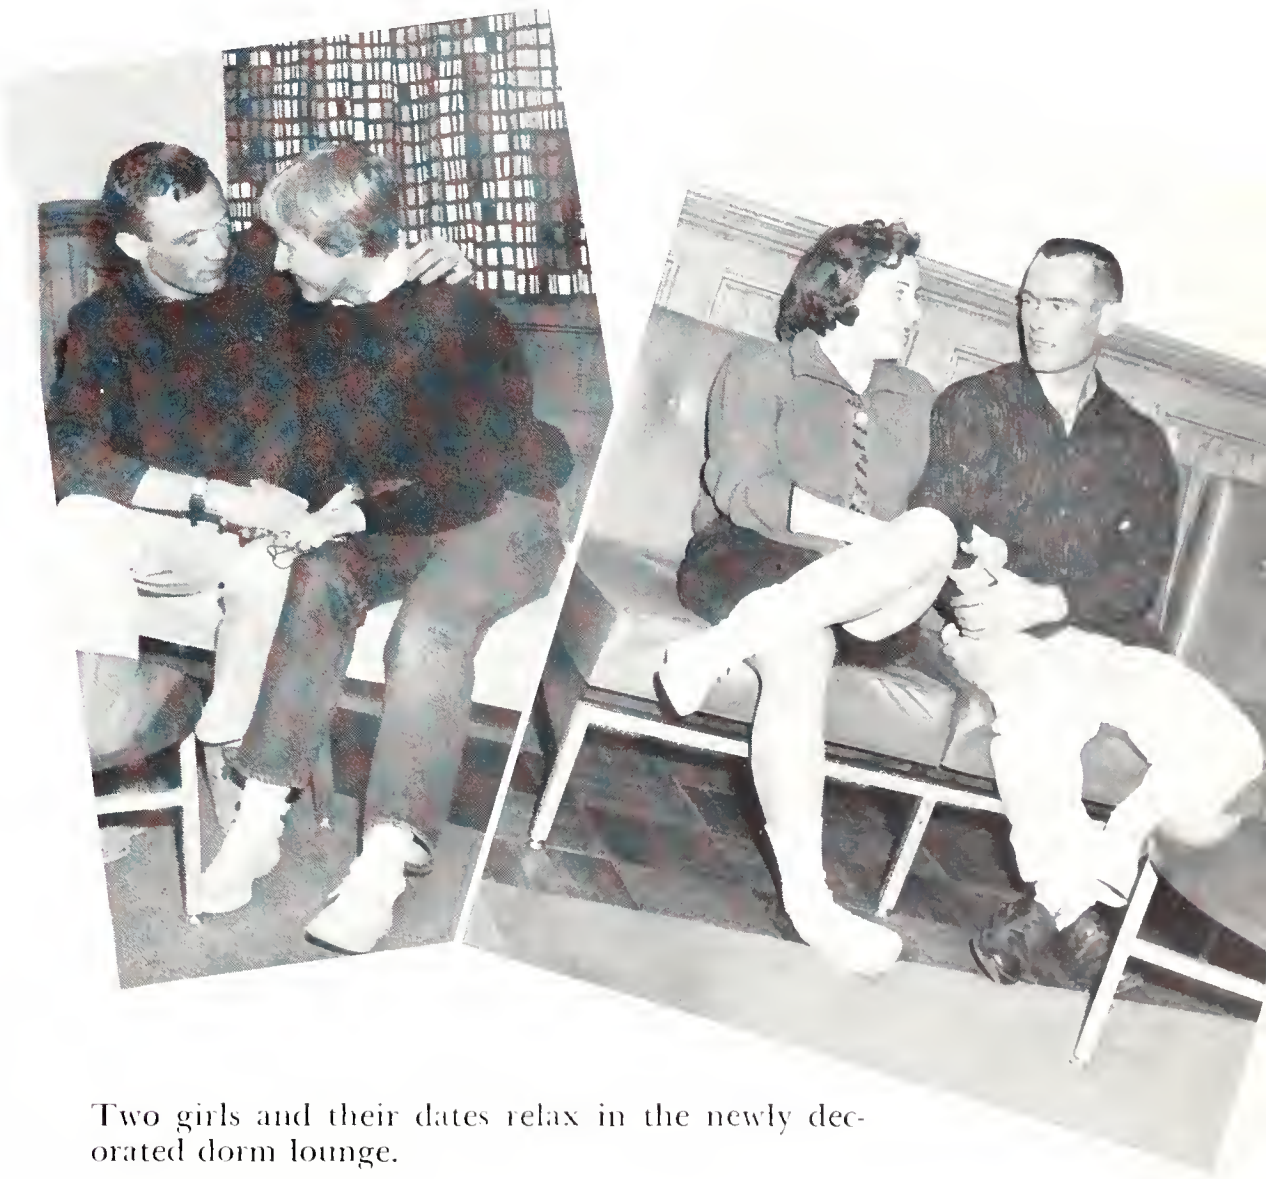
Knight Hall Takes First for Independents in Homecoming Sing

September found 225 upperclassmen and freshman girls calling Knight Hall their "Home away from Home." In October the halls rang with busy preparation for Homecoming. Mary Ann Matejovitz directed 80 hall girls in the Iron Skull Sing. They took first place in the Independent division. The remainder of the girls worked on the float which took third place in the same division. November came and these women got ready for their yearly fall dance. The Casino dance showed that they could have a good time dancing and gambling—for play money. In February, Knight Hall took another coveted prize. Peggy Bower was chosen to reign over Winter Carnival. She was chosen over eight other contestants. March rolled in to find them walking away with the championship in the Women's Athletic Association's basketball tournament. Elections were held in the spring. Those elected were Veronica Peeks, president; Nancy Belus, vice president; Judy Anderson, secretary; Penny Meyers, treasurer; Nita Hacker, AWS representative; and Carolyn Wright, freshman representative. Springtime also saw the girls involved in various functions with the men's dorms and the fraternities. Throughout the year the women of Knight Hall entered into many activities. They claimed four Spurs, Judy Anderson, Donna Fogelsanger, Penny Myers, Mary Gould and Carole Bowman. Chimes claimed one member, Roberta Kerr. Tau Beta Sigma had Janet Heath and Veronica Peeks as members. Betsy Blaire participated in Iron Skull, Junior Class honorary. Women's Commerce organization, Phi Gamma Nu, selected Kathy Chionis and Mary Smith. Mrs. P. Giddy was housemother.

Veronica Peeks and Gloria Bertanolli relax in their three girl room at Knight Hall, women's dormitory.

This year's dorm officers are Judy Anderson, secretary; Veronica Peeks, president; Penny Meyers, treasurer; and Nancy Belus, vice president.

Knight Hall president, Veronica Peeks, takes a phone call on telephone duty.



Two girls and their dates relax in the newly decorated dorm lounge.

Wyoming Hall president, Cliff Osborne answers the switchboard.

Dorm officers from left to right are Gene Brown, George Gibson, Dick Erickson, Darryl Christenson, John West, Cliff Osborne, George Krell, Mark Shubert, Bob Wilcoxon, and Jim Ortman.

Shower shoed and T-shirted, Dorm member studies in the lounge.

WYO Hall Gives Christmas Board

Wyo Hall has started several traditions in the few years they have been on campus. Every year, in the fall, they hold a Christmas party honoring the maids and resident director, Miss Vicars. This party is usually given in the form of a Smorgasboard dinner. Another major event for the Hall is their All School dance held in the spring. This year the men donated half of their profits to the Heart Fund Telethon. Every year officers are elected to the Hall council. The purpose of this group is to act on all discipline cases. Another tradition that has developed is the "Sunday Night Maverick Club". On Sunday evenings, the lounge is overcrowded with members. Second in popularity is the "77 Sunset Strip" club. Prominent members of the Dormitory are Charles Doctor, President of United Christian Fellowship. Mel Lemon is president of Arnold Air society while Francis Zahler was elected into Phi Beta Kappa.

Trying to study among the debris and "Kitch to San Jose" sign in his room at Wyoming Hall, is Freshman Engineering major, Phil Peterson.

The student is a vital part of athletics. He is there to cheer his university's successes and to bemoan its failures. Without this, the victories would lose much that make them seem desirable.

Yet, the student learns from athletics. He learns of sportsmanship, which contributes to his code of ethics. He learns that without fair play and rivalry there can be no great moments of glory and elation. With this in mind, the student is as much a part of athletics as the athlete with the pounding heart.

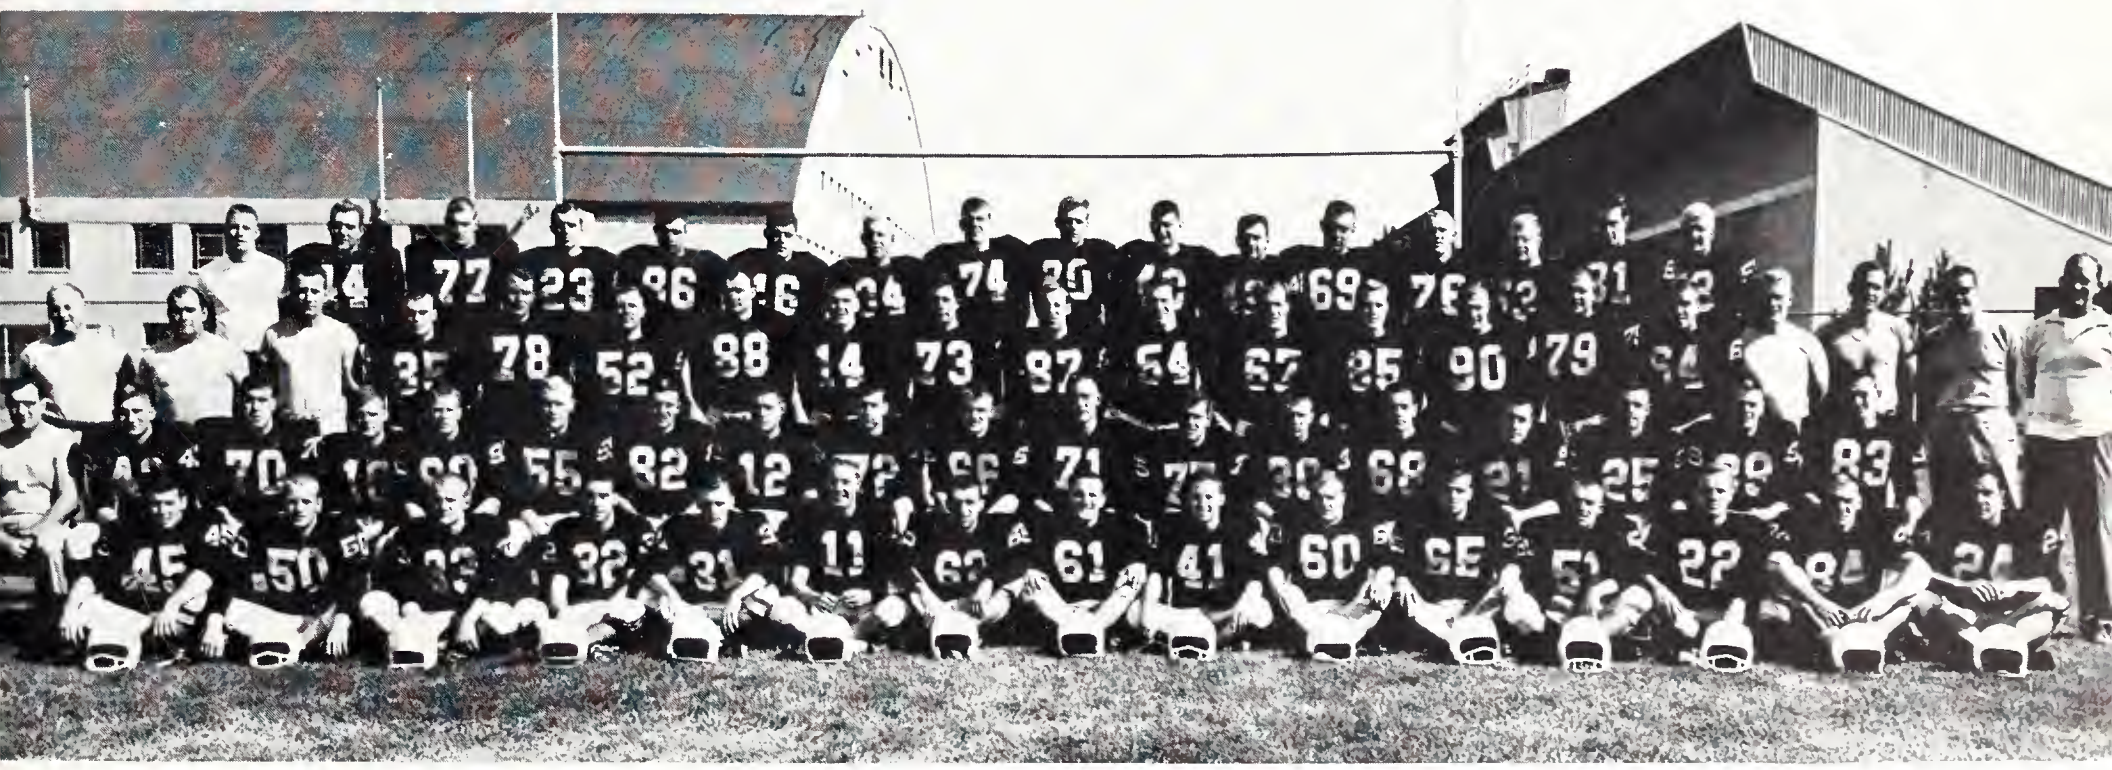
The Athletics

Dick Hamilton, Cowboy right halfback, strides for yardage against BYU. Wyoming defeated the Cougars for a Homecoming win.

Pictured above are John Melton, freshman backfield coach, Carl Selmer, head freshman coach, and Jack Aggers, athletic trainer. Lloyl Eaton, defensive line coach, Jim Ross, end coach, Bob Devaney, Wyoming's head football coach, Mike Corgan, backfield coach and John Tobin, offensive line coach.

Skyline Champs



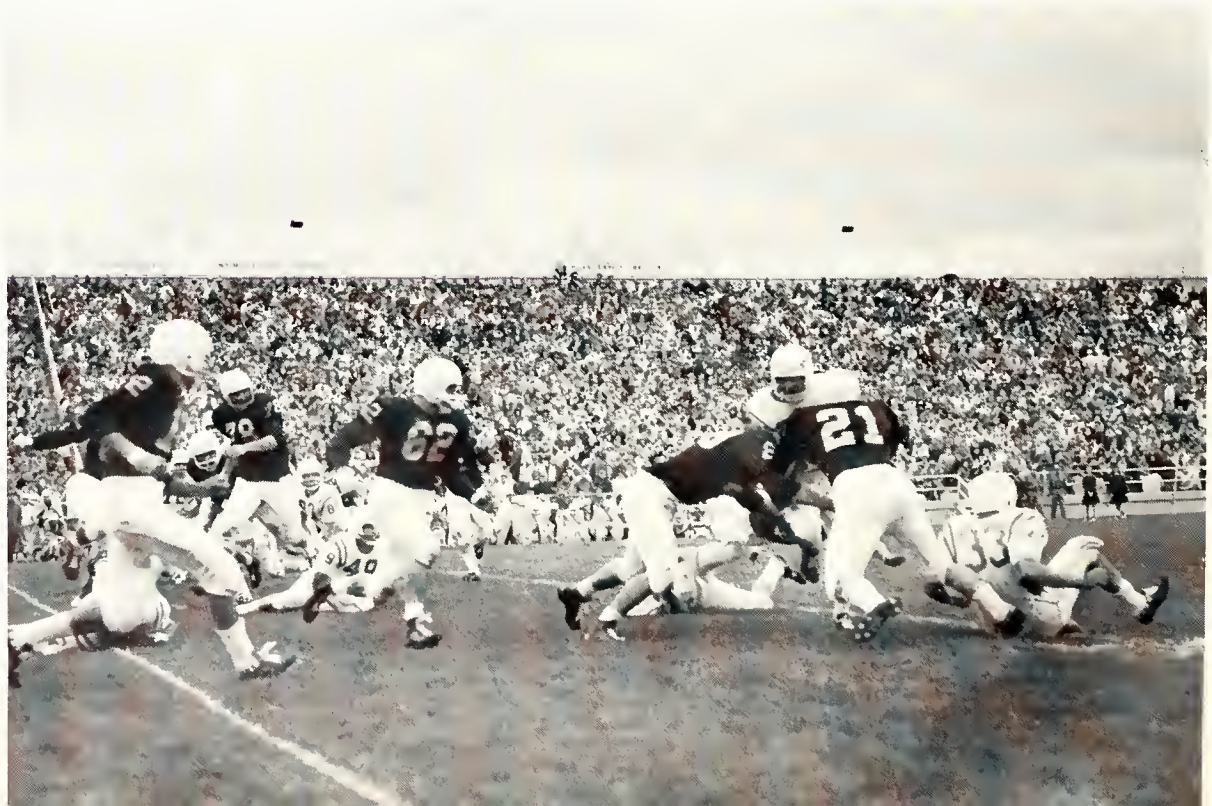
Jock Furrer sets to receive a downfield pass.

Above: Dick Behning right halfback, and Bud Bishop right guard. *Below:* Ted Brownlee right end. The determined Poke team resisting an Air Academy drive.

The 1959 football season saw Wyoming's Cowboys return to national prominence with the finest team since Bowden Wyatt's 1950 Gator Bowl champions. Bob Devaney's warriors compiled a 9-1 record on the way to their second Skyline Conference championship in as many years, and only a one-year suspension from post-season play by the NCAA kept them from another bowl bid. An early-season loss to the Air Force Academy marred their record, but on the strength of impressive intersectional wins at North Carolina State and San Jose State and seven games without a loss in Skyline play, the Pokes ended the season ranked 16th in the nation by the Associated Press and 18th by the United Press International. Head Coach Devaney was named Skyline coach of the year for the second time; quarterback Jim Walden, halfback Jerry Hill and guard Len Kuczewski were named to the all-conference team, and Walden was among the 24 gridders named to play on the West team in the East-West Shrine game January 2 in San Francisco.

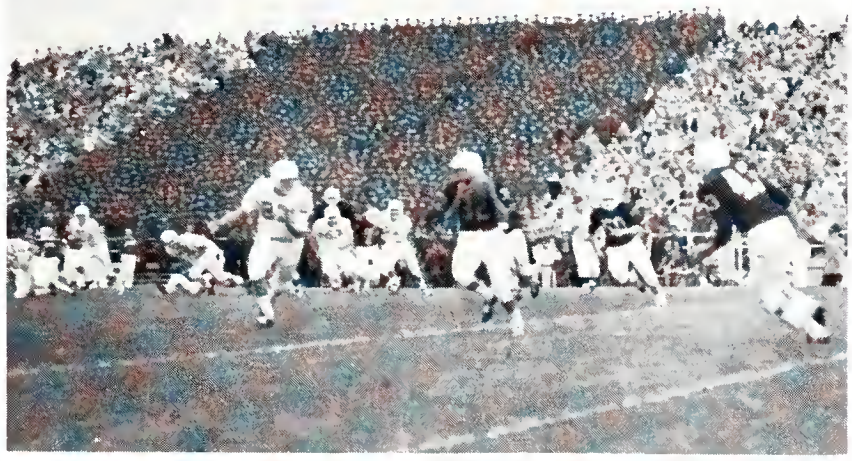
The Cowboys opened the defense of their crown in rather convincing fashion September 19 in Billings, Montana, with a 58-0 rout of the Montana University Grizzlies. After the starting unit had run up a 28-0 advantage at halftime, the reserves showed the depth and balance of the team which was to carry them to a successful season.

A record crowd of 20,527 jammed War Memorial Stadium to watch the Pokes do battle with the Air Force Academy Falcons September 26 for the mythical championship of the Rockies. Fumbles told the story in the Falcons' 20-7 triumph. Two recovered fumbles in Wyoming territory led to Air Force touchdowns and a Wyoming fumble thwarted a Cowboy drive inside the AFA 10-yard line late in the game. Although the Pokes came out on top statistically, the opportunists from Colorado Springs left the field as victors.



"Mom, even though I lost my two front teeth in last week's game, I still wouldn't trade this game of football for anything in the world. It certainly has its advantages too . . ." Here the team takes time out from a busy practice session to have their picture taken with Homecoming Queen finalists Katy Kugland and Celeste McMillan. Later in the week the men from Laramie rode to a 21-6 victory over the BYU Cougars.

Air Academy cadets watch as Dick Hamilton grabs a Falcon pass and starts his run to the six-yard line.



Mark Smolinski rushes to help a teammate stop Air Academy's Phil Lane on the Poke thirty-one.

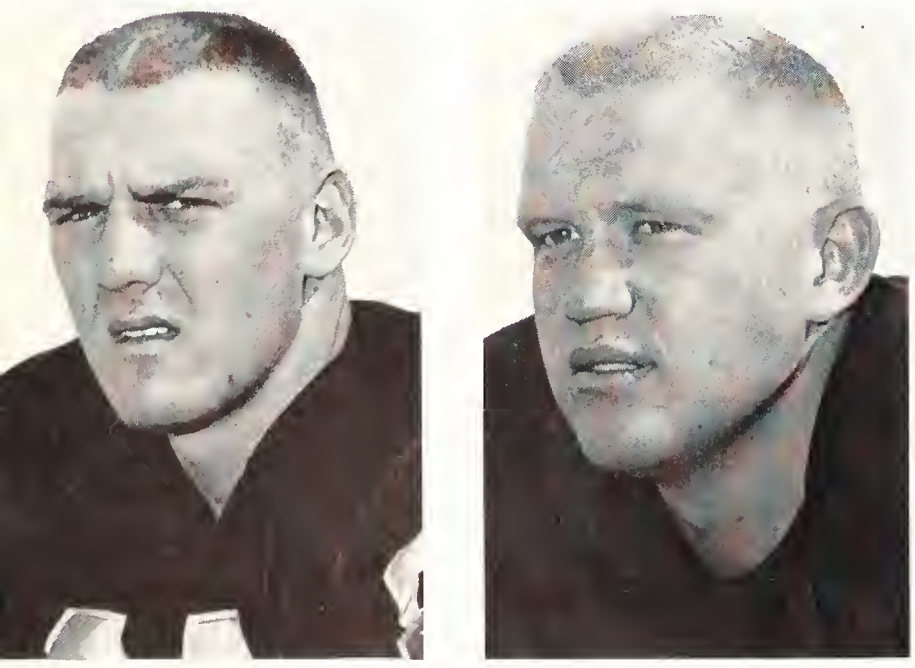
An embarrassing situation? Wyoming's Dick Williams thinks it couldn't have happened to a nicer guy.

Jim Cole fullback and Howard Colling left tackle.

Dick Hamilton maintains a firm hold on the pigskin as he is captured in this example of gridiron action.

Joe Dempsey quarterback and Jim Echtermeyer left end.

Ted Francis left end and Dan Grego left tackle.



Outweighed 32 pounds per man in the line and playing dispiritedly after their loss to the Air Force, the Cowboys left the field at halftime the following Saturday in Laramie behind 2-0 to the Utah State Aggies. But the Pokes roared back in the second half to score four touchdowns and walk away with a 27-2 victory. Jerry Hill carried eleven times for 122 yards in a great individual performance.

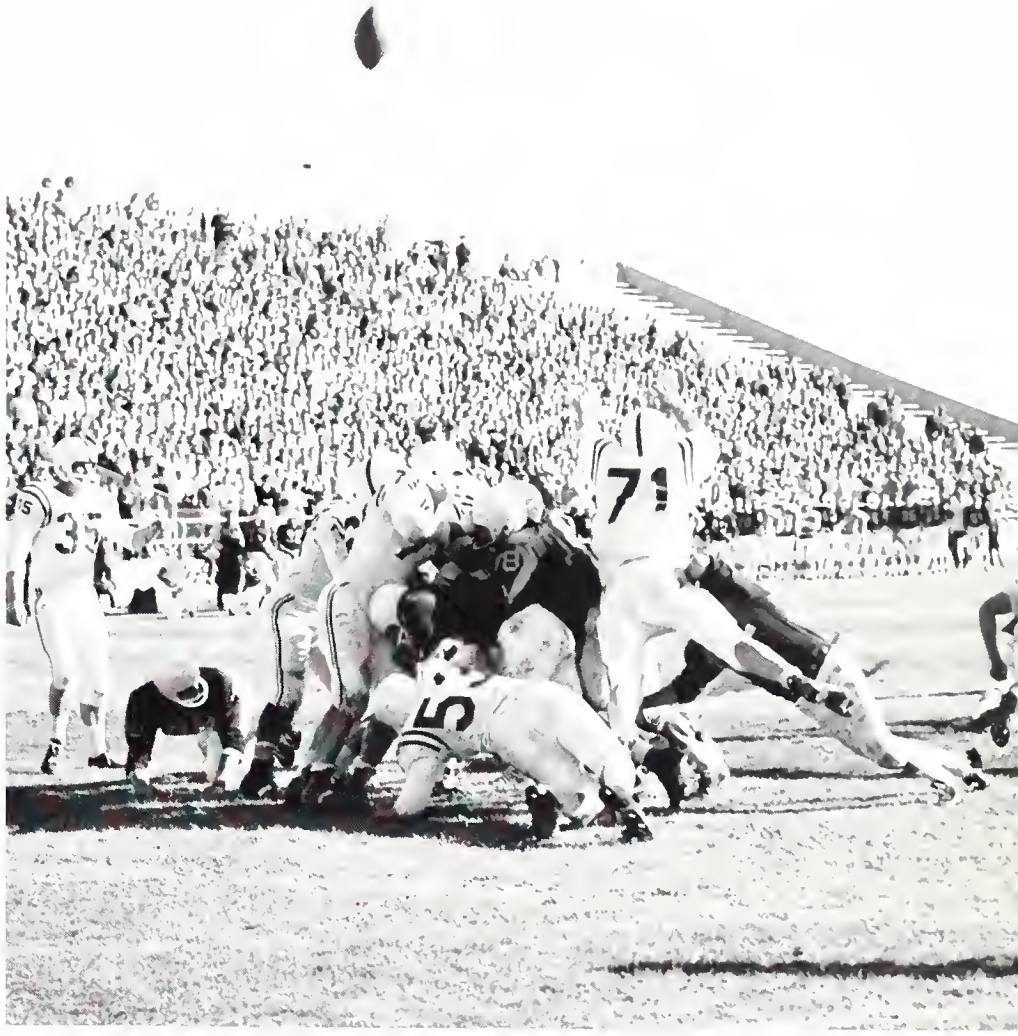
Saturday October 10 the Rams from Colorado State University invaded the Cowboy corral for a game supposed to decide the Skyline championship. Leading 6-0 after another slow first half, the Waddies rose to the occasion and blasted their way to three quick scores, then settled down to shut out CSU and take a 29-0 decision. This triumph once again installed the men from Laramie as odds-on favorites to cop the title.

Another second half comeback turned the trick for the Cowboys against a tough Brigham Young Cougar outfit and enabled them to chalk up a 21-6 win and maintain their perfect record in conference play, October 17 in Laramie. The Cougars threw a scare into the Wyoming fans in the first half of their Homecoming game, but failed to ruin it as they have in the past. Their fourth quarter touchdown was the first in conference play scored against the Pokes. The BYU game ended Wyoming's home games for the year and sent them off on a five game road trip to close out the season.

Pokes Spoil Utah Homecoming

The following Saturday in Salt Lake City the Cowboys disposed of another threat to their title and spoiled the Utah University Redskin's Homecoming with a 21-7 victory. Once again the "Light Brigade", the Wyoming line, outfought a much heavier Ute line and helped the Pokes to their first win over Utah in Salt Lake since 1955.

Donning their ten-gallon hats, the men from Laramie left the Skyline grid wars for a trip back to the east coast and a game with the North Carolina State Wolfpack at Raleigh, N. C. They showed off enough of their western culture to walk away with a spectacular 26-0 win and spoil another Homecoming. Wyoming's great defensive play was almost overshadowed by the stunning individual performance of Jim Walden. The "Mississippi Gambler" ran for two touchdowns, passed for another and set up the fourth with his pin-point passing accuracy. The Pokes left the Easterners with a healthy respect for Skyline football.



There is that elusive pigskin again. Marty Hamilton appears to be on his hands and knees looking for it, and the tangle of Utah and Wyoming players must think it is in there somewhere too.

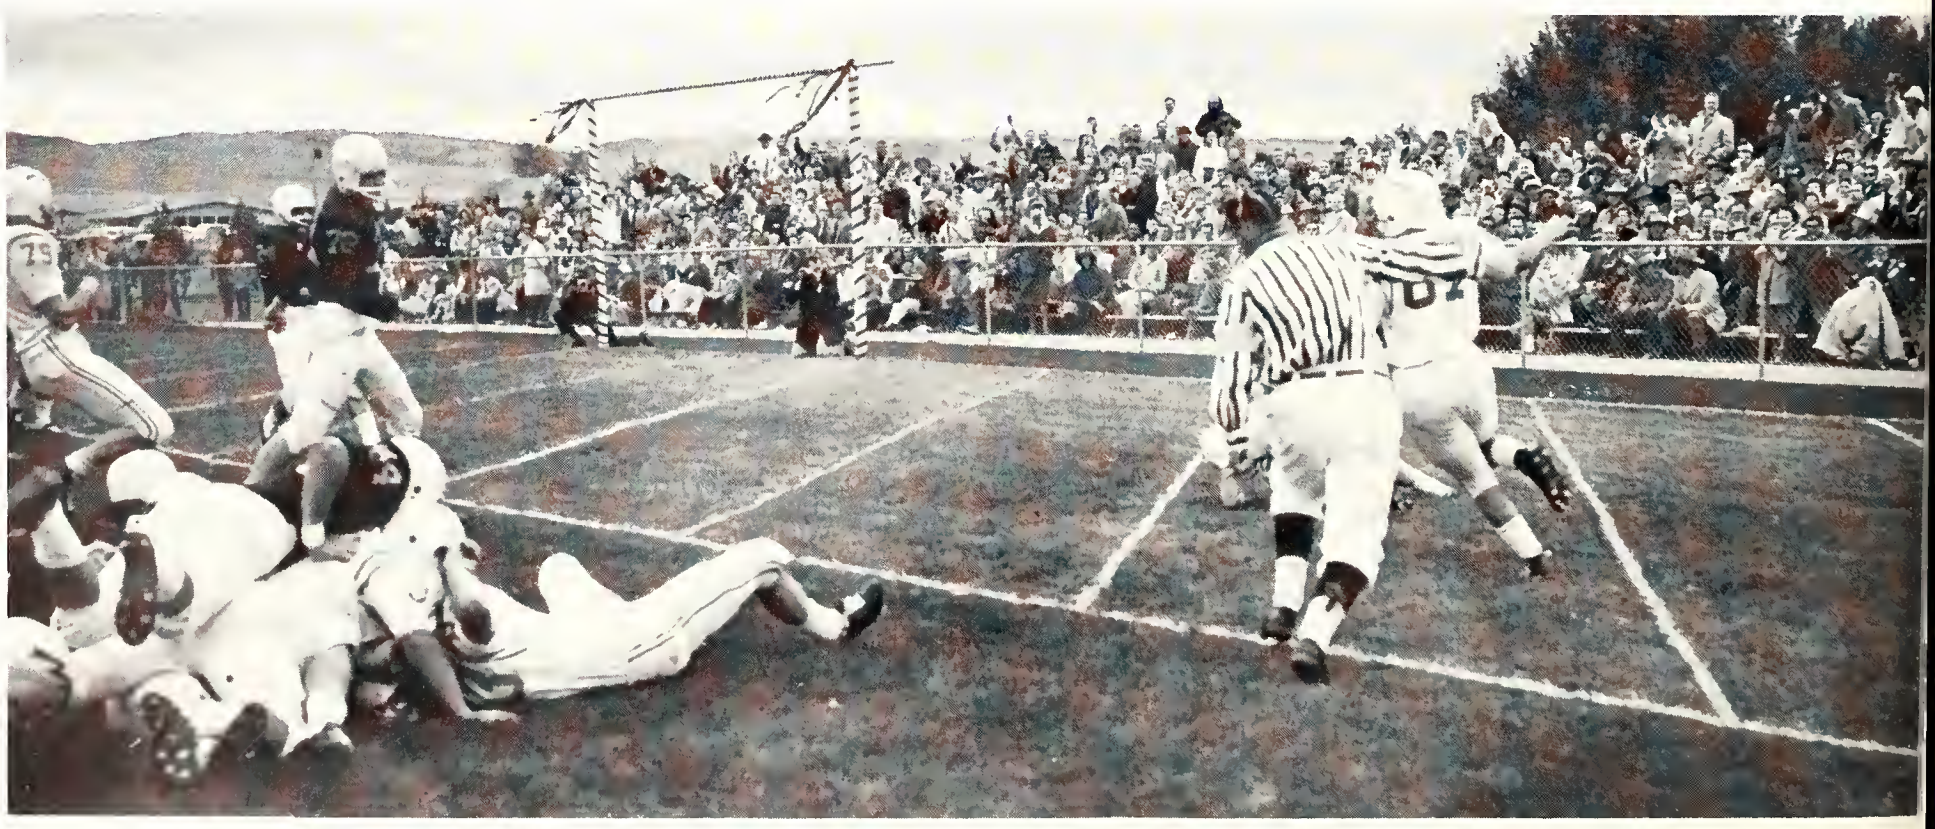
The lowering western sun sends long shadows over the plains of Wyoming. In War Memorial Stadium the final seconds of the Saturday afternoon game tick away. With the sound of the gun a victorious Cowboy team heads for the locker rooms. Today's game is now but a memory, but oh, what a memory. Imagine beating those Aggies from Fort Collins 29-0. Tonight we'll really have a reason to celebrate.

Wyoming's Bob Coeling sweeps up the end for a gain of seven yards to his own forty-four yard line, while Bill Trout 65 runs interference. Colorado State University's Nard Robinette 80 was blocked out on the play. La Vern Kahls 62, who is coming up, finally brought Coeling down from behind.

Cowboys Hold Spartans

Saturday November 7 found the Cowboys on the Pacific Coast playing the San Jose State Spartans under the lights in San Jose Cal. Against the nation's top passing team, Wyoming's pass defenders, rated fifth in the nation, turned in a great game, holding the Spartans to one score as Jerry Hill and Dick Behning led the Waddies to a 28-7 victory. It was the Pokes' seventh win and their fourth Homecoming win in as many weeks.

The Air Force Falcons enter the end zone for six points. In the background the crowd which occupied a section of specially erected bleachers may be seen. Despite low overcast skies and a damp breeze a record number of football fans turned out for the region's most highly publicized game.



Jan Grossnicklaus halfback and Howard Guill guard.

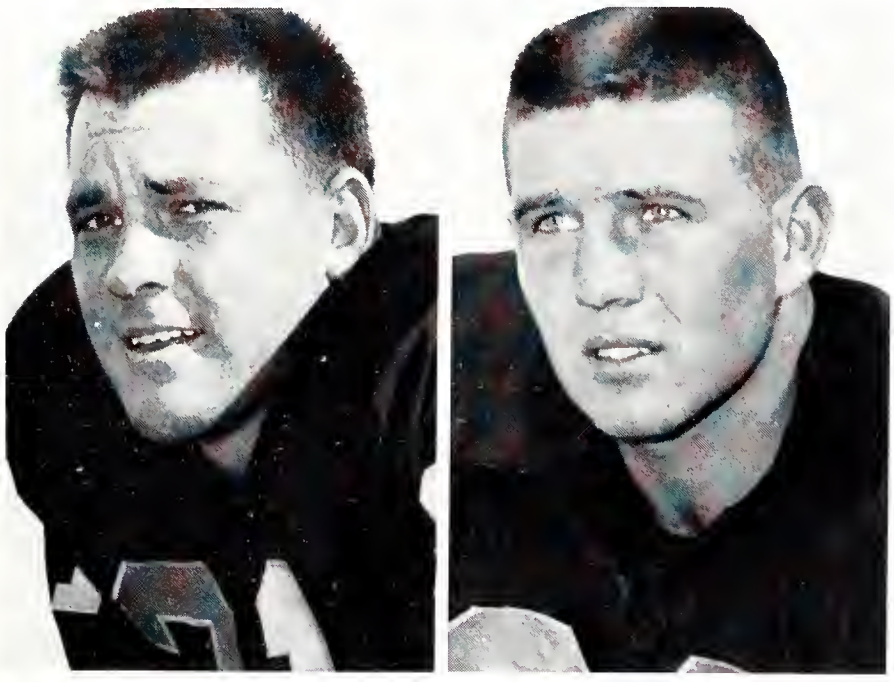
Dick Hamilton halfback and Marty Hamilton end.

Three Pokes All-Conference

An interesting side light to the 1959 football action was the selection of three Wyoming players to the Associated Press All-Skyline football team.

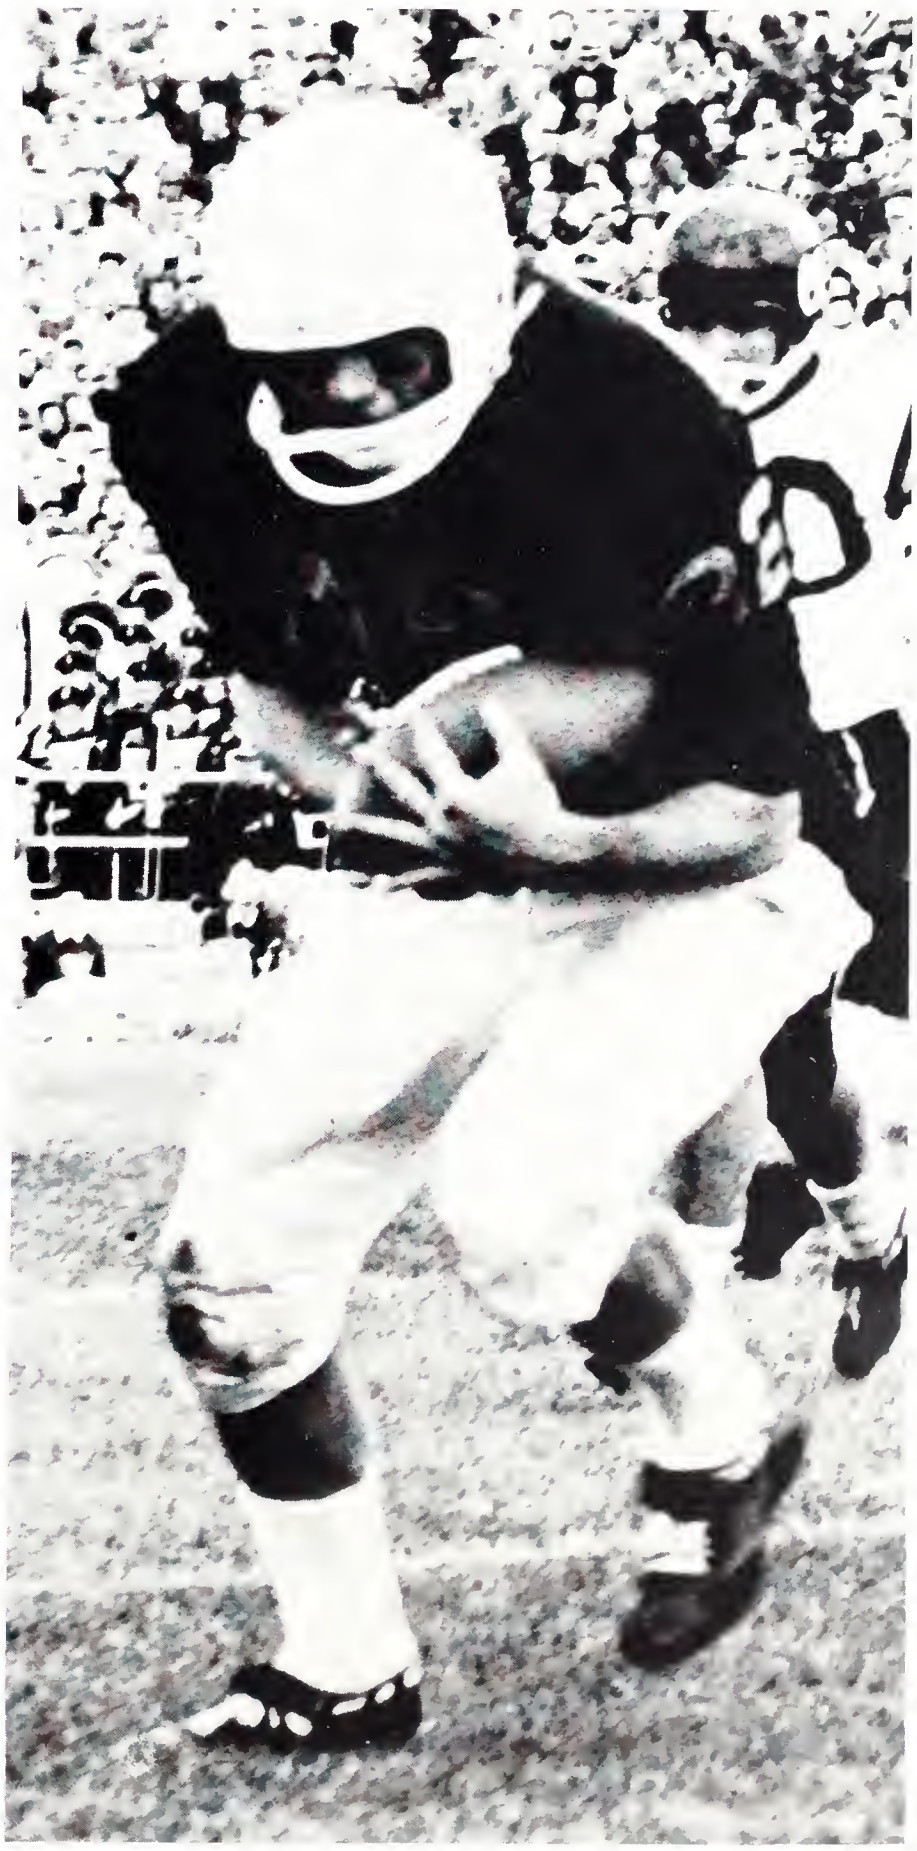
A nearly unanimous choice was accorded quarterback Jim Walden "The Mississippi Gambler." Walden, who led the Skyline in total offense and passing, was definitely a strong factor in Wyoming's successful season. Also accorded honors was Poke team captain Len Kuczewski, senior guard, who is remembered for his part in the famous "Light Brigade."

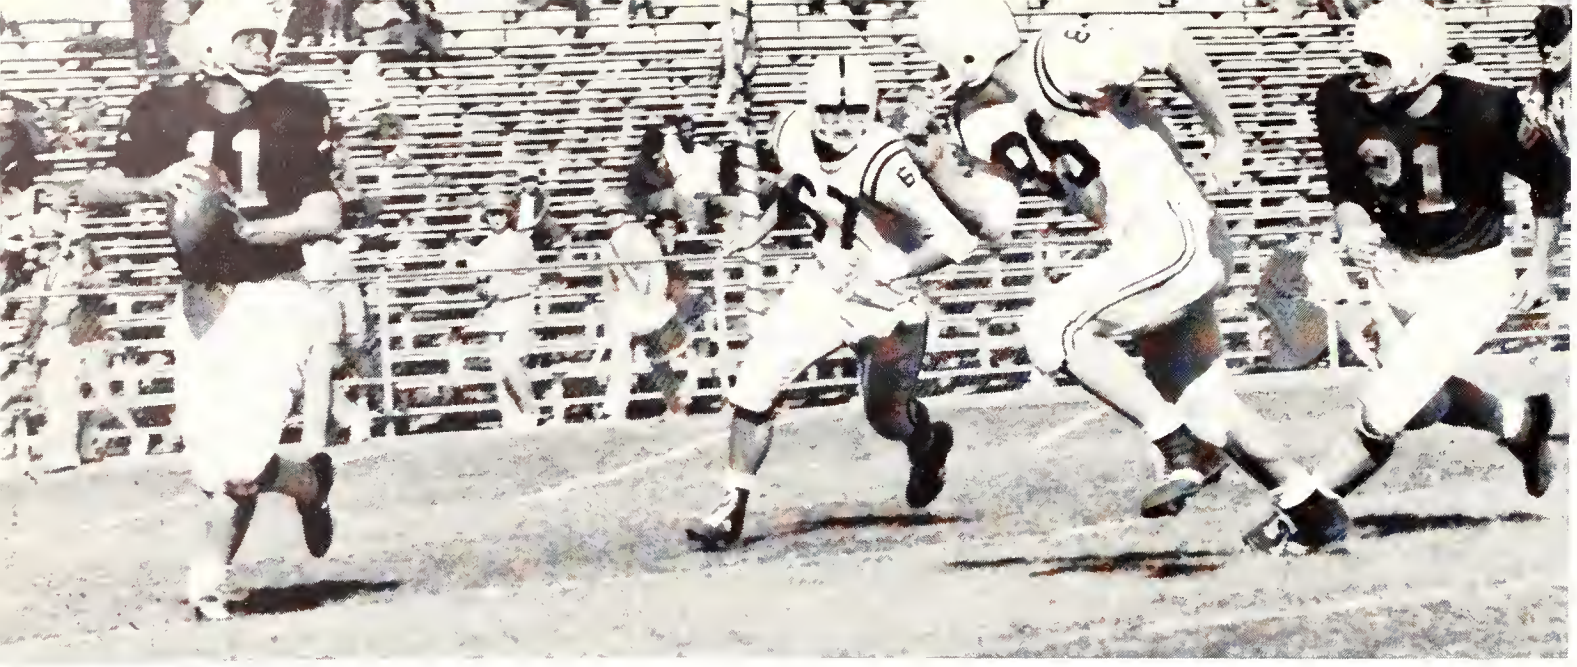
Native son, Jerry Hill, was the only junior named to the eleven man line-up. Hill led the Cowboy team in rushing and scoring.



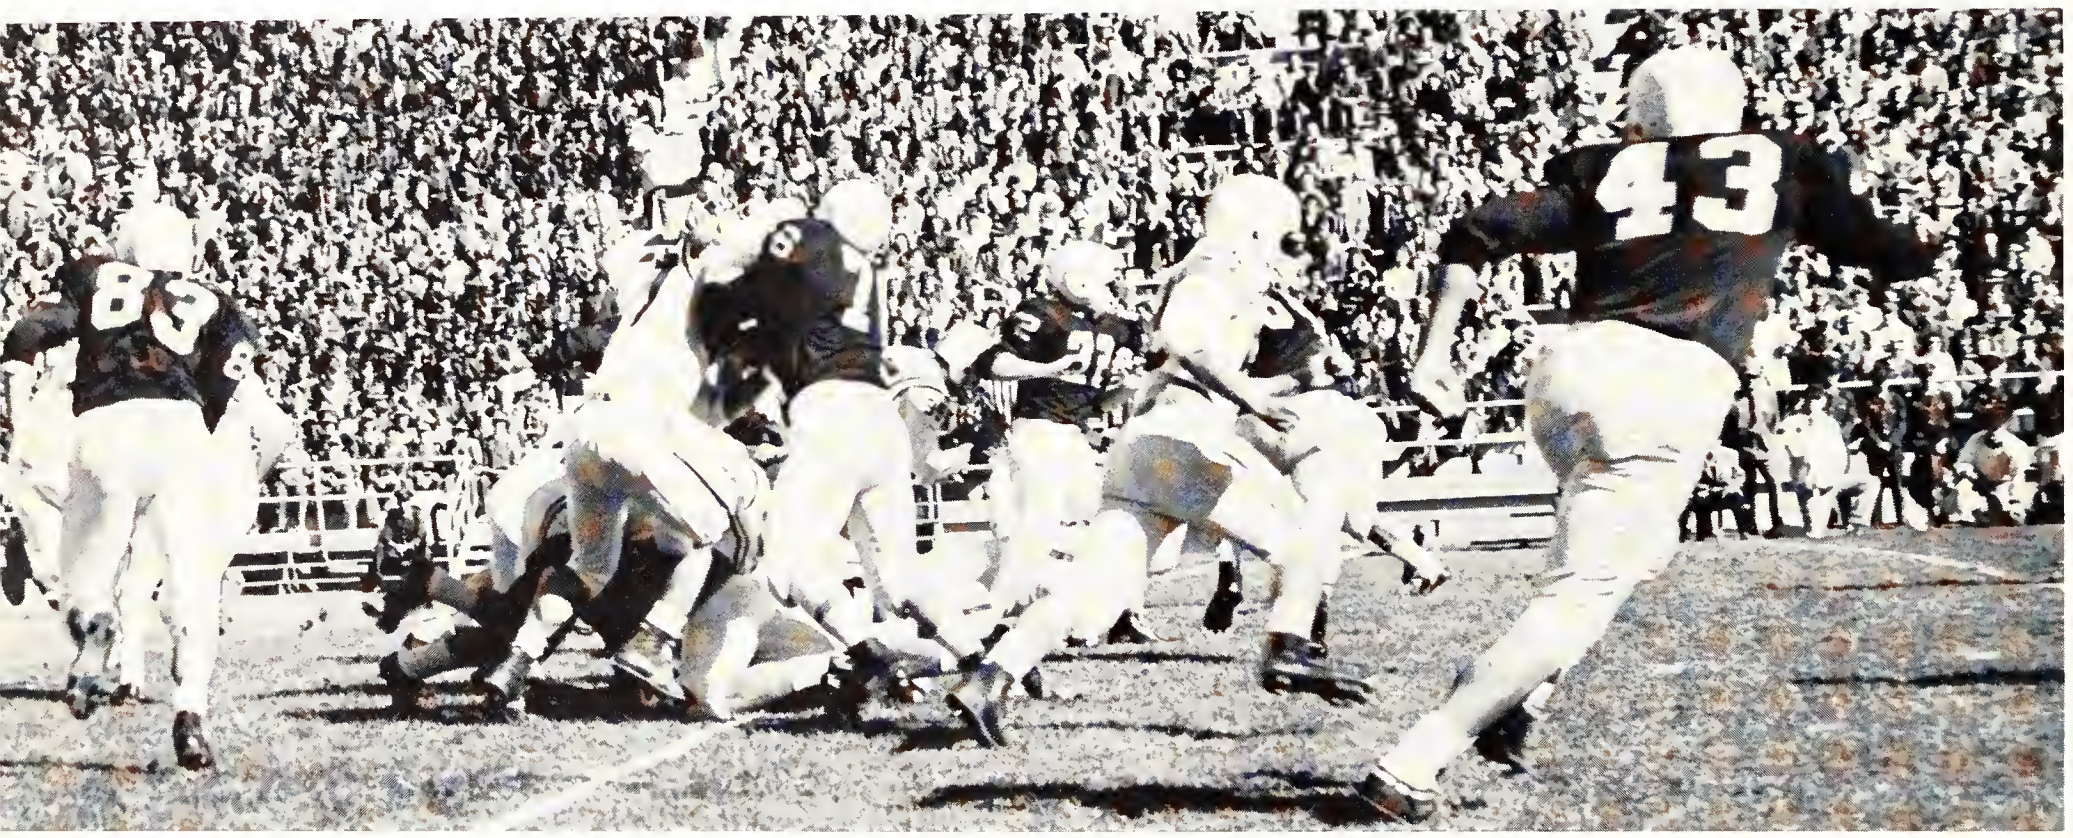
Jerry Hill left halfback and George Johnstone end.

At right is pictured George Johnstone as he heads upfield with the football in the Wyo-CSU game.



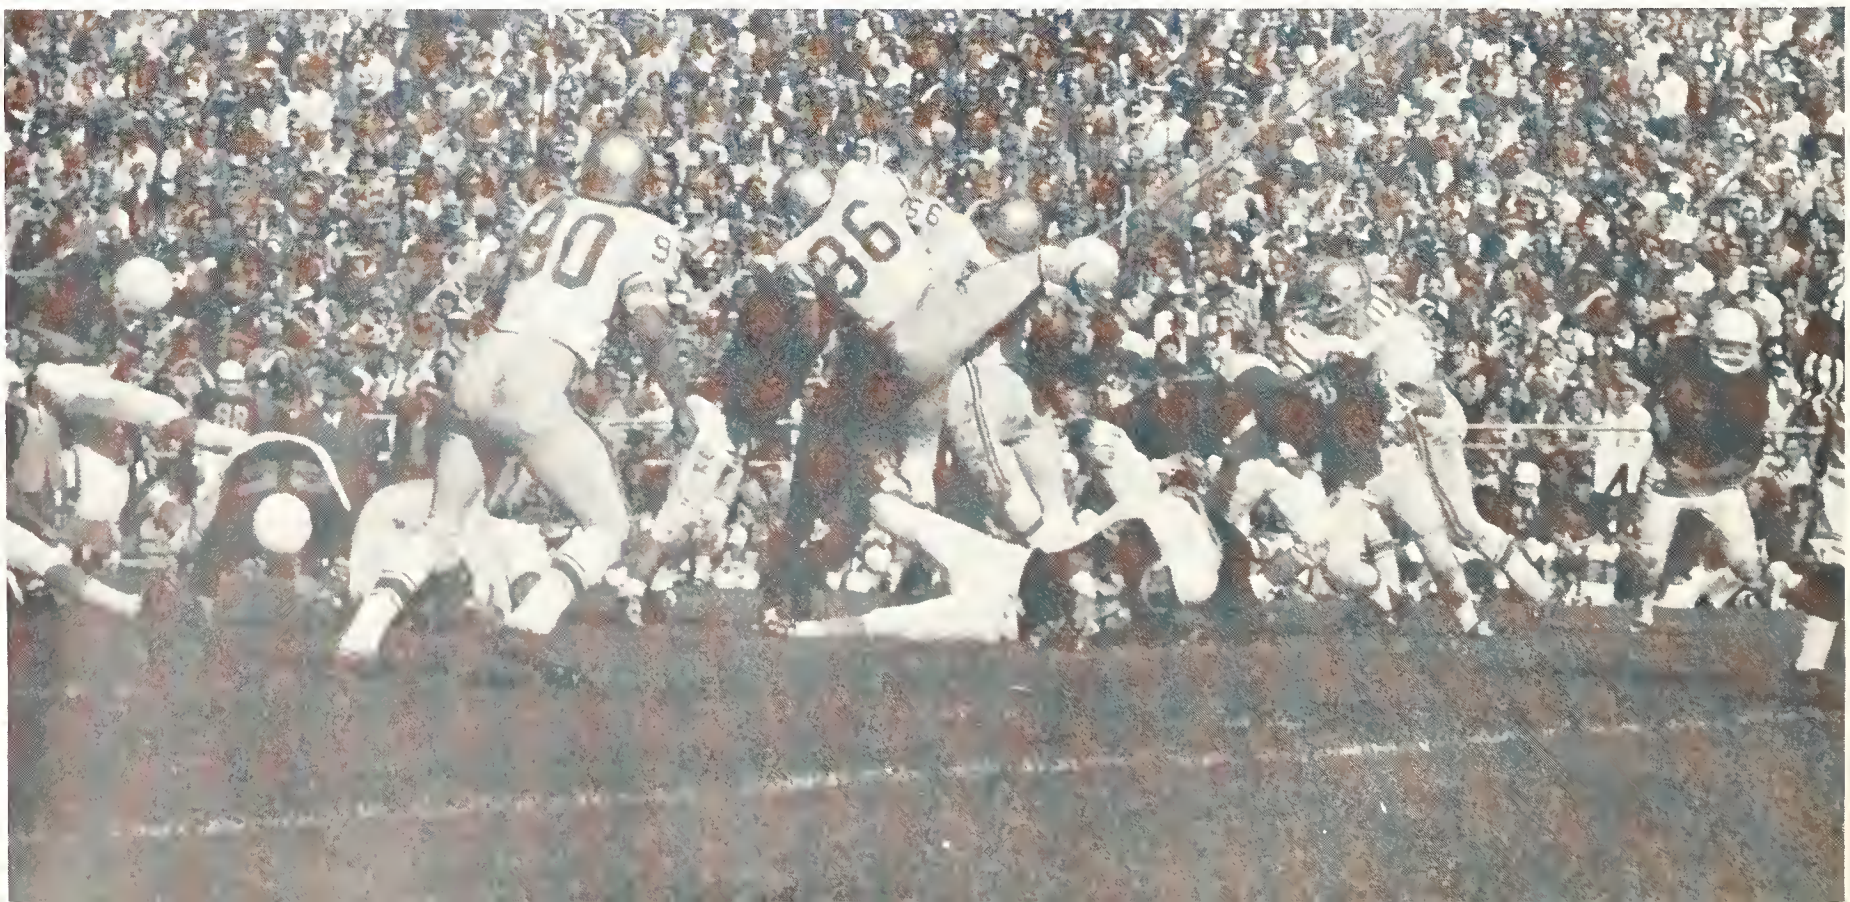


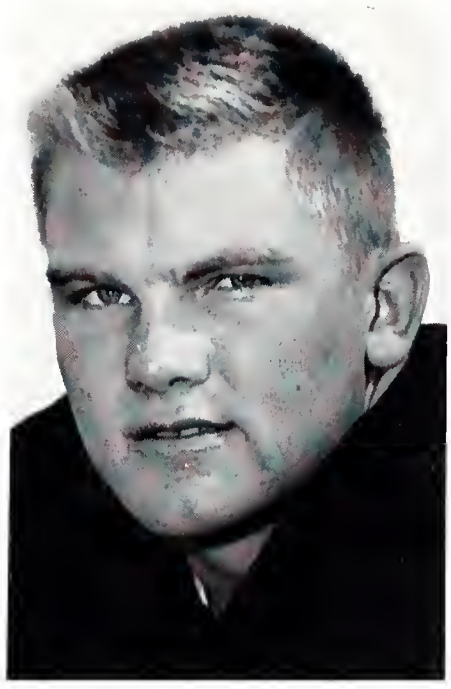
Jim Walden back to pass was a common sight to Poke fans.

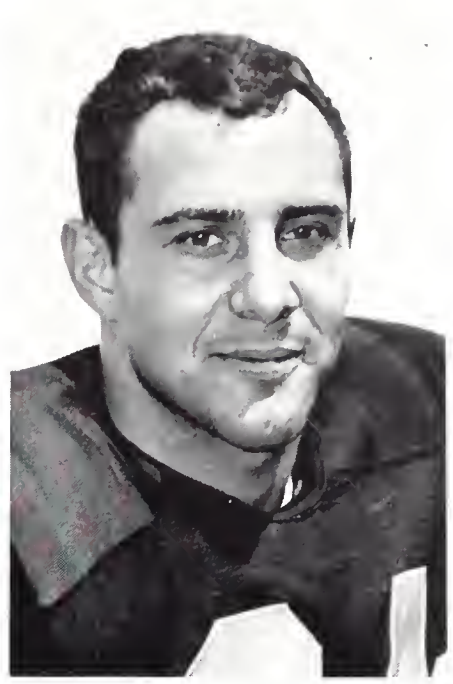


Wyoming's line in action against the Utah State Aggies. In the foreground are Jim Echtermeyer 83, and Mark Smolinski 43. Tackle Dan Grego 76 is attempting to add an unidentified "farmer" to the heap.

In a fourth down situation Wyoming successfully punts downfield from their own forty yard line. A large Homecoming crowd at War Memorial Stadium watched the Pokes and the BYU Cougars battle back and forth on the gridiron during the first half. Only in the fourth quarter were the Coyboys able to roll up fifteen points. The Cougars had to content themselves with one TD in the final minutes.







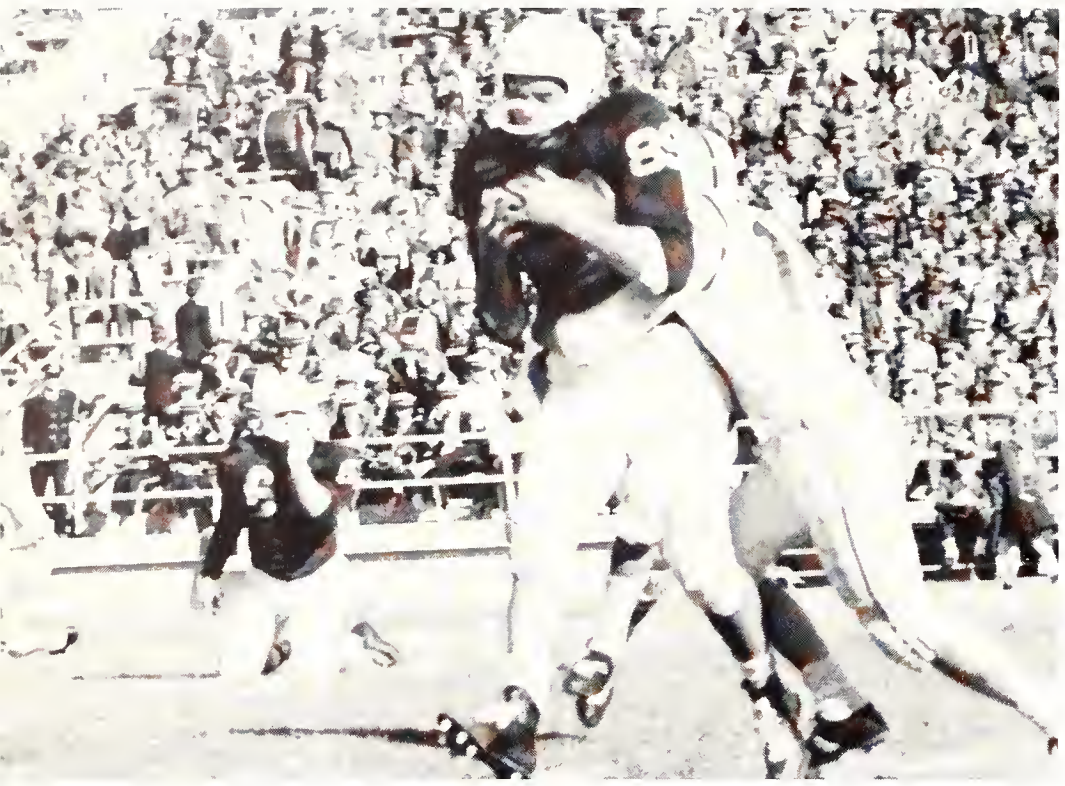
Pictured above from left to right are Gary Jozwiak, right halfback, Leonard Kuczewski, left guard, Daryl Matthews, left guard, Jerry Maxwell, right tackle, and Sandy Meggert, left halfback.

Returning to conference play, the Cowboys journeyed to Albuquerque to face the highest hurdle in their title race in the New Mexico University Lobos, and cinched a tie for the championship with a heart-stopping 25-20 triumph. After holding San Jose to minus 13 yards on the ground, the Wyoming line faced their biggest job of the season against New Mexico and came through. But it was Jim Walden's pass to halfback Dick Hamilton good for 78 yards and the winning touchdown that pulled the game out of the fire for the Pokes. The play came with 2:50 left in the game and Wyoming trailing 20-19, and easily rates as the "Play of the Year" in Cowboy football.

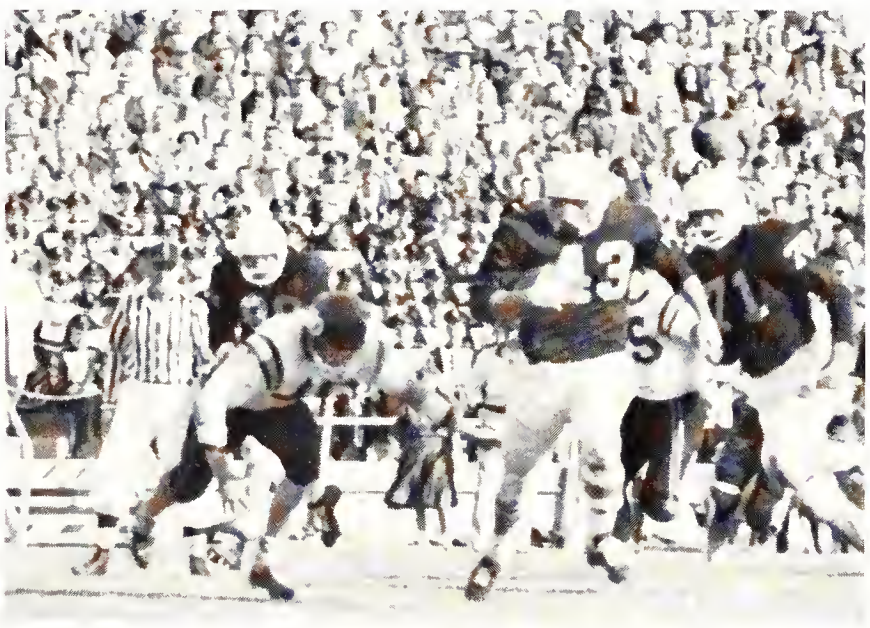
The Cowboys finished the season as they started it, routing the Denver University Pioneers in the traditional Thanksgiving Day game at Denver. Forty-five hundred shivering Wyoming fans watched the Pokes break the game wide open with four touchdowns in the first quarter and go on to a 45-0 conquest. Coach Devaney played all 55 men on the squad in the game that gave the Waddies undisputed claim to the Skyline Conference championship for the second consecutive year.

Wyoming	58	Montana University	0
Wyoming	7	Air Force Academy	20
Wyoming	27	Utah State	2
Wyoming	29	Colorado State U	0
Wyoming	21	Brigham Young	6
Wyoming	21	Utah University	7
Wyoming	26	North Carolina State	0
Wyoming	28	San Jose State	7
Wyoming	25	New Mexico U	20
Wyoming	45	Denver University	0

Wyoming fans hold their breath as Ted Brownlee attempts to bring down the pigskin. Four Utah State players appear to have the very same idea.



On this second down play Marty Hamilton is definitely stopped by a persistent Utah State player. Poke guard Pat Smyth 61 watches from his knees.



Mark Smolinski 43, junior fullback from Roger City, Michigan dances away from an unidentified CSU player.

Wyoming Cowboy's freshman team was undefeated in the 1959 season. The freshmen are brought to the University on scholarships, and learn the finer points of college football by scrimmaging with the varsity.

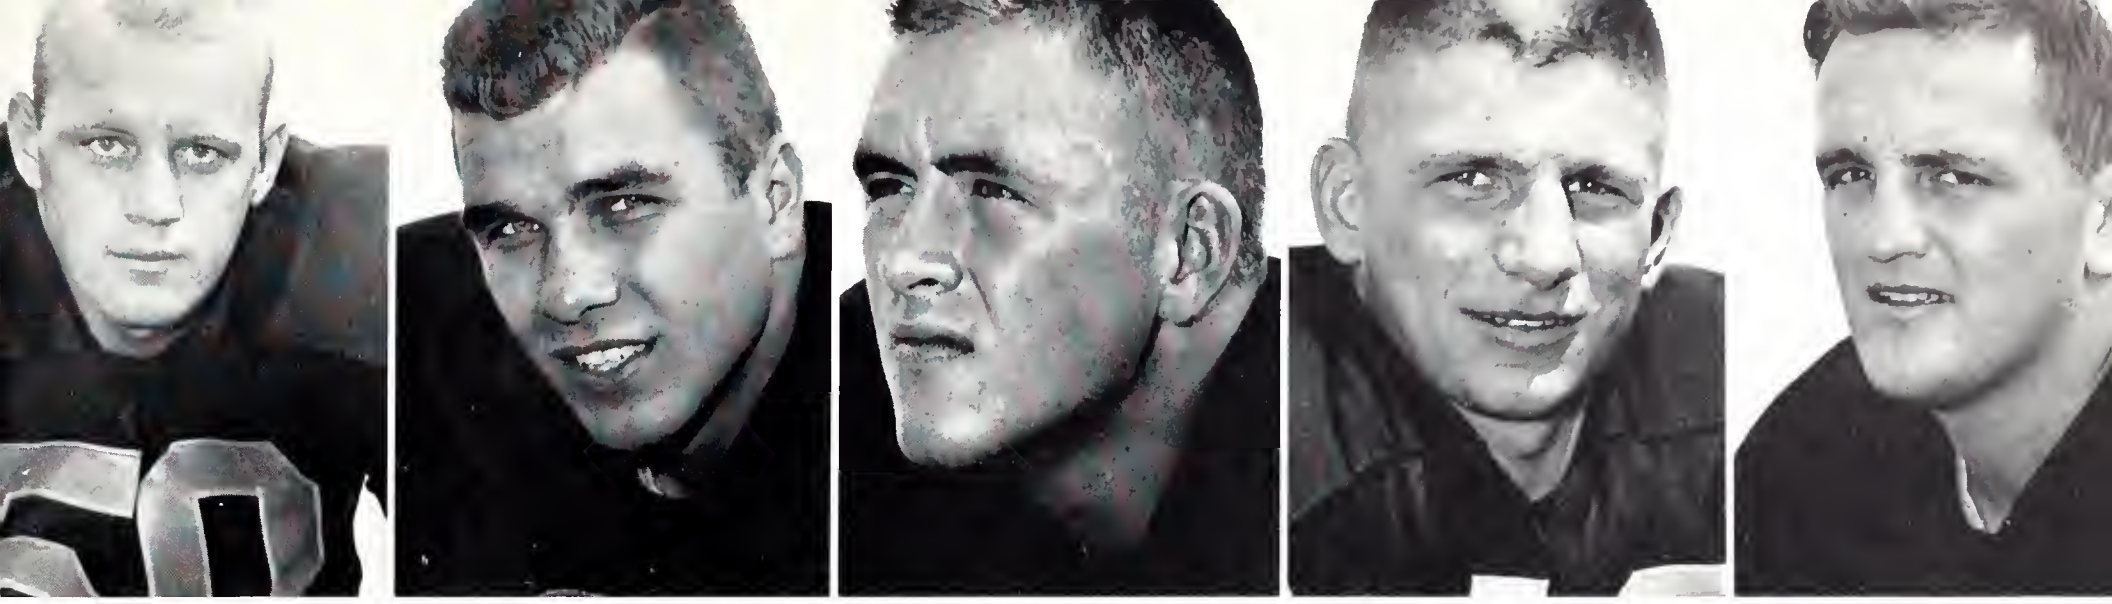
Wyoming's Tenderfoot gridders clinched unofficial frosh title honors in the Rocky Mountain region as the result of four straight wins.

In the Poke frosh's "squeek through" 7-6 victory over the Air Force Academy frosh it was Carl Meyers, 165 pound quarterback from Omaha, Nebraska, who engineered the only Wyoming touchdown. To make the win certain Meyer then stepped in and booted the pigskin between the uprights for the extra point.

Another quarterback, Mike Wright from Kankakee, Illinois, turned in a stellar passing exhibition against the Colorado Baby Buffs by hitting seven out of ten attempts for a total of 135 yards, with one touchdown and a two-point conversion. Carl Meyer then came through again as he scampered for 45 yards around the left end on a keeper to score Wyoming's final touchdown. In beating Colorado 28-17 Wyoming picked up its first win over the Buff frosh in three years.

Carl Selmer's greenies proved themselves quite worthy of promotion as they galloped to a 14-0 victory over the DU frosh on October 31.

Two weeks later the Poke yearlings wrapped up their season with a 14-7 win over the Colorado State Ramkins. By virtue of this win at Fort Collins the Poke frosh finished the season undefeated.



Pictured above from left to right are Wyoming Cowboys Fred Memmelaar center, Fran Miknis left guard, Dick Schnell right tackle, Mark Smolinski fullback, and Pat Smyth right guard.

Dick Behming gallantly struggles to reach the flag marking the end zone as a Brigham Young Cougar hooks onto his leg. In this final home game of the season Wyoming romped to a 21-6 victory.

Contributing to the conference champion team were from left to right Bud Snyder left halfback, Jim Walden quarterback, Kevin Ward right end, Del Wight right tackle, and Dick Williams center.

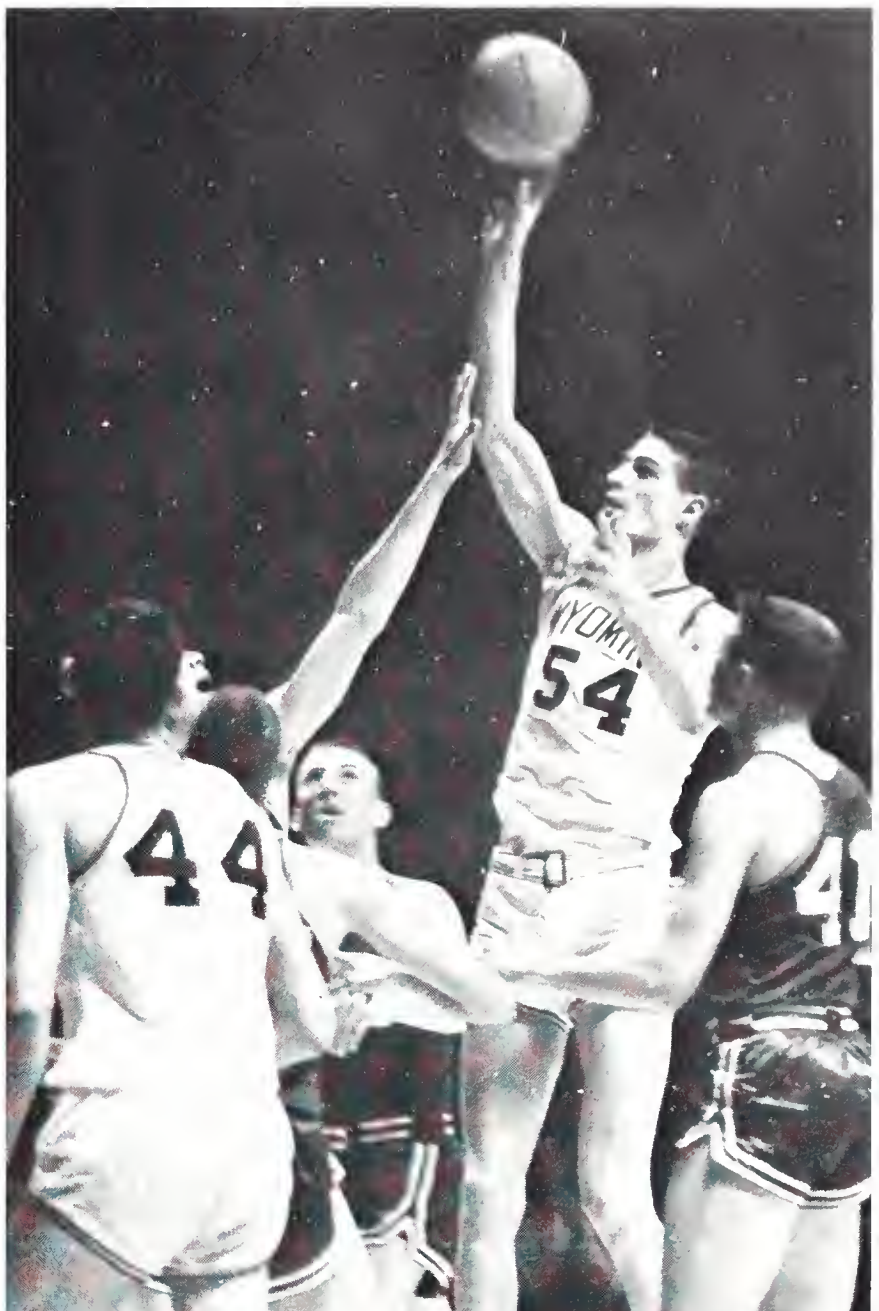
Strannigan Installs "New Look"

The 1959-60 basketball season marked the beginning of a new era in University of Wyoming basketball as former Cowboy cage great Bill Strannigan took over the head coaching duties vacated last season by Ev Shelton. Coach Strannigan made no promises before the season began other than to field a hard-working, hustling club, and this he did. With the exception of All-American Tony Windis, the club which Strannigan inherited was virtually the same one which had compiled a record of four wins and 22 losses the previous year, and had finished a dismal last in Skyline Conference competition. Although the season record improved to five wins, and 19 losses, the Cowboys again ended the season in the basement of the Skyline. But the "new look" instilled by Coach Strannigan was very evident, and even after a series of defeats, some by close margins, the team never failed to display a fighting spirit which is sure to bring more gratifying results in the years to come.

Pictured below are four of Wyoming's "tall men." They are from left to right Ken Chase, Clarence "Stretch" Lively, Bob Steckman, and LeRoy Hulsebus.

Assistant coach Moe Radovich and new head coach Bill Strannigan guided the fortunes of the Wyoming Cowboy basketball team during the 1959-60 season.

Above: Wyoming's Stretch Lively and a Utah player vie for the ball.
Below: Bob Steckman tries for a tip-in as three Air Academy Falcons close in.



Bob Steckman, 54 above, heads the basketball toward the Wyoming basket, while below John Bertolero shoots from the corner during the Air Force game.

Stretch Lively led the Poke rebound column this year.

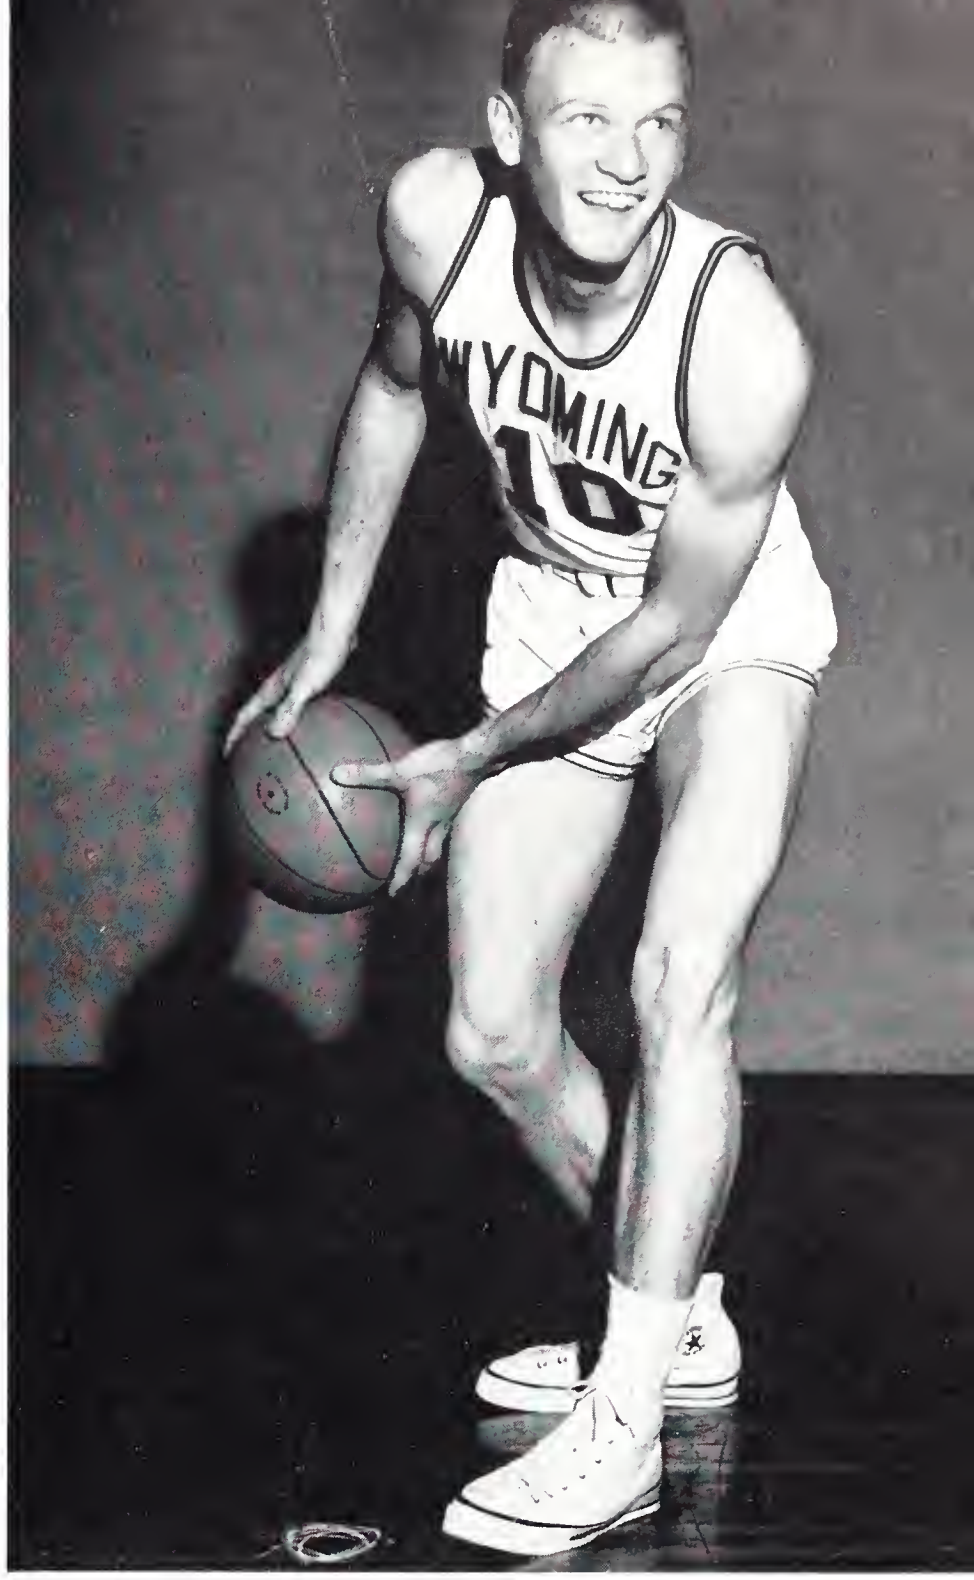
Head mentor Bill Strannigan posed with Chase, Lively, Steckman, and Hulsebus for this picture.

After dropping the first two games of the season to the Montana State College Bobcats at Bozeman by scores of 69-59 and 76-53, the Pokes returned to Laramie for their first games of the season in the Field House and Coach Strannigan's home-court debut, December 11. It was a successful one as the Cowboys came through with a 75-68 victory over Pepperdine College and followed it up the next night with a 67-53 win over Texas Western to even the slate at two wins and two losses. December 18 was the red-letter day on this season's schedule as Wyoming downed College of Pacific 59-50 at home to run up a 3-2 record, the only point in the season at which they boasted a winning record. The next night in the Field House, Michigan State's defending Big Ten champions took an 82-72 decision from the Pokes.

John Bertolero 30 lofts one toward the basket as Wyoming's Stretch Lively and Terry Happel look on.

Wyoming finished its pre-conference schedule at Pocatello, Idaho, December 28 and 29, by losing to Idaho State and Gonzaga, and entered Skyline play with a 3-5 record.

Returning to Laramie, the Cowboy cagers opened the conference campaign with a 73-67 victory over New Mexico on January eighth. The next night the Pokes evidenced a habit which was to plague them the rest of the season as they fought Denver University on even terms throughout the first half, then lagged in the second half to drop a 74-62 decision. The first conference road trip, on January 15 and 16, took Wyoming down into Utah where the nationally-ranked Aggies of Utah State and Brigham Young's Cougars hung losses on them 88-60 and 73-52 on successive evenings. Wyoming pulled within two points of the Cougars with twelve minutes remaining in the game, but couldn't cope with the BYU finish. Back home in Laramie on January 23, the Wyoming Cowboys faded again in the last few minutes of the game to lose a close decision to the Air Force Academy Falcons 57-53.



Above is Terryl Draney a junior from Afton Wyoming.

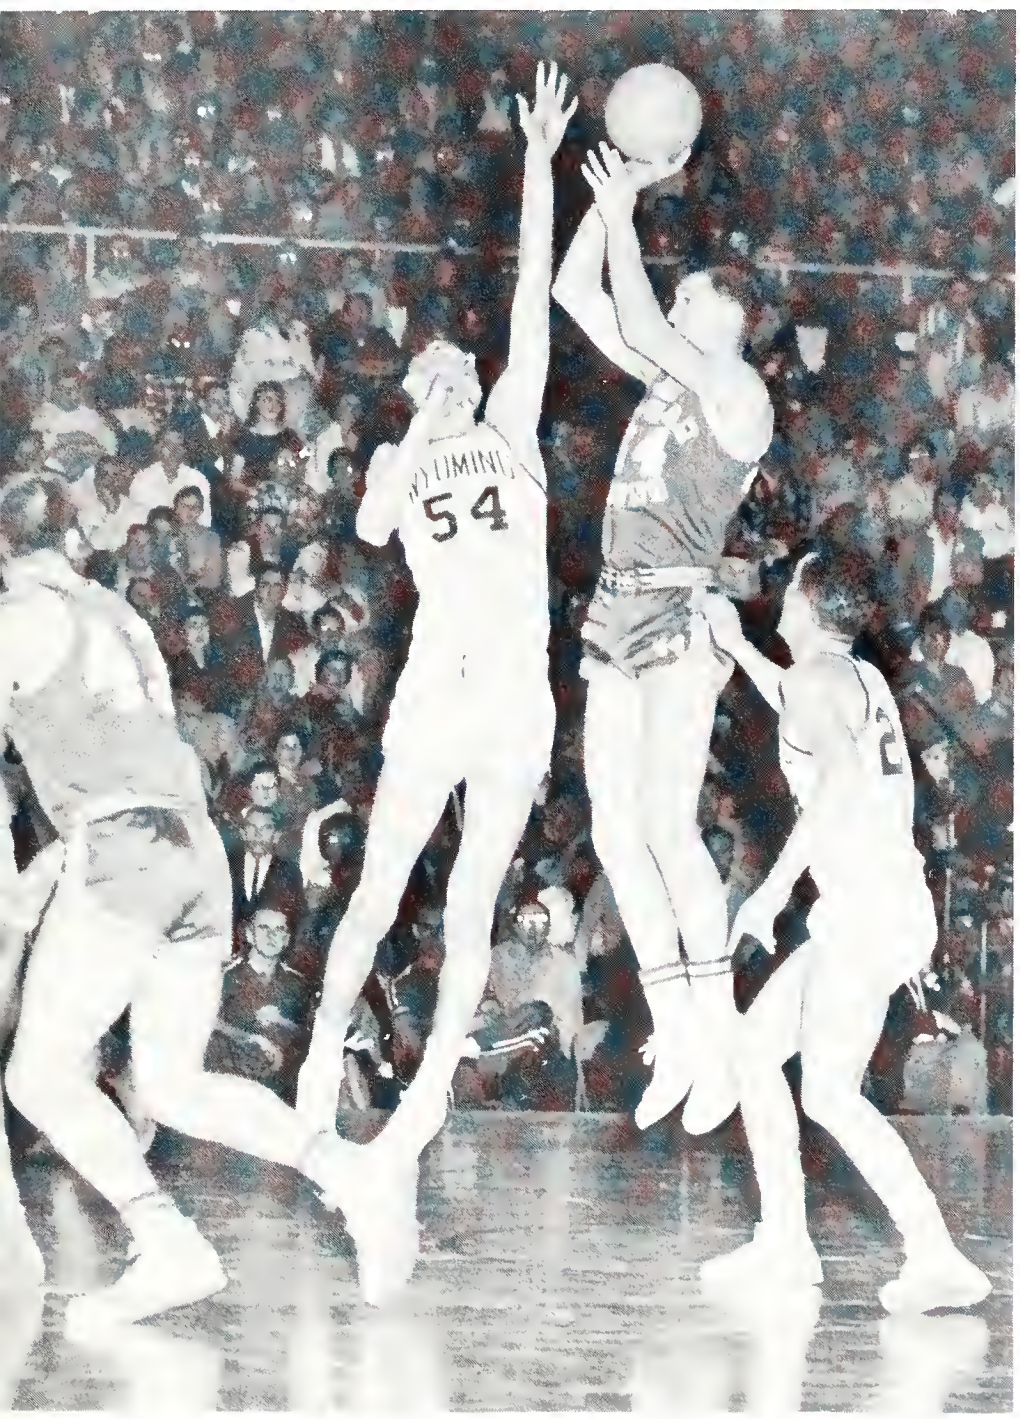
A scene from the BYU-Wyoming game. Brigham Young held on to a ten point first half lead to win 75-70.

Pictured above from left to right are assistant coach Moe Radovich, Terry Happel, Bill Nelson, Clarence Lively, Ken Chase, LeRoy Hulsebus, Terryl Draney and head coach Bill Strannigan.

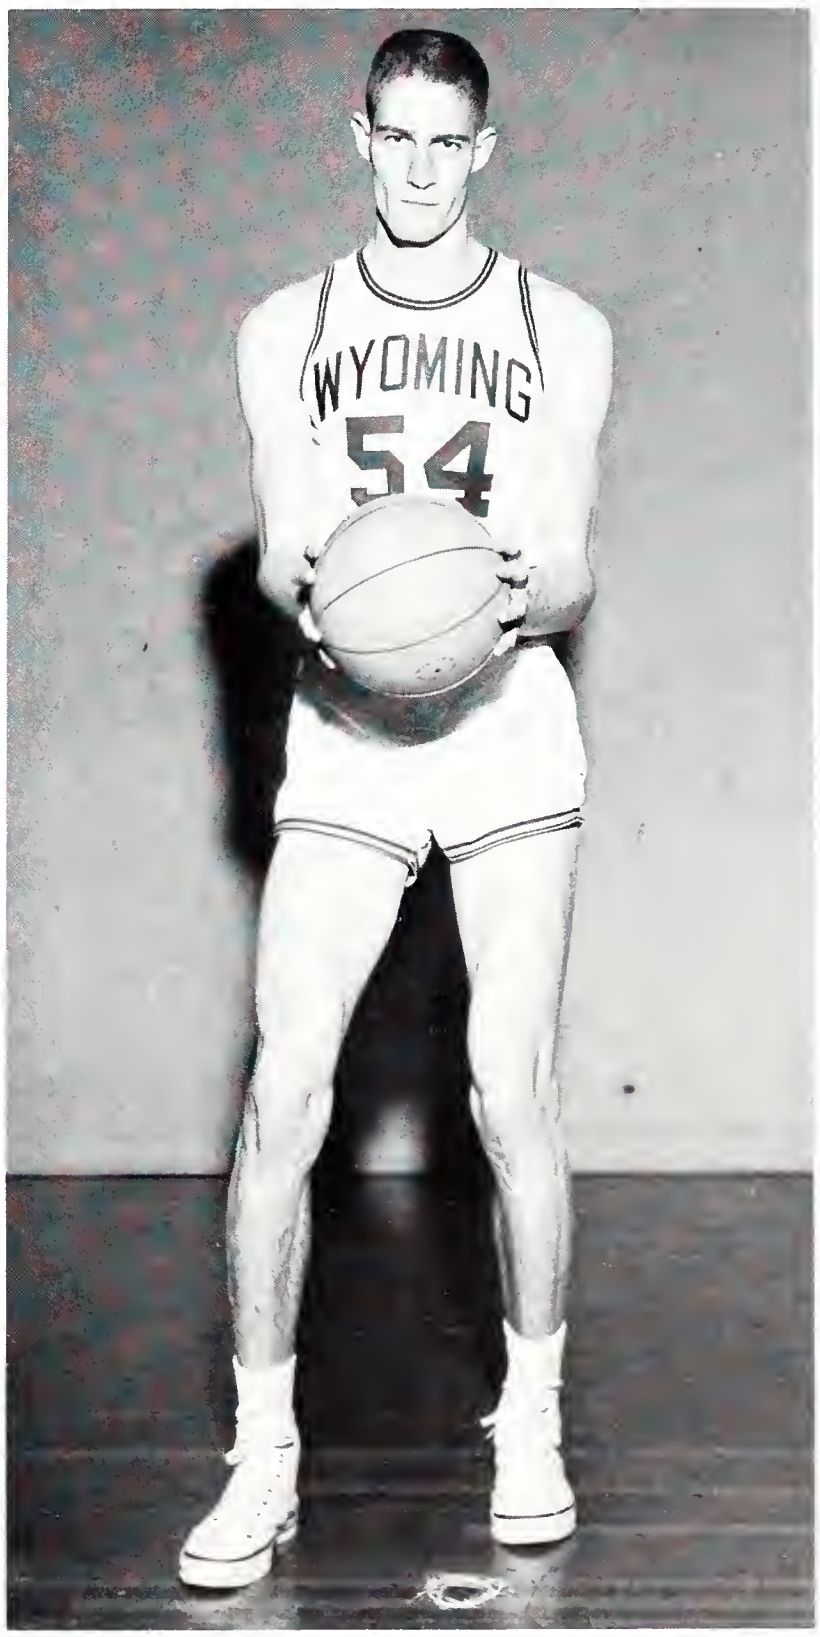
Bob Steckman and a Utah player go after the ball.

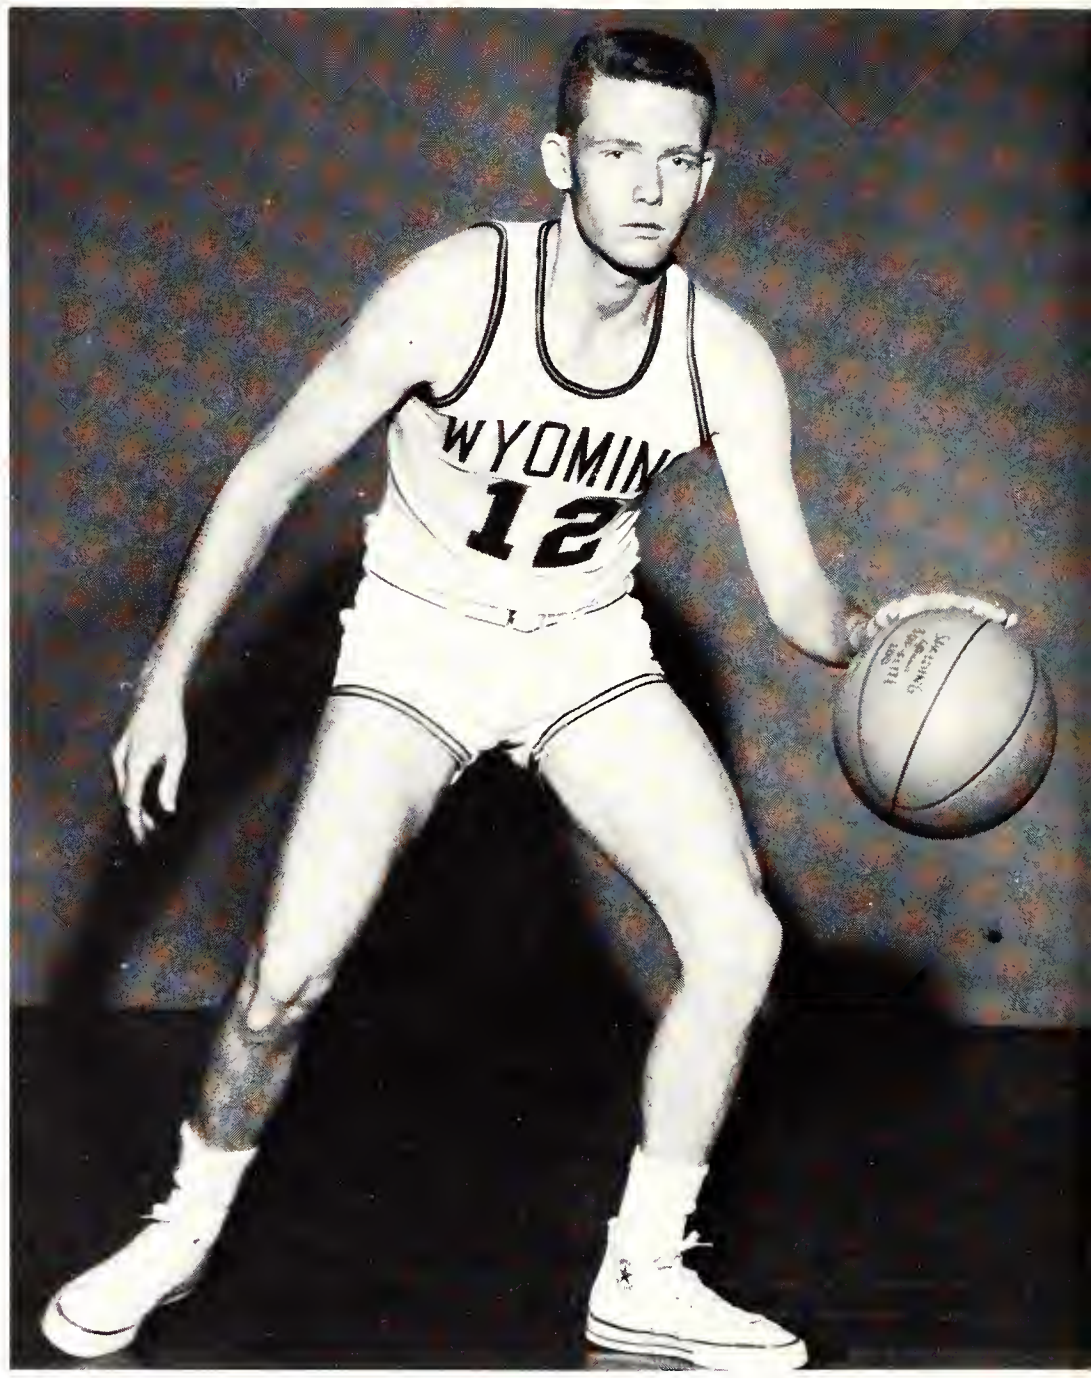
There was no semester break for the cagers, for January 30 found them in Fort Collins, where Colorado State beat them 69-50. February 3 they took the Falcons from the Air Force Academy into an overtime before losing 57-53, at Colorado Springs. Victory again came to Wyoming after six losses February 5 when the Cowboys withstood a late rally by the Montana Grizzlies to cop a 74-69 win at the Field House in Laramie. Joy was short lived, however as the Utah Redskins, eventually the Skyline champions and fifth-ranked nationally, dropped the Pokes 93-71 the next night. Jack Gardner's Redskins lived up to all of their advance notices and proved to be too much for Bill Strannigan's team as all five of Utah's starters in the Saturday night game rolled up over ten points. Even though Strannigan played his starting five of Happel, Nelson, Draney, Lively, and Steckman most of the game the Pokes still went down to defeat.

A change in climate the following weekend did nothing to change the pattern as the Cowboys went south to Denver, where they lost, 76-64, to the Pioneers, and Further south to Albuquerque, where the Lobos of New Mexico avenged the opening game defeat with a 64-51 victory. February 19 and 20, back at home, the Pokes played two fine ball games and came off on the short end in both of them, losing to BYU 75-70 and Utah State, 81-67. Colorado State came to town February 27 and barely got away with a hard-fought 64-63 win over an inspired Wyoming club. Continuing to play inspired basketball, the Cowboys carried the fight to Utah the next weekend before losing 68-61 in a game played in Salt Lake City. But the long road trip to Missoula, Montana for the season finale with the Montana Grizzlies produced another loss and undisputed possession of the conference cellar for the second year in a row. The final score of the game was 82-67.



Bob Steckman attempts to block a shot by a Brigham Young player, as Terry Happel looks on. At right is 6-8 center Bob Steckman who put in his first year with the Wyoming Cowboy basketball squad.



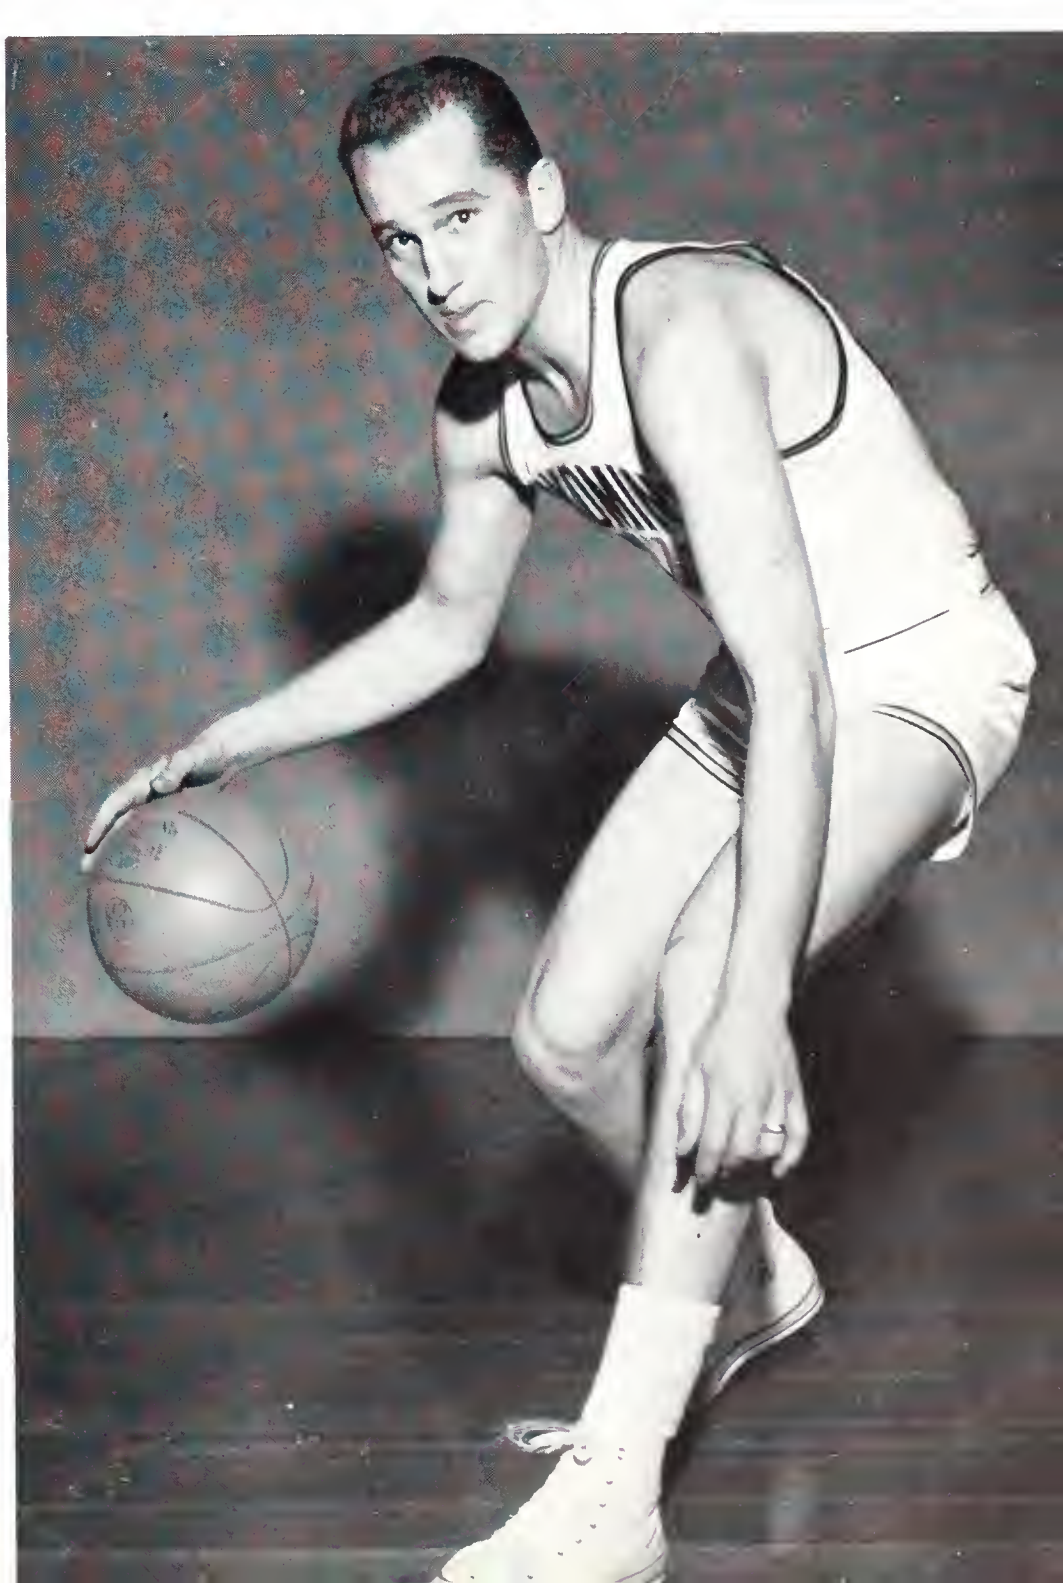


Above is guard Bill Nelson from Scottsbluff, Nebr. Pictures at right and below are an example of action witnessed by followers of the Cowboy team.

At right John Bertolero shoots for two. Above the Poke team tries for that basketball. Terry Happel below was high point man for the 1959-60 season.

Frosh Have Winning Season

There were some rays of light in the darkness, however. Terry Happel, who provided the lion's share of Wyoming's scoring punch throughout the season, came out with a 16.8 points per game average, which was seventh in the Skyline, and also received honorable mention all-conference. The Wyoming freshman team, coached by another former Cowboy star, Moe Radovich, compiled an 11-won, 4-lost record, and was hailed as the best frosh team in recent years. Most of all, there was the fight and spirit of the team which made every game exciting, win or lose, and gives promise of better years in the offing.



Pictured above are Chic Henn and Quentin Skinner.

At right above is Wyoming's ace jumper Ray Heid.

Skiiers Place Third in Wyoming Meet

The 1960 skiing competition for the Poke team got under way with the Wyoming Invitational meet held on January second and third at Winter Park Colorado. The Cowboys securely tied down third place in a field of six regional teams. By virtue of his victory in the jumping competition Ray Heid won a berth to compete for eight positions on the United States Winter Olympic team on January 23 and 24 in Ishpeming, Michigan.

On February 13 and 14 the Wyoming Ski team placed fourth behind strong Denver University and Colorado University teams. Western State College nipped the Pokes by less than one point to carry off third place honors in a field of eight. In the jumping event Ray Heid secured second place with 212.5 points. Dave Butts from CU, whom Heid had defeated earlier in the season, took home first place honors with 222 points.

The Poke team again journied south on February 27 to Winter Park to take part in the Air Force Academy invitational meet. In the weekend competition with eight other regional teams the Cowboy Skiers placed third behind Colorado and Denver.

Fred Richardson's skiers finished strong in the jumping events at the Rocky Mountain Regional Skiing Championships. held March 5 and 6 in Winter Park, Colorado. With the points compiled in this event Wyoming was able to place third in the meet. At press time the Poke team is anticipating a strong showing in the NCAA finals March 24 and 26 at Bridger Bowl near Bozeman, Montana.

Below are Poke skiers Delbert Heid and Larry Lewis.

Tom Chivington returns a serve in action prior to the CSC match, while partner Bruce Haug looks on.

Tennis Team Travels South

Bill Bearley's Cowboy netters opened the 1959 season by taking four of ten matches against Arizona State, Arizona, Texas Western, New Mexico Aggies, and New Mexico.

Returning from the early season southern tour the tennis men met Denver on April 15 and 16, then moved on to Colorado Springs for a two-day stand with the Air Force Academy. Denver bested the Pokes by scores of 6-1 and 4-3, but Wyoming came back to beat the Falcons by two identical 5-2 scores.

On April 25, the team moved to Fort Collins where they came out on the short end of a 5-2 score against CSU. One week later the Wyoming team lost two matches to Denver.

Back on their own courts on May 8, the tennis team showed its mettle by trimming New Mexico 7-0. Tom Chivington started things off by beating conference singles champ, Jack Kennedy in straight sets. However, on Saturday the Lobos reversed the situation and took home a 6-1 win.

Wyoming finished the season by taking fifth in Skyline conference tournament play.

Dan Teves, Ed Panui, and Coach Bill Bearley. Wyoming opened the 1960 season by beating CSC 6-0.

Wyoming's tennis team is from left to right below: Tom Chivington, Lee Holmes, Bill Shaeffer, Bruce Haug, Ed Panui, Coach Bearley.

Second in Conference Nailed by Soccer Team

The first game of the season proved discouraging to the Cowboy soccer team as they lost a narrow 2-1 decision to the Air Academy Falcon team. However, the Poke squad wasn't long in evening the season record as they fought their way to a 4-2 victory over the Colorado Buffaloes on October fourth. The end of the first period saw the Wyoming team leading as the result of two goals by Traverso and Nadasdy. In the third period Colorado came back quickly to tie up the score at 2-2. Not to be outdone Wyoming's Victor Duran scored a goal early in the final period, and Manuel Pronto cinched the victory as he made the final tally. The following week the Cowboys ran their season record to three wins against two losses as they defeated Colorado Mines 5-0.

On October 18 the Poke squad suffered another setback at the hands of the Air Force Academy. The hard-fought game saw the Cadets push through three goals. Wyoming's only tally came as the result of a fourth period goal by Rudy Tamvaris.

The Cowboy Soccer XI ran wild over Colorado University's Buffalo squad on November 1, as they racked up a 5-2 victory. Wyoming's Emanuel Proano put on a one man scoring show as he set a new one game scoring record. Proano scored twice in each half despite the fact that the entire match was played on a muddy field. The soccer team's other tally was scored by John Tamvakis in the first half on a penalty kick.

Wyo's soccer team concluded the seasons play by dropping a 4-1 decision to Colorado Mines on November 15 in Golden. However, the Cowboy team still nailed down second place in final conference standings.

These action shots are representative of the action seen by many fans at the Sunday afternoon games.

Back row: Spadt, Gautz Lewis, Wight, Coach Lantz, Middleton, Jones, Welton, Sturman, Tuinstra. *Middle row:* Argento, Young, Sidebottom, McCrary, Ballinger, Brownlee, Colling, Dawson, Eads, Karcher. *Front row:* Downing, Sams, Hansen, Chelesvig, French, Frude, Davis, Scott.

Wrestling Team Captures Fifth Conference Title

Wyoming's most winning team added yet another Skyline Championship to its long list in the 1959-60 season. Coach Ev Lantz's matmen continued their phenomenal success as they retained their conference title for the fifth consecutive year. The Poke team was paced by nine returning lettermen.

The Cowboy grapplers began their season by easily taking a 24-8 decision from Western State on December 12 in Gunnison Colorado. Returning to action on January 9, the men from Laramie rolled to a 20-6 victory over Colorado Mines. Hansen and Sams were decisioned in the action at Golden, while Scott, Davis, Ballinger, Brownlee, and Colling picked up decisions for Wyoming. Jerry Frude, 147 grappler, picked up the only pin in the match.

In their first home match of the season the following week the Cowboy's made it three straight as they pinned Colorado University 21-8.

The big moment of the Wyoming Colorado University encounter came as Jerry Frude gained a 7-6 decision over Jim Burke, wrestling in the 147-pound class, was a former national AAU champ and currently holds a Pan American games title.

NCAA champ Dick Ballinger maneuvered his way to a 7-1 decision over Tom Holten of CSU on February 13.

In subsequent action the Poke team continued to steam roll its opponents as they handily won over Oregon State, previously unbeaten in thirty dual matches, 20-5; Denver 24-5; and Iowa State Teachers College 23-3. In the match against Iowa, the Pokes took their opponents to task as they won seven matches out of an eight-match slate. Herb French picked up his first loss of the season as he lost a decision in the 130-pound class. Howard Colling succeeded in pinning his man for the only fall of the night.

Wyoming's trip to Albuquerque turned into a holiday as the unbeaten wrestlers trounced New Mexico 32-0. Dave Hansen and Howard Colling registered pins in their matches.

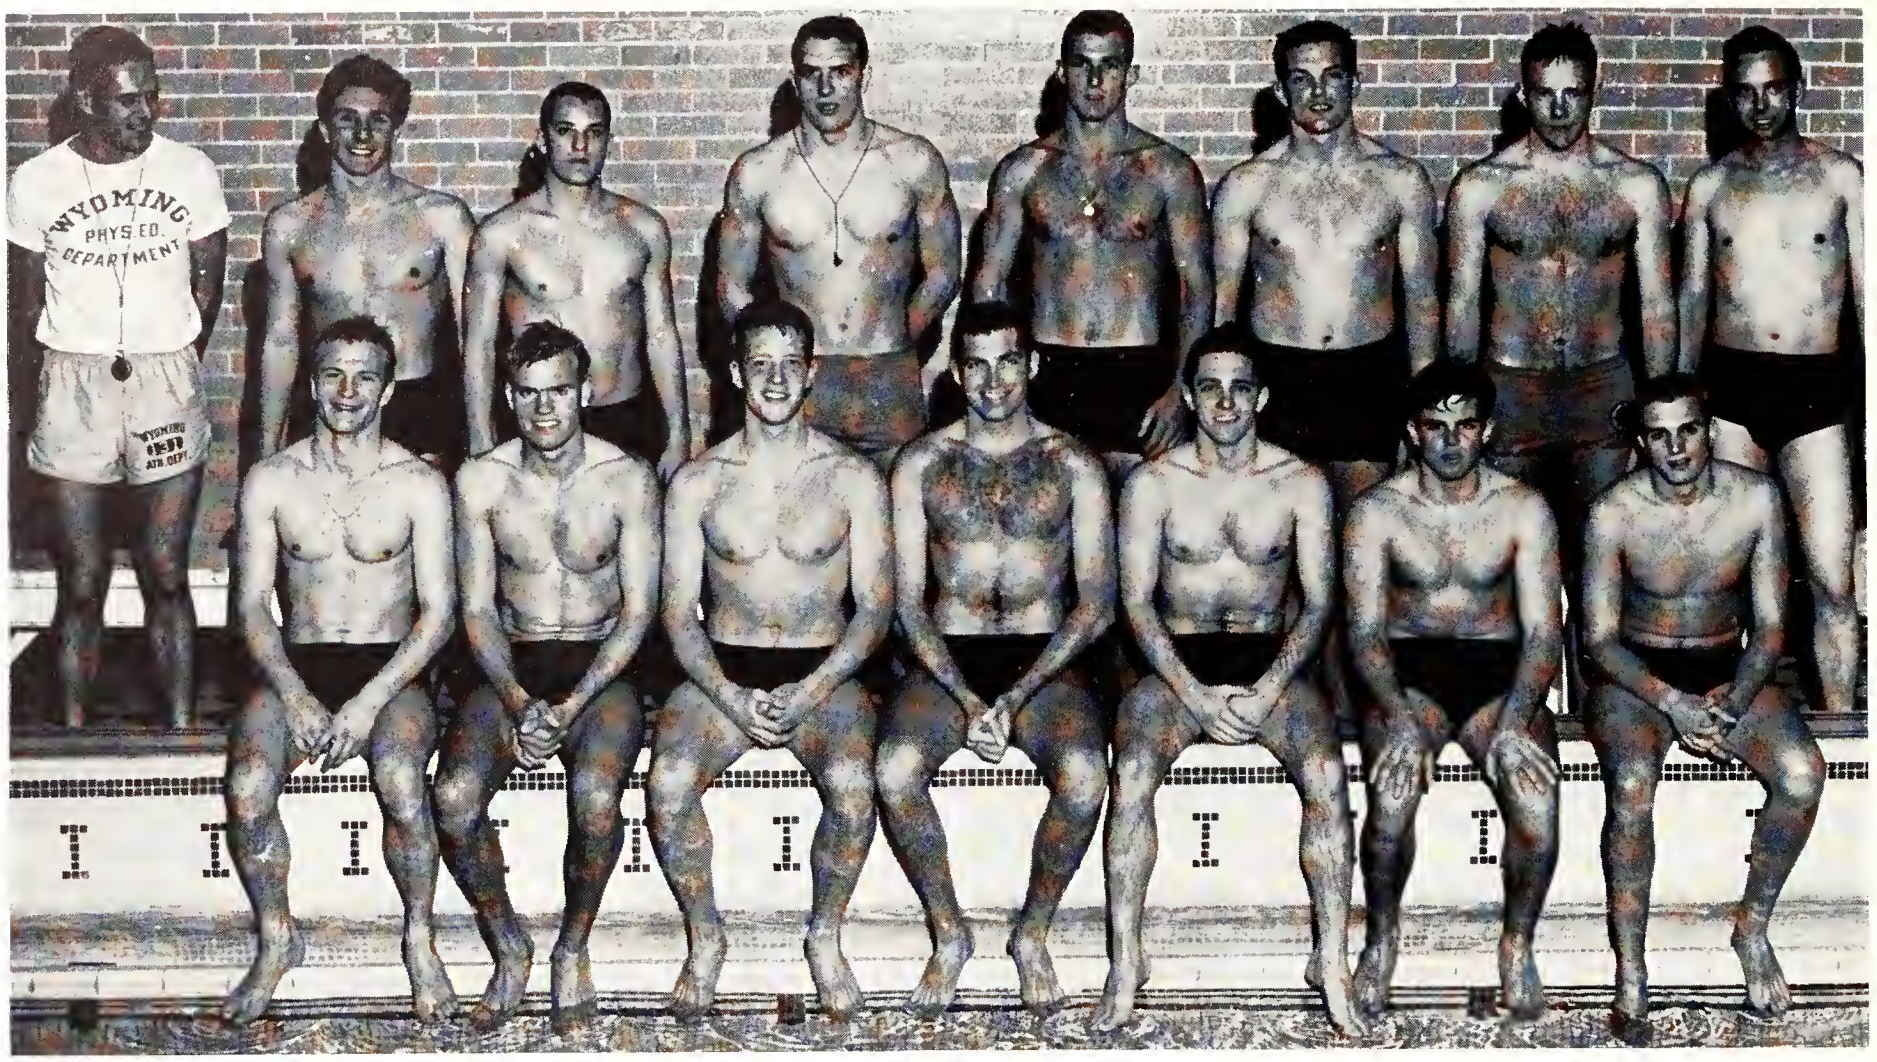
On February 13, the Pokes ran into surprisingly strong opposition in the form of Colorado State University. It was only after the final match was decided that Wyoming was able to boast its eighth straight win. After eight matches only Carl Scott and Dick Ballinger remained on the unbeaten list.

Poke wrestlers dropped their first match of the season to a fired up Iowa State on February 18. The final score was 20-6.

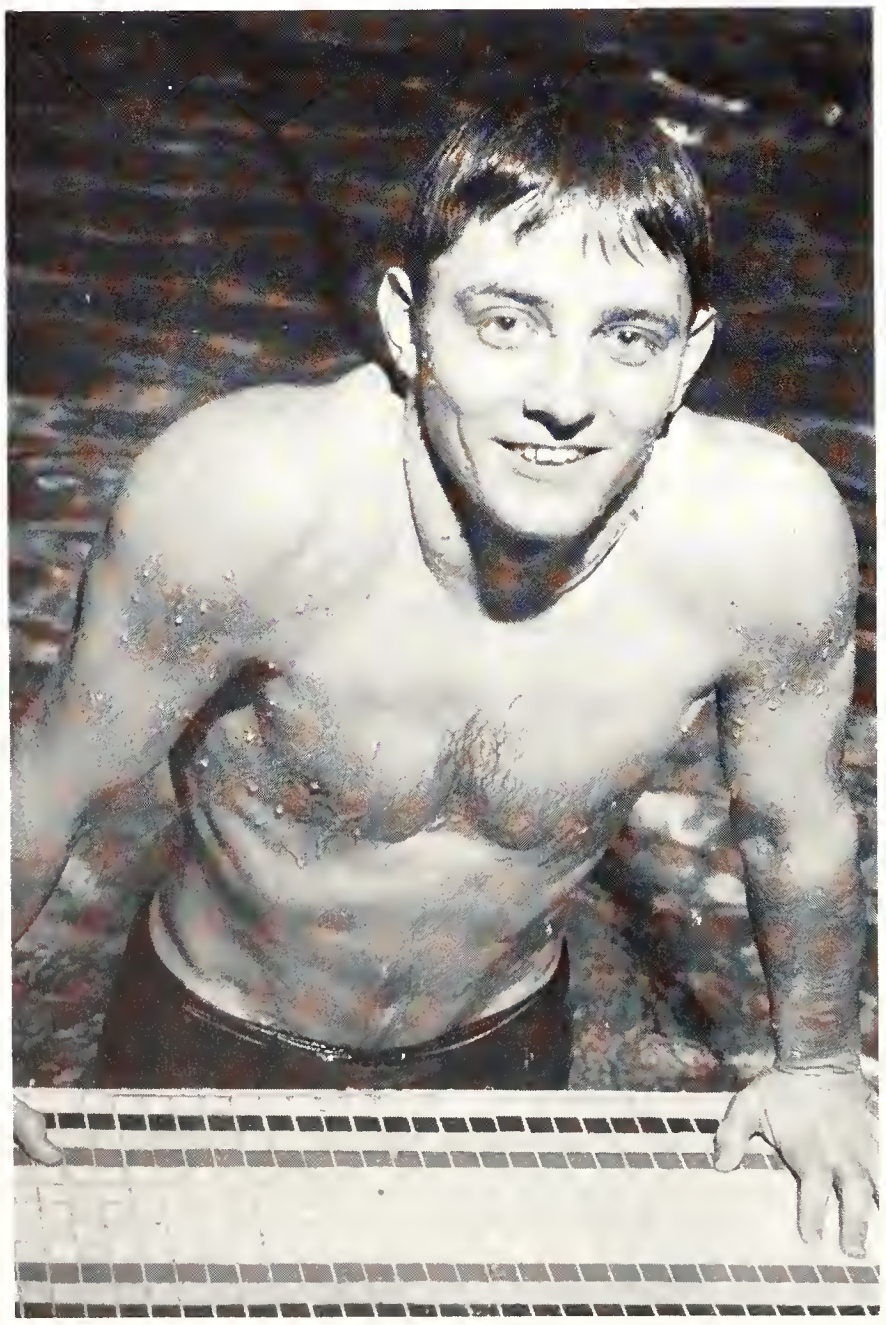
In the finals of the Skyline wrestling championships on March 12 the Cowboy grapplers amassed 81 points to win handily their fifth conference title in as many years. Wyoming picked up five individual victories plus a second, a third, and a fourth.

Coach Ev Lantz took a seven man entry to the 1960 National Collegiate Athletic Association wrestling championships at the University of Maryland. Dave Hansen, 123; Jerry Frude, 147; Dick Ballinger, 167; Lyle Brownlee, 177; Howard Colling, 191; and Carl Scott, 137, were Wyoming's entry in the wrestling action which began on March 24. When action was concluded on Saturday night the Pokes found they had placed fourth in the national tournament. Dick Ballinger ended his wrestling career as champion in the 167-pound division, and Jerry Frude finished second for the second straight year.

Carl Scott, 137-pound grappler, has CSU's Jim Ferguson in a tangle at left. Scott won the match 8-0. Below Lyle Brownlee uses a headlock on CSC's Lenny Lordino, who lost by a decision to Brownlee.



Front row: From left to right are swimmers Chuck Brandenburg, Dennis Brittain, Mike Mead, Ralph Darr, Ed Niethold, Brent Lewis, Skip Allard. *Back row:* Coach Dave Glander, Jerry Lipman, Bill Miller, Jim Wysocki, Mickey Donivan, Dennis Damon, Bob Harrington, T. V. Jones manager.



Swimmers Set Records

The Wyoming swimmers opened their season on December 4 by splashing to a 51-44 victory over the Utah Redskins. The following day the defending Skyline champions outdistanced seven other teams to win their own relay meet. The team of Dave Hitchens, Chuck Brandenburg, Ed Niethold, and Denny Donovan, set two new records in the 200-yard medley relay and the 400-yard medley. In the 150-yard butterfly relay the Poke team of Mike Mead, Ed Niethold, and Bill Miller bettered the existing record of 1:23.6, set in 1957 by Utah, by three tenths of a second.

Returning to action on January 9, the Poke Mermen pasted Colorado State College 68-27 in the Half Acre pool. After winning the 400-yard medley relay Wyoming's Mike Mead and Ralph Darr took first and second in the 220-yard free style.

Pictured at left is Ed Niethold who has figured prominently in many Cowboy victories this year.

Other winners for the Pokes in the January 9 meet were Niethold in the 200-yard individual medley, Miller in the 200-yard butterfly, Mead in the 100-yard free style, Hitchens in the 200-yard backstroke, Darr in the 440-yard free style, and Brandenburg in the 200-yard breaststroke.

Dave Glander's swimming team scored a smashing 60-29 victory over Colorado University the following Saturday at Boulder. The meet was hardly more than a practice for the Cowboys as they came out winners in all but two events.

After losing to the Air Force Academy on February 6, the Poke team had little trouble in picking up a 63-27 win over Colorado State University. The two highlights of the afternoon were Jerry Lipman's record win in the 200-yard butterfly and Dennis Damon's first in the diving event.

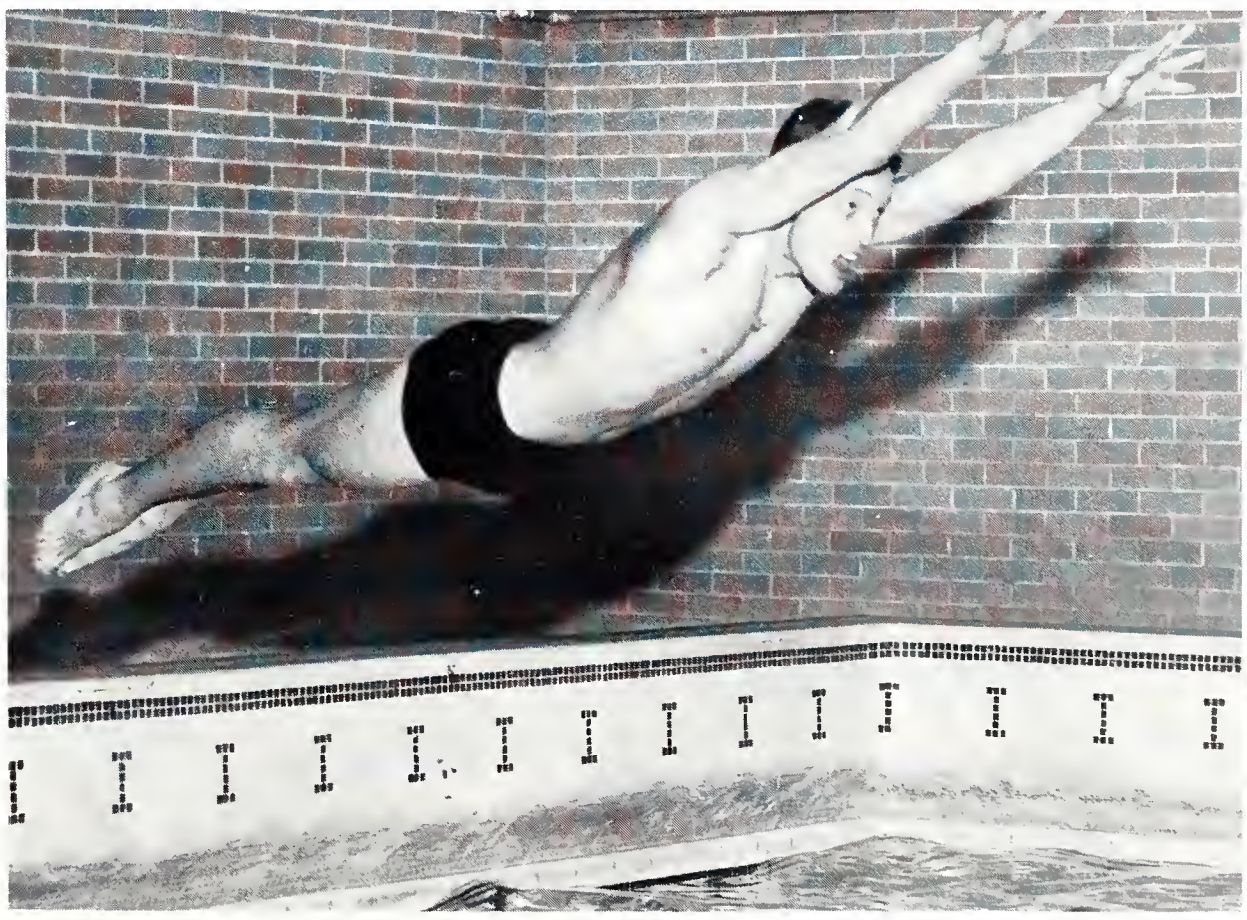
In winning the Eastern Division Swimming Championships on February 26 and 27 the Cowboy Mermen chalked up 130 points over their nearest rival Denver University. Jerry Lipman set three new records in the 200-yard individual medley, the 100-yard and the 200-yard butterfly.

Ralph "Flip" Darr was responsible for two firsts in freestyle competition in the finals of the Skyline swimming championships held in Albuquerque.

The Wyoming swimming team took second place in the Skyline conference as they dropped a close victory to Utah 97 to 91 on March fifth. However, the cowboys won four of the final six events. Jerry Lipman set a new record of 2:17.0 in the 200-yard individual medley and scored triumphs in the 100-yard and 200-yard butterfly events.

California Cowboy Mike Mead heads for the water. Mead has consistently been a threat in competition.

Swimming coach Dave Glander watches a Cowboy Merman in a practice session at the Half Acre pool.



Jerry Lane Jumps to New Heights

Wyoming's high jump sensation Jerry Lane erased the oldest existing record in the books at the eighteenth annual Colorado Invitational Track and Field meet held in Boulder on March 14, 1959. Lane succeeded in breaking the record which had existed since 1938 to off a leap of 6 feet 7¾ inches. The Poke squad otherwise distinguished themselves as grid star Harold Farmer took second place in the 60-yard dash. Freshman Bud Spicer earned a third place tie in the pole vault, and the mile relay team finished fourth.

Wyoming placed a distant third in their first outdoor meet held March 28 in Albuquerque. The triangular meet which featured Arizona, New Mexico, and Wyoming saw Jerry Lane tie Arizona's Engris Alexander for first with a new meet record of 6 feet 5¾ inches. Others who placed for Wyoming were Harold Farmer, and Russ Donley. Farmer picked up ten of the eighteen points scored by the Poke team, while Donley helped by finishing third in the two-mile run.

March 18 saw John Melton's cindermen drop a dual meet to the Air Academy by a 79-47 score. Both schools won seven blue ribbons, but the Falcons showed much more depth than Wyoming. Wyoming's Harold Farmer was top point maker with three wins in the century, the 220, and broad jump. Jerry Lane continued his winning ways as he took first in the high jump with an underpar 6 foot 4 inch leap. Darrel Higgins won the 120-yard high hurdles and finished third in the low hurdles. Other Poke standouts were 880 winner Gary Darnall, and two-mile victor Russ Donley. Second place winners included Chick Henn in the 880 and Stan Murdock in the 440-yard event.

Two weeks later the Tracksters dropped still another meet as they went down to a 76-51 defeat at the hands of Denver. Jerry Lane saved the Pokes from a complete DU sweep as he managed a second in the high jump. Stan Stark led a Poke trio home as he won in the two-mile event.

Wyoming's Gary Darnall 2, leads the pack in this picture taken at the Wyoming CSU track meet.

Jerry Lane shows his style in the high jump. Lane placed high in several Eastern track meets this year.

Darrell Higgins lags behind in the high hurdles.

Wyoming bowed to Colorado State University on May 8, as they lost their only home meet with a 87-44 score. A week later in Denver, Wyoming took fourth in the Eastern Division meet. Jerry Lane walked off with first place honors in the high jump, while Gary Darnall won in the 880 event. Russ Donley finished second in the two-mile event, Chick Henn managed a third in the 880 and Stan Stark and Darrell Higgins raced to fourth place positions in the mile and high hurdles respectively.

Coach John Melton took an eight-man squad to the Skyline track and field championships in Salt Lake City on May 22. The Cowboys scored only five points in the final meet of the 1959 season. Jerry Lane's 6 foot 8 inch mark in the high jump event wasn't quite good enough to capture first place, which went to B Y U's Fd Costa who cleared the bar at 6 feet 9 inches for a new record. Russ Donley ran his fastest two miles as he turned in a 9:52 effort but still only managed a fifth in the top-notch field. Final standing for the Poke thinclads was eighth place in the conference.

Russ Donley controls the inside in the mile run.

Chick Henn hands off to his teammate Stan Murdock.

1959 Poke Baseball Team Clinches Second

The Poke baseball squad began the 1959 spring season with the usual southern swing through Arizona and New Mexico. Arizona State University gave Wyoming four straight losses as they rolled up scores of 11-4, 18-3, 9-5, and 4-3 in successive games. Following the disastrous Arizona State series the Cowboys beat Luke Air Force Base of Arizona twice by scores of 24-8 and 11-9.

March 30 found Wyoming in Phoenix where they suffered a close 4-3 defeat. Before leaving Arizona the Pokes picked another win from Luke Air Base, but were again beaten by Phoenix College, this time by a 16-1 count.

Wyoming opened conference play by racking up two decisive victories over New Mexico on April third and fourth. Pitchers Bill Beck and Bill Lutz turned in route-going performances as the Lobos gave in to the Cowboys 10-3 and 7-5. Moving north the Cowboys dropped their home opener 8-4 on March 17 against Colorado State College.

The cry of the umpire "play ball" and the click of the ball on the bat mean that baseball fever has gripped the Wyo campus and the nation again.

Wyoming's top hitter Al Figone crosses home safely.

Hustling outfielder Pat Thorpe slides into third.

Wyoming's baseball team is from left to right. *Front row:* Bud Bishop, John Buchanan, Dick Jefferson, Mike Cooke, Pat Thorpe, Mick Barry, Mark Neka, Charles Claire. *Back row:* Norm Sagara, Jack Herrod, Tom Rinehart, Joe Netherton, Greg Jackson, Fred Answine, Bud Bero, Joe Stohrer, Monroe Hadden, Bill Beck, Coach Bud Daniel.

Saturday's game in Greeley was a different story as the Wyo team was limited to three hits. Colorado State set up a lofty barrage to decisively trounce the Cowboys 7-0. The Cowboys had built up a 2-0 lead in the third weekend game against the Air Academy before it was called because of snow.

The baseball team split a two game home stand with Colorado State University on May 2 and 3. The Pokes won Saturday's game by a 11-6 score, but lost Sunday's tiff 4-2. Bill Beck was Wyoming's winning pitcher on Saturday, as he gave up only 12 hits while walking one man. Bill Lutz lost a real heartbreaker on Sunday. The big righthander gave up just four hits and struck out twelve, but three unearned runs beat him. Mike Cook delivered in fine style as he picked up five hits in the two games to lead both teams.

Bud Daniel's nine found themselves in second place after a busy weekend on May 8, 9, 10. Wyoming picked up four games from Denver University, two of them without throwing a pitch. Bill Beck and Bill Lutz were responsible for the twin weekend win. Pitcher Beck managed Friday's 7-2 victory and Lutz took credit for Saturday's 8-3 decision. The other two wins were gained because of an ineligible man on Denver's team.

"You're out," cries the umpire as Poke catcher Al Figone cuts off a runner sliding into home base.

The Pokes were ahead 8-7 in the May tenth game against the Air Academy going into the eighth inning. However, the Falcons caught the Cowboys napping and pulled out a 10-8 victory.

Wyoming, at one time four games behind in the Eastern division race, forced CSU into a playoff game as they swept past New Mexico in games played May 15 and 16. In the first game Bill Beck pitched an 8-0 shutout against the Lobos as he allowed them only three hits. Bill Lutz took the mound the following day and was given credit for a 10-8 win.

In defeating Colorado State 5-3 the following Tuesday the Cowboys clinched first place honors in the Eastern division. As a result Wyoming hosted the Western champions, Utah, on May 22 and 23 on the local diamond. Utah's Redskins lived up to their name as they scalped Wyoming in the playoffs 21-0 and 9-8. Even in losing, however, the Pokes picked up second place in the Skyline.

The conclusion of the season saw Wyoming's Bill Beck named to the All-Skyline team. Catcher Al Figone, an all Eastern division choice and second team All-Skyline, was Wyo's top batter with a .343 average. Pat Thorpe was named to the all-division team and both Norm Sagara and Thorpe along with Figone were picked for the second all-conference team.

Bishop prepares to catch a cadet crossing home.

Bud Bishop stands by helplessly as a run scores. This actior shot was furnished by Oliver Knight.

Denver University misses a scoring chance as an alert Poke catcher prepares to tag him at home.

Pictured above is the 1960 version of the Poke golf team. *Back row:* Bill Nye, Wayne Mabry, Dave King, Coach J. D. Mford. *Front row:* Jon Konz, Rufus Hoefer, Lou Vidal, Bob Richards. Missing because of illness but a very valuable part of the golf team are Jim Hipsher and Eldon Geesman.

Golf Team Improves

The Wyoming golf team suffered a close 8-4 defeat in their first meet of the 1959 season on March 28 against Eastern New Mexico University. The New Mexico Greyhounds were behind 2½ to 1½ after the first nine holes, but improved greatly as they moved into the back nine. Continning their southern swing the Poke golfers dropped three meets to New Mexico University and Arizona State. The standout Cowboy performance in the three game series was turned in by veteran linkster Larry Luzac as he fired a 69 against Arizona State.

Although strengthened by John Bertolero, who joined the team after the conclusion of the basketball season, the Cowboys nevertheless lost to Denver University two weeks later by a score of 16-7. At the Air Force Academy it was the same story as Wyoming went down to a 14-7 loss. Even in losing Poke linksters Gordon Hockamier, Larry Luzac, Lew MacNaughton, and Rufus Hoefer all were in the seventies.

After picking up a 11½-6½ win over Fort Warren, Jack Alford's golfers journeyed to Colorado Springs where they placed ninth in a field of fourteen contenders in the Colorado College invitational.

Wyoming linksters finished the 1959 season by securing seventh in the Skyline golf tournament. Poke golfers topped only Montana in the conference playoffs at the Columbine Country Club near Golden Colorado. John Bertolero was the Cowboy's low man with 75 and 83 for 158. Larry Luzac was 81 and 81 for 162; Gordon Hockamier was 168; and Lew MacNaughton had 175.

"Man is of soul and body formed for deeds of high resolve." This is the inscription found on Half-Acre Gym. This building houses the men and women's physical education departments within its walls.

Sports Present Large Variety for Students

Sports, the magic word of interest to many Wyoming college students, is well represented on the Cowboy campus. As soon as classes have begun in the fall interest is apt to be diverted from the National and American baseball leagues, and be placed closer to home in the chances of the Poke football team in the coming tiffs. From all over the state people stream to War Memorial Stadium to see Bob Devaney's team in action, and Wyoming's gridders didn't disappoint them either as they won their second consecutive Skyline title.

Fall also saw the Cowboy soccer team return to action on Corbett Field on Sunday afternoons. This relatively new sport on the Wyoming scene drew even larger crowds than in previous years.

On the row the Kappa Sigma fraternity ended the intramural touch football season with an undisputed first place. The Sig Alfs and Sigma Nus tied for second and third place. Orland Ward intramural director scheduled swimming for the next go-around.

With the opening of gym facilities for general use in early December, it became possible for all students to leave their books on Saturday and Sunday afternoons and "keep in shape". The swimming pool was jammed with happy students trying to wash away the cobwebs of intellectual life, while upstairs in the gym others were busy playing basketball, volleyball and badminton or lifting weights. Others gathered in the new Union bowling alley to challenge the ten pin proficiency of their friends in both casual and league play.

As the Poke football team crushed Denver in their Thanksgiving Day finale, and Coach Bill Strannigan was preparing to send his "new look" cagers into action; the Kappa Sigs tied the Sigma Nu fraternity for first in intramural swimming competition. The Sig Alfs copped third in a field of seven fraternities. Wyoming Hall took honors in the independent division.

Christmas vacation came and went, and the new year of 1960 saw Dave Glander's Mermen trying to repeat last years showing.

On the mat scene Wyoming's still undefeated wrestling team continued to take on opponents and dispense with them without bother. The fraternity basketball intramurals competition was led by the Kappa Sigs, while the "Ham 'n Egger's" boasted top position in the independent field, followed by the "Apes", "Pokes" and Newman Center.

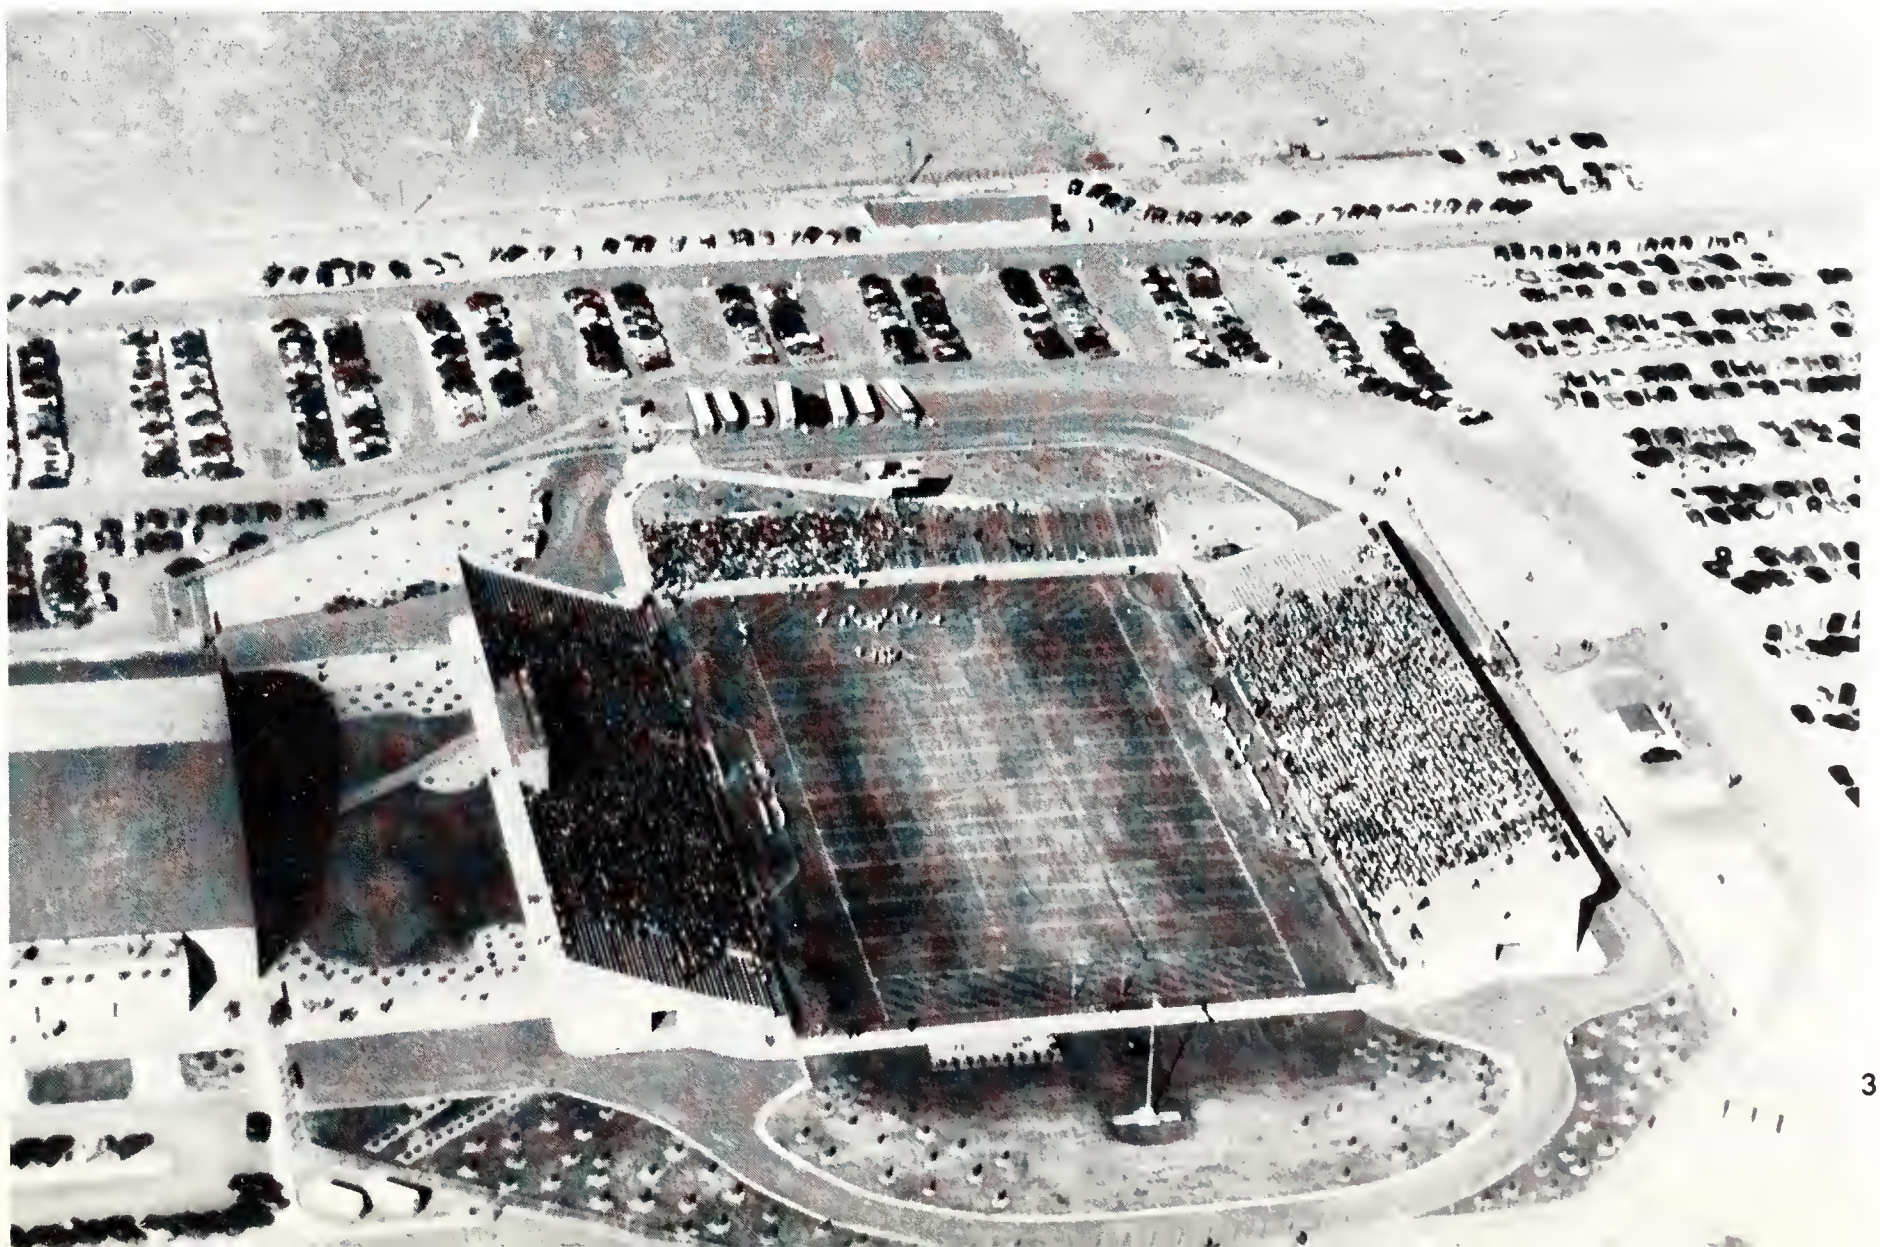
Final exams darkened the university horizon as January drew to a close, and many students returned to their dark gloomy room to pour over long forgotten books. In the intercollegiate sports arena U W ski jumper Ray Heid left campus for the U S Winter Olympic team tryouts in Michigan. Wyoming's embattled basketball team was still having troubles with their opponents and continued to come out on the short end of hard fought games. In intramural bowling the Sigma Chis led the fraternity pack with 21 wins and 3 losses. The Kappa Sigs, Phi Delts, and ATO's were all tied in basketball play.

The end of February brought with it thoughts of spring sports action as the Cowboy thinclads began to look forward to forthcoming encounters. Many skiing enthusiasts made use of the winter snow by improving their style at Happy Jack and at locations in Colorado. ATO wrapped up the basketball playoff and moved into third place by points in the fraternity intramural action. The Sigma Chis made a big advance as they garnered first in bowling and tied for first in basketball.

Sigma Alpha Epsilon for the second straight year, swept the intramural wrestling title on March 2. SAE rolled up 35 points to assure it a victory over second place Sigma Nu grapplers who managed 24 points.

Now spring was upon the sports scene. Cowboy baseball, tennis, and golf teams headed south for their annual stand in Arizona and New Mexico. Although the volleyball tournament was played to its conclusion, many students began to dust off tennis rackets, and to toss baseballs back and forth on the lawn and in the streets. Spring had come and baseball was in the air again.

War Memorial Stadium is the scene of many exciting Saturday afternoon encounters between Wyoming's Skyline champion gridders and other top teams. At left is the fieldhouse, home of Wyo's hoopsters.



The Knight Hall basketball champs receive the trophy.

Women's

The Women's Athletic Association sponsored various women's intramural programs throughout the year. Any girl who has participated in an intramural sport is eligible to belong to WAA. Miss Thruin, women's physical education instructor, helped the WAA organize and run the different tournaments.

On November 19 the Pi Beta Phi volleyball team won the final game of the volleyball action against Chi Omega sorority to give them top position in this event. Nine independent and sorority teams competed in the tournament which began on November 12, with the Independents defeating Kappa Kappa Gamma. Knight Hall I team scored a victory over the Alpha Chi Omega team. Roger Williams bested Knight Hall II team, and Chi Omega defeated Kappa Delta.

The Independents were runners up in basketball action.

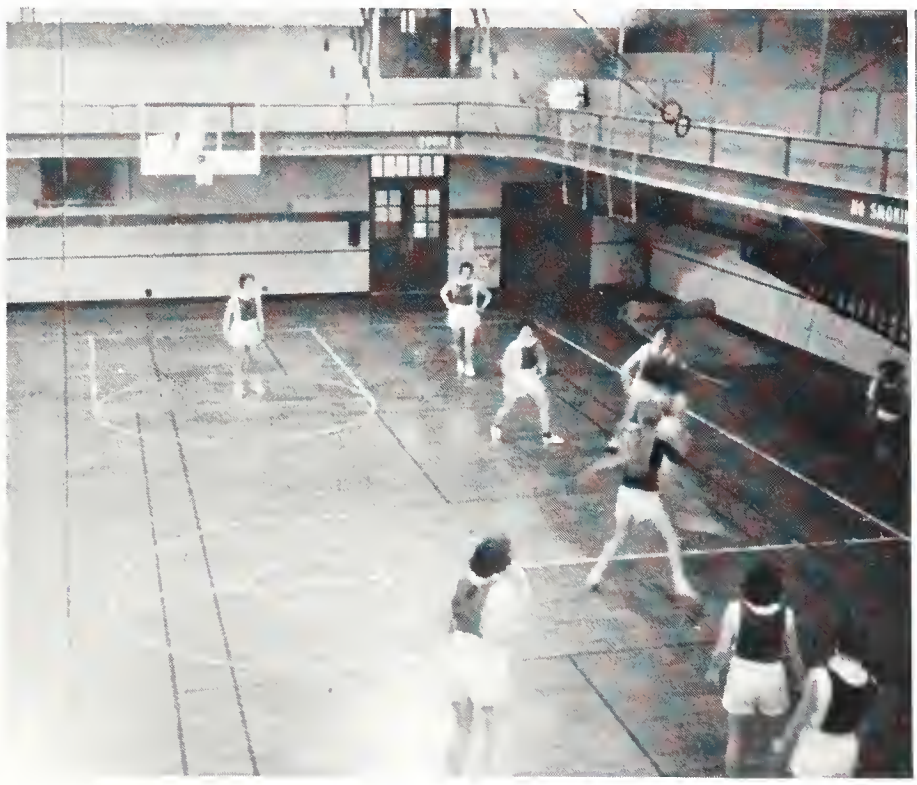
Whosh, and through it goes in intramural action.

Intramurals

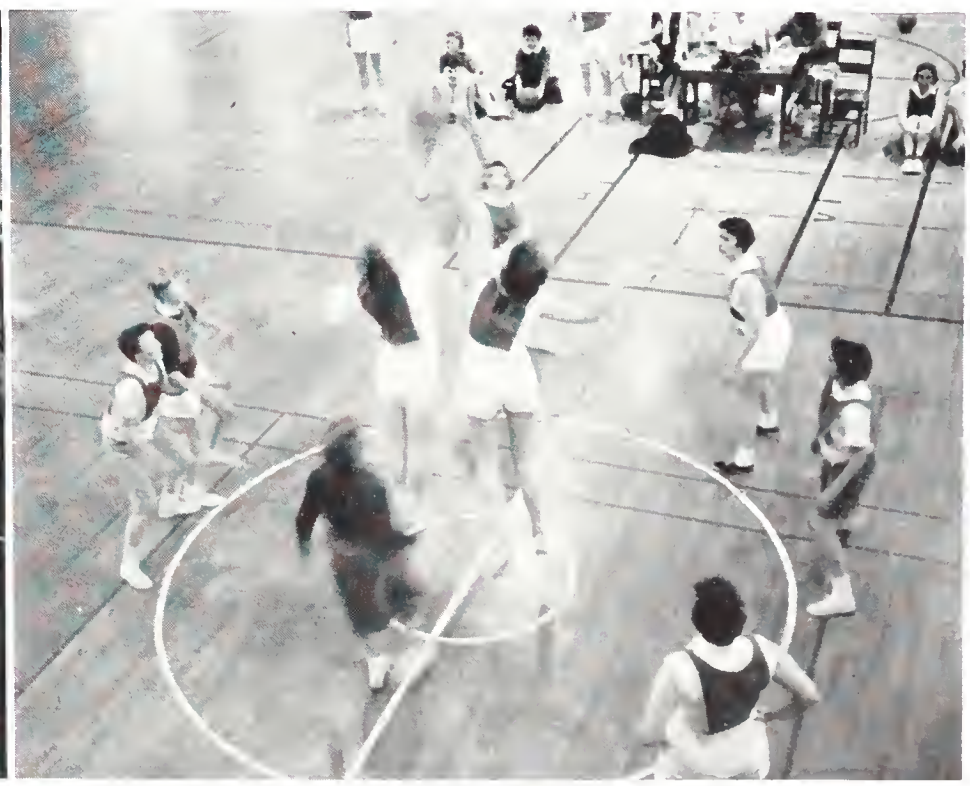
The winners of the first round volleyball games began a series on November 17, from which Pi Phi sorority, Knight Hall, Hoyt Hall, and Chi Omega emerged victorious. In later action Knight Hall lost to the Pi Phis and Chi Omega defeated Hoyt Hall.

In basketball first round play the Independents beat Hoyt Hall's team by a 21-13 score. Second round action pitted the successful Independents against Alpha Chi sorority. This proved to be a real tough one as the Independent team won by a close score of 25-24. Final play proved to be the downfall of the Independents as they lost to a determined Knight Hall group 24-22. At press time the WAA had scheduled its annual swimming meet for April seventh. Practices had also begun for the softball games to be held later in the spring.

Four Wyoming coeds intent upon a game of badminton.



Ball handling isn't confined to Strannigan's five.



Game time as two girls go high to control the ball.

Activities comprise a large amount of time spent by the student. All of the events of a University serve to make up the activities. The average student participates in many of these events. And yet, his everyday life is also composed of events. It is through these events that the student expresses his needs and interests. Here he has an opportunity to achieve outside of the classroom. Through activities, the student's life is complete.

The Activities

Freshmen Arrive Eager to Learn

Wide-eyed and wearing brown beanies, courtesy of the athletic department, the freshmen begin life as students at the University of Wyoming. Their first few days are occupied with orientation assemblies, standing in line for registration books, numbers, and I.D. photographs, interviews with advisors, registration, learning the layout of the campus, meeting other freshmen, and avoiding the upperclassmen who seem to have nothing better to do than to demand a recitation of obscure information out of the freshman's handbook, the DUDE.

Standing by, to assist the bewildered new students, are the Spurs and the Phi Eps, the most welcome sights on campus to the freshmen who have managed to get themselves thoroughly lost somewhere between the Arts and Sciences Building, the Union, and Old Main

When they have at last learned the difference between the Union and the library (something that some students don't even learn by the end of their senior year) or at least the difference between the Chem-Zoo building and the bookstore, when they have attended the traditional activities, the steak-fry, the tug-of-war between the freshmen and sophomores across the Peanut Pond, and the painting of the "W", and when they have become accustomed to dorm life, the new freshmen find that they are settling down into the routine of being students and adult individuals at the University of Wyoming.

Jeanie Patterson, George Moses, and Mrs. Patterson relieve the car of its load.

Kay Clatterbuck, a member of Chimes, and Julie Detter help Carol Beaver move into Hoyt.

The rushees are taken to a speakeasy of the Roaring 20's by the Pi Phis.

Rushees are given "a little bit of Hawaii by the Kappas".

Rush Week Starts Year

At the beginning of the school year, Rush Week, involving Panhellenic and the Inter-fraternity Councils, takes place.

Rush week is a new experience for the freshman student and one that will not be forgotten about his college days.

The new freshman is feted during Rush Week at various parties and gatherings. At the end of the week, the student is pledged to the greek organization he prefers.

After the parties and glamour of Rush Week, the freshman goes back to being "just a freshman" and a pledge.

Sigma Alpha Epsilon gives a serious rush with some thought-provoking speeches.

And rush draws to a close.

Rush

Registration Confuses Freshman Students

The gym over-flows with new registrants anxious to see if they will have to go back to their advisors.

"Have you ever seen so many long lines?" This is one of the most frequently heard comments in Freshman registration. Much to the dismay of the bewildered Freshman student, the lines always get longer instead of shorter.,

Freshman registration is an experience all its own. The upper-classmen delight in seeing the new students confused because at one time they went through the same procedure.

By the time a freshman gets through the whole process, he has spent considerable money, bought a freshman beanie, and become thoroughly confused and disgusted. But also he feels a certain amount of pride at finally entering the University. During this time he has also met and made many friends.

The end of registration is the most painful part.

Eddy O'Farrell, Peggy Blackwell, Don Murback, and Donna Golden complete the registration line by making appointments with each student to have his picture taken.

In honor of the freshman a steak fry is held. Many women and men rush up to look over the new enrollees.

Freshmen Renew Wyoming Tradition

The University of Wyoming students do not care where they sit up at the steak fry. They just enjoy the sunshine and fun.

Freshman make paint flow like water to help brighten the "W" on the hill located just outside of Laramie.

Paint is the password of the day as the freshman work on the "W". The painting of the W is a tradition at the U. of W.

At the beginning of the school year Scabbard and Blade has a tea. This is when corpettes are chosen for the coming year. Here some of the ladies are sitting, chatting and waiting for something to happen.

Students' Life

People move, cars move, at the University of Wyoming—even trees move to make way for expansion in the new program.

In every field, the University of Wyoming offers activities to help round the outlook of the student and keep him busy.

On the scholastic side, the campus offers the library, a speech festival for high-school students, debate meets with other colleges, an Hour with Literature several times during the year, honoraries for the hard-working students and of course, midterms, Dead Week and Final Week.

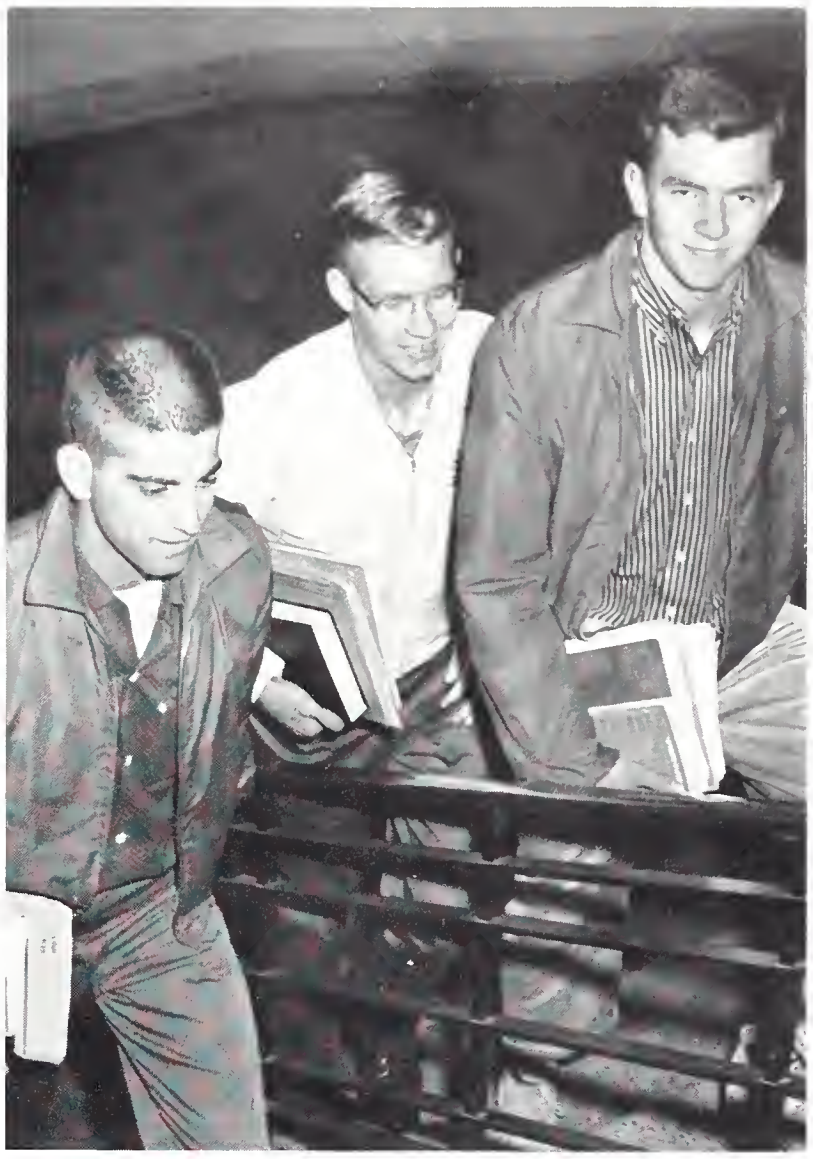
As for culture, there is a wide variety of events, including plays put on by the drama department, and the concerts and recitals, many by students and some by professionals.

The athletic events are plentiful. There are intramurals for general participation, as well as the spectator events—football, basketball, wrestling, swimming, baseball, track, tennis, and bridge. In the spring, there is also a high-school basketball and wrestling tournament.

The social calendar is always full—the meeting of old and new friends at the beginning of the year, the hours at the Union, the fraternities and sororities, the picnics in the nearby mountains, the Gridiron Banquet, and the dances—Homecoming, Snow Carnival, Engineers, Military, IFC, and Sweater.

This year's cheerleader for this year's champs; cowboys approved Claudia Hamilton's show of pep at the fall try-outs.

It's cold, it's wet, it's full of water - and people! This is the Peanut Pond during the Freshman-Sophomore tug-of-war. .



The climb to higher education from the bowling alley to socialize upstairs is what these boys are doing.

Work and Play

An upside-down jackknife is beautifully executed by a freshman girl at the Peanut Pond, with help from by-standers.

Girls dread to be out on campus during this time. Even some safe in the dorms are pulled out.

The eyes of the Air Force are on Miss Linda Phillips as she is presented with the Miss USAF Academy title.

Cowboy Football Proves Exciting

Football season is one of the most exciting times of the school year for the students at the University of Wyoming.

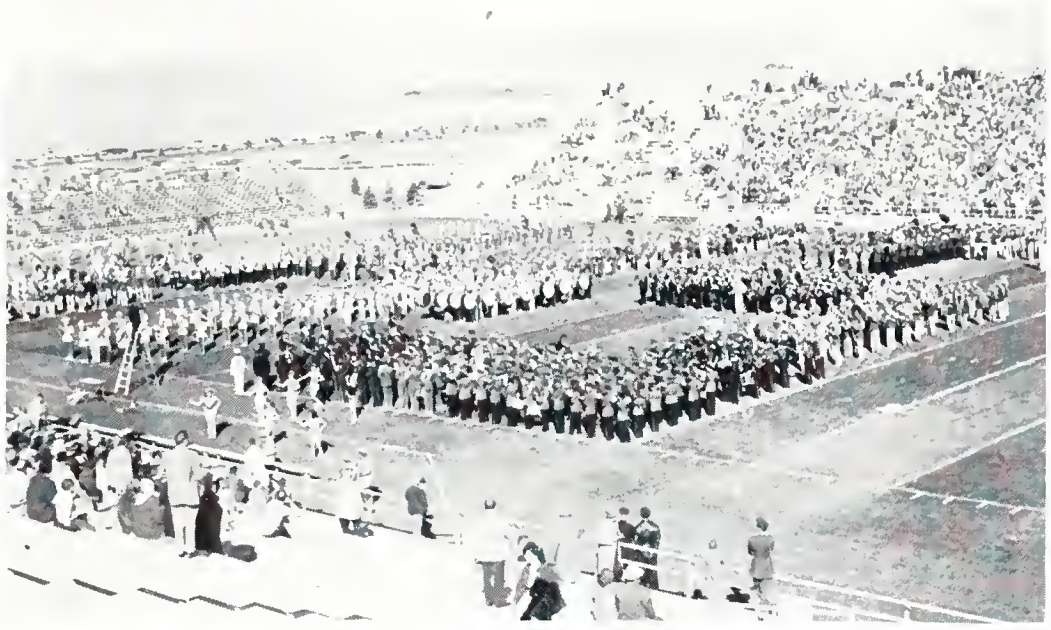
All the pageantry, tradition and custom of the University is present at every opening kickoff. The Wyoming Cowboys have had an excellent football team for the past several years. This year the Cowboys were led to a successful football season with a record of ten wins and one loss, under the superb coaching of Bob Devaney.

The band plays an important part in football season and provides the fans with many spectacular shows and demonstrations of their talent.

Cowboy Joe, Wyoming's mascot, has become a definite part of football tradition at Wyoming. The Cheerleaders and pepsters lead Joe around the football field every time a Wyoming Score is made. Football is a time of many memories that students long remember.

Jerry Profitt, drum major, and Patty Dunston, head the U of W 110 piece band.

Cowboy Joe gets his best foot forward while celebrating a touchdown with a run around the field.



The annual high school band day is held once again. The bands fill the football field during half time.

Football season proved to be successful in every way in the 1959 season.

The crowds were larger, and enthusiasm, school spirit and cheering ran higher than ever before.

The University of Wyoming high-school band day again saw bands from all over the state march onto the field. One of the most noticeable features of the football games was Tracy's Trigle train which consisted of businessmen from Cheyenne, enthusiastically interested in football.

Janice Elmer and Harold Farmer received the Admiral Emory S. Land awards for outstanding support of athletics.

And Successful

Tracy McCraken gives a little talk after his Trigle Train from Cheyenne has arrived for a U of W game.

Janice Elmer and Harold Farmer receive their awards during the half time at the Homecoming game this year.

Since the new union has been open many of the students spend their time in the basement. These groups of men prefer pool.

On snowy weekends many of the students head for the near-by mountains for some good out-of-doors fun and laughter.

Students Find Time For Relaxation

Gwen Davis gets a head start on her male companions; the six won the gigantic sandwich through a drawing at the new union.

Feet, Fight, Foot the Branding Iron continues to put, so thinks Denny O'Farrell news editor of the campus publication of the Branding Iron, the University of Wyomings newspaper. Denny takes time to relax for a moment.

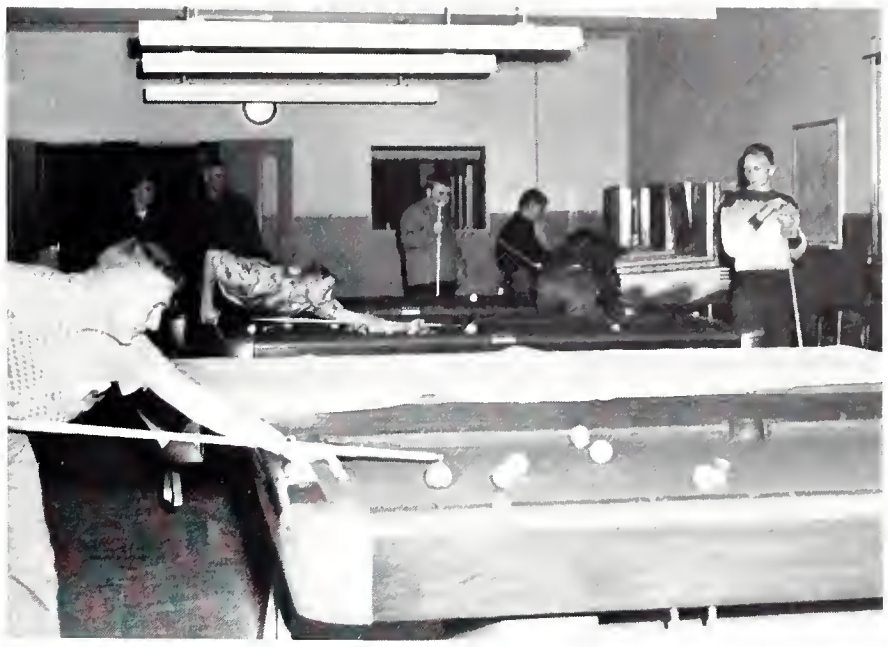
Mr. Millikin, the sweater man, will be remembered by the students and the people of Laramie for many years to come.

And Recreation

Students at the University of Wyoming have a hard time finding time for relaxation and recreation during the many busy hours of the day. But of course any student can find time for bowling in the new ten lane bowling alley, or playing a short game of pool.

There are many recreational facilities at the University and students use them to full advantage. Whether it is square dancing on Wednesday nights, or meeting Tracy's Trigle Train on Saturdays during football season, the students fully participated.

On Saturday's Mr. Tracy McCraken's Trigle Train would come over to watch the Cowboys play. They were met by the band.



While many students at the University prefer to sit and drink coffee upstairs, others prefer to play a game of snooker.

The Square Dancing Festival brought many round ideas to the Universities campus nearly every Wednesday night.

For students who don't have to study, many long and pleasant hours are spent downstairs having just a lane or two.

Homecoming Comes All too Soon

The mention of Coors helps the Kappa Sigma fraternity get its members out to work and have fun with all on the float.

The Kappa Kappa Gamma sorority attempt to get help from some near by males who appear to be eager to work for all.

Homecoming queen candidates were: *Back Row:* Donna Golden KKG; Pat Veile ACO; Judy Cook DDD; Katy Kugland PBP; *Front Row:* Renee Still Hoyt; Kay Reber CO; Celeste McMillian KD; and Mary Gould Knight. All vied for the crown.

As the parade came down the street, one of the many beautiful floats that passed by was the Viking Ship carrying the cross.

The Events Begin

The events that make up the traditional Homecoming at the . . University of Wyoming are in preparation for many weeks by students. Long hours go into the designing and making of floats entered in the homecoming parade. The Homecoming sing, a coveted trophy, takes long hours of group cooperation. And of course, so do the campaigns for Homecoming Queen Homecoming is truly a time to look back at all the hard work and sigh, "It was worth it!"

The Kappa Kappa Gamma sorority added glamour to the sing with their two songs "Remember" and "September Song."

The Kappa Sigma's at the University of Wyoming took part in the traditional Homecoming sing. One of the songs that they sang was "Mack the Knife". Here is the fraternity singing their song while guests and students listen and look.

After quite a few hours of hard, fun work the Kappa Sigma float was finally ready for the public eyes.

The Kappa Kappa Gamma Homecoming float went down the streets of Laramie, Wyoming with Cowboy Joe on top.

Competition High

Another of the many floats was the Lambda Delta Sigma. Sitting on top of the white swan is Karen Kockerhans.

A tradition of Homecoming is the Sigma Alpha Epsilon Kilty Parade. The instruments they play are unique. Jo Shillinglaw and Jim Cheesbro along with other students have a smile for the camera.

In the men's division, the ACACIA fraternity placed high with their imaginative float.

The winning float chosen by the judges of the sorority division was the Kappa Deltas' wooden shoe.

The Winners Eagerly Anticipated

Homecoming festivities at the University of Wyoming are filled with yearly events and tradition, eagerly looked forward to by students and alumni. The gold autumn days filled with the excitement and grandeur of Saturday's football game are familiar to all college and former college students.

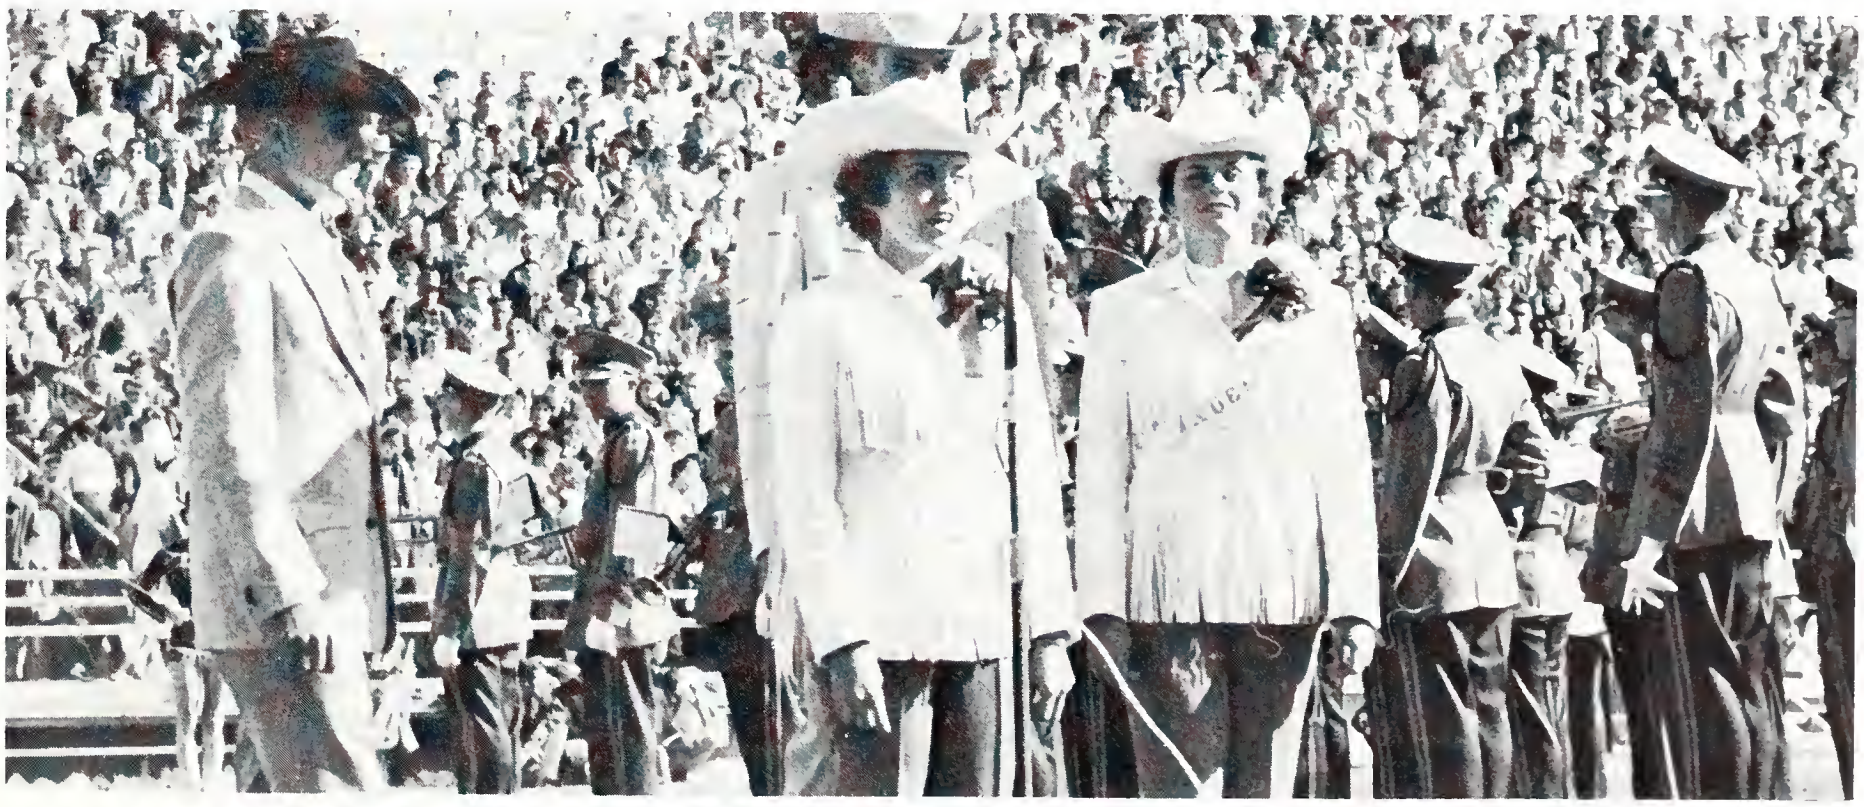
A stadium full of roaring fans, a crisp fall day, a football hero, the winning touchdown, the joyous celebration; these are all part of Homecoming at the University of Wyoming.

Students prepare for the annual tradition weeks ahead of time by practicing for the annual Homecoming sing, planning floats, and backing candidates for the queen. This year was no exception and as the big day grew nearer, tempers flared and the fervent pitch of work grew higher. Finally, things were accomplished and the end results were more than rewarding.

Homecoming Queen this year was Katy Kugland, Pi Beta Phi and her attendant was Celeste McMillian, Kappa Delta. Sing winners were the Tri Delts, Sigma Nus and Knight Hall. Float winners were the Phi Delts and KDs.

The biggest Homecoming event was in the end, the football game. The Wyoming Cowboys trounced Brigham Young university in a crucial Skyline battle.

The Queen who reigned over the Homecoming festivities was Miss Katy Kugland, Pi Beta Phi, and her attendant was Miss Celeste McMillian, Kappa Delta. In the picture below, both ladies are standing during intermission of the game.



Midterm Finds Activity Heightened

The University of Wyoming Student Senate met faithfully every Wednesday night to discuss many important issues.

"Girl of the Golden West," was one of the plays presented by the University Theatre. Linda Phillips had the main lead.

Midterms find the students cheering their team on to victory. Here we have the cheerleaders, pepsters and fans.

Mid-term of the fall semester at the University of Wyoming found students busily engaged in activity that hindered studying for mid-term tests.

The Student Senate was busily revising the ASUW student constitution. Long hours of work were put in on the project before Thanksgiving.

The fall theatre production was "The Girl of the Golden West", one of the most successful plays of the year, staring Linda Phillips and Dave Furgeson.

Mr. Russin, Laramie sculptor and professor at the University was putting on the final touches of his statue of Lincoln. The statue is now resting on the Summit between Laramie and Cheyenne on Highway 30.

Mid-term also found the Wyoming Cowboys football team still winning games and playing the brand of football Wyoming teams have become famous for.

Mr. Russin, a University professor, is hard at work on his statue of Lincoln, now located on top of the Summit.

Carol Ludwig, one of the candidates for Engineer's Queen, is seen at the smoker chatting with future engineers.

Cigarette girls served at the annual affair. Here Jean Georges offers a cigarette to one of the guests.

Larry Nelson, along with other companions, stops to look at one of the numerous displays presented for viewing.

Engineer's Smoker Introduces Queen Candidates

Queen Candidates for the Engineer's Ball were introduced to the members of the Engineering college at the Engineer's smoker in December.

Entertainment was provided during the evening and each Queen candidate is introduced separately and gives a short talk. The evening has proven to be a tradition and gives the members of the Engineering college a chance to know each other better. Ray Vos, president of the Engineering Council was master of ceremonies.

Ray Vos, Master of Ceremonies for this years Engineer's Smoker held in December takes a break for a few moments to look over notes, to make sure everything is going all right, and to just plain relax with the other fellows.

The Engineer's Queen was Lynn Evans, an engineering senior. Margaret Webster and Claudia Hamilton were her attendants.

The Ball attracted a record crowd exceeding one thousand. Christmas decorations contributed to the festive atmosphere.

Stan Kenton Plays for Engineer's Ball

The Engineer's Ball, December 4, 1959, will be a long remembered event by students of the University of Wyoming. The dance was one of the most successful in recent years with over a thousand students attending.

Music was provided by Stan Kenton and his orchestra from 9-1 in the Union Ballroom and late permission for women students was given.

Christmas wreaths were used as decorations and several brightly decorated Christmas trees provided a holiday atmosphere.

The Engineer's Ball is sponsored every year by the Engineering Council. A queen and two attendants are chosen by Engineering students to reign over the dance. This year Lynn Evans was queen and Maggie Webster and Claudia Hamilton attendants.

Stan Kenton and Band provided the music for a memorable evening of dancing for University of Wyoming students.

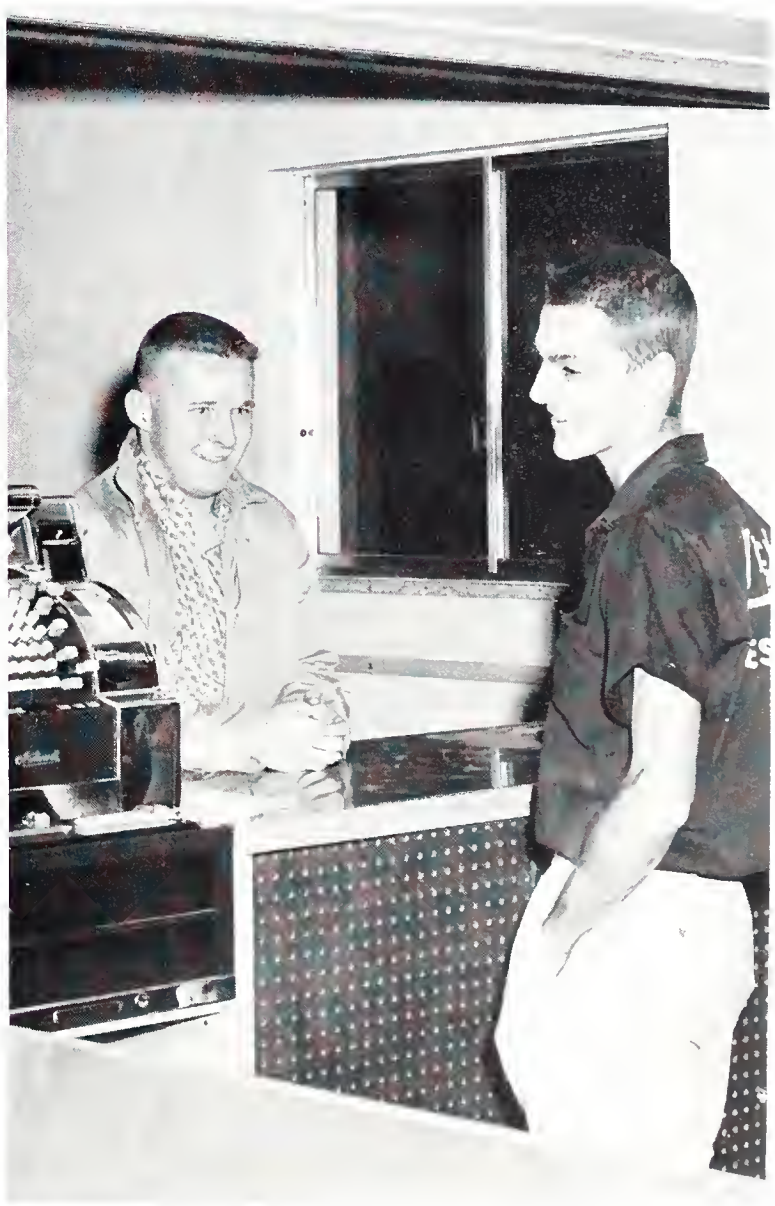
The Union Ballroom was the scene of this dance, sponsored by the Engineering Council, who also chose the queen.

Before Christmas Santa comes to the Union to do some entertaining and grant wishes.

During the fall semester the University of Wyoming had many outside entertainment. Above is shown the Pomplona Choir performing.

Nellie Tayloe, the new women's dorm, is shown. It is the new dorm to be built on this campus.

The Pi Beta Phi's peanut gallery comes out to support its team in the volleyball contest. In the end the Pi Phis won the trophy.



Vacation time is a good time to spend money and of course improve one's bowling average.

Some University students strongly believe and follow the creed of "unionizing." This is a typical scene in the Union fountain room of students chatting after and between classes.

Though the holiday season was near, students still preferred to go to the library and study.

Jean Georges, Joye Brown, and Peggy Blackwell, decorate the Student Union for Christmas.

Holiday Season Brings Festivities to UW Campus

To help celebrate the Christmas holiday, the Wyoming choir sang the Messiah Chorus for the public and students. This is a traditional event on the campus at this time of year.

The joyous students came back from the glorious semester break all ready to stand in line and greet smiling professors.

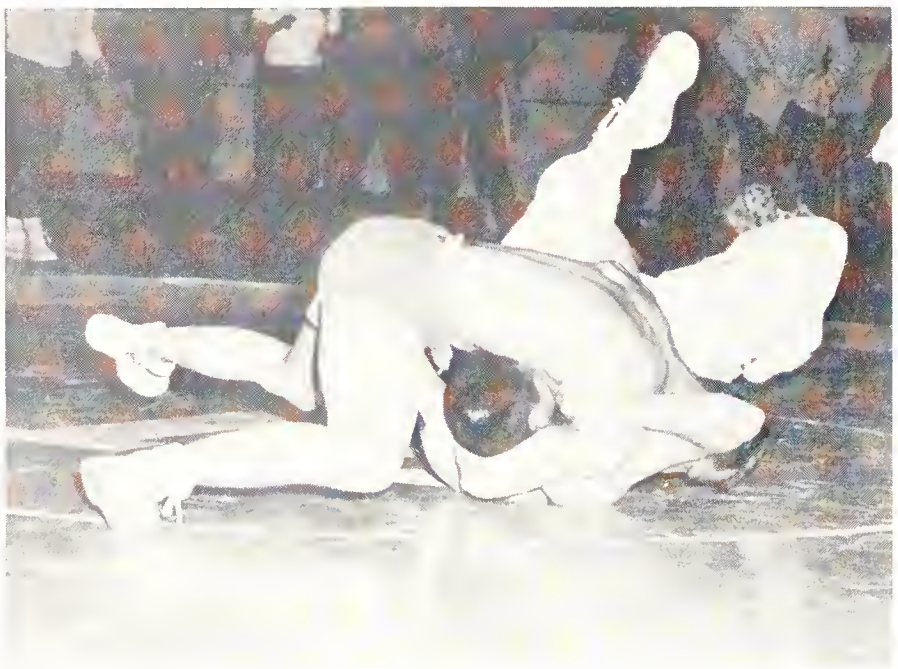
However, students of the University look forward to the new semester.

Melvin Zumbrun places a call to see if a certain someone came back second semester.

New Semester Begins

Dan Kelly, University student picks out some of his books he will need for new classes.

The University of Wyoming students went to the basketball games and cheered the team on through victory and defeat. Win or lose, the students always enjoy themselves cheering the team.



Wrestling made many new fans this year. Pictured is the intramurals tournament with Barry Burnette winning his match.

Students Support New Activities and Classes

With the beginning of the spring semester at the University of Wyoming, students begin to indulge in the many new activities brought on by new classes and warmer weather. Springtime on the UW campus is a time of much participation by students in dances, the last of basketball season, the beginning of baseball, and the ever popular year round sport of "unionizing."

Spring semester, movies were shown in the Union ballroom every Sunday afternoon at 2 o'clock. First run movies were brought to the campus with good response from the students. The campus was brightened further by the wrestling team and the good season record they compiled. Baseball in its beginning practice sessions and opening games promised the students another thrilling season.

Basketball games still continued to be played. Fans went to see the Cowboys play, win or lose.

Tammy True, Ed Neithold, Jerry Kitchen, and Tom Jones take a break from their studies to enjoy a quick game of bridge. The new cardroom, located in the basement of the Union has become popular with the students both day and night.

With eyes straight ahead the United States Air Force Angels of the University of Wyoming do many hours of drill.

The new student Union contains many advantages for the students. The fountain room gives a relief to hunger.

Full of Energy Students Face New Semester

A college student needs tireless energy to keep up with the fast pace of campus life. The hours of the day are filled up with studies, favorite activities and conversation with close friends. Each new semester the college student faces is a challenge. The students of the University of Wyoming are equipped to meet this challenge and do so with renewed spirit and energy.

The lounge of Knight Hall, a women's dorm, is often filled with men around the dark hours; some even bring instruments.

Benjamin Franklin has withstood many paintings and razings; yet, since 1956 the students often gaze at him on way to class.

The Snow Sculpture is traditional at the University. Many hours of long, hard, and cold work is put into the building of an organization's subject. This year the Kappa Delta sorority won a prize on their "Alaskan Image."

The Kappa Kappa Gamma sorority did an Eskimo igloo, including a house for the dog, as their snow Sculpture for the occasion.

Competition High Snow Carnival Week

Sno-Carnival week at the University of Wyoming is filled with competition for the various prizes awarded for the best sno-sculpture, and the winners of the ski and snoshoe races.

Campus organizations sculpture out of snow statues that represent some aspect of the theme of the carnival. This year's theme was "Alaskan Images" in honor of Alaska the 49th state.

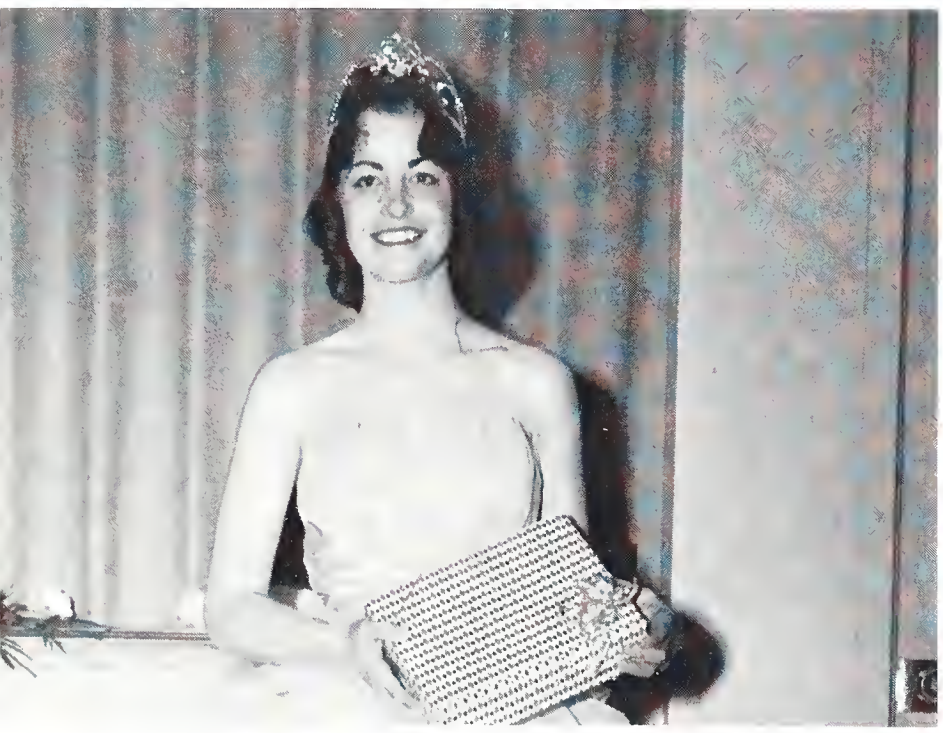
The Outing Club of the University sponsors the sno-carnival which is a much anticipated event by the students. Winners in the sno-sculpture were Alpha Chi Omega, Kappa Delta, Chi Omega, Alpha Tau Omega, and Tau Kappa Epsilon.

Every year the Outing Club members put their heads together and decide on the theme and then go to work on their sculpture.

The Alpha Chi Omega sorority did their Bearable 49th snow sculpture. On the window they painted the Northern Lights.

Another fraternity snow sculpture which took many long and hard hours was that done by the Sigma Chis.

The Alpha Tau Omega fraternity came through this year with shining color and glory by winning the traveling trophy.



Miss Peggy Bower, a junior at the University from Worland reigned as the Snow Carnival Queen for this year.

Sno-Ball Climaxes Carnival

Saturday night, to climax the Sno-Carnival week, a dance was held in the Student Union. At the well attended affair awards were presented to individuals and teams in sno-shoe racing and skiing, as well as for the sno-sculpture. Queen of the Sno-Ball this year was Peggy Bower, Knight Hall. Her attendants were Anita Simon, Pi Beta Phi, and Evelyn Downie, Delta Delta Delta.

Snow Queen Miss Peggy Bower, Knight Hall; along with her two attendants: Miss Nini Simons, Pi Beta Phi; and Miss Evelyn Downie, Delta Delta Delta. The queen and her attendants were announced at the evening's dance.

The annual Ugly Man contest went on this year. Chosen to reign as the New University of Wyoming Ugly man was Brent Foster.

Activities Always Present

A student's life at the University of Wyoming is constantly filled and busy with participation in the various events and activities always present on campus. The University believes that these events add more to the student's perspective of an all-round education.

The IFC "Ugly Man Dance" held in early spring resulted in another successful turnout and saw Brent Foster elected "Ugly Man" for 1959-60.

The Air Force ROTC cadets took physical examinations during the year for the coveted Air Force commissions received upon graduation.

Basketball games went on through the late winter and even though the team wasn't as successful as in some years before, students were still engaged in school spirit and enthusiasm.

The new union flourished all year around and the card room once more regained popularity with the establishment of bridge groups on campus.

Dick Godfrey, chosen as one of the Air Force ROTC outstanding cadets, is shown here taking part of his physical for regular Air Force commission. Mel Lemon was chosen as the other outstanding United States Air Force ROTC cadet from this campus.

Mel Lemon, the other outstanding USAFROTC cadet is shown above having his pulse taken as part of the examination.

Basketball season continued to venture onward. Devaney shoots while Stretch Lively awaits the rebound.

Miss Peggy Blackwell, Wyo Editor, measures Miss Judy Sinko while Miss Bonnie Brown watches on in amazement.

Perry Drey, Toni Garcai and boy have their hair cut at the barber shop located in the basement of the union.

Every Wednesday night the contract bridge fans gathered. Wyo staff members tried to work here, but were finally prohibited.

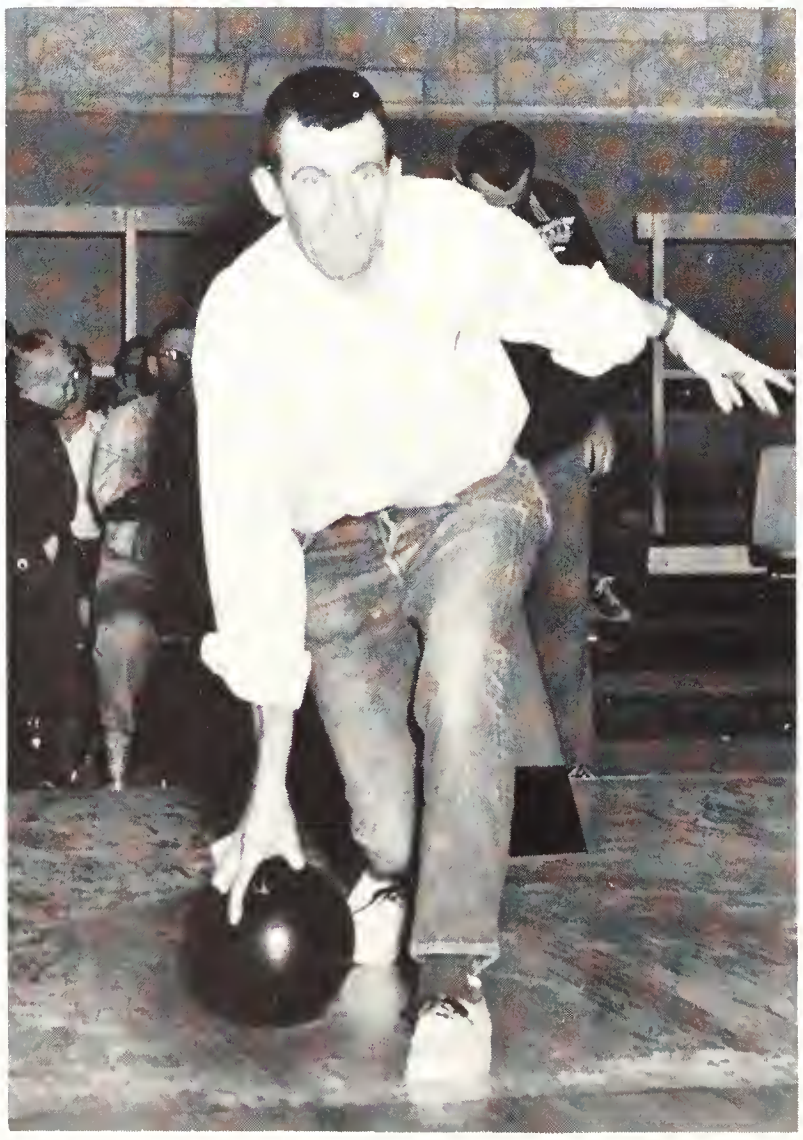
So many students here at Wyoming University see their professors only when they lecture to them. However, many professors gather on Monday nights to have a fling at bowling. Professors relax when they get to bowl a line.

Faculty Enjoys Relaxing

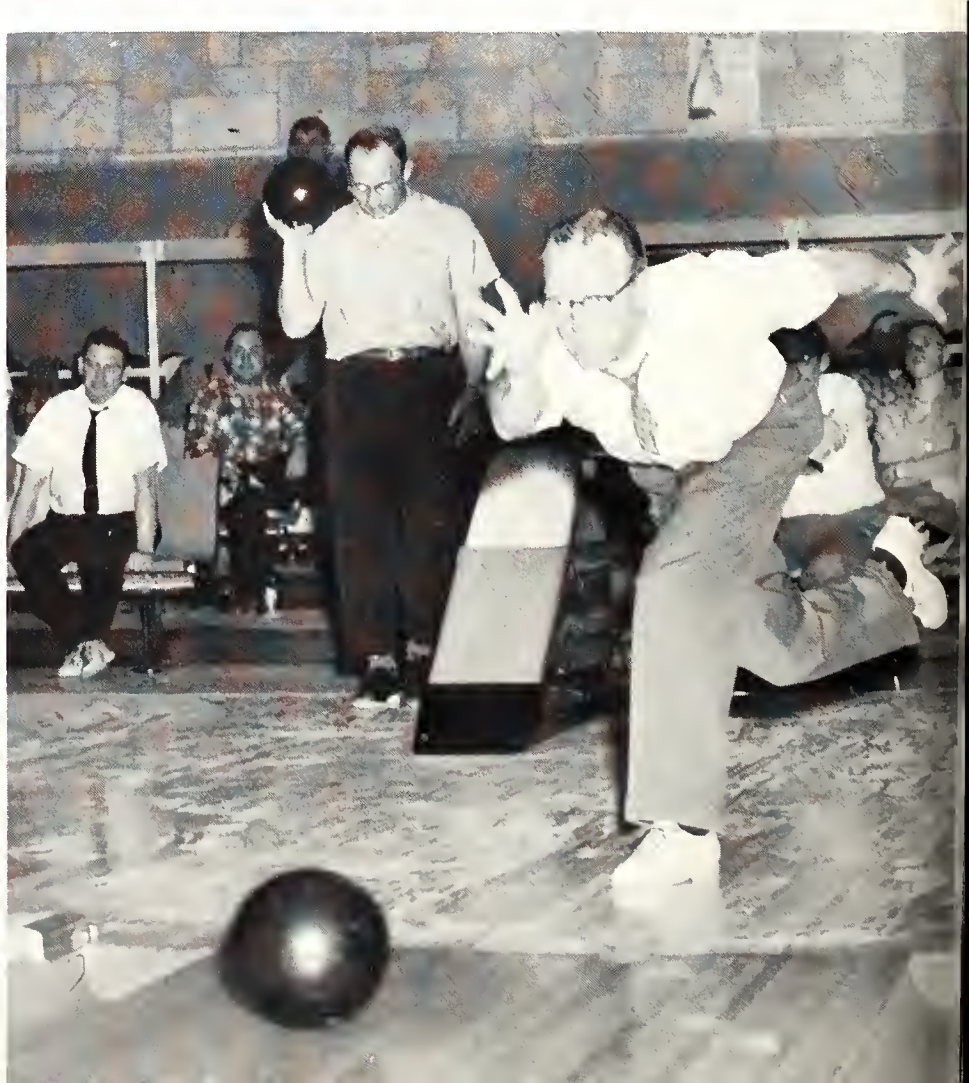
The faculty members at the University of Wyoming enjoy relaxing in their spare time. The faculty enjoys many outlets, from pursuing their favorite hobby to watching or participating in their favorite sport.

Since the addition of the new union bowling lanes this past year, faculty and student's leagues have been formed for the pleasure of all. The faculty and students alike participate wholeheartedly.

Trying to concentrate very hard, a Wyoming professor hopes that maybe if he aims right a strike might befall him.



One, two, three, four steps and whish down the alley goes a bowling ball. Not only is score important, but so is form.



Winter Events Highlight Season

In the winter, Wyoming students look forward to the many winter sports and activities. The University of Wyoming is close to many winter events such as the cutter races in Jackson, Wyoming and excellent skiing in Colorado.

Also located 30 miles from Laramie is the Snowy Range with mountains 12,000 feet high providing an excellent area for Wyoming winter sports.

Many dances are held in the winter season providing students with events and parties as well as an outlet for stored up energy.

Soon after our Winter Carnival many of the Wyoming students packed up in cars and went to see the Cutter races in Jackson.

The music played on and the Phi Delts continued to dance.

Mike Hanna and his date take a dip while Bob Grieves kept smiling.

Every year the fraternities here at Wyoming have their annual Christmas or Winter dances. Pictured here is the Phi Delta Theta dance. Bob Grieves and Dean Meyers pause to smile; while the Wyo photographer steals a dance from Sheila Fitzgerald.

Stretch Lively reaches for the jump ball, while Johnnie Bertalaro with open mouth waits to get the ball and take off down the court.

For the second year the University of Wyoming held the Miss University of Wyoming pageant. Contestants for the Miss University of Wyoming contest began practice before the big night was to arrive. Eleven coeds from the University competed.

Miss Marian Delaurante received the title of first runner up. Miss Delaurante also was first in bathing suit and formal.

Miss UW Contest in Second Year

Sharon Luond was crowned this year's Miss University of Wyoming on February 26, 1960. This is the second year for the contest that is an official Miss America preliminary contest. Linda Phillips, last year's Miss University of Wyoming crowned Miss Luond, a freshman from Cheyenne. Marian Delaurante, freshman from Rock Springs, and Sandra Nauman, Senior from Laramie were runners-up. The 12 contestants competed in talent, bathing suit, and formal divisions. George Gunn was master of ceremonies for the evening. The state contest for the title of Miss Wyoming was held in July in Cheyenne.

Climaxing the night was the crowning of Miss University of Wyoming. Miss Sharon Luond receives the crown from Miss Phillips.

After the crowning Miss Sharon Luond takes time to pose for the Wyo photographer. Miss Luond is from Cheyenne, Wyoming.

UW Brings Sal Salvador to Campus

Sal Salvador, jazz guitarist, and his three piece combo, entertained the students of the University of Wyoming at a concert February 27. The famous combo was presented by the University of Wyoming Union Cultural Committee. Jazz seems to be popular on the Wyoming campus.

Sal Salvador gave a few tips to his drummer during the program. During intermission the Best Dressed Girl was announced.

During the month of February Sal Salvador came to the University of Wyoming campus to entertain the students with his jazz concert. There was a fair turnout for this jazz concert and the students at Wyoming were very receptive.

Here are the fourteen contestants who entered the "Best Dressed Girl" contest, showing in the formal wear category. The contest was the first of its kind to be held on the Wyoming campus. It was well received by the students.

Behind the scenes, proves that when girls are rushed to make five minute changes, any room will be a mess. The contest was considered a success.

Another Contest

New this year to the University of Wyoming campus was the contest for the title of "Best Dressed Coed". Fourteen contestants entered. Sponsoring the contest was the Wyoming Union Cultural Committee. Held February 27, the best dressed contest was the same day as the Sal Salvador Combo's Concert. Mr. Salvador and selected members of the union committee acted as judges. The contest was considered a complete success and plans to continue next year.

Critical judges and an attentive audience examine outfits for on-campus, afternoon and evening wear. These categories determined the winner of the "Best Dressed Coed" contest. Each participant thoroughly enjoyed the entertaining contest.

Best Dressed Coed on Campus

Selected Best-Dressed Coed on the University of Wyoming Campus was Sheila Brennan. Runners up were: Dorothy Andrews, Laura Henderson, and Lucile Mayland.

Sheila Brennan, winner of the "Best Dressed Coed" contest, models an on-campus outfit in the basement of the Wyoming Student Union. The contest was Feb. 27.

The winner of the "Best Dressed Coed" contest was announced in the intermission of the Sal Salvador Jazz Guitarist Concert. The contest was held for the first time this year and sponsored by the Union Cultural Committee.

You always have to start somewhere so the first step in tearing down the music annex is the salvaging of the bricks.

Buildings Come Down and Go Up

The year of 1959-60 will be known on the University of Wyoming campus as the year the buildings were torn down. The building program of the University was starting to expand with the beginning of construction of a new student health center, located next to Hoyt Hall and the Pharmacy Building. Also started, was the new women's dormitory located next to Knight Hall and across the street from the Union. New student married housing was being built east of the fieldhouse and the "butler huts" were finally moved away.

The buildings are torn down and slowly rebuilt. The music annex is only a mass of lumber and glass.

Finally the last of the metal veterans housing buildings are removed from the lots west of the fieldhouse.

The mascot for the Wyoming Cowboys, Cowboy Joe, is dressed in his "Sunday best" for all Rodeo Week events.

Thomas Ogg is present as Rodeo Week comes to a climax and it is time for the prizes to be awarded.

When the excitement of Rodeo Week arrives in the spring, the students try their skills in widely varied contests.

Rodeo Week

The ups and downs of bronc riding always ranks at the top of the list of exciting events of the fun-packed week.

With Winter's End

Campus Activity Increases

Around the first of February students at the University of Wyoming begin to think about winter's end and the arrival of spring activities.

Cowboys sports, including basketball, wrestling, and swimming dominate the Wyoming campus scene at the start of the spring semester.

Many contests are held such as Miss Wool won this year by Nini Simon and Miss University of Wyoming won by Sharon Lound.

The Committee on Public Exercises of the University presents a variety of concerts for the students, faculty and townspeople to enjoy.

Saul Caston and the Denver Symphony gave a concert near the end of winter in the Arts and Sciences Auditorium.

Mr. Pat Moran models ski wear for the men in a ski style show sponsored by the Wyoming Outing Club.

Women's ski clothes were modeled by Miss Karen Johnson. The clothes were donated by many of the Laramie merchants.

Miss Nini Simon, Pi Phi, was chosen Miss Wool at the University of Wyoming in the month of March.

And Spring Arrives At Long Last

Spring is eagerly looked forward to by the Wyoming students. It comes fairly early to the landscape but also there are many of those "last snows".

Tradition time at Wyoming is filled with exciting events and activities. The well gardened campus slowly turns green and flowers begin to bloom along with sunbathers on roofs and lawns.

Sports during the spring semester include the last of basketball, and track, tennis, and golf.

The biggest single event of the spring semester is the ASUW election of Student Body officers in April. Caucus meetings occur over coffee discussing the pros and cons of improving student government.

The finalists for student body president are interviewed by the student body at a rally. The candidates discuss issues and explain their platforms before the students cast their final ballots.

At this time of year, Seniors get anxious and start preparing for Commencement Exercises held in June. Excitement runs high but the students of Wyoming are well prepared for the final activities of the year.

Every spring the campus at Wyoming comes back into bloom. The flower plants in front of Wyo Hall have started life again.

The first sunny day brings the girls out to start a tan. Here D. Golden, N. Long, A. Morgan and G. Asisala begin on their tan.

As the sun continues to stream its rays through the clouds and wind, classes move out of the classrooms and into the outdoors.

Fraternities Hold Annual Spring Dances

Gail Asiala was awarded the best costume of the evening by people who attended the Alpha Tau Omega dance this year.

Fraternity Spring dances have become an established tradition at the University of Wyoming. All eleven fraternities on the campus hold many spring activities. These can range all the way from the Phi Delta Theta "Bermuda Ball" and Alpha Tau Omega "Sack Dance" to the Sigma Nu "White Rose Formal" and Kappa Sigma "Spring Formal."

These dances are well attended and provide an excellent outlet for the "spring fever" that occurs on campus this time of year.

Around the beginning of March fraternities start to have their dances. Many of these dances are costume. This year the Alpha Tau Omega fraternity had their traditional Sack Dance even if the floor was dusty.

Spring Arrives

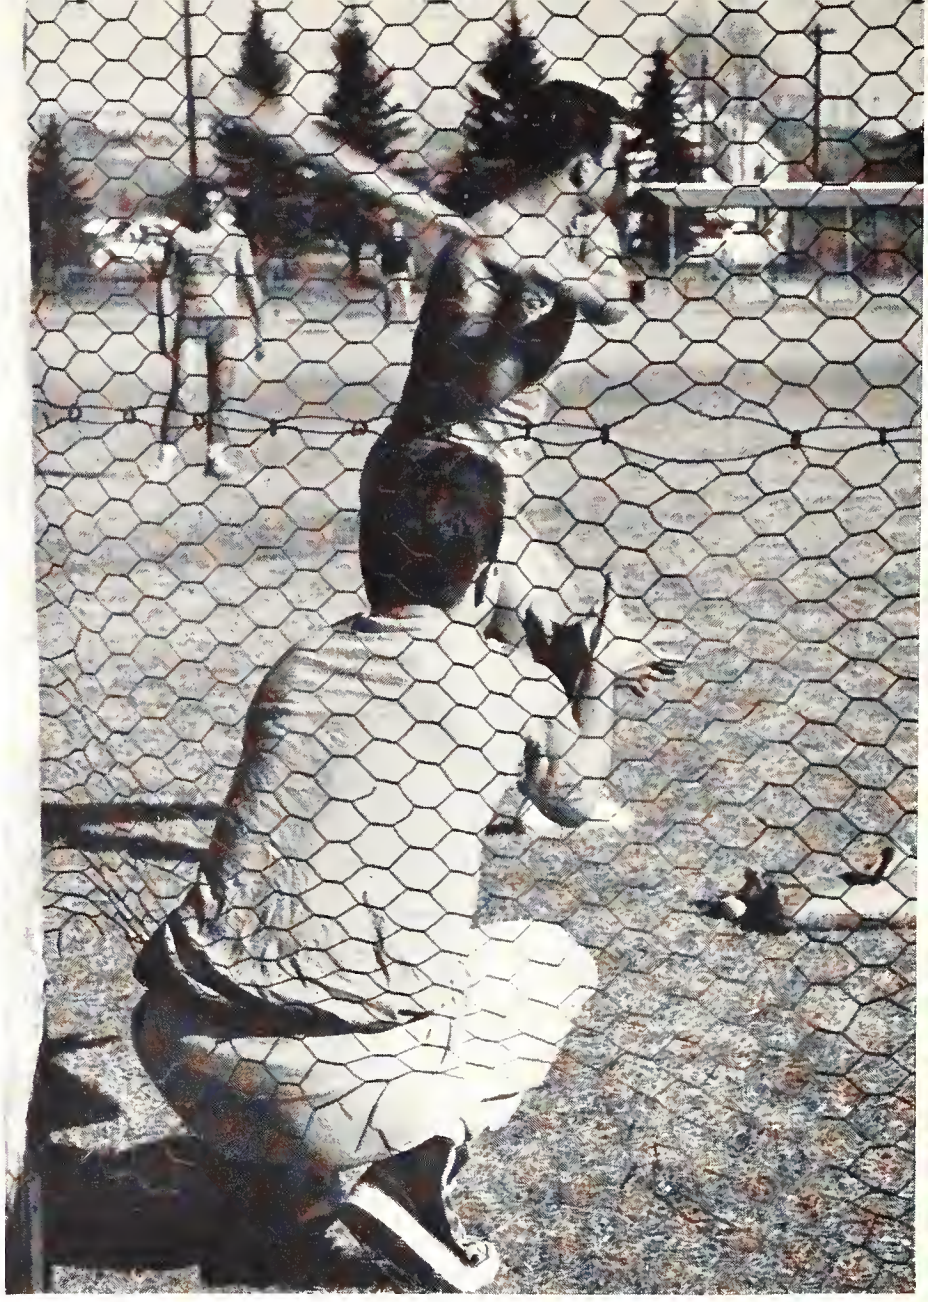
Perry Drey makes full use of the Union Barbershop facilities, located in the Wyoming Union basement.

Baseball season begins and many of the fraternity men can be seen playing or practicing baseball anytime of the day.

Bringing Wyoming Sunshine

Sun worshipers got an early start this year, for the Wyoming sunshine was abundant around the last of March. Here, Anne Keller does not waste any time in getting out and enjoying the sun. Sunbathing is quite a popular pastime at Wyoming.

The University of Wyoming Bookstore moved into the Union Building this year and provides better service to students.



Spring, or whenever nice weather comes, the University baseball team goes out on Corbett field and practices.

Students Prepare for Spring

One of the common meeting grounds and eating places for Wyoming Students is the Campus Shop located south of the campus.

Students Enjoy Leisure with Serious Intent

President of the University of Wyoming, G. D. Humphery was the principal speaker at the annual Phi Delta Epsilon Gridiron Banquet.

Alpha Tau Omega pledges work for the city of Laramie during "Help Week." These Taus help by painting the city jail.

Although the students of the University of Wyoming, often feel there isn't much time to spare from their studies and books in the spring, some plan of procedure is always adopted.

Students adopt many plans for studying, from reading the book well ahead of time, to be forgotten, or indulging in last minute cramming, so they can't remember anything. Students are serious about these plans of how to get the most fun and enjoyment from everyday of college and still be able to return next year. The college years are the most fulfilling and rewarding of a student's life, if he uses them wisely.

The Pepsters of the University of Wyoming entertain and promote school spirit at a Cowboy basketball game. These girls are active all during the year, especially at the football and basketball games.

Warm Wyoming Weather Welcomed

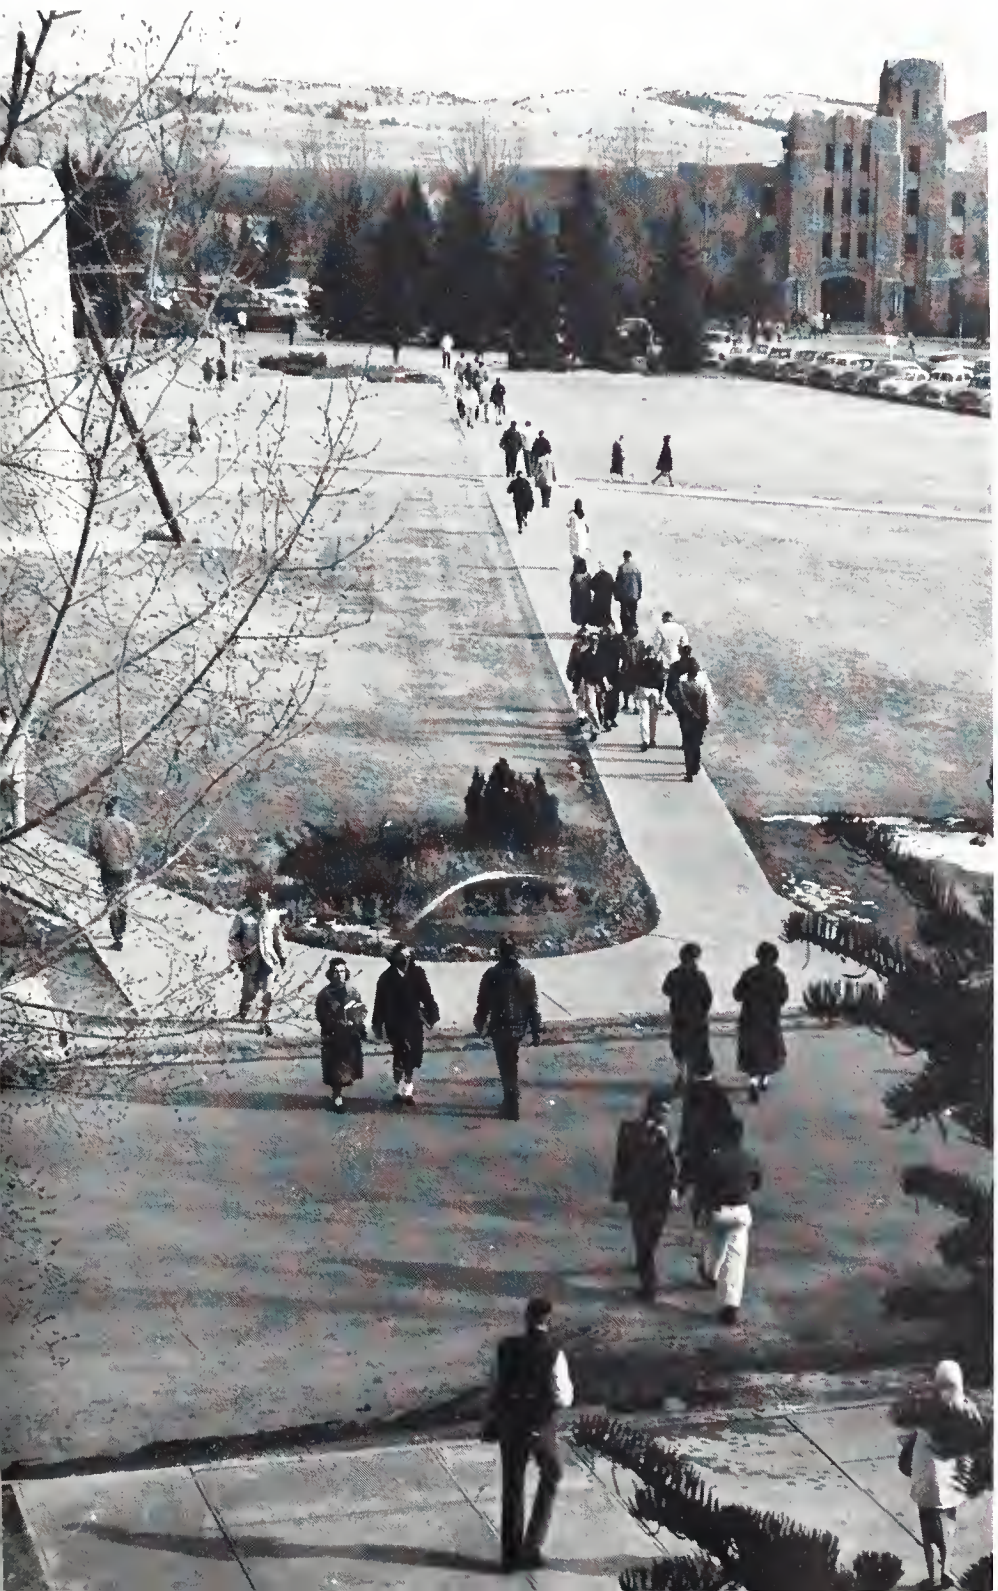
"Campus Blackout" is illustrated here by Ron Lytle. Every now and then the lights go out and the campus is in the dark.

Model airplane enthusiasts fly their planes in warm weather in the block across from the University fieldhouse.

Warm weather comes and students find time to enjoy the sunny atmosphere of the campus. Here students relax.

On the University Campus new buildings continue to grow. The new student health center which is being built beside Hoyt Hall is expected to be finished this summer so it can be used next fall.

A view from the Arts and Sciences Building is a good place to watch students going to class across prexy's pasture.



Brings Students Out-of-Doors

In the pasture across from the student housing, provides an open space to fly model airplanes.

Senator McGee Judges WYO Queen

Gale W. McGee, United States Senator from Wyoming, and his wife, were chosen by the WYO staff to judge the Queen of the yearbook.

GALE W. McGEE
WYOMING

United States Senate
WASHINGTON, D.C.

February 19, 1960

Dear Miss Blackwell

After a period of three days, a series of consultations with Mrs. McGee, and several hours of pouring over the pictures of this year's candidates for the Wyoming Queen, I have finally arrived at a near-impossible decision of selecting the Queen and three attendants.

As I had anticipated, this year's beauty crop at the University is fully equal to the traditionally beautiful coeds Wyoming has always had in the past. A task such as you have given me renews my yearnings to be back on campus.

According to the list of candidates you submitted to me, I have chosen number 20 as my selection for the Wyo Queen. As attendants, I designated numbers 9, 24, and 28.

The photographs you submitted to me are being returned under separate cover.

My best wishes to your Queen and her attendants and thank you for the honor you have given me to select her.

Sincerely

Gale W. McGee
United States Senator

Miss Shirley Thorpe, Sweater Queen of 1960, accepts the flowers from Brent Eastman, Phi Epsilon Phi president. An annual tradition on campus, the dance is always well attended.

In March of every year the Sweater Queen is chosen. The three finalists this year were Dixie Martin, Kappa Delta, Shirley Thorpe, Delta Delta Delta, and Judy Gardner, Pi Beta Phi. Shirley Thorpe was voted queen at the annual Phi Epsilon Phi Sweater Dance.

Spring rushed along on the Wyoming campus and everyone began to think about the end of the school and the summer ahead. Each year of college for the student is filled with memories and events that he always remembers.

Before dinner the Pi Beta Phi social sorority has a quick pep talk from their newly elected president, Ann Johnson.

Informal chats are often held in houses and dormitories on the campus at any hour of the day or night.

Sadie Hawkins Day at the University of Wyoming gives the coeds a chance to exert themselves and capture the man of their choice for the Sadie Hawkins Dance. This year's dance was held in the Union ballroom, Friday, April 1.

Student elections always bring excitement on the campus. Pictured here is the audience watching nominations for ASUW student body officers. Senators are elected by vote of the students in the various colleges early in April.

After hard studying at the library, the Campus Shop suddenly fills up with students, for a little socializing before hitting the books again. Students often enjoy a break in the long hours of studies conversing with other students.

The school year ends with the election of new student body officers and senators for the following year. Here students vote.

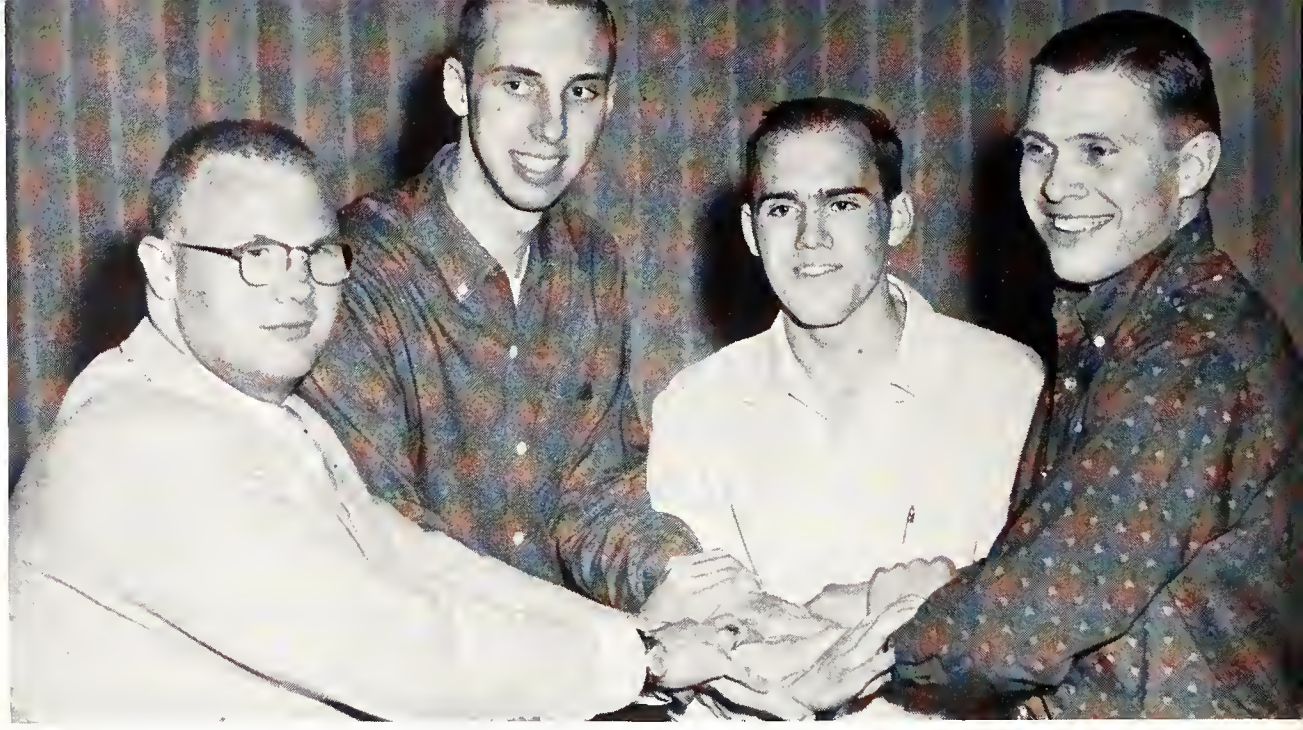
The School Year Ends

A new addition to the campus this year was the Equality party. Officers here are Ken Dines, president; Hal Krause, vice-president; Peggy Bower, secretary; Audrey Leichweiss, treasurer.

The year ends quickly. Activities and events are brought to a climax. At year's end the Equality Party was formed just before student body elections. This is something new and different and never tried on the University of Wyoming campus before.

Spring brings many things to the University. The last good times are experienced; the last walks, the last dates, the last dances, the last picnics. Students are looking forward to summer and new and different horizons.

Track season begins in the spring and the students are in for many track events. Wyoming's team always does well.

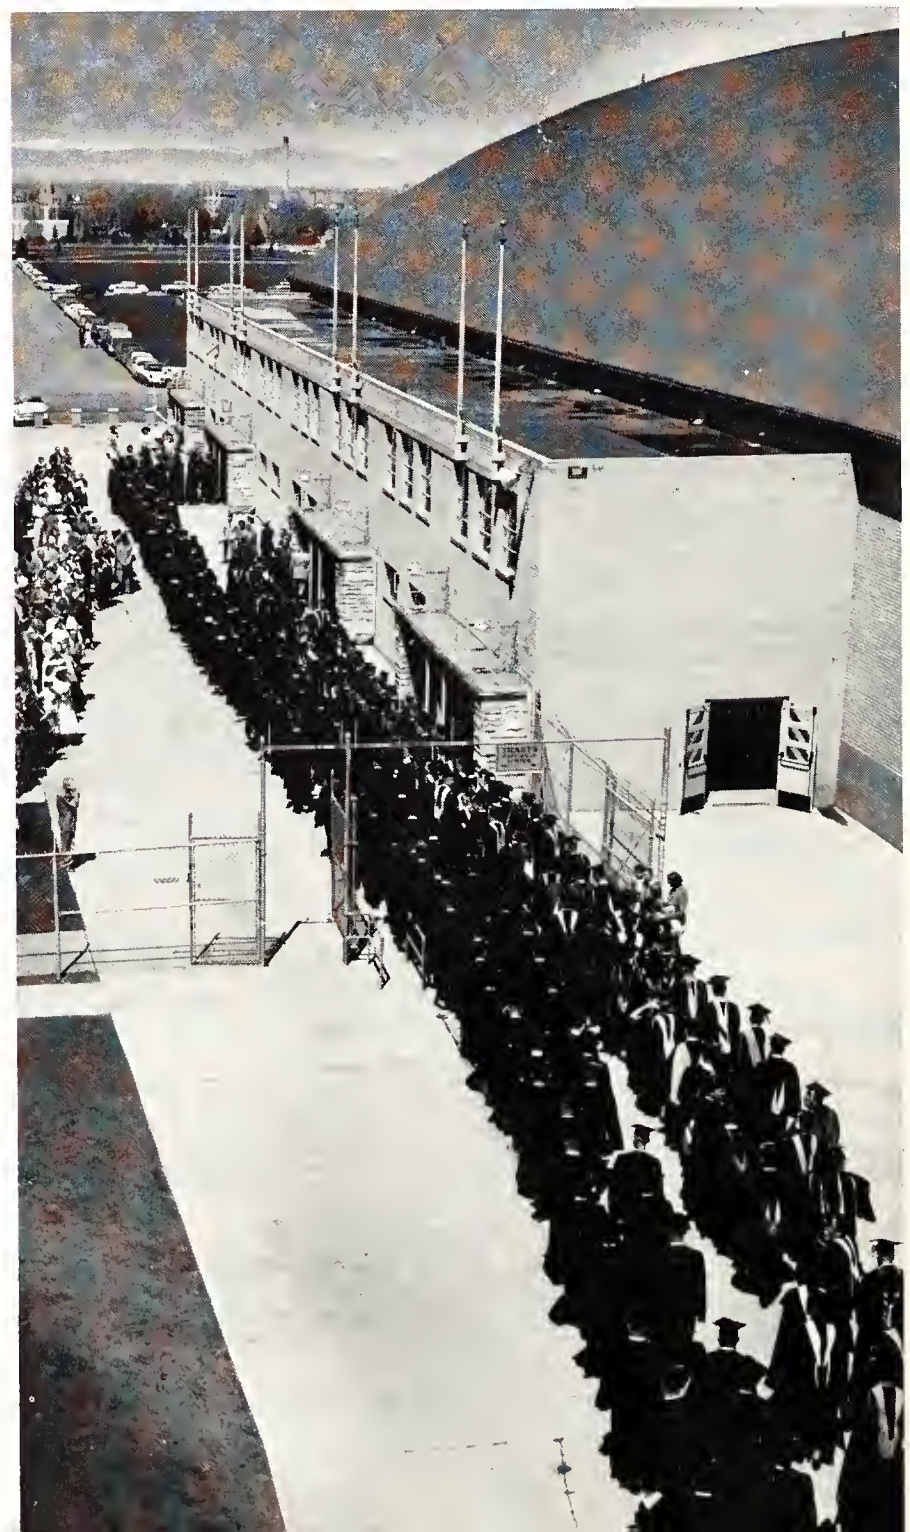


The finalists in the ASUW student elections are Garth Foster, Jerry Lane, Russ Donley and Don Thoren.

Track season sees many aspiring Wyoming athletes going for new records and new victories. Long practices are held.

Graduation is Achieved After Four Years

Graduation at Last. Seniors look forward to this event as the beginning of new experience and new goals.



ADVERTISING

Registration is a busy time
for both students and UW administration.

Blackwell's Blackout

Peggy Blackwell
Editor-in-Chief

The cool, calm tranquilness of the office is a far cry from the usual chatter of voices, shuffle of papers, and frequent cries of someones losing a picture or a page. The liveliness of the room is more inviting; it means a yearbook is being produced once again. A yearbook is a big production; it is a first edition, although this is not usually realized by most students. To make up, take pictures for and edit four hundred pages is a monumental task for any staff. Students on a college campus expect their book to automatically come out in the Spring; seldom do they stop to consider the tremendous amount of work and planning which has gone into the book. The minute detail that makes a yearbook means hours and hours of labor for the few people who care to see that the university has a memory book; a memory book that means, as alumni, students can pick it up twenty or thirty or fifty years from now and recall their college days.

The staff this year was one that volunteered to give up many hours of their time; they received no credit and usually no thanks. They just kept at their job and gave the University its WYO.

I would like to take this opportunity to personally thank each member of the staff for their very excellent job; they were tremendous to work with and without each one of them there would have been no WYO.

SUE ANN MORGAN undertook the job of producing the largest academic section the WYO has ever had. To do this she had to chase down deans, academic heads, and attempt to find suitable classroom shots, besides having to beg to take pictures in the Faculty Lounge.

Reviving the lost queen section and instituting a new type of Who's Who section was the job of DONNA EVANS. Donna also proved worth her weight in gold by assisting everyone else on their section when the going got a little rough. After registering every student in the registration line, MARY ANN HAAK had the trying and tedious job of supervising the class shots plus making sure that each person was correctly identified, with their home town and major. To NANCY LONG and MARY SMITH went the task of spending every week night for two months taking organization group shots. Not only that, but then they had to lay out pages, see that snapshots were taken, plus doing the military, publications, and fine arts sections. SYLVIA SELTZER sorted myriads of pictures to identify the Greeks. She proved her versatility by pitching in and developing pictures to help meet the deadline. ANN MORGAN and RUSS LEWIS combined their talents to produce the Sports Section. Here were two people that I never did worry about; they always seemed to do everything correctly. The ideas of JO SHILLINGLAW and MELINDA YOUNG were invaluable in the Feature Section. Trying to picture the average student's life takes time and thought. DONNA GOLDEN did a fantastic job on the copy with an assist from PAT FOSTER. They tracked down more information and wrote more copy than has ever gone into the WYO before. I am especially grateful to Donna for her ever present smile and willingness to work. GAIL ASIALA did a job that is not just year book work; it is drudgery. But when a student resorts to the Index, Gail is the one to thank. The Assistant Editor, EDDIE O'FARRELL, took time out to have a baby boy, but somehow found time to do a great job proofreading, working on the class section, and being moral support. There would be no book without the pictures of JERRY KITCHEN and ED EATON. They stepped in cold in November and found themselves with the task of taking every informal in the book. How they accomplished this I will never know. For one of the best advertising sections I've seen, my thanks goes to KAY OSBORNE. She was wonderful with my pleas for more money and somehow got the advertising to cover my expenses.

My special thanks goes to Judy Gardner for her help on the Air Force and Army sections; to Sheila Brennan for assisting with the Greek section; to Al Miner for aiding with the pictures toward the last deadline; to Randy Wagner for lending us his developing tank; to Don Merback for being patient and understanding; Sgt. Rosser for developing many pictures; to Joe Kay for the excellent work in the organizations sections; to Warren Mack for taking pictures in a pinch; Allen Krafczik for supplying color transparencies; to Wayne Hadley, Hugh Anderson, and Bob Shaeffer of Myers for the aid and support they gave.
